Important information for applicants

1. This application is for an allotment liable to flooding within Council drainage network. (Please contact Melbourne Water for flood information if the flooding is associated with the Melbourne Water drainage network).
2. Council flood level information is based on flood modelling (applying Melbourne Water methodology) and flooding has a probability of occurrence of one per cent (1%) in any one year.
3. If the allotment's ground level significantly varies, the applicant has to provide the proposed ground floor building plan, so that Council can provide grading flood levels.
4. Council encourages the applicant to provide the building plan with the application, including if any basement car park.
