

LANDLORD AUTHORISATION FOR EXTRA WASTE SERVICES 2022–2023

1. What are extra waste services?

Glen Eira City Council provides waste services to residents which are charged to ratepayers on their annual rate notice. Council's standard waste service includes a recycling bin, a green waste bin and a garbage bin (of the size indicated on the rate notice).

Extra waste services that incur extra charges require authorisation by the ratepayer (usually this is the landlord), or Council is unable to fulfil them. The ratepayer can authorise a tenant's request by completing this form.

2. Who should use this form?

This form is for use by tenants to document the ratepayer's approval for changes to waste services.

Residents of blocks of flats where bins are shared should NOT use this form. Instead, contact Council and ask for a review of the bins at the property.

Ratepayers can also contact Council by phone to order new services.

3. Tenant to complete:

Name: _____

Address: _____

Daytime contact phone number: _____

Email (optional): _____

As the resident at the above address, I would like to request:

an extra recycling bin (\$60 per year). Size: 120 litre or 240 litre

an extra green waste bin (\$40 per year). Size: 120 litre or 240 litre

that my small 120 litre garbage bin be changed to a large 240 litre garbage bin. (Increase from \$295 to \$590 per year).

4. Ratepayer to complete:
