Suggestions/ideas for activities

There are many activities schools can employ to promote and celebrate their participation in *Go for Gold 2022*. We have compiled a list of ideas you may like to consider or you might have some great ideas of your own.

- **Nominate student *Go for Gold* Champions**
We suggest using Grade 5 or 6 students to give them the opportunity to build leadership skills and develop independence and resilience through having responsibility in the planning and running of activities in the lead-up to and during October. The number of champions is up to each school but one for each year level is suggested.

- **Run a fun activity/competition at your school:**
Celebrate the *Active Schools – Go for Gold* program by running some fun, interactive activities/competitions at your school. Some examples are listed below, and you can use the giveaways supplied as prizes/rewards for students.
 - **Design your own Golden Ticket:**
Council will provide a blank Golden Ticket that students can print out and design themselves. The template is supplied in your pack and will also be available in October at: www.gleneira.vic.gov.au/active-schools

 - **Decorate your shoes/bike/scooter**
Run an activity for students to decorate their own shoes/bike/scooter and then walk, ride or scoot to school on a set day during *Go for Gold* in October.

- **Use the classroom calendars during the month of *Go for Gold***
The classroom calendars are a great way to engage students, track activity and even create some friendly competition among classmates. Use the stickers and prizes provided to reward students.

- **Host a healthy breakfast** for students, parents and teachers

- **Give out certificates** to all students who participated in *Go for Gold* during October.
