Statement of significance:

This tree fulfils the criteria of:

- Unique location or context
- Outstanding Size (girth height spread)
- Aesthetic Value
- Outstanding Example of the Species

This Yellow Gum is one of the most prominent and oldest trees within the school grounds and it makes a major contribution to the local landscape.

This is a particularly tall example of the species within the municipality, and it is a highly visible and well-formed example that is striking in its location. It makes a significant contribution to the neighbourhood character and provides amenity to the school and wider community.

Given this is a large and healthy Yellow Gum within Glen Eira, it is an outstanding example of the species at the local level.
