About this book

This book is from Glen Eira City Council.

This book is about our
Community Safety Plan.

In this book we will call it **the plan.**

Community safety means

- when you feel safe with people

- when you feel safe to go to places.

The plan goes from 2022 to 2025.

Why did we make the plan?

We want everyone to feel safe.

We asked people what makes them **not** feel safe in Glen Eira.

Some people do **not** feel safe because of

- graffiti

- traffic

- public transport.

The plan says what we will do to help people feel more safe.

What will we do?

1	_____
2	_____
3	_____

The plan has 3 goals.

The goals say what we want for our community.

Goal 1 A strong and connected community

We will have activities to help people get to know each other.

We will help people work together to keep everyone safe.

We will help people who feel lonely.

For example

- First Nations people

- older people

- people with disability

- people from another country

- homeless people.

We will help people treat each other with **respect**.

Respect means we understand that

- everyone is important

- we should be kind to everyone

- we should **not** hurt other people

- we should **not** hurt people's feelings.

Goal 2 Living safely

We will give you information about how to be safe in your neighbourhood.

We will work with the police and other services.

We will have activities to stop

- violence

- crime

- **racism.**

Racism is when a person treats another person unfairly because of their background or where they were born.

Goal 3 Safe public places

Public places are where anyone can go for free.

We want you and everyone else to be safe.

We will make it more safe when you are in public places.

We will have activities to stop crime in public places.

We will make it more safe to travel

- on the footpath

- on bike paths.

We will make it more safe when you wait for public transport.

For example

- at the train station

- at the bus stop.

How we will reach our goals

We will make a list of things we want to do every year.

We call this list our **action plan**.

Every year we

- check if we will reach our goals

- change our action plan to get better

- write a report to tell you what we have done.
