

- LEGEND**
- Existing tree to be retained.
 - Proposed tree
 - Existing park footpath
 - Proposed primary path (2.5m wide with lighting)
 - Proposed secondary path
 - Proposed asphalt carpark
 - Existing play / activity space
 - Proposed activity area
 - Proposed synthetic turf
 - Grass
 - Planted garden bed
- NOTES:**
- Upgrade park entry off Booran Road to reflect proposed entry into Marara Road Reserve
 - Provide shared trail to rear of playground to enhance safety and amenity. Supplement with new tree planting.
 - Retain existing playspace, shade structures and BBQ area.
 - Additional seating areas
 - Upgrade existing fitness station and enhance with new equipment.
 - Develop new paths to create full pedestrian circulation system around reserve.
 - Reinstate north-south path between Dorothy Avenue and Foch street.
 - Reinstate eastern ovals, maintaining 'dog off leash' activity.
 - Maintain existing western oval, with 'dog on leash' activity.
 - Formalise car parking along Foch street to emphasise tree retention, investigating the use of permeable surface treatments
 - Investigate WSUD planting and drainage treatment along Foch Street parking.
 - Provide new maintenance vehicle access from Foch Street.
 - Install new park maintenance shed.
 - Install new retaining wall to create slope towards oval to allow for path and viewing lawn.
 - Potential location of new building consolidating club facilities and community spaces.
 - Construct new cricket practice nets with 4 pitches. One pitch allowed for baseball practice.
 - Establish new playspaces / fitness node in north-eastern corner of reserve, should baseball relocate.
 - New gathering/viewing space in south-eastern corner of reserve. Scout Hall building removed.
 - New parking in place of existing building (if pavilion relocated), with access from Beatty Crescent.
 - Light perimeter path network. Locations to be determined by lighting design.
 - Realigned shared use path.
 - New golf practice birdie cage.
 - Ball netting at northern end of oval.
 - Install new synthetic cricket wicket.
- Landscape Master Plan - Concept**
- Endorsed September 2017
- LandDesign Partnership
