| Nov 28 16 03:22:52 pm | I live in Elsternwick |
| Nov 28 16 04:49:41 pm | Good amount of shops |
| Nov 28 16 10:51:24 pm | Love the community feel!!! |
| Nov 29 16 06:00:02 pm | Lots of new great cafes and even restaurants are popping up |
| Nov 30 16 09:56:46 am | Lots!! The locals - Wes and Jane always welcoming you with a smile, the lost souls you see wandering the strip. The cool Japanese guy we've dubbed the 'Trendy Scientist' because of the chic linen coat he wears that resembles a lab. coat. The bearded, well-groomed gentleman who walk to Elsternwick station of a morning looking like they've just stepped out of a magazine. I love the tiniest shop in the world, a passageway shop that takes you down the rabbit hole to possibly the only warehouse Southside still in existence as an art space. I love receiving the pieces Bev writes and the hope she has in her eyes. I LOVE Adi who knows my order as soon as I step into Talk of the Town. I love the Op Shops. I love there's a gay sauna that not many people know about. I love you can smell the ocean sometimes. |

| Dec 01 16 04:41:16 pm | Cake shops Coffee shops Don't like Coles but love its 24hr opening Cosmopolitan and vibrant mix of people |
| Dec 01 16 08:14:57 pm | I love that I know the ship owners and talk to them when I ship abd that they know me |
| Dec 01 16 08:16:58 pm | It is varied A mix of people which is reflected in the shops. Bookshop. |
| Dec 01 16 11:07:03 pm | I love that we're finally getting some great cafes and restaurants. I can't wait for the Rifle Club restaurant to open, the refurbishment looks amazing, as does the new Elsti Plaza. I love having the cinema and I loved SouthsideCentral food trucks when it was running next to the cinema (before Council shut it down :(). I love the brilliant homewares store and the different clothes shops. I love the heritage shopfronts and like that they're usually able to be retained even when the site is redeveloped. I like seeing the new developments going ahead, because it provides customers for the shops and cafes, and attracts new shops/cafes. I LOVE the new Elsternwick Plaza - it used to be somewhere I used to avoid (especially at night, even tho it was a shortcut to get home) but now it's a place I like to walk through and spend time in (also love having a go on the swings |

| Feb 09 17 05:54:09 pm | Convenient parking. Close to home. A good mix of shops |
| Feb 09 17 06:06:25 pm | That it is still an old style mixed business retail shopping strip. Carnegie is a pale shadow of the great little strip it once was. I love catching glimpses of Elsternwick locations on ABC productions. Think you've missed some good promotional opportunities there, and soon the ABC will be gone. I'll miss bumping it local media identities. The strip has some great cafes and a good range of restaurants. The natives are friendly too... |
| Feb 09 17 06:18:19 pm | Good choice of shops |
| Feb 09 17 07:48:37 pm | Variety of shops, variety of eating places, seeing more upmarket establishments come into the strip. |
| Feb 09 17 09:09:44 pm | Variety of amenities Classic Cinema Footpath dining/restaurants |
| Feb 09 17 09:40:30 pm | Has most of what you need |
| Feb 09 17 09:45:26 pm | I think it is a great place for catching up with friends with it's range of cafes, and the libraries are excellent for studying. The opportunities to shop at a range of op shops is something else I love about the shopping strip. |
| Feb 09 17 10:04:05 pm | Great variety of businesses are represented means you can do most of your messages in one area. |
| Feb 10 17 09:37:10 am | Not much. Parking is difficult. Pedestrian crossings slow to respond. |
| Feb 10 17 10:37:10 am | variety of shops |
| Feb 10 17 12:11:18 pm | The variety... But there are a few old and tired pales that need to go |
| Feb 10 17 12:16:52 pm | It has everything I need, from weekly shopping, bakeries, newsagent, cinema, pub, cafes, restaurants plus bigger stores (Officeworks) and amenities , telcos etc |
| Feb 10 17 12:39:12 pm | no homeless people |
| Feb 10 17 12:52:42 pm | The diversity is good. The new precinct near the station and park looks great. The Avenue bookshop is a good destination. Services like post office and office works, Core Pilates, barber shop very practical. I like being able to walk a few blocks from school pick up at St Joseph's to library, shops and get everything locally. |
| Feb 10 17 01:58:59 pm | The cinema, restaurants, cafes, etc... |
| Feb 10 17 03:11:56 pm | It is so close to us and there is a good assortment of shops, cafes and service outlets (eg hair dressers, massage etc). |
| Feb 10 17 04:21:39 pm | It still as a lovely local atmosphere, with enriching variety of cultures in both shops/eating venues and citizens. Specialty shops like Will's Batch are a great attraction in Elsternwick! |
| Feb 10 17 06:12:45 pm | Variety of outlets |
| Feb 10 17 10:06:02 pm | - buying Italian food at cheap prices - walking under the porticos when it's raining without become wet - buying fresh and various vegetables and fruits - the old buildings |

| Feb 11 17 01:57:09 pm | The variety of shops and the Op shops |
| Feb 11 17 03:11:03 pm | Lots of options |
| Feb 11 17 03:17:57 pm | That much of the stores are locally owned or small chain, like book store, butcher, green grocer, avid the shoe man, rather than chain stores, although that is changing which is unfortunate. Last thing we need is to turn into Akland st or even Carlisle st. No pricelines, no red rooster,. We should be supporting the local community. |
| Feb 11 17 03:57:35 pm | Ecclectic set of shops, cafes, the Classic Cinema and restrautns. I particular like the open space created between the Goat House and Bang Bang. There are a number of great old buildings along Glenhuntly Rd which adds to its character and appeal |
| Feb 11 17 04:54:40 pm | Range of shops Coles grocery Easy parking Good range of gift shops Great cafes |
| Feb 11 17 04:57:25 pm | Avenue Bookshop Classic Cinemas Hanoi Hannah Bang Bang Antique Bar |

| Feb 11 17 05:50:44 pm | Unpretentious, diverse and caters for everyday needs really well. Great new park near Elsternwick Station perfect for area. |
| Feb 11 17 07:49:28 pm | That is has everything you need - from chemists, bookstore, toy stores, health food stores, physio, grocers, clothing, homewares, bakeries, banks and supermarkets. |
| Feb 12 17 09:57:43 am | The local atmosphere , friendly shopkeepers , a good range of shops including smaller retailers who support local products |

| Feb 12 17 03:09:19 pm | It is small enough for familiarity and homeliness but still large enough for variety and vibrancy. I love that it is LOW RISE. I love the Victorian architecture, buildings and shops. |
| Feb 12 17 04:04:33 pm | Variety of shops Intimacy Close to home |
| Feb 12 17 04:49:32 pm | Quirky with genuinely useful retailers |
| Feb 12 17 07:16:14 pm | That everything I need is handy, from post office to pharmacy, to train to cafes and restaurants, and having a large supermarket - it's got it all. |
| Feb 12 17 10:31:49 pm | village atmosphere High-quality shops, Including bookshops, clothing shops, homewares plenty of cafe/ food takeout options of many different cuisines |
| Feb 13 17 07:05:59 am | variety / exciting |

| Feb 14 17 09:34:18 am | It's got everything |
| Feb 14 17 10:17:57 am | variety of food places |
| Feb 14 17 10:19:00 am | I can do most of my day to day shopping there except for organic food, hardware and clothes. The library. Frank's bakery. I can get parking if I drive. |
| Feb 14 17 11:41:13 am | Shop owners |
| Feb 14 17 11:45:24 am | Range of shops, crowds, people, access |
| Feb 14 17 12:57:15 pm | Proximity and that it is a strip shopping area |
| Feb 14 17 04:54:50 pm | Olia Bakery is incredible! The 24 hour coles, The Loft for gifts, Glo Health Food shop. The Classic Cinema. After The Tears. Avenue Bookshop. The plethora of op shops. Generally I love that there everything is there and there are few 'chain stores' as they are boring. The beautiful old shop buildings and their ornate architecture |
| Feb 14 17 10:12:18 pm | It's cafes and shops, the cinema and bars. The range of public transport available to and from the street is fantastic. |
| Feb 14 17 10:18:58 pm | The variety of shopping and atmosphere of street |
| Feb 15 17 12:46:14 am | Village feel, community based, spacious, safe and reasonably easy to access, park and multicultural feel. Great variety of shops, cafes and entertainment precincts. |
| Feb 15 17 08:47:34 am | Ethnic diversity. |
| Feb 15 17 09:20:05 am | Sadly not much these days but it still thankfully has the sense of community and familiar faces- we often do school or outside activities with the families that trade here but unfortunately it has really lost its shine in last 5 years. Convenience, walk from home and can stop anywhere on way to and from school. Easily accessible with transport LOVE OUR CINEMA |
| Feb 15 17 11:27:52 am | Lots of different shops, pretty much everything you need. |
| Feb 15 17 02:33:46 pm | Proximity to home. Most needs met by shops there |
| Feb 15 17 04:31:47 pm | Has all facilities (ie Banks, Coles, medical centres, library) |
| Feb 16 17 03:53:20 pm | Its diversity, its unique stores (not a lot of big chains) and cafe's, the op shops, its accessibility. I can easily spend a full day wondering. |
| Feb 16 17 05:32:04 pm | The significant variety in types of shops |
| Feb 16 17 07:42:30 pm | new, vibrant cafes (eg Hanoi Hannah, Bang Bang; wide variety of eating options - Italian, Indochine, Asian, Asian fusion, Korean, Polish etc etc); access to library; access to trams and trains; clothing and footwear shops; homewares shops; services (ie banks, chemists, fitness etc); food outlets (eg Trialto butcher, Aviv cake shop, deli, fruit & veg,); appropriate |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | development that blends in with the streetscape (eg Lexicon in Gordon Street); the new plaza upgrade is fantastic. |
| Feb 16 17 07:46:21 pm | Proximity of choices. |
| Feb 17 17 08:17:12 am | Good variety of shops and cafes |
| Feb 17 17 03:25:34 pm | It's close to home so my local |
| Feb 17 17 05:39:30 pm | The diversity of shops - independent butchers, green grocers, bakers, newsagents, cafes, restaurants, culturally diverse take away food outlets, toyshops, banking, medical clinics, health food shops, optometrists, library, Telecommunication shops, shoe repairs, supermarket, liquor outlets, delicatessen, clothing and homewares as well as second hand shops and entertainment facilities such as the Classic Cinema. In summary I do not need to travel to anywhere else for the majority of my daily needs. The architectural style of Elsternwick is also one of its defining features. The shopkeepers are an integral part of the community and make you feel welcome when you shop in their businesses. |
| Feb 17 17 06:41:53 pm | Variety of cuisine, not too busy, generally very friendly and warm people. |
| Feb 17 17 08:30:09 pm | Diversity and the park near the train station |
| Feb 18 17 09:14:03 am | Can get most things I need there |
| Feb 18 17 03:15:05 pm | The variety of shops and the convenience of almost everything I need in one strip. All within walking distance. |
| Feb 18 17 03:19:26 pm | variety, walking distance from my home and in the 15 years I've been living here lot's of change with new bars, cafes, the Classic and a wonderful new deli. HOw fabulous that Elsternwick Plaza has finally been renovated - what a great new space. |
| Feb 18 17 07:24:39 pm | I love the vibe of the strip. The mix of the old and the new. However i feel we really need more variety in supermarkets. |
| Feb 18 17 08:56:53 pm | Wide range of shops and Cafe's |
| Feb 18 17 09:35:59 pm | the variety of the shops |
| Feb 18 17 09:46:14 pm | Convenience for most regular items |
| Feb 19 17 06:51:15 am | Mixture of shops |
| Feb 19 17 10:31:11 am | Love the butcher, healthfood shop , cafes, new restaurants, the parks, green grocers, new deli, love the vibe and busyness . |
| Feb 19 17 03:30:11 pm | It's convenient, lots of options for food and beverages. |
| Feb 19 17 04:06:58 pm | Nice and clean. Lots of variety of shops. |
| Feb 19 17 06:46:32 pm | Very recently I love Hanoi Hannah, Bang Bang, the new park area near the train station and Penta for breathing new and up-to-date life into the suburb. |
| Feb 19 17 06:57:05 pm | It has a variety of shops and almost everything you need. |
| Feb 19 17 08:57:44 pm | Child and Adult toy shop! |
| Feb 19 17 09:35:45 pm | Convenience |
| Feb 20 17 12:09:54 am | The skyline of the old buildings above the shops and the historical architecture they capture. The footpaths which allow for outdoor seating and the variety of retail and cafe options |
| Feb 20 17 06:32:47 pm | I have previously loved other shopping strips, specifically for their diversity, cafe culture, incredible restaurants, amazing supermarkets etc. Unfortunately, the Elsternwick shopping strip has none of the above, so it's probably best to say I don't love the strip. |
| Feb 20 17 07:45:46 pm | "Can walk to supermarket and shopping strip Accessible - don't need to drive" |
| Feb 20 17 07:47:42 pm | Generally ok |
| Feb 20 17 07:49:33 pm | close by |
| Feb 20 17 07:51:38 pm | Variety, food and wine, movies, clothes |

| | |
|-----------------------|-------------------------------------------------------------|
| Feb 20 17 07:54:27 pm | I don't love it! |
| Feb 20 17 07:59:17 pm | The new Elsternwick Plaza - a great community space |
| Feb 20 17 08:02:03 pm | "Walking distance to most amenities Elsternwick Plaza" |
| Feb 20 17 08:00:59 pm | cafes, good parking, good public transport |
| Feb 20 17 09:53:04 pm | Variety - we just love strip shopping |
| Feb 20 17 10:14:50 pm | "Have friends close by Like bookstore and clothes shops" |

| Date | What don't you like/do you want to see changed? |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Nov 28 16 02:39:07 pm | Derelict or unused shops degrade the strip. In the two years I've lived in the area some shops appear closed or very run-down for that whole time. The shops should have to comply with character laws too. I would suggest that inspectors should issue those shops with fines if they don't meet basic standards and make it affordable for retailers to rent the space and thrive. I really loved the 'world vegetarian cafe' and other shops including 'Constance and Constable' which closed over financial pressures. |
| Nov 28 16 03:22:52 pm " | Get rid of - Nazi car parking officers/druggies/rubbish/uneven and cracked footpaths/useless bike racks that are not used. Introduce marked parking bays. Buys some houses behind Glenhuntly road and put in reasonable cost paid parking. Now for you council people ""reasonable"" means \$2 per hour ticket parking NOT contacted out to thieves such as Care park. Do it yourselves." |
| Nov 28 16 04:49:41 pm | Not even cafes and bars/nightlife |
| Nov 28 16 10:51:24 pm | I love that it is like a community but I would love more of a nightlife. All the up and coming suburbs in inner melbourne have breweries these days- where's ours? I would also love a rooftop bar or restaurant- we're so close to the beach, let's capitalize on that! |
| Nov 29 16 06:00:02 pm | Not that much, its heading in the right direction absolutely |
| Nov 30 16 09:56:46 am | I don't like the rumours that landlords are pushing tenants out by increasing rent so it's almost impossible to run a profitable business. I don't like seeing empty shopfronts. I'd love to see Cotton On take over two shopfronts next door to each other because I'm sure they can afford it and I think the strip needs it. |
| Nov 30 16 11:40:20 am | "Wouldn't mind having a hardware store available. Would love to see it more small towny if possible." |
| Nov 30 16 01:47:24 pm | The Coles isn't half as good as Balaclava, the selection isn't as good. The zomato rating of most of the cafes and restaurants isn't good. Although new exciting places with great food are thankfully beginning to appear. There are two bars I'd go to.....After the tears and Antique bar....so not a big selection If I needed a new bra/top, god forbid an outfit, I would have nowhere to shop in Elsternwick. If I bought clothing in Op Shops I would have a massive choice but I don't. There isn't anything to accommodate the 25/30 year old |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | females in the area, but plenty for the elderly. " |
| Nov 30 16 10:36:50 pm | A bigger/better supermarket with more variety. It doesn't stock near as much as what other nearby big chain supermarkets have. Also the facades of many of the buildings are so dilapidated- it really brings down the image of Elsternwick. We have so many beautiful heritage buildings it would be nice to see a face-lift |
| Nov 30 16 11:11:41 pm | slow traffic |
| Dec 01 16 11:59:31 am | We have no good clothing stores, no bars and too many \$2 shops and thrift shops. Perhaps some cheaper rent in the area will encourage young entrepreneurs and more relevant variety. A lot of teenagers and children, families are in the area so more shops that suit their needs. |
| Dec 01 16 01:42:53 pm | Amount of traffic in Glenhuntly rd. Multi level apartments going up destroying the village feel to this area. For those that park in Elsternwick, the lack of parking areas. Around all schools council need to show the presence to stop cars parking illegally, over residents driveways and totally blocking thoroughfares, (particularly in King Street / Beavis Street corner . |
| Dec 01 16 04:41:16 pm | "No cycle lanes on Glenhuntly Road Not being allowed to ride on the footpath to avoid trams and traffic Not enough clothing retailers Would like to see Woolworth and Aldi move in" |
| Dec 01 16 08:14:57 pm | Would like to see all the shop names redone and would love to see hanging flowers baskets like England and Vancouver. Imagine how many tourists that would bring. Love that. Follow the example of Vancouver again and have flowers growing on top of rubbish bins create an atmosphere. Elsternwick is still Edwardian and old fashioned lamps would also. Rests an atmosphere. |
| Dec 01 16 08:16:58 pm | Less empty shops -- some greenery. Quality food. |
| Dec 01 16 11:07:03 pm | For the love of god, can Coles PLEASE go ahead with its redevelopment! It's the worst supermarket in the country. Elsternwick needs a second supermarket - to provide choice, competition and an incentive for Coles to lift their game. Council is the only landowner in the area with a site large enough for a full-line supermarket - I think Council should investigate making its own land available for a 2nd supermarket - perhaps on one of the car parks to the south of Glenhuntly Rd - perhaps including some social/community housing on top! I wish there were more businesses open after 9pm on Glenhuntly Rd - it can be a little unnerving walking home from the train station when it's after 9 because the street is pretty empty. I'd love for a rooftop bar to open - there are some amazing city & bay views available from Elsti. Too many 'old lady' clothes stores. I have no idea how they manage to stay in business |
| Dec 02 16 06:55:52 am | Less cars more parking off Glenhuntly Rd so drivers will walk and encourage cycling please |
| Dec 02 16 03:10:45 pm | I think there are too many eclectic developments, and at the same time, I think more needs to be done to make Elsternwick a "hub." ie. develop the Horne St precinct into a shopping centre with a department store and bus terminus and leave the rest of Elsternwick undeveloped. |
| Dec 03 16 07:19:18 am | I don't want multi-storey development...they are ugly and a blight on the landscape leaving large areas in shadow most of the day.....The one opposite McDonalds is a horrible looking place and an eyesore...same with the one in Riddle parade can be seen from kilometres away and is ugly |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 03 16 08:38:03 am | The length of the traffic lights to cross the road at elsternwick station. They take too long that so many people just cross early so they dont miss their train. |
| Dec 03 16 03:54:23 pm | less high rise developments of apartments |
| Dec 04 16 09:50:51 am | Greater diversity of authentic cuisine, uplift street experience, more unique shops |
| Dec 04 16 02:40:29 pm | too many rubbish shops, have lived in the area 16 years and sadly most of the good stores have gone. It be great if landlords maintained the facade of the old buildings as many of the buildings are in a sorry state and it would be sad to see them disappear and be replaced by modern slabs of cement. |
| Dec 04 16 06:35:32 pm | More shops that stock kitchen and gift items |
| Dec 04 16 09:58:19 pm | More landscaping or planting,shops dressing their windows and displaying their stock not just packing stock into the store, something done to make vacant shops more presentable - invite an artist to do a display? More quality stores, fewer \$2 shops. A cleaner street, particularly around Coles, this long facade could be improved. tidier rubbish bins. |
| Dec 05 16 11:57:09 am | Traffic congestion on glen Huntley red including illegal u turns and drivers blatantly ignoring the signs. Trams and traffic lights at Orong road and the station make congestion worse! |
| Dec 05 16 04:39:51 pm | With all the development I am concerned about future traffic flow/access, parking etc.. ie congestion. The Coles site re-build will add to this both during construction and after. Also where will the temporary Coles be? Over development threatens the character of the area- there needs to be a balance/limit. Will we end up with too many small expensive vacant apartments?. There is a need to ensure that development includes low-medium cost housing. Infrastructure wise the other issue is telecommunications- current landlines in the immediate area are insufficient and that's before I talk about the woefull mobile reception. In Beavis street I frequently have no reception and 3G is rare (never had 4G) - Essential that the telecommunications companies be involved in urgent upgrades, especially with population density increasing. |
| Dec 05 16 07:17:56 pm | Lack of tree planting and green outstands in main street, poor furniture arrangement in Staniland Road and tacky event signage, furniture and cardboard pole covers throughout the street. |
| Dec 05 16 09:44:01 pm | I would like to see some more mainstream / large retailers that will increase foot traffic and in turn help smaller retailers thrive. For example mainstream fashion, homeware and life style retailers - similar to church st Brighton. I don't like the proliferation of Thai massage stores, these are in poor taste and not in keeping with the changing nature of the demographic. They also reflect poorly on the overall area which has significantly increased in value. |
| Dec 05 16 10:59:54 pm | Car parks esp on north side behind shops - entrance off Orrong Rd is too narrow and right next to kinder with high pedestrian traffic too. Don't like the multi-storey residential developments along this strip and nearby. I am concerned about the number of empty shops which detracts from the area. |
| Dec 05 16 11:33:21 pm | Parallel parking causes massive traffic holdups |
| Dec 06 16 02:21:04 am | better controls on parking, more 1 hr zones to assist turnover. something to help speed up the trams. platform stops for pedestrian safety. stop people doing illegal u-turns. better traffic solutions, maybe no right turns? |
| Dec 06 16 11:28:42 am | Not enough night spots |
| Dec 06 16 04:38:17 pm | More parking and restrictions less More shops open on Sunday and Saturday nights |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 06 16 08:42:28 pm | We need an Aldi. |
| Dec 07 16 12:04:21 pm | Not enough retail |
| Dec 07 16 02:30:39 pm | More parking needed Pavements cleaned . Nature strips leading into shopping centre need to be paved,present nature strips are just full of potholes and are dangerous. |
| Dec 07 16 07:13:43 pm | High rise with apartments is creeping in - destroying the look and feel of the strip. |
| Dec 07 16 07:43:29 pm | Dirty. Bins are full of rubbish all the time. Street needs cleaning far more often. Too many empty shops. Need them filled out. Do not take any more parking off the street or car parks. Will ruin the area. |
| Dec 07 16 09:15:27 pm | Traffic congestion. Too slow with trams and people parallel parking. Need better parking options - a new public car park. The look and feel. Bit dirty and would benefit from some greenery to make it feel more inviting and like a trendy cafe strip. More like Elwood and Brighton, neighbouring suburbs. Safety improvements. Often feel unsafe - no police presence despite a lot of drunk and undesirable behaviour from those coming off the train late in particular. |
| Dec 07 16 10:56:21 pm | Don't hipsterise the area. We already have a Chapel St and I don't live there because it's shit. More parks for small kids to play. No more apartments. Ease the burden on Gordon St. It's already too congested and the traffic barely moves now. Don't let Ripponlea Estate build their cafe and car park exiting Gordon St. It will make weekends an unmitigated nightmare and unsafe for kids. |
| Dec 08 16 02:59:29 pm | The footpath is always dirty, messy and crowded. |
| Dec 08 16 06:35:29 pm | Around the station is missing a smaller supermarket there |
| Dec 08 16 09:33:08 pm | Less development & building towers ruining the street scape. Too many beggars. Graffiti & rubbish dumped behind shops |
| Dec 08 16 09:33:55 pm | Bad drivers that do u turns , even when it states NO UTURN. More CCTV |
| Dec 08 16 09:47:33 pm | Glenhuntly Rd looks dirty. Litter is a problem. Graffiti & too many beggars |
| Dec 10 16 04:54:08 pm | There is too much traffic. I would like to see greater fees placed on car parking to deter drivers, the removal of on-street car parking spaces (so as to allow cycle lanes and now slow down trams) and more shade trees planted. |
| Dec 11 16 07:31:56 am | Parking is difficult to access frequetly. Drivers attemptibg u-turns on glenhuntly rd. Traffic flow. |
| Dec 11 16 09:38:00 am | Clothing shops are targeted to mainly one market - mature women & men. I'd like to see shops targeted at at younger crowd, from children to young adults. Also - removing car parking from Glen Huntly road would ease traffic congestion. |
| Dec 11 16 08:25:28 pm | No more opp shops and Thai massage places. Need to continue to modernise strip |
| Dec 11 16 09:50:59 pm | Empty shops Wrong choice of retailers The name that was recently implemented, sounds like a retirement village, we are not a village, the colors are not at all appealing and not one customer has even noticed. There should be planter boxes in the street, improvements to the overall |

| | streetscape and new footpaths. Also, line markings for car parks would be helpful on Glenhuntly rd. |
| Dec 13 16 04:19:39 pm | It's becoming too dense and hip. I hate the fact that a bar calls itself The Wick, when everyone knows the Wick is local name for the Elsternwick Hotel. Too many young couples pushing up rents with all this hip stuff. Stop now. The developments are way too big. Also, people can't drive. I'm Jewish and it's a fact, we're the worst drivers. |
| Dec 13 16 06:15:12 pm | |
| Dec 14 16 06:25:52 am | Low quality shops (\$2 shops & nail shops etc) |
| Dec 14 16 09:10:17 pm | Would like to see some public rubbish bins on the south side of Glenhuntly Rd, from Kooyong Rd to Hopetoun Gardens as there are currently none |
| Dec 15 16 08:30:36 am | More good restaurants |
| Dec 15 16 05:57:49 pm | Access to coles could be improved - but not sure how without major building works |
| Dec 15 16 08:24:24 pm | Graffiti, residential development, rubbish |
| Dec 15 16 09:24:18 pm | More places to hang out Discount lolly store Cheaper food |
| Dec 15 16 09:27:16 pm | Not a lot of variety of restaurants close together and the retail shops are average |
| Dec 16 16 09:20:03 am | I don't want to see the cannons in hopetown gardens moved yet again, they have been moved too many times, I just want them back in their original places like the good old days. |
| Dec 16 16 09:03:20 pm | Where are the Christmas decorations? |
| Dec 17 16 06:28:03 pm | I do not like the proliferation of beggars and charity chiggers. I don't like the shops being replaced by even more cafes. We need a variety of shops. |
| Dec 18 16 09:53:12 am | Shops opening hours increased esp butchers and grocers. |
| Dec 18 16 09:53:57 am | Updated retail shops as some are looking a bit out dated. Renovate Coles. |
| Dec 18 16 11:56:12 pm | Not enough restaurants and cafes - all fast food except for Hanoi Hannah and Tommy Ruff |
| Dec 19 16 07:05:36 am | Smarter parking options. More accessible public transport. Do not let any new apartments get too big or too high. |
| Dec 19 16 03:45:48 pm | I really dislike the fly by night/pop up, poor quality shops, eg, the \$2 shops. It's a pity that there are fewer food traders too. It's shame that traders have been pushed out with increasing rents. |
| Dec 19 16 06:29:49 pm | I DO NOT like the 7-storey apartment development that is starting to creep into the strip. In fact I hate it so much that I have given thought to moving, as I fear it will destroy the "soul" of Elsternwick. I am extremely upset about Council's willingness to allow development of the section around the Commonwealth Bank, as I do not believe there should be apartment complexes or high rises within the shopping precinct. The most recent development of 7-storeys is too high. |
| Dec 20 16 09:25:49 pm | Better Christmas decorations, this year's are completely lame. Doesn't even feel like it's Christmas. |
| Dec 22 16 08:46:08 am | I would like to see more trees in the area, and to ensure that the native trees we currently have are protected from developments or other changes. Eg the native trees on Orrong road near Coles. |
| Dec 22 16 09:55:04 pm | The Coles supermarket is inadequate for the volume of people who use it and the car park is quite dangerous. I often go elsewhere if I need the car. I would like to see the Elsternwick branch of the library upgraded - it provides such a great service to all people of all ages in the community and with more space could deliver even more. |

| | The public toilets in Staniland Grove are of a very poor standard and need to be replaced or redeveloped |
| Dec 23 16 06:38:43 am | stop building highrise over 5 stories. |
| Dec 25 16 04:30:29 pm | Parking!!! It's fine to develop the area with countless apartments, but more residents means more visitors. All of this equates to more people in the area but the parking hasn't increased. We need more parking. Why not turn the carpark behind the Westpac (corner Glenhuntly & Orrong Rds) into a multi story carpark? You can't keep developing the area without increasing parking, it's getting ridiculous!!! |
| Dec 25 16 11:02:47 pm | Don't like the planned development round Coles, will be a big disruption and too many apartments. Parking in the Coles supermarket carpark is crazy a lot of the time, not enough spots. |
| Dec 29 16 12:01:34 am | The historical facades defiantly need a refurbishment program. There seem to be increased breakins, Alarms and violence it would be good to address this. |
| Dec 29 16 07:51:29 pm | Run down shops and poorly thought out pop up shops that dont seem to go anywhere and just end up bringing the area down. |
| Dec 29 16 07:54:45 pm | I think that keeping the older style of shops and encouraging a greater range of shops would be wonderful. I think some of the rental prices probably need to be dropped so there are less empty shops and less filler shops and so some smaller but more innovative shops could be opened. I'd also like to see some more shops that are destination shops, as in shops that people would come to the shopping strip specifically to attend, there are only three or four at the moment. Additionally I believe that some investment in public art and further public greenery to make the physical atmosphere of the street more amenable would be excellent. Preserving the heritage of the street is essential and it should be celebrated, possibly through installations, rather than just accepted and extensive modern development that has no relevance to the heritage streetscape should be discouraged. The Elsternwick shops should be somewhere people come to rather than a place that just get used by the people who live near it. |
| Jan 01 17 01:25:16 pm | More clothing stores. Good Mexican restaurant. Less turnover of shops due to high rental costs due to almost one owner owning most of the retail spaces on the street. |
| Jan 01 17 07:42:34 pm | THERE NEEDS TO BE MORE TREES. Comparing elsternwick shopping strip to church street Brighton is embarrassing! Too much concrete and sterile look. Also needs to limit the amount of cheap \$2 shops and thrift shops |
| Jan 01 17 10:57:54 pm | Would like: 40kmh at all times, no trucks/buses between 7am-7pm. More cycling encouraged for all ages, wider footpaths, more places to cross the road safely on foot. More trees and flowers. Only architectural significant apartments and buildings approved. Trader signage rules considered to align with intended streetscape. Love Elsternwick plaza, great space and looking forward to Hopetoun gardens entrance refresh. Consider doing something about number of vacant shops. |
| Jan 02 17 07:21:25 pm | No empty shops all leased. We need a trendy menswear and mens shoe store and sports apparel store. Cafes with live music no smoking in outdoor eating areas |
| Jan 03 17 01:17:21 am | The pedestrian crossing on Nepean Highway is extremely dangerous and badly planned |
| Jan 03 17 05:52:31 pm | I'd like another supermarket, perhaps Woolies. Coles is always very busy. Woolies up the road in Carnegie is a much nicer |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | <p>atmosphere and i often escape Coles for Woolies. Despite the fact that I'm 5 mins from Coles.</p> <p>Unfortunately Elsternwick is growing so quickly and i intend to move at the end of this year, even though it has been my hood for around 8 years and i have family here.</p> |
| Jan 03 17 07:57:21 pm | <p>highrise buildings on the street front</p> <p>fewer massage places</p> |
| Jan 03 17 08:57:09 pm | <p>Better Coles, no more high rises, a couple more shops like target, witchery, cotton on would be good</p> |
| Jan 04 17 07:53:18 pm | <p>The restaurants in Elsternwick are so small now. Can't find anything spacey. The Aperatif has gone. The Library needs to be renovated.</p> |
| Jan 05 17 08:27:05 am | <p>More consistent building canopies - the new tall building at west end has an awning which doesnt stop pedestrians from getting wet in the rain. Ensure shopfronts arent obscured by signage/frosted glass and limit signs to awning style. Lose some parking spaces to provide more trees would be nice. Make sure any tall buildings are set back from street wall. More open space at western end. More interesting building design for new apartments, Council has approved some shockers (sorry!). Dont prevent sun from hitting southern side of the street as its nice to walk in the sun.</p> |
| Jan 05 17 03:54:05 pm | <p>There is a desperate need for a new supermarket. The existing Coles is overcrowded to the point of being dangerous. There are a few shops where the owners are making an effort but many which have grimy unattractive and unswept frontages. There is a chemist which has had the same mannequin modelling support bandages at its entrance since at least 2009. The butchers shop next to the Commonwealth bank looks and smells dirty...I would never go in there. Mercantile, Fella Hamilton, Aviv, Avenue Book Store and Sussan are all examples of well-run businesses</p> |
| Jan 05 17 08:40:33 pm | <p>Coles parking and the environment in Coles is horrible bullying in the car parks by big taragos and needs to be better managed</p> <p>Better parking</p> <p>Keep banks open</p> <p>Make it safer</p> <p>Have good safety ratings for cafes and let us know which ones are ok</p> |
| Jan 07 17 04:03:45 pm | <p>Too many parked cars at the bottom end. The south side of Glenhuntly RD between Horne St and Nepean Hwy should be a clearway - preferably 24x7, but definitely during the morning peak hours (including weekends). A small number of parked cars causes major bottlenecks.</p> |
| Jan 08 17 09:39:23 pm | <ol style="list-style-type: none"> 1. Need to have more variety of Australian's clothing brands ie, Suzzane Grae, Blue Illusion, Gazman etc. Or just well known brands. 2. More public toilets. 3. More events at the parks/gardens. The food trucks was a great idea. Sunday market may work well too. I cant wait for live music. 4. Council may want to limit the height of new building as the new developments appear 'massive and bulky' in form. 5. Through out the year festivities can be marked by different type of decoration or promotion supported by local businesses. ie weekend sales, or winter coffee deal etc. This can attract locals to shop locally. |
| Jan 14 17 10:25:07 pm | <p>Lots of dogs muck, far too regularly.</p> |
| Jan 17 17 04:50:35 pm | <p>Finding parking spots for longer than 2 hours is hard, particularly when we want to go to the Classic Cinema.</p> |
| Jan 17 17 06:35:23 pm | <p>Cheap pop up shops and \$2 shops.</p> <p>Would be nice to have a few more mainstream clothing brands.</p> |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| | Don't like seeing empty shops. Would be good to have a somewhere for daily items closer to station |
| Jan 19 17 06:08:41 pm | Traffic congestion; multi-storey "tower" developments; not feeling completely safe after dark due to some loitering groups. |
| Jan 21 17 01:03:25 pm | No parking |
| Jan 21 17 01:12:25 pm | Parking at Coles is crazy. Not big enough supermarket. |
| Jan 21 17 01:15:44 pm | No parks |
| Jan 21 17 01:19:18 pm | Not sure |
| Jan 22 17 02:33:09 pm | Easier access for cycling through that section without the risk of car doorings (admittedly a tough one) |
| Jan 23 17 05:59:24 am | Parking is difficult and limited Not enough good quality shops, old and outdated |
| Jan 25 17 10:42:07 pm | I don't like seeing some of the established shops closing and being replaced by yet another massage shop or nail shop! |
| Jan 25 17 10:56:11 pm | Would like retail stability. Don't like pop ups. It's high time Coles redid itself. Then we'd get some better food options for the strip |
| Jan 26 17 04:41:39 pm | Good hygiene shops, toilets, playground |
| Jan 26 17 04:55:21 pm | Driving its quiet congested the elsterneick officeowrks is hopeless. I go to Prahan instead. Coles is too chaotic but no alternatives. |
| Jan 26 17 05:02:11 pm | Kid friendly |
| Jan 26 17 05:08:39 pm | Less alocohol and nail shops |
| Jan 26 17 05:11:27 pm | Other end towards glen huntly road doesn't need to be 40km |
| Jan 26 17 05:18:18 pm | Coles is terrible. No real alternatives for groceries. More play equipment (A SLIDE) for toddlers and younger kids |
| Jan 26 17 05:20:34 pm | More shops variety |
| Jan 26 17 05:22:13 pm | Congested. Coles supermarket is a disater |
| Jan 26 17 05:25:19 pm | Empty shops |
| Jan 26 17 05:31:59 pm | Not very clean. litter |
| Jan 26 17 05:37:03 pm | All good |
| Jan 26 17 05:42:14 pm | N/A |
| Jan 26 17 05:46:19 pm | Traffic |
| Jan 26 17 05:49:26 pm | Bigger supermarket an Aldi etc |
| Jan 26 17 05:55:45 pm | Nothing |
| Jan 26 17 06:01:32 pm | Keep it as it is |
| Jan 26 17 06:06:18 pm | Keep it simple and accessible as it is |
| Jan 26 17 06:15:37 pm | Come not useful shops etc. \$2 shops and junk shops |
| Jan 26 17 06:20:39 pm | Nothing |
| Jan 26 17 06:28:02 pm | No |
| Jan 26 17 06:33:48 pm | Nothing |
| Jan 26 17 06:47:16 pm | Parking |
| Jan 30 17 12:52:51 am | Less structures for the seniors to engage |
| Jan 30 17 12:57:21 am | Keep the heritage but blend with modernity |
| Jan 30 17 01:08:08 am | Some more variety Greenery not enough (or any) trees More live music |
| Jan 30 17 01:17:54 am | More parking |
| Jan 30 17 01:23:46 am | Not so crowded |
| Jan 30 17 01:34:13 am | More attractive footpath more trees and landscaping |
| Jan 30 17 01:37:27 am | More parking |
| Jan 30 17 01:46:06 am | Too many vacant shops and too many of the shops closed on mondays |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Jan 30 17 01:49:36 am | Flicks to return |
| Jan 30 17 08:35:13 pm | parking - hardly any parks over 1/2 hours and not enough of them |
| Jan 30 17 10:49:49 pm | Coles is so dirty and crappy. Can't the car park be cleaned up?? |
| Jan 30 17 11:23:41 pm | More developed and integrated open space. Less jewellery burglaries. More frequent trams perhaps. It's kinda long and not dense. |
| Jan 31 17 01:52:02 pm | Would be nice to beautify the strip with trees etc and doing up some of the heritage buildings. Less cars too, encourage people onto trams and trains. (Though lobbying of PTV to introduce local/short journey tickets for myki may be needed there!) |
| Feb 02 17 11:53:52 am | All the vacant shops, too many low end/badly presented shops, Elsternwick Coles is horrific, parking is cramped. |
| Feb 02 17 05:45:00 pm | My husband, parents and I find the pavements grotty and need replacing(not just jet washed) and a lot of shop fronts smartened up/beautified. |
| Feb 02 17 05:54:26 pm | Less high rise apartment buildings |
| Feb 02 17 06:11:28 pm | Coles is the worst supermarket I've ever visited - urgent redevelopment required! The strip is quite tired & lacks greenery. It needs a facelift. It's a bit grotty & lately there's a lot of homeless people sleeping rough & begging. |
| Feb 02 17 07:55:06 pm | Pedestrian priority More bike parking Increased density and housing choice Rationalised and decluttered signage More trees Improved pedestrian access across Nepean Highway Wider footpaths for outdoor dining in sections Contain length of strip Increase side street commercial development Identify future links between car parks and main street to create laneway dining or retail experiences |
| Feb 03 17 05:56:56 pm | -Immigration visa businesses i.e tacky massage, mobile phone repair and \$2 shops are destroying the strip. - high rise apartments need to stop - prioritise heritage buildings and neighbourhood feel - more trees and open space |
| Feb 03 17 06:55:23 pm | Please improve the urban landscape. The streetscape looks incredibly tired and shabby Image a strip of shops with great trees and planting around the footpath, facades that are painted, and tenants and landlords who are obliged to update their street frontages |
| Feb 03 17 07:23:19 pm | Yes cleaned up.Better shops.more variety for all budgets |
| Feb 04 17 08:27:46 pm | Leafy trees planted up the footpath to create a more pleasant place to walk. If a street looks clean and inviting it will entice more people to visit and shop. |
| Feb 06 17 03:20:17 pm | It is getting better and better but still generally looks run down. I don't mind the look of old fashioned shops but they need to be maintained and preserved otherwise the strip doesn't have a nice vibe. The cheap shops (such as the multiple \$2 type shops and oppe shops) add to that overall feel of it being a run down and cheap area. |
| Feb 07 17 02:23:34 pm | Too many "opportunity" shops. Many homeless people present. Need a larger variety of shops - and not just cafes etc. What about a TAB? |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 07 17 03:18:06 pm | Do not make it into just another Strip center, or soulless retail development, but it would be good to be creative in extending and developing an interesting unique classy Village feel. Good for locals and tourists. Keep the low rise feel and old style 1st floor facades, but change the awning/verandas to something more aesthetic and themed and relaxed. Keep the lovely low rise houses and streetscapes in the surrounding streets to make the whole area into an appealing special area like many cities have achieved overseas, a showcase for aesthetics, tranquility and attractive life-style. The "bones" are there in this area and with clever foresight could be expanded. |
| Feb 07 17 03:20:25 pm | Less traffic |
| Feb 07 17 03:40:23 pm | I'm concerned that all new developments have shops at ground level. Will that mean we will have permanently empty older shops in the strip? Especially with the growth of on-line shopping we might need fewer local shops. Can't we have developments with accommodation at ground level , like Europe?? |
| Feb 07 17 03:42:12 pm | More trees and plants |
| Feb 07 17 04:17:10 pm | I would like more of the parking to be for longer, sometimes 2 hours is not enough. I don't like the high rise building that is near McDonalds. It is a terrible eyesore. Buildings should not be more than 3 stories at the most. |
| Feb 07 17 04:53:45 pm | Some tired retailers, Coles too small and difficult to shop at |
| Feb 07 17 05:53:45 pm | It seems to have way to many opp shops, and tired old retail outlets that I never see anyone in. |
| Feb 07 17 05:55:39 pm | No cheap looking advertisements like the green stickers - live , fun,,etc |
| Feb 07 17 06:31:04 pm | Don't like the dog poo, there is never a day where you don't see dog poo, and it's walked, all over the path, dogs off leashes lots of this happening. I would like to see cleaner footpaths. In chapel street you see cleaner's walking up and down the street cleaning.The crossing in between St Georges Rd and Staniland Grove takes far to long to change, alot of people do not wait for lights to change.The homeless people are increasing. Less people trying to get money for their charities, the people working for charity are always well behaved. Not always the case with the homeless people. See coles developed and more car parks. |
| Feb 07 17 06:58:10 pm | more internet cafes |
| Feb 07 17 07:05:33 pm | New Coles with plenty of parking |
| Feb 07 17 07:39:30 pm | Better use of Council car parks. They are under-utilised and should be developed for multi faceted uses (I.e. Public/private partnership to develop community and private facilities, which includes more green space). Please show some creativity with these spaces! |
| Feb 07 17 08:16:16 pm | Keep height restrictions around four storeys for new buildings. No tall overpowering buildings. Support stand alone retail rather than just another strip of chain outlets. There are already enough commonplace franchises in 2017. Continue to support the Elsternwick Library. |
| Feb 07 17 08:41:09 pm | |
| Feb 07 17 08:51:04 pm | Traffic- I live locally so always walk but I avoid driving down glenhuntly rd as it gets very congested. Really like the elsternwick park/Plaza upgrade With all the new apartments eg Riddell Parade there is definitely a lack of parking spaces available. |
| Feb 07 17 08:53:44 pm | Coles supermarket is a really poor experience. As a supermarket that |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | <p>services such a huge catchment it is in desperate need of upgrade in size and car park. I drive to Brighton Coles for my weekly shop as the experience is so much superior.</p> <p>I would like to see quality shops, retail and cafe and service providers come into the strip. There are plenty of great shops but would be good to maintain and increase the quality of shops that come. Seems to be a very high turn over of shop lease. A fish monger shop would be very good.</p> |
| Feb 07 17 09:01:51 pm | 40km zone extended hours - why not have 8am-7pm. |
| Feb 07 17 09:03:35 pm | <p>I don't like it when fancy pants cold pressed juice bars open, plenty of room for them in Chapel st</p> <p>Thrrr aren't enough independent bakeries</p> <p>It's hard to buy a meat pie</p> |
| Feb 07 17 09:15:49 pm | <p>More greenery (trees on street); interesting foot paths (Acland St treatment is good); less congestion on Glenhuntly Road - tram, cars, bike riders and car parks compete; improved streetscape (maybe some interesting signage or sculptures on the roof / awnings of shops like Brunswick St); a bit of a theme to restaurants or area (such as graffiti walls; or something that makes it a bit edgy)</p> |
| Feb 07 17 10:31:34 pm | |
| Feb 08 17 07:16:27 am | There should be more vegan places to eat. |
| Feb 08 17 07:53:25 am | Limit the new apartment developments. It's ruining the area and changing it for the worse. |
| Feb 08 17 08:26:47 am | <p>I don't like the take away containers taking over the restaurant so no-one has to hire a kitchen hand anymore, I don't like the plastic bags the shops and supermarket keep giving so easily. So I don't like the rubbishing of our streets. That's a concern to me.</p> |
| Feb 08 17 08:46:01 am | Some of the facades need a facelift |
| Feb 08 17 09:04:54 am | <p>Toilet facilities need upgrade / replacement.</p> <p>Shop keepers do not bring their rubbish / recycle bins in in a timely fashion. These are unsightly and sometimes a walking hazard. Often for three or four days after collection.</p> |
| Feb 08 17 09:27:50 am | <p>There are a couple of lovely homeless/beggars that I chat to and often give money to but there also seems to be a dark, undercurrent of young, ice addicts roaming the street in Glen Huntly Road. I work in an office above Bagelicious and on one occasion I actually walked past a young man sitting on the ground outside Coles first thing in the morning with an ice pipe in his hand.</p> |
| Feb 08 17 09:30:49 am | <p>Coles</p> <p>Old shops need to be refurbished</p> <p>Rubbish bins need to be closed at top to stop rubbish coming out - like Glenferrie Road</p> <p>More rubbish bins</p> <p>Too much dumped rubbish at op shops and on nature strips</p> <p>Homeless camping out</p> <p>More trees</p> <p>Hard waste to move to 3 scheduled times a year</p> |
| Feb 08 17 09:33:31 am | <p>More greenery, pot plants and flowers.</p> <p>No graffiti.</p> |
| Feb 08 17 10:00:22 am | would like to see at least one shop which caters to pet owners, none at the moment. |
| Feb 08 17 11:41:00 am | Older/tired retailers replaced with better retail offerings - clothing for example. The old retailers detract from where the strip is moving. |
| Feb 08 17 12:15:55 pm | The intersection of Glen Huntly and Orrong is a mess from all sides. This |

| | congestion encourages rat running and puts traffic onto local roads such as Rowan. I am not sure what the solution is but something must be found. |
| Feb 08 17 12:18:12 pm | Pop up op shops look tacky, footpaths need cleaning more often, Coles facade looks bad, people begging - though an understandable sign of the times - is disturbing. While I love outdoor seating in cafes, there is limited space to walk through to the lights near Bagelicious and the fruit shop at Orrong Rd corner. It can get very crowded there! |
| Feb 08 17 01:28:35 pm | Id love a big w or a kmart |
| Feb 08 17 01:35:06 pm | Redirecting homeless people to safe shelters, increased security presence |
| Feb 08 17 01:44:55 pm | I want Elsternwick to look clean and maintained. There is too much rubbish around - possibly not enough bins. Sometimes the bins on the street near the Plaza are overflowing. Coles should be made to keep their areas clean ie, the area between the footpath and the Coles car park in Orrong Road has had rubbish on it for a long time. Also there is often rubbish around their roller door and further afield. There is often rubbish in Ripon Grove just past the real estate agents. There is rubbish on railway land all along the railway line. The laneways running from the council car park on the south side of Glenhuntly Road are smelly and dirty. Graffiti is a big problem too. |
| Feb 08 17 01:46:23 pm | lack of parking; people who don't obey road signs; |
| Feb 08 17 02:00:21 pm | vacant shops. the daggy end of the shopping strip (past Coles) |
| Feb 08 17 02:11:29 pm | Clean up McDonalds end of Glenhuntly Road Parking on streets delays trams and traffic. More parking off Glenhuntly road |
| Feb 08 17 02:23:29 pm | I am not thrilled about the higher rise apartments - especially those that don't have sufficient parking. I hope that the whole strip is not over run with apartments, closing in the whole neighborhood. |
| Feb 08 17 02:25:46 pm | overbearing inappropriately large and unsightly apartment development. If development must occur, would rather see maximum 3-4 storey, or even better family friendly townhouse development. |
| Feb 08 17 04:20:37 pm | Limit the number of any one business - For example: Thai Massage |
| Feb 08 17 04:34:45 pm | Too many cars still doing u turns which holds up traffic. Need for more parking. Too many small businesses and long time owners have had to leave due to high rent, leaving empty shops. Some type of regulations whereby only a certain number of particular shops within 100 meters of each other are permitted . (there is an abundance of Asian massage) There is a need for a retail chain store such as Target, Big W or Best and Less |
| Feb 08 17 04:53:06 pm | Needs double benches or add a bench next to the existing ones. Less cafe chairs constantly pushed out into the pavement walkway. its out of control. some boards are in the middle of the pavement. so definitely more visits by council to check and finally cancel their rights. some business people really only care about their business with blinkers on while pram pushers struggle through, and push their space to the limits, and not care about people trying to walk to places. their are many prams and many people stop to talk so more space is needed for walkers. The carpark behind anz and nab is never being cleaned. sand, dirt and stones across the carpark since 2016. Close this hazardous carpark down. Try walking yourself and then ask if the elderly ought to be walking and parking here. Then close it. |
| Feb 08 17 05:06:28 pm | More cafes |
| Feb 08 17 05:56:43 pm | shops constantly changing-retailers say rents far to high to stay. Have lost |

| | some really good retailers |
| Feb 08 17 06:15:43 pm | The highrise apartments are horrible and change the feel of the strip, what a shame. |
| Feb 08 17 06:25:02 pm | The coles supermarket is not a great floorplan and the carpark is terrible. |
| Feb 08 17 06:33:25 pm | SIGNAGE, SIGNAGE AND SIGNAGE - what a pigsty. There should be more control, uniformity, standards, building colours etc. Its a disgrace and it lets down the calibre of the street. Shopping centers control this very strongly to their benefit. Give it a name "eat street" would be perfect. Advertise the same as a quid pro quo for signage control. |
| Feb 08 17 08:31:14 pm | Not enough good quality clothing boutiques Heavy traffic all the time- cars diverting to local streets particularly when Glenhuntly Rd is 40kph, where traffic speeds is 50kph- illogical! m Council must work more closely with VicRoads to implement strategies to reduce reliance on cars Not enough services in Elsternwick yet we are the highest rate payers, and need one more supermarket as Coles has a significant monopoly here and is always overcrowded. Consumers wait and wait to get through to the cashiers. Need a regular farmers market - the Elsternwick Plaza is a perfect site. Must reduce over development and keep height for apartments to 4 stories (like in St Kilda). Whenever anew development is approved , a risk assessment on utilities/services (e.g. stormwater drains capacity) etc must be a key criteria for rejecting/approving. Climate change and environment - much more concerted effort to help residents do their bit as well as Council- We want to see more action and proactive Council representation to Federal and State govts on this issue . |
| Feb 08 17 09:02:14 pm | More classy bars and liquor licenses. Clean up the outside beggars that have moved in. |
| Feb 08 17 09:05:33 pm | It would be nice to see more clothing/retail shops |
| Feb 08 17 09:39:44 pm | The Coles is too small and Carpark is terrible, the brothel is bad but I believe that is going, car parking could be better around classic cinema |
| Feb 08 17 11:42:21 pm | More 'fashionable' fashion stores for 30+. More trees. More decorations during Christmas. Noticing more homeless people camping out outside vacant shops and leaving rubbish etc. This is a difficult problem I understand but it is noticeably becoming worse. |
| Feb 09 17 08:21:19 am | The high rise apartment built over last two years, corner Glen Huntly RD and Mc Combie St. The complex is too high. Planning approvals should have lower height limit, much lower than this development. |
| Feb 09 17 09:08:27 am | However not enjoying traffic congestion and TOO MANY high rise apartments. The area is beginning to lack the ambience it once had. Lack of parking on Glenhuntly Rd for when family and friends visit. Coles extremely busy!!! Needs another supermarket like Aldi or Woolworths. |
| Feb 09 17 09:42:57 am | Seems to be a lot of \$2 stores and it sort of "cheapens" the place a bit. Understand they have been there a long time (and it would be unfair to move them) but when new cafes and restaurants are opening, it's a bit strange to walk past stores that are selling random bits and pieces and taking up space on the pavement / boardwalk |
| Feb 09 17 09:51:14 am | I want more residential development and carparking to keep the strip strong. no to paid parking/meters |
| Feb 09 17 10:23:40 am | The empty retail shops, and the amount of new premises under developments that are currently empty. The ever increasing number of high rise accommodation. In residential streets. |

| Feb 09 17 10:29:13 am | do not put more second hand shops. they are good but too many. supermarket needs more parking |
| Feb 09 17 10:33:04 am | the shopping strip, "surbaban" nature |
| Feb 09 17 10:56:35 am | Better traffic management so that residential side streets are not used to avoid traffic. Something to stop people doing u turns. |
| Feb 09 17 10:58:01 am | The 40 speed limit on Glenhuntly Rd everyday, except Sundays. Often the road is full of traffic anyway, and you are lucky if you drive at 30kmper hr, so when the road is free of traffic and you ahve to sit on under 40km/hr or risk getting booked for speeding, it is VERY frustrating. Also, more 4 hour street parking around Classic Cinema. If you want to see a movie, you can get booked if you park in a 2 hour spot because most movies, with the previews before go for more than 2 hours, and all the 4 and all day parking spots get used by city workers using the train and parking all day for free. so in the middle of a week day you have to park more tahn 5 mins walk away to see a movie. |
| Feb 09 17 11:02:59 am | Would like to see more "high end" retail shops in strip, i.e. GazMan, Witchery, etc |
| Feb 09 17 11:55:01 am | I don't want to see any hi rise buildings at all. the beggars, drug addicts. |
| Feb 09 17 12:11:46 pm | I don't like that the area sometimes is not clean enough. |
| Feb 09 17 01:11:46 pm | Coles supermarket is need of an upgrade and it needs a larger car park |
| Feb 09 17 02:37:33 pm | the weirdos hanging out in the underpass should be removed (next to the station). Remove the brothel on horne street |
| Feb 09 17 03:59:46 pm | Would love the council to provide free WiFi. Other than that I am very happy with the way that it is. |
| Feb 09 17 04:12:14 pm | A problem all over Melbourne is gymnasium/fitness clubs with clients who take all the street parking making it impossible to park in the street. This must have a negative effect on the shop keepers trade. Feel strongly on this point |
| Feb 09 17 04:32:34 pm | Empty shops. Poor looking facades. |
| Feb 09 17 05:31:05 pm | More variety of shops. It also seems that there is a number of empty shops which is a shame. |
| Feb 09 17 05:39:06 pm | There used to be a greater variety of shops than there are now. Sadly whitegoods, hardware, etc, are no longer represented. They enabled me to buy all my needs locally when we first moved here. I don't like the increasing traffic. |
| Feb 09 17 05:54:09 pm | Coles supermarket carpark is difficult to park in and there is always a shortage of car spaces. There should be a bit more allocation for disabled spots as the area is an ageing community. |
| Feb 09 17 06:06:25 pm | No more high rise apartments. Hideous wind tunnels at ground level blow you off your feet. Elsternwick library desperately needs upgrading. Why cant this end of glen eira have some community facilities on a par with carnegie library or gsac? |
| Feb 09 17 06:18:19 pm | Car parking sometimes difficult Would like a second supermarket |
| Feb 09 17 07:48:37 pm | I'd like to see to less shabby shops and see the strip become more like Church Road Brighton or Glenferrie Road Hawthorn. |
| Feb 09 17 09:09:44 pm | Coles is too small and run down. Empty shops due to increased rent. NO MORE HIGH DENSITY HOUSING DEVELOPMENTS ON GLENHUNTLY ROAD. |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 09 17 09:40:30 pm | Hate all the beautiful old buildings being demolished and replaced with ugly cheap modern apartments . Too many people and horrible traffic congestion. Developers shouldn't be allowed to destroy lovely old homes, it's so depressing as it's what is happening all ver Melbourne. |
| Feb 09 17 09:45:26 pm | The libraries can sometimes fill up quickly, especially during exam periods so I believe we need more areas available for study - longer library opening hours would also be a great improvement because I know many students like me would be keen to study longer. The building of high-rises should also be limited to avoid too much traffic congestion. |
| Feb 09 17 10:04:05 pm | Not enough parking. Too many drivers trying to make u turns. |
| Feb 10 17 09:37:10 am | Too many cafes and restaurants. No white goods shops. No furniture shops. |
| Feb 10 17 10:37:10 am | dirty 2 dollar shops, cheap chinese massage shops, owners should be forced to up keep/maintain 2nd storey facades over building of apartments more greenery should be introduced |
| Feb 10 17 12:11:18 pm | We need a public swimming pool in walking distance, we have harold holt or MSAC... too far away Locals need discounted or free access to Ripponlea gardens, make it a destination. use this gorgeous space. |
| Feb 10 17 12:16:52 pm | Lots of empty stores, and good stores leaving. Are landlords upping their prices too steeply? |
| Feb 10 17 12:39:12 pm | |
| Feb 10 17 12:52:42 pm | There are a lot of empty shops and a lot of average looking shops (compared say to Hampton St or High St). As it's such a long strip, some patches are good, and then some feel quite run down. Coles looks terrible and is hard work inside due to the old layout that hasn't changed in decades, think it will be good when finally redeveloped. I think some people from surrounding areas avoid driving to Elsternwick bc the traffic in Glenhuntly Rd can be bad because of trams, parallel parking and the odd light cycle at Orrong Rd. |
| Feb 10 17 01:58:59 pm | Often lacks the vibe, especially after dinner time it is just about abandoned... |
| Feb 10 17 03:11:56 pm | The rubbish collected along Gordon Street next to railway line. Less empty shops. |
| Feb 10 17 04:20:50 pm | Coles carpark is too small |
| Feb 10 17 04:21:39 pm | I don't like the thrown together pop-up shops. They look like junk shops and in my experience are staffed with unskilled and often ill-mannered staff. I don't want Elsternwick to be home for more chain stores, so we don't replicate the large 'shopping centre' atmosphere. |
| Feb 10 17 06:12:45 pm | |
| Feb 10 17 10:06:02 pm | - Longer time for pedestrians to cross Brighton rd in the crossroads with Glen Huntly rd - Advertising posters more respectful of the old buildings |
| Feb 10 17 10:29:12 pm | We do not need more cafes rather more speciality shops i.e. another deli, florist, health food store. Toilet facilities in Elsternwick Plaza. More disabled parking convenient to the shopping strip Trams should obey the speed limit. Busses should NOT park illegally i.e. almost on the corner of Riddell Pde making entering GH Rd from Riddell extremely dangerous on a daily basis. |
| Feb 11 17 07:35:55 am | |
| Feb 11 17 09:05:10 am | 1. High rise apartment blocks |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | 2. Growing number of homeless and beggars |
| Feb 11 17 12:53:31 pm | I don't like high buildings over towering the shopping strip |
| Feb 11 17 12:54:27 pm | There are a number of shops that have closed and have been bordered up |
| Feb 11 17 01:03:08 pm | |
| Feb 11 17 01:57:09 pm | There needs to be a supermarket near the Station --previously there was an IGA--Coles is a long way from Station |
| Feb 11 17 03:11:03 pm | Parking at Coles and layout of Coles |
| Feb 11 17 03:17:57 pm | Support smaller guys more,, encourage traders that are a bit different. Do different things in the area ie block the street off for a wine festival, like the Norwood parade in Adelaide used to do. You have lots of community events apparently but you aren't good at getting the word out there. Use glen Huntley rd as the hub for advertising so people know what is going on in the community and you might get more turning up. Also number of people moving into the area with cars With the amount of apartment blocks going up but you don't do anything to cope with more cars in the area. If I want to park down the street to grab something from a shop on my way somewhere I can't because of parking so I shop elsewhere. When I do shop I walk limiting what I bring home. |
| Feb 11 17 03:57:35 pm | <p>1. I consider the gateway to Elsternwick at the point you enter from Brighton Rd into Glenhuntly Rd. I would like to at least a few street trees appropriately positioned so that your first impression as you turn off Brighton RD into Glenhuntly Rd is a good one. I am hoping this would not cost a great deal but you never know. In short where possible Glenhuntly Rd could be improved by the addition of trees in appropriate places.</p> <p>2. I am always fearful of over development. It would be the one thing that would lead me to reluctantly leave Elsternwick and one which could adversely affect its appeal.</p> <p>3. Noise issues from Apartment blocks. For example the air-conditioning unit on the new Gorden St Apartment near the Classic Cinema sound like a factory and can be heard along Gorden St, Sinclair St, Rippon Grove and even Millar Street. I know this because my early morning walks take me along these streets.</p> <p>4. Improved pedestrian crossings at streets interesting Glenhuntly Rd from the beginning of Brighton Rd to the end of the shops (on either side of Glenhuntly rd). My suggestion is elevated crossings marked for pedestrians. The issue is that when you are walking on along the shopping strip or to the train along Glenhuntly Rd you are never certain if cars are going to stop. Having young children, you are always a little unsure about whether a vehicle is going to stop when you are walking along Glenhuntly Rd. I hope this makes sense. Thanks</p> <p>What would add value to the character of Elsternick is the preservation/restoration of the older buildings which are now shops.</p> |
| Feb 11 17 04:54:40 pm | I am satisfied More variety of shops is always good |
| Feb 11 17 04:57:25 pm | Too many \$2 shops and empty or cheap/temporary retailers. Not enough bar/ good restaurants up the Coles end. |
| Feb 11 17 04:58:17 pm | The tacky stores. High rise apartments. More live music venues. |
| Feb 11 17 05:07:10 pm | slow traffic lights for pedestrians - people don't wait for lights cause too slow I have seen cleaner feeling toilets in other locations |
| Feb 11 17 05:50:44 pm | With increased density housing on Glenhuntly road, there simply are not enough parking spaces and traffic congestion is a real problem. A dirty and |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | tatty looking footpath, general feel of the strip could be a little more upmarket in storefronts, decorations, landscaping and other visual cues to bring the rest of the strip into line with the aforementioned new park near the station. |
| Feb 11 17 07:49:28 pm | I find that the street scape is not pleasant enough. It could be cleaner. It should definitely have more trees - with a serious beautification plan required...Fitzroy has done an excellent job with this. The maintenance of the heritage buildings needs to be enforced. many of them are starting to look run down and unkept. |
| Feb 12 17 09:57:43 am | Wouldn't like to rental prices forcing out established or new businesses or pushing up costs beyond affordability . A limit of 3-5 storeys should be set on new developments. New developments should not be allowed that would change the original character and heritage of the neighbourhood. Many more trees could be planted along the shopping strip . The pedestrian traffic lights crossing Nepean Higjwsy should be timed to stay green for 2 or so minutes longer. It's very difficult if not impossible for most people to make it across the intersection before the lights change . |
| Feb 12 17 10:21:14 am | Lose variety and become all cafes only |
| Feb 12 17 11:56:20 am | Too many cafes and clothing shops. Lately the pop up shops are just tacky. Not enough "real" shops. Parking and shopping at Coles is often not easy. Only one deli other than Coles. |
| Feb 12 17 04:04:33 pm | Very very very concerned on the amount of high rise flats being built Traffic is already a nightmare The size of the ABC site for sale and likelihood of flats - and lots of them is concerning Shops that are cheap and nasty. Don't think we need more nail shops Other concern is shop owners wanting higher rents and losing useful businesses |
| Feb 12 17 04:49:32 pm | Traffic: Glen Huntley road is getting busier and busier. As a resident, I'm getting fed up with an increasing number cars endlessly diverting down my street (Carre street) looking for car parks. Elsternwick has exceptional public transport... you need to discourage people from always driving here as it becomes more of a destination. Encourage people to leave the car at home, and jump on a tram, train or bus... or simple walk. |
| Feb 12 17 07:16:14 pm | Drunk kids hanging around the station at night and the noise they make. Don't like the new apartment buildings going up and ruining the feel as well as creating more congestion. |
| Feb 13 17 07:05:59 am | its old and tired - not enough younger people - you need more developments to replace the old shops - you will still have shops but with extra people living on top more people means more shoppers |
| Feb 13 17 09:26:31 am | Coles parking |
| Feb 13 17 09:41:18 am | Quite a few empty shop lots have appeared. This changes the mood somewhat and gives an impression the village is not doing well. It's a bit scary riding down glen huntly rd due to the narrow road, parked cars and trams. Perhaps more signs to watch out for bikes? The cheap christmas decor - we can do better than cardboard signs tied to rubbish bins! Or just leave those out please. |
| Feb 13 17 11:02:56 am | |

|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 13 17 12:00:25 pm | Parking difficulties in Glenhuntly Rd, and recycling bins have rubbish left beside them when boxes & bags not removed or cleared. |
| Feb 13 17 01:56:28 pm | I'd like to see the history of the strip celebrated both through installations, refurbishment and through stopping the demolition of old shops for modern apartment buildings that don't fit at all with the tone of the rest of the strip. Additionally I'd like to see the development of an art/writing/creative community within the strip vicinity. There should be more of a creative community. Also the prevalence of empty shops and the bargain nature of too many of the shops is worrying. I'd also like to see not all new shops becoming cafes. I also like to see a greater integration of green spaces. |
| Feb 13 17 06:12:33 pm | Need more variety of shops |
| Feb 13 17 07:36:30 pm | Traffic law breakers. Many people doing U turns in the street. They should have a traffic camera and send them all a ticket. Very bad near the Gordon st. and Selwyn St. intersections on Glen Huntly Rd. I do not like some of the tall building being built along the street. (4 to 6 story should be the maximum limit.) One of the new Apartment blocks is 11 stories. Far too high. |
| Feb 14 17 09:34:18 am | Too many massage and nail shops. Also the lack of consistency in the shops advertising signs |
| Feb 14 17 10:17:57 am | you need new developments to encourage more people which will then encourage better and and increase in cafes and food places |
| Feb 14 17 10:19:00 am | Reduce traffic in Glen Huntly Rd. Remove the car share parking in Glen Eira and put it in areas with unrestricted parking. Make the pedestrian lights near Staniland Grove respond more quickly - give pedestrians preference over cars. Enforce 40kph speed limit. Ensure there is enough room for people to walk comfortably between cafes and their outdoor tables. |
| Feb 14 17 11:41:13 am | Footpaths, buildings are old, traffic |
| Feb 14 17 11:45:24 am | Phone reception - optus |
| Feb 14 17 12:57:15 pm | Nothing |
| Feb 14 17 04:54:50 pm | I don't like high rise apartments and I do think we probably have enough Italian/pizza places. |
| Feb 14 17 10:12:18 pm | The multi story buildings appearing on Glenhuntly rd like the one opposite McDonalds. There should be no buildings over 4 storeys in height. The Christmas decorations are pathetic. The rubbish bin covers are not festive and there are very limited decorations. There is no regulations about upkeep of shop facades. There are ugly bright colours and not requirements for maintenance at the street level. |
| Feb 14 17 10:18:58 pm | Clean footpaths no overflowing rubbish bins more bench seats |
| Feb 15 17 12:46:14 am | Excessive development of large development housing, gentrification of shops and people. More traffic, less car parking. Shops not in touch with locals everyday needs The old facades of shop fronts removed, over developed |
| Feb 15 17 08:47:34 am | High-rise property development. In the last three years, you have allowed at least three high-rise developments: one on Glenhuntly Road and McCombie Street, another in Riddell Parade, and another next to the Classic. Have you undertaken sufficient modelling? What are these numbers going to do to the |

| | public transport and other amenities? Do you work in interests of property developers only? Have you any long-term vision? |
| Feb 15 17 09:20:05 am | <p>The list is unfortunately much longer than it used to be! too much development run down and empty shops(used to be able to buy EVERYTHING locally- I always supported local and dont mind paying more- Target/ was great all those years ago) Hard for wheelchairs and prams in lots of shops with the way their entrances are</p> <p>Bentleigh and Carnegie have much better looking shops and variety low calibre of retail (very low!!!! cheap and tacky) lack of clothing for children/teens way too much traffic now and congestion not as safe as once was</p> <p>The waste of money on the park near station- losing those beautiful trees- toooo much concrete!!!! Money couldve been better spent. Playground too close to road for a start and just not a great improvement on the old one- had used the old one for 15 years!! Rocked many a child to sleep under the trees in summer- no longer</p> <p>No more op shops, nail shops, phone shops, \$2 shops Update train station</p> <p>It just needs a facelift- you cant charge the prices that are charged in Elsternwick and have such a decrepid shopping strip where people have come for that village and community feel!</p> |
| Feb 15 17 11:27:52 am | No high rise developments. |
| Feb 15 17 02:33:46 pm | There are too many massage parlours, Op shops , nail shops, \$2 shops which don't offer enough of a retail experience. I'd like to see a greater range of shops e.g clothing, shoes etc. |
| Feb 15 17 04:31:47 pm | Updated signages for businesses and more free parking |
| Feb 16 17 03:53:20 pm | <p>There are a lot of banks... two chemists right next to each other.. More advertising is needed when new cafe's bars open.. a lot seem to open and close.</p> <p>It needs to stay unique and eclectic not commercial.. this includes the unique building and look... the recent high rise residential buildings are terrible.</p> <p>The street is getting overly crowded on the weekends and traffic is a nightmare! How has this been dealt with now the horrendous highrise residential apartments are complete.</p> <p>Someone is surely getting something in their pocket for approving these</p> |
| Feb 16 17 05:32:04 pm | I have no particular issue |
| Feb 16 17 07:42:30 pm | Inappropriate development (eg McCombie Street, the apartments over Elsternwick Station); Elsternwick station arcade, too many junky shops, more green areas, parking is at a premium and will worsen with more apartments. |
| Feb 16 17 07:46:21 pm | it's always changing. |
| Feb 16 17 10:09:36 pm | A bigger better laid out supermarket with underground car parking and better access to the car park that does not delay traffic flowing along Orrong Road. The current Coles supermarket is too small and the car park is |

It also could be enforced on a Sunday between 7am and 7 pm as well but not until midnight.</p> <p>It seems quite ridiculous to drive along the street at 10 pm on a weeknight and all shops are shut and no pedestrians around yet I still have to drive at 40kmh</p> <p>The pedestrian crossing lights at Staniland Road needs to be fixed so that pedestrians do not wait for 2 minutes after pressing the button before the lights change to red. I walk to the station from my home and like to use this crossing but I find the delay in changing the lights is far too long so I keep walking and cross GlenHuntly Road further down. I sometimes find that I have walked to St Georges Road and the lights have still not changed to red.</p> |
| Feb 17 17 08:17:12 am | <p>More parking. One or two really good restaurants (fine dining experience)</p> <p>Good Asian grocery</p> |
| Feb 17 17 03:25:34 pm | So many shops are unfriendly. |
| Feb 17 17 05:39:30 pm | The shopping strip is slowly being changed as "high rise" developments take hold and dominate the streetscape. The quality and architectural style of these building are mind numbingly boring and will detract from the Victorian characteristics that define the ambience of the shopping strip. It is a shopping strip that has a human dimension to it that encourages people to walk and explore the diversity of businesses. The park development adjacent to the Elsternwick station has vastly improved the ambience of this area, and it is a pleasure to see people using this space to rest and relax and picnic. |
| Feb 17 17 06:41:53 pm | Pedestrians crossing at Stainland, St George's Rd etc intersecting with Glenhuntly road without even looking at traffic - seriously holds up glenhuntly road and congests. Cars should have right of way (most are so friendly they wave pedestrians across the road) but so many ignorant pedestrians walk in front of cars without looking which is dangerous. |
| Feb 17 17 08:30:09 pm | the horne st strip. the Horne/Mcmillan st needs to be cleaned up. Maybe removing the access from Mcmillan st back on to the Nepean might help decrease the truck/large vehicle traffic flow on this street. Also making sure The Daily Planet and the shops next door aer turned into something better than their current state would help. There are also a lot of unsavory people that hang out in the pedestrian thoroughfare between Glen Huntley and Horne St. Also Elsternwick could do with a better supermarket or local markets. |
| Feb 18 17 09:14:03 am | The high turnover of shops, a lot vacant sometimes. Coles complex needs improving significantly. Concerned about the increase in homeless and blatant drug use on the strip |
| Feb 18 17 03:15:05 pm | An improvement to the Coles Supermarket. The amount of shoppers outgrew its size a long time ago, especially the car park. It is a nightmare. |
| Feb 18 17 03:19:26 pm | Hate parking at Coles! Wish that I could buy milk without walking/ driving all the way up to Coles. The traffic is very bad and parking can be difficult so I often walk instead. |
| Feb 18 17 07:24:39 pm | We need more variety in food shopping more supermarkets to cater for the ever increasing residents coming to live in Elsternwick. The only supermarket is way too small for the amount of residents. |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 18 17 08:56:53 pm | Less rubbish on the street. Coles not to use plastic bags. |
| Feb 18 17 09:35:59 pm | A traffic light at Horne st /GlenHuntly Rd intersection please A bigger car park for Coles |
| Feb 18 17 09:46:14 pm | Clean up the pavements - maybe repave nicely. The pavements look stained and unclean. Too many dogs defecating on the street. Some trees would be nice! The price of restaurant food is reasonably high. |
| Feb 19 17 06:51:15 am | Footpath improved. More social seating and greenery. |
| Feb 19 17 10:31:11 am | The many op shops, (too many) empty shops (rents too high!) lack of trees along Glenhuntly road, cheap xmas decorations, hate the height and quality of the apartments and the amount of them. Very ugly apartments near the station. You don't see this height in Martin Street! I don't go to Coles in Elsternwick due to crampedness of the shop and whilst I live only 700 metres from Coles I chose to drive to Bay Street Brighton. |
| Feb 19 17 03:30:11 pm | More higher quality (not necessarily higher priced) outlets and restaurants and bars. Some of those less frequented restaurants can make way for better ones. |
| Feb 19 17 04:06:58 pm | Coles supermarket shopping centre and carpark - too small and aged structure to cope with residents needs. Not too many high rise apartment blocks yet! |
| Feb 19 17 06:46:32 pm | I don't like the arcade near the train station and never go there because it looks hidden, depressing and is an obvious attraction to people who are up to no-good or looking to hide. |
| Feb 19 17 06:57:05 pm | The empty shops that have for lease signs. |
| Feb 19 17 08:57:44 pm | More variety in shops, less closed down shops, more parking, less bad driving!, take out those stupid bike racks outside grill'd- noone EVER uses them and they take up car parking space! |
| Feb 19 17 09:35:45 pm | More vibrant ... cafes, bars and restaurants |
| Feb 20 17 12:09:54 am | The modern blocks of apartments which block the sunshine and dwarf the strip and make no design contribution to the area. The traffic flow is frustrating. The lack of street scraping in the main strip. Not enough plants, The lack of temporary stopping areas for cars to enable frail people to be dropped off or picked up by family or carers. Too many no standing spots |
| Feb 20 17 06:32:47 pm | The retail mix isn't inviting, although I appreciate that's not something within Council's domain. There really is nothing attractive about the strip; i.e. no real reason to go and hang out. It's also a dangerous road to cycle down due to the lack of a cycle lane. Design folk are better equipped at describing what's needed in order to make the place attractive to customers. |
| Feb 20 17 07:45:46 pm | Better footpaths and pavements |
| Feb 20 17 07:47:42 pm | "Less trash More food options Less cigarette butts |
| Feb 20 17 07:49:33 pm | Not enough parking |
| Feb 20 17 07:51:38 pm | No or limited bike parking Too many cars in main street (Glenhuntly Rd) Better cycling infrastructure |
| Feb 20 17 07:53:08 pm | Public toilets at Elsternwick Plaza. Kids always going to the toilet in grass and trees! Very poor! |
| Feb 20 17 07:54:27 pm | Needs a makeover, bigger supermarket Elsternwick plaza is good" |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| Feb 20 17 07:59:17 pm | A lot of empty shops in Glenhuntly Rd - affects the look and feel of the street and less busy as a result |
| Feb 20 17 08:00:59 pm | traffic crowding |
| Feb 20 17 09:53:04 pm | Not sure |
| Feb 20 17 10:14:50 pm | Some shops too expensive |

| Date | What makes Elsternwick shopping strip unique and special? |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Nov 28 16 02:39:07 pm | I don't know that the strip is so unique at the moment. It could be improved by more Alfresco spaces, pedestrian streets (closed to traffic to allow market stalls), more trees and flowers. The best bit is near the station, with the cinema and park giving a feeling of arts and leisure. |
| Nov 28 16 03:22:52 pm | The shop keepers and people except for the chinese rub and tug parlours |
| Nov 28 16 04:49:41 pm | The history |
| Nov 29 16 06:00:02 pm | It feels like its in the suburbs but has restaurants and cafes good enough to belong in the outer city |
| Nov 30 16 09:56:46 am | So many things!! Please see my answer from two boxes above. In addition, Aviv and the delish cakes they make, Carousel ice cream cakes, the multiculturalism of the area. xo |
| Nov 30 16 11:40:20 am | Diversity of shops, would be better if we could be a bit more picky with who is let in and solidify as a premium casual offering of shops. |
| Nov 30 16 01:47:24 pm | The organic/natural food shops are amazing and it's fantastic that we have two! |
| Nov 30 16 10:36:50 pm | You don't generally find the same shops anywhere else |
| Nov 30 16 11:11:41 pm | nothing |
| Dec 01 16 11:59:31 am | Heritage... |
| Dec 01 16 01:42:53 pm | Not sure anymore |
| Dec 01 16 04:41:16 pm | The Cake shops and coffee shops and great mix of people |
| Dec 01 16 08:14:57 pm | The people and the fact it is a strip. Love it |
| Dec 01 16 08:16:58 pm | It's people! It has not been over gentrified. |
| Dec 01 16 11:07:03 pm | The cinema. The great traders. The great new cafes and restaurants, as well as the old favourites (I'm talking about you, Talk of the Town!). The heritage buildings. The cool architecture of the new developments. Having great access to public transport (I love having the option of the train or tram). |
| Dec 02 16 06:55:52 am | Lots of variety of shops, |
| Dec 02 16 03:10:45 pm | Cultural diversity |
| Dec 03 16 07:19:18 am | It is a local shopping strip with character that needs to be maintained and not overrun by development |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 03 16 08:38:03 am | |
| Dec 03 16 03:54:23 pm | Easily located on tram and train, historic neighbourhood and close to the beach |
| Dec 04 16 09:50:51 am | Nothing except its location |
| Dec 04 16 02:40:29 pm | don't know that I would call it unique or special, the convenience of food shopping is certainly there. |
| Dec 04 16 06:35:32 pm | Still street shopping and no mall |
| Dec 04 16 09:58:19 pm | A shopping strip becomes unique because of the quality and diversity of shops, ammenities and if it is a pleasant space to walk through. Elsternwick has lost any uniqueness over time. |
| Dec 05 16 11:57:09 am | Variety of shops |
| Dec 05 16 04:39:51 pm | It has a lightness about it- even the older buildings. The mix of people coming into the area is diverse. Parks at both ends. Good public transport. Able to combine everyday shopping with lesiure cafes/ food etc. Wide range of 'ethnic' choices. Not too upmarket.. |
| Dec 05 16 07:17:56 pm | Its village like street frontages and fabulous access to public transport. A also like its multi ethnic flavour. |
| Dec 05 16 09:44:01 pm | There are some good local retailers who make an effort to engage the community however these are dwindling and the council needs to think about how they can be further supported to allow them to flourish. |
| Dec 05 16 10:59:54 pm | The supermarket and large number of independent retailers all together and in walking distance from home. |
| Dec 05 16 11:33:21 pm | Variety! |
| Dec 06 16 11:28:42 am | Location & clients |
| Dec 07 16 12:04:21 pm | Always something open |
| Dec 07 16 02:30:39 pm | Cafe culture But may be lost if developments take away sunlights |
| Dec 07 16 07:13:43 pm | Historic buildings and community feel. |
| Dec 07 16 07:43:29 pm | |
| Dec 07 16 09:15:27 pm | Diversity. Eclectic mix of cafes and restaurants - melting pot of people from different cultures and backgrounds. |
| Dec 07 16 10:56:21 pm | Strip mall shopping. Mix of cultures and quality food. It's still a bit honest and not gentrified. It's not Elwood, it's not Chapel St, it has it's own identity. |
| Dec 08 16 02:59:29 pm | Small local offerings. Good quality. Not so many \$2 type shops. |
| Dec 08 16 06:35:29 pm | There isn't a unique character although the reserve is a good feature |
| Dec 08 16 09:33:08 pm | Cafes. Friendly shop assistants. Bakery & Aviv |
| Dec 08 16 09:33:55 pm | Everything in one spot. |
| Dec 08 16 09:47:33 pm | Friendly shop staff. Recognise staff in shops. Great cafes Walking distance to my home |
| Dec 09 16 07:31:34 am | |
| Dec 10 16 04:54:08 pm | It's not especially unique or special. But it could be. |
| Dec 11 16 07:31:56 am | Its a very mixed bag of shops and cafes. It doesn't just hit one type of demographic. Its open to a range of locals in the area |
| Dec 11 16 09:38:00 am | Feels friendly - community sense. |
| Dec 11 16 08:25:28 pm | It's very local. |
| Dec 13 16 04:19:39 pm | Aviv, for one. It's also just a good place to rely on, it's like a pair of slippers. |
| Dec 13 16 06:15:12 pm | It caters for everyone |
| Dec 14 16 06:25:52 am | Diversity |
| Dec 14 16 09:10:17 pm | That it has a combination of all kinds of shopping |
| Dec 15 16 08:30:36 am | It's special for proximity, and ordinary folks |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 15 16 05:57:49 pm | It's pretty down to earth, not too trendy but has great clothes and food. |
| Dec 15 16 08:24:24 pm | History, culture, food |
| Dec 15 16 09:24:18 pm | Different food Jewish |
| Dec 15 16 09:27:16 pm | A nice atmosphere |

| Dec 16 16 09:03:20 pm | Old architecture Variety of shops Restaurants from every country Library is great |
| Dec 17 16 06:28:03 pm | It is close! It has some shops that have been there for a long time. Most shopkeepers are friendly |
| Dec 18 16 09:53:12 am | Diverse people. |
| Dec 18 16 09:53:57 am | Multicultural feel but different from other areas of Melbourne. Mix of Jewish, Anglo and a variety of ages and demographics |
| Dec 18 16 11:56:12 pm | |
| Dec 19 16 07:05:36 am | Relaxed, friendly, community feel. |
| Dec 19 16 03:45:48 pm | The local flavour it carries. |
| Dec 19 16 06:29:49 pm | The fact that it is NOT developed with apartment blocks throughout the strip. |
| Dec 22 16 09:55:04 pm | Great range of cafes and restaurants while still providing for basics. Easy access to public transport. Love having the library so close to other facilities. |
| Dec 23 16 06:38:43 am | the diverse village feel |
| Dec 25 16 04:30:29 pm | It's got a great community feel |
| Dec 25 16 11:02:47 pm | The unique shops you won't find anywhere else eg some of the clothing shops, Child & Adult, Dalgarnos, plus a great range of shops - there's a great bookshop, a local Officeworks, a cinema, a health food store, etc. |
| Dec 29 16 12:01:34 am | Lots of restaurants, entertainment and usually a good vibe. |
| Dec 29 16 07:51:29 pm | Heritage buildings with new and unique shopping and eating places |
| Dec 29 16 07:54:45 pm | The heritage streetscape, the easy proximity to the city, the very old traditional shops. The quirky and interesting nature of some of the shops. |
| Jan 01 17 01:25:16 pm | Now it is the good mix of restaurants near the cinema/station. For us as we live close, it is the walkability. |
| Jan 01 17 07:42:34 pm | Very lively and community feel |
| Jan 01 17 10:57:54 pm | Merging of cultures existing peacefully. It is a self contained precinct making living close easy with little need for trips by car. |
| Jan 02 17 07:21:25 pm | It is short and has a little bit of everything but best of all the locals know each other and the traders know us too.....friendly |
| Jan 03 17 01:17:21 am | Great mix of all sorts of shops |
| Jan 03 17 05:52:31 pm | Its still friendly, its still reasonably calm. |
| Jan 03 17 07:57:21 pm | at the moment it has a village atmosphere, don't change it with high rise buildings |
| Jan 03 17 08:57:09 pm | The new cafes and independent shops but a couple of mainstream shops would be good too |
| Jan 04 17 07:53:18 pm | It once reminded Me of Malvern shopping strip in nearby Stonnington. |
| Jan 05 17 08:27:05 am | Linear nature with a consistent building setback. Easy to get a park and walk to the destination. |
| Jan 05 17 03:54:05 pm | Its depressing ambience and general air of neglect and grime. When will the Toyworld shop repair or replace its roof sign? It is quite inappropriate to place Christmas signage on rubbish bins, a cultural insult? The plantings near Adult and Child and others along that side are horrible, those maroon |

|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | railings, really and lots of thick growth for rubbish to be thrown into. A little bit of design expertise?? |
| Jan 07 17 04:03:45 pm | Variety of shops and services, easy access by car and all public transport. |
| Jan 08 17 09:39:23 pm | I live in elsternwick for more than 10 years.. unfortunately it is hard to answer this question as the strip does not have much characters. However I promote our local bakeries like Aviv and Savion to others a lot as other suburbs dont have the same type of cakes they sell. |
| Jan 14 17 10:25:07 pm | So many cultures all getting along and being mates. True blue. |
| Jan 16 17 01:21:50 am | The cinema and Hilocaust Centre. |

|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Jan 30 17 10:49:49 pm | The diversity of the community and shops |
| Jan 30 17 11:23:41 pm | 24/7 Coles, no doubt! It's got lots of public transport options. It's got a cool adventure retailer. Probably doesn't have the same clout as Chapel St or Malvern Rd. But, it is family-friendly. Has a bit of everything. |
| Jan 31 17 01:52:02 pm | Nice vibe, not as dead at night as Camberwell and Malvern. Great mix of cuisines: Asian, middle eastern, Jewish etc |
| Feb 02 17 11:53:52 am | ? it lacks character... |
| Feb 02 17 05:45:00 pm | It's grimy feel. Please fast track the Coles redevelopment that has been talked about for years! |
| Feb 02 17 05:54:26 pm | |
| Feb 02 17 06:11:28 pm | The diversity of shops. |

| Feb 03 17 05:56:56 pm | The neighbourhood heritage houses and heritage buildings which are unfortunately compromised by greedy overdevelopments |

| Feb 03 17 07:23:19 pm | It could be so much more. |
| Feb 06 17 03:20:17 pm | Some very nice boutique/small businesses that give it a community feel. |
| Feb 07 17 02:23:34 pm | Not all that much different than other shopping strips. |
| Feb 07 17 03:18:06 pm | The "bones" are there to make it great. With clever, artistic foresight the area can be beautifully developed. As mentioned above: Do not make it into just another Strip center, or soulless retail development, but it would be good to be creative in extending and developing an interesting unique classy Village feel. Good for locals and tourists. Keep the low rise feel and old style 1st floor facades, but change the awning/verandas to something more aesthetic and themed and relaxed. Keep the lovely low rise houses and streetscapes in the surrounding streets to make the whole area into an appealing special area like many beautiful cities have overseas, a showcase for aesthetics, tranquility and attractive life-style. The bones are there in this area and and with clever foresight could be expanded. |
| Feb 07 17 03:20:25 pm | It is close to where I live and very vibrant |
| Feb 07 17 03:40:23 pm | Something for everyone |

| Feb 07 17 04:53:45 pm | people, coffee and food outlets |
| Feb 07 17 05:53:45 pm | I would not say it was to be honest... tired, tired tired... The new bang bang food shop is a good start and the new park redevelopment so hopefully it continues to become more of a funky neighborhood and not a retirement village. |
| Feb 07 17 05:55:39 pm | The multicultural cuisines the restaurants offer. Good cafes . |
| Feb 07 17 06:31:04 pm | Traders are friendly,there are great restaurant . The movie cinema. All the public transport. The new park near station.The RSL..The seabreeze coming up Glenhunity Rd on a hot evening. |

| Feb 07 17 07:39:30 pm | It's great at the moment, but it's the unlocked potential that is has that makes it exciting. |
| Feb 07 17 08:16:16 pm | The established shops which are stand alone or specialised retail. They make for a special shopping experience. Friendly retailers who know their customers. | Feb 07 17 09:03:35 pm | It has to be the amount and diversity of food cafes bars and restaurants |
| Feb 07 17 09:15:49 pm | Cultural diversity - but at the moment this isn't capitalised - it needs to be equalised and celebrated |
| Feb 07 17 10:31:34 pm | The trams and the special cake shops , bakeries and cafes |
| Feb 08 17 07:16:27 am | That all the shops are fairly new and different to what we had years ago. |

| Feb 08 17 12:18:12 pm | It's a good mix of shops, and generally looks prosperous. |
| Feb 08 17 01:28:35 pm | having a high street that locals can walk to is great - and the fantastic variety of shops/restaurants |
| Feb 08 17 01:35:06 pm | Eclectic variety of shops, accessible transport |
| Feb 08 17 01:44:55 pm | The Plaza Park and adjacent cafes are really nice (although why hasn't the sloping path been finished properly!). The Coles is unique in that it is cramped, and has crowded narrow aisles - I prefer to drive to the Bay Street Coles than shop at Elsternwick Coles. |
| Feb 08 17 01:46:23 pm | not that much at the moment unfortunately as has quite a few empty shops |
| Feb 08 17 02:00:21 pm | you can get a bit of everything |
| Feb 08 17 02:11:29 pm | Antique bar is unique. Redevelopment of area near Train station is special |
| Feb 08 17 02:23:29 pm | While it is a vibrant strip, it still feels like part of the neighborhood as it caters for the needs of locals. Its not too up market (yet). |
| Feb 08 17 02:25:46 pm | the shops listed above |
| Feb 08 17 04:20:37 pm | Everything you could want without leaving |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 08 17 04:34:45 pm | It is family oriented. It is quite well maintained. Some restaurants and bars open for the evening crowd. |
| Feb 08 17 04:53:06 pm | mixture of highly convenient retailers and good value lunch, snack or dinner venues |
| Feb 08 17 05:06:28 pm | Nothing really |
| Feb 08 17 05:56:43 pm | Plenty of cafes, restaurants and Classic theatre, Flying Saucer Club |
| Feb 08 17 06:15:43 pm | ? |
| Feb 08 17 06:25:02 pm | The variety of shops. |
| Feb 08 17 06:33:25 pm | Eat Street |
| Feb 08 17 08:31:14 pm | Clean |
| Feb 08 17 09:02:14 pm | Homeless people outside Coles. |
| Feb 08 17 09:05:33 pm | The diversity of businesses |
| Feb 08 17 09:39:44 pm | It's not over populated. I fear it might become that way though. Lots of restaurant with various cuisine. Also the flying saucer club is great |
| Feb 08 17 11:42:21 pm | The fact that you can find anything you need there. Local independent stores like Trialto's butcher that have high quality product and great customer service, create a great community feel and encourage you to seek out and support local traders. |
| Feb 09 17 08:21:19 am | The shopping strip needs a clean up, it is looking tired and ordinary in places. Look at other strips and take ideas from them. Some parts of the strip looking ordinary. Encourage food outlet, cafe and other cross section of shops. Need to develop village atmosphere. All attractive strips have this quality. No cheap more fast food outlets. |
| Feb 09 17 09:08:27 am | Easy to get to via public transport. Diversity of restaurants. Beautiful parks. Great cafes and local cinema. |
| Feb 09 17 09:42:57 am | Have everything in one place! |
| Feb 09 17 09:51:14 am | neighbourhood feel. |
| Feb 09 17 10:23:40 am | The friendly atmosphere and availability of most things one would want. |
| Feb 09 17 10:29:13 am | cinema, public transport and cafes but needs other shops |
| Feb 09 17 10:33:04 am | special - range and variety of retail outlets; unique?? I don't know if it is, I've not seen enough of the rest of Melbourne (let alone the world) to make that sort of (by definition - check the definition of "unique") extreme call! |
| Feb 09 17 10:56:35 am | Its healthy mix of shops, trams, coles |
| Feb 09 17 10:58:01 am | It has a village style feel, the variety of small businesses in every category is great, and it has a good supermarket, post office and cinema complex, and generally reasonable free parking. |
| Feb 09 17 11:02:59 am | It has character and a lot of the shops have been there for over 20 years |
| Feb 09 17 11:55:01 am | Independent retailers still, little shops and heritage |
| Feb 09 17 12:11:46 pm | The complete range of retailers and service providers in such a short street frontage. Everything is so close and convenient. |
| Feb 09 17 01:11:46 pm | the village atmosphere |
| Feb 09 17 02:37:33 pm | Nothing really |
| Feb 09 17 03:59:46 pm | One of the few vibrant strip shopping centres left in Melbourne. |
| Feb 09 17 04:12:14 pm | The art nouveau architecture above street level, the highly individual shops at street level, exception gymnasiums. |
| Feb 09 17 04:32:34 pm | Diversity |
| Feb 09 17 05:31:05 pm | The walk along Glenhuntly road from the highway to Kooyong road and seeing all the different retail stores, cafes and restaurants. |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 09 17 05:54:09 pm | Excellent and quality food shops and cafes. For me personally the familiarity and the ease with which I can access a selection of shops that I need to frequent ie bank, supermarket, cake shop and Dalgarnos gifts etc. |
| Feb 09 17 06:06:25 pm | That it is a reasonably intact shopping strip - don't kill it! There are not many left in Melbourne. What was once a collection of villages is mostly homogenised blah |
| Feb 09 17 06:18:19 pm | Proximity to rail, bus and trams |
| Feb 09 17 07:48:37 pm | The number of shops and eating places. It's a long strip with the opportunity to get most things you need. |
| Feb 09 17 09:09:44 pm | Friendly family vibe |
| Feb 09 17 09:40:30 pm | Busy shopping strip , not like many that are slowly dying and being replaced by shopping centres |
| Feb 09 17 09:45:26 pm | It has a variety of different shops and restaurants/cafes and can accommodate for a most of my daily needs. |
| Feb 09 17 10:04:05 pm | Local businesses - not the endlessly repeated chain stores. |
| Feb 10 17 09:37:10 am | Not much. Just like so many other suburban shopping strips. |
| Feb 10 17 10:37:10 am | nothing |
| Feb 10 17 12:11:18 pm | Lack of pretentious nobs and the lack of hipster youths (see chapel street for those horrors) |
| Feb 10 17 12:16:52 pm | The variety, the availability, the convenience. Especially with food, so many cultures are covered. Love it! |
| Feb 10 17 12:39:12 pm | Good rang eof shops |
| Feb 10 17 12:52:42 pm | Having said that it's not as vibrant say as Hampton St, I like that Elsternwick has more apparent history and identity. The mix of food shops, esp the Jewish food shops like Aviv, is a real strength and should be promoted. Combining that with the bookshop and the talks they often hold, and the Classic cinema means that Elsternwick is in a good position to promote culture as well as just being a shopping strip. |
| Feb 10 17 01:58:59 pm | Proximity to us, the cinema, good restaurants |
| Feb 10 17 03:11:56 pm | It is our local shopping centre and is improving as Elsternwick becomes more cosmopolitan. |
| Feb 10 17 04:21:39 pm | The minimum number of chain stores, with large numbers of small businesses with their own character and staff/owners who give great service. |
| Feb 10 17 06:12:45 pm | Tram, cinema |
| Feb 10 17 10:06:02 pm | Its old buildings |
| Feb 10 17 10:29:12 pm | We do.....the local community is vibrant and progressive and we care about the suburb we have chosen to call home. |
| Feb 11 17 07:35:55 am | The variety of retailers. You can find Amosa anything here. |
| Feb 11 17 09:05:10 am | The historical shop fronts and well maintained garden beds. It has a nice 'village atmosphere' which we should try to maintain by restricting modern high rise developments. |
| Feb 11 17 12:53:31 pm | Elsternwick shopping strip has lots of character, and the feel of community almost like a country town. |
| Feb 11 17 01:57:09 pm | The mix of different retailers |
| Feb 11 17 03:17:57 pm | Being able to walk out my front door and buy most of what I want. The smaller traders I love and the unique but quality shops like the book store, the shoe repairer who have been there for generations, Toscanos, aviv, child and adult, the jewellery stores, dalgarnos for kitchen stuff, having 2 butchers, cafes. Don't like the number of dodgy massage parlours. |
| Feb 11 17 03:57:35 pm | The eclectic nature of the shops, the variety, the restraints, cafes, areas of open space, great car parking and access by train, tram or foot. By the way, I do believe that there is ample parking for the Glenhuntly shops and that any changes should be focused on encouraging the use of public |

| | transportation, bicycle access or pedestrian access/safety. |
| Feb 11 17 04:54:40 pm | Proximity to my house! Range of shops in walking distance Variety of cafes |
| Feb 11 17 04:57:25 pm | Nothing really |
| Feb 11 17 04:58:17 pm | It's really beautiful and has really become more vibrant since we moved here. I like how it's more alive at night too. |
| Feb 11 17 05:07:10 pm | I can walk to it - so close It is fairly vibrant during day and shops are reasonable quality |
| Feb 11 17 05:50:44 pm | A nice balance between the everyday and special - could be a little more upmarket, but not at the expense of the wonderful lack of pretension. |
| Feb 12 17 09:57:43 am | The local friendly atmosphere and diverse range of shops , entertainment and facilities. . The history and heritage are highly important in creating this atmosphere . The range and diversity of facilities creates a place where people very much enjoy to go to meet family and friends. |
| Feb 12 17 03:09:19 pm | It is a predominantly Victorian style shopping strip in the inner south east. Largely foot traffic |
| Feb 12 17 04:04:33 pm | It's not all restaurants |
| Feb 12 17 04:49:32 pm | The independent spirit of the retailers. It's not like Elwood or Brighton where the retail strips have become too upmarket and of no real benefit to the communities at large. I love the fact that I can get my shoes fixed at a cobbler, go op-shopping, see an art- house move at the Classic or a band at the Flying Saucer Club... all in my neighbourhood. You need to protect this by keeping the rents reasonable for the retailers and also keeping the bland/chain store retailers and food outlets out of the strip. |
| Feb 12 17 07:16:14 pm | It feels like a local village with lots of little shops that aren't chains. Don't want it to become a strip of big apartment buildings and lots of chain retail outlets. |
| Feb 12 17 10:31:49 pm | It's consistently good all the way from the supermarket and down to the station |
| Feb 13 17 07:05:59 am | Daily Planet |
| Feb 13 17 09:26:31 am | most of your day to day needs are covered people are friendly essential services are there i.e Post office |
| Feb 13 17 09:41:18 am | The wide range of shops, the great cafes, streets are clean, its very convenient to public transport, there's a good demographic that lives in the area from young to old. |
| Feb 13 17 12:00:25 pm | Lots of reasonably priced cafes, restaurants, & clothing shops; banks, phone, office, retail, postal and other services readily available. |
| Feb 13 17 01:56:28 pm | It's history and some of the shops. It's easy access to the city, it's trams and it train station. |
| Feb 13 17 06:12:33 pm | We have counted 100 cafe/coffee outlets within 1Km of our house near HOPETOUN GARDENS. |
| Feb 13 17 07:36:30 pm | I like the low level of the buildings allowing sunlight into the street. I like the heritage buildings in the street scape. |
| Feb 14 17 09:34:18 am | It's diversity |
| Feb 14 17 10:17:57 am | is a long strip with a tram line |
| Feb 14 17 10:19:00 am | I don't know if there is anything unique about it. |
| Feb 14 17 11:41:13 am | Cafes |
| Feb 14 17 11:45:24 am | Better vibe, bars, multi-cultural, types of shops, young vibe |
| Feb 14 17 12:57:15 pm | that it is still there |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 14 17 02:56:10 pm | |
| Feb 14 17 04:54:50 pm | The unique variety of restaurants and beautiful architecture of the of the original old buildings. |
| Feb 14 17 10:12:18 pm | The growing diversity of cultures and the expanding range of entertainment, bars, restaurants, cinema and music. |
| Feb 14 17 10:18:58 pm | The fact that its a small strip with a little bit of every type of store plus the green spaces flowers and garden spaces at the end of each street block especially the new Elsternwick plaza is fantastic |
| Feb 15 17 12:46:14 am | It's village , community atmosphere, mix of people, variety of shops, and easy access to locals. Gorgeous old buildings, green space, great public transport, Places to meet - park, cafes, cinema, bars. |
| Feb 15 17 08:47:34 am | Not being turned into a service centre for property developers. |
| Feb 15 17 09:20:05 am | That people work and shop and school in the area. Used to feel like a village but close to beach and city- but all the developments have taken that away and cheapened the suburb and its quite disgusting. Lets hope the greed has stopped. |
| Feb 15 17 11:27:52 am | Wide variety and mainly small businesses - no chain stores. |
| Feb 15 17 02:33:46 pm | Easy access by public transport Some well established shops eg child and adult, toywold, hattams, Dalgarnos, classic cinema, library, parking available in designated parking areas Good range of cafes |
| Feb 15 17 04:31:47 pm | Open and accessible |
| Feb 16 17 03:53:20 pm | As above and the special things glen eira council put on. Roaming santa, music playing in the streets, flowers on mothers day, decorations each event eg xmas, there used to be a road closed off sometimes with a stage/band etc, |
| Feb 16 17 05:32:04 pm | It's not unique but is special because of the variety in types of shops |
| Feb 16 17 07:42:30 pm | a cosmopolitan, eclectic blend of shops, traders and mix of services. |
| Feb 16 17 07:46:21 pm | Its continual evolution. |
| Feb 16 17 10:09:36 pm | The cafes up and down the street which have opened up in recent years. |
| Feb 17 17 08:17:12 am | Not too much at the moment |
| Feb 17 17 05:39:30 pm | It is shopping strip that services its community well, it is easily accessible by public transport. The diversity of businesses and services add significantly to its attraction. It is visually attractive and I feel safe when shopping or just taking my daily walk. |
| Feb 17 17 06:41:53 pm | Diverse array of eateries. And Aviv! |
| Feb 17 17 08:30:09 pm | Food diversity- Bang Bang at the Rifle Club, Hanoi Hannah, Aviv Bakery, Khun Thai. The parks- Elsternwick Park, the park near the train station. The transport links, proximity to the beach |
| Feb 18 17 09:14:03 am | The people, almost all shop strip staff are friendly and provide a real community feel |
| Feb 18 17 03:15:05 pm | Boutique shops - homeware shops, clothing shops, not too many chain stores. However, as rent becomes too expensive, I can only imagine these boutique stores won't survive. New cafes and bars have made a big difference to the strip, especially Penta and Bang Bang. Keep them coming! Rustica Deli, good butchers and grocer. The variety is great. Saves me a trip to the Market. |
| Feb 18 17 03:19:26 pm | The mix - the convenience of large pharmacy like Chemist Warehouse but the old fashion service of small businesses like Dalgarnos and Hattams. I love being a local and knowing the shop keepers like in the Deli. It has a |

| | real sense of community. |
| Feb 18 17 07:24:39 pm | I love that you can purchase pretty much anything down the shopping strip. However a few named brands like Church St would be good too. |
| Feb 18 17 08:56:53 pm | Wide range of shops and Cafe's. Good community feel. |
| Feb 18 17 09:35:59 pm | |
| Feb 18 17 09:46:14 pm | Its a local place and not too trendy yet! |
| Feb 19 17 06:51:15 am | access by tram train bus quality shoes and clothing dalgarnos trialto's wongs and aviv and similar where the owners are individuals or families and not just franchises |
| Feb 19 17 10:31:11 am | There is nothing special about the strip but the area around the station is now becoming a lovely meeting area with good quality food and wine. The cinema and Flying Saucer Club is bonus to us, so the area has a lot to offer but not the strip as such as that is looking very old and tired. The community feel is more now around Riddell Parade and the station with Bang Bang and the update of the park. |
| Feb 19 17 03:30:11 pm | |
| Feb 19 17 04:06:58 pm | Mix of old and new. Keeps heritage facade of older buildings |
| Feb 19 17 06:46:32 pm | There hasn't been a lot that made Elsternwick shopping strip unique and special. Until recently the only things would have been Aviv and the Avenue Bookstore in particular, Urban Soul and perhaps Loft. The Classic Cinema is great to have as well. More recently the strip is also made special by Hanoi Hannah, Bang Bang, the much improved park near the station and Penta. |
| Feb 19 17 06:57:05 pm | The warm feel especially now that Elsternwick plaza has been done up. |
| Feb 19 17 08:57:44 pm | child and Adult, Aviv, tokyo deli |
| Feb 19 17 09:35:45 pm | Not much |
| Feb 20 17 12:09:54 am | The mix of modern retail on street level and with old buildings above. Love Victoria park and the new garden/ park and bang bang cafe/ wine bar. Need more open spaces for people to meet relax purchase food . Love the cosmopolitan feel of the food outlets. |
| Feb 20 17 06:32:47 pm | Nothing. |

| Date | Open space |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Nov 28 16 02:39:07 pm | Alfresco dining, more plants, flowers, pedestrianised paved streets and a central water feature. |
| Nov 28 16 03:22:52 pm | Not needed. |
| Dec 01 16 08:14:57 pm | Would be great to have a community garde. There are lots of apartments already and more coming. Have been talking with some residents and they would love to have the opportunity fir a garden and would foster community involvement. The old ABClocation would be perfect . |
| Dec 01 16 08:16:58 pm | F |
| Dec 01 16 11:07:03 pm | Yes, it would be great to have a local sports oval or somewhere fenced that I could let my dog off the lead. But I'm thrilled with what you've done to Elsti Plaza. |
| Dec 02 16 06:55:52 am | Yes open space and greenery |
| Dec 02 16 03:10:45 pm | Good |
| Dec 03 16 07:19:18 am | If you put a park or a square in you will get more homeless and junkies |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | loitering there is enough free space |
| Dec 03 16 08:38:03 am | |
| Dec 03 16 03:54:23 pm | Elsternwick plaza development was great but there is a lack of public space around the elsternwick station area |
| Dec 04 16 09:50:51 am | Yes |
| Dec 04 16 06:35:32 pm | That's been improved |
| Dec 04 16 09:58:19 pm | More landscaping, seats. |
| Dec 05 16 04:39:51 pm | Good both ends- perhaps more seating and shade |
| Dec 05 16 07:17:56 pm | Tree Planting in outstands. Updated furniture suite. better use of wider outstand/public space outside post office in Staniland Avenue. |
| Dec 05 16 09:44:01 pm | Passageways to car parks on Stanley street would be useful and engage more foot traffic. No further apartment development without appropriate consideration to parking. |
| Dec 05 16 11:33:21 pm | Some green on the north side of glenhuntly road |
| Dec 06 16 02:21:04 am | The new upgraded park near elsternwick railway station is lovely. |
| Dec 06 16 11:28:42 am | Yes but might be hard to create |
| Dec 06 16 04:38:17 pm | Missing |
| Dec 06 16 08:42:28 pm | The new park next to Elsternwick station has brought in a lot of skateboarders and teenagers due to all of the concrete. It's great that the park is open and a lot brighter now, especially in the dark. However, I don't feel very comfortable walking there still because of the people it has brought to the area. |
| Dec 07 16 12:04:21 pm | All good |
| Dec 07 16 02:30:39 pm | No |
| Dec 07 16 07:13:43 pm | Very good |
| Dec 07 16 07:43:29 pm | Cleanliness could be improved. Rubbish bins cleans. Rubbish moved of the street. |
| Dec 07 16 09:15:27 pm | More parks |
| Dec 08 16 02:59:29 pm | There is none between the Plaza and Hopetoun gardens. With all the new developments it is needed. |
| Dec 08 16 06:35:29 pm | The addition of landscape features ore new squares would be really welcomed. |
| Dec 08 16 09:33:08 pm | Less towers. More variety of stores. Too many nail & massage places |
| Dec 08 16 09:47:33 pm | More trees & planting |
| Dec 10 16 04:54:08 pm | Open space in itself is OK, but there is a distinct lack of vegetation along the street. |
| Dec 11 16 07:31:56 am | Love what has been done recently to the open space near the station looks hugely improved |
| Dec 11 16 08:25:28 pm | Only open space is next to station- desperately needs more open space |
| Dec 13 16 04:19:39 pm | why has the park taken so long? |
| Dec 14 16 06:25:52 am | Bars to attract younger set; destination restaurants (Ripponlea has Attica); |
| Dec 15 16 08:30:36 am | Not much |
| Dec 15 16 05:57:49 pm | We like the parks... |
| Dec 15 16 08:24:24 pm | Needs more |
| Dec 16 16 09:20:03 am | Drinking taps for both people and domesticated animals. |
| Dec 16 16 09:03:20 pm | Xmas decorations Old architecture preserved No more highrise which is making traffic worse Trees and parks Too many closed |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 17 16 06:28:03 pm | Not a real issue |
| Dec 18 16 09:53:12 am | More pedestrian focussed, less car traffic. |
| Dec 18 16 09:53:57 am | Love the updated elsternwick plaza. Could do more of this |
| Dec 19 16 03:45:48 pm | We need a state of the art supermarket, Coles is looking very behind the times and we need more parking. |
| Dec 19 16 06:29:49 pm | The open space/parks areas have dramatically improved. Perhaps some shaded areas would be good (eg pergola areas) and water fountains, to cater for the summer months. |
| Dec 22 16 08:46:08 am | More trees |
| Dec 22 16 09:55:04 pm | The development of The plaza should help with this. |
| Dec 23 16 06:38:43 am | Why was a section of the plaza fenced off for the private use of the cafe? |
| Dec 25 16 04:30:29 pm | Parks in the area are great |
| Dec 25 16 11:02:47 pm | I think the park once it's finished will be a great addition. |
| Dec 29 16 12:01:34 am | New park is good, toilet needed though. Some quiet areas with seats and trees along shopping expanse. |
| Dec 29 16 07:51:29 pm | Better use of the open spaces especially around post office and public toilet. Public toilet needs to be updated also. |

| Jan 01 17 01:25:16 pm | The updated train park is good. |
| Jan 01 17 10:57:54 pm | Removal of powerlines. Better use of car parks behind shops. |
| Jan 02 17 07:21:25 pm | With the new Elsternwick plaza the open space is great. The toilet block near the library could be better and that street could be turned into a plaza going up to the library. That little street is a bit of a traffic nightmare and should be closed off to Glenhuntly Rd to form a grassed eating area and plaza |
| Jan 03 17 01:17:21 am | Not enough open space or public toilets |
| Jan 03 17 05:52:31 pm | Parking is getting more or a challenge. |
| Jan 03 17 07:57:21 pm | Elsternwick Plaza is a welcome addition as long as the skateboarders don't take it over |
| Jan 04 17 07:53:18 pm | The Restaurant scene. Would love to see The Hungarian Restaurants open during the day. |
| Jan 05 17 08:27:05 am | Greater open space - next to station is great but is already busy on sunny days |
| Jan 05 17 08:40:33 pm | More places for kids activities |
| Jan 08 17 09:39:23 pm | More events, live bands, food trucks, markets. Hopetown garden is brilliant to house many events. |
| Jan 14 17 10:25:07 pm | A pub. |
| Jan 17 17 04:50:35 pm | More parking spaces for longer than two hours. |
| Jan 17 17 06:35:23 pm | Always more trees |
| Jan 19 17 06:08:41 pm | Shade trees |
| Jan 21 17 01:03:25 pm | More should be built |
| Jan 21 17 01:15:44 pm | Parks |
| Jan 21 17 01:19:18 pm | More parks |
| Jan 25 17 10:56:11 pm | Love new park at the station. Another space further up would be good like a town square with cafes around a central area |
| Jan 26 17 04:14:19 pm | Toilets |

| Jan 30 17 01:46:06 am | Open space eating |
| Jan 30 17 08:35:13 pm | More green open spaces would be great |
| Jan 30 17 10:49:49 pm | Would be great to use the open spaces for markets etc |
| Jan 30 17 11:23:41 pm | More playgrounds and integrated open spaces. |
| Jan 31 17 01:52:02 pm | Convert some car spots into pop up parks like in Geelong and Yarraville. Fake grass, tables & chairs etc |
| Feb 02 17 11:53:52 am | The whole area looks tired and run down, and as such attracts similar retailers. |
| Feb 02 17 05:45:00 pm | It's not attractive. We lived in Stonnington council previously and they had street cleaners all the time cleaning the gutters. You never saw rubbish or bins overflowing like glenhuntly rd Elsternwick |
| Feb 02 17 05:54:26 pm | Fine |
| Feb 02 17 06:11:28 pm | More greenery along the strip. |
| Feb 02 17 07:55:06 pm | Improved public spaces like the town square Side street dining away from main road More trees Improve the library precinct |
| Feb 03 17 05:56:56 pm | Tree planting along Glenhuntly Rd shopping strip. |
| Feb 03 17 06:55:23 pm | More greenery along the footpath - plant some trees, be long sighted in your vision. |
| Feb 03 17 07:23:19 pm | Better open space that is attractive |
| Feb 07 17 02:23:34 pm | Please don't use concrete when developing public areas.(area near the train station) It looks cold, dirty and uninviting. |
| Feb 07 17 03:20:25 pm | Good |
| Feb 07 17 03:40:23 pm | The new plaza is fantastic. So welcome. I know this is difficult in Australia, but I've been places where the footpath is washed. Our shops usually have verandahs outside so the rain doesn't reach the footpath and the result is rather dirty, smelly footpaths, worse in summer. Spilt food, vomit and dog pee etc are a heady mix! |
| Feb 07 17 03:42:12 pm | Getting better lately |
| Feb 07 17 04:53:45 pm | Tricky to improve on shopping strip |
| Feb 07 17 05:53:45 pm | more bike rails for our bikes as we are always looking for them. |
| Feb 07 17 05:55:39 pm | More up to date shop fronts, some of them look tired. |
| Feb 07 17 06:31:04 pm | Open space near library. |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 07 17 06:58:10 pm | plentiful |
| Feb 07 17 07:05:33 pm | Adequate open spaces |
| Feb 07 17 07:39:30 pm | More green space. Green roofs on new community facilities. |
| Feb 07 17 08:16:16 pm | Must keep open space that exists, for example the station park. A Small playground would help young parents use the strip. |
| Feb 07 17 08:51:04 pm | Elsternwick park-water bowl for dogs |
| Feb 07 17 08:53:44 pm | Would be nice to see more trees and benches and street character added giving a sense of space and break out areas. |
| Feb 07 17 09:01:51 pm | Find a way to create more open space. What about building on top of railway line on the city side of Glenhuntly Rd a smaller scale version of the New York High Line. |
| Feb 07 17 09:15:49 pm | Close off some roads (or at least one) to create additional green space (eg. Staniland Gve) |
| Feb 08 17 07:53:25 am | Green areas, open spaces. Similar to the Elsternwick Station Reserve |
| Feb 08 17 08:26:47 am | I think the new space near the railway is great especially with the two cafes facing each over, I would love to see some music /dance events for the locals to meet around that little park. In general I would like to see less discarded rubbish. So people should be either fined or have less to throw away. More sensitisation to the cycle of rubbish should be good |
| Feb 08 17 08:46:01 am | Parks with events like farmers market, xmas market etc With all the apartments being built, Glenhuntly rd is progressively becoming busier and more congested |
| Feb 08 17 09:04:54 am | The upgrade to the open space next to the station is great. |
| Feb 08 17 09:30:49 am | New benches |
| Feb 08 17 09:33:31 am | Clean up graffiti as soon as it appears |
| Feb 08 17 10:00:22 am | somewhere our young teenagers can hang out that's closer to home |
| Feb 08 17 11:41:00 am | Elsternwick Plaza is fantastic Keep planting greenery where possible Roundabouts should all have greenery as part of there standing. Look art Denbeigh and Avalon Rd in Armadale to site an example |
| Feb 08 17 12:15:55 pm | Well served with recent upgrade of parks |
| Feb 08 17 12:18:12 pm | Better traffic flow next to cafes with outdoor seating, and maybe signs alerting texting phone users to be aware of other pedestrians! (Getting them to notice a sign is another matter). Also, a 'cyclists dismount' sign painted on the footpath would be useful. I see ADULTS illegally cycle along the busy strip footpath and pedestrians have to get out of their way. I noticed Sydney Road in Brunswick uses these signs to good effect. |
| Feb 08 17 01:35:06 pm | Lasting businesses (less turnover with incentives to stay) |
| Feb 08 17 01:44:55 pm | The road with the library in it has a wide nature strip which can't be enjoyed because of the plants. The toilet block is ugly. The Plaza Park should have at least one dog bowl with a tap above it. |
| Feb 08 17 01:46:23 pm | seems okay |
| Feb 08 17 02:00:21 pm | trees |
| Feb 08 17 02:11:29 pm | Further development to create open space |
| Feb 08 17 02:23:29 pm | Elsternwick Plaza is a great addition. I guess there might be ways to green up the footpath areas as it does look a bit shabby. |
| Feb 08 17 02:25:46 pm | more trees where possible along the streetscape. |
| Feb 08 17 04:20:37 pm | The park area next to Goat House and Bang Bang has been completed - so nothing regarding to this section. |
| Feb 08 17 04:34:45 pm | Just been completed. |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 08 17 04:53:06 pm | pavement space for walking |
| Feb 08 17 05:06:28 pm | Plants trees flowers |
| Feb 08 17 05:56:43 pm | We have very little open space or trees |
| Feb 08 17 06:15:43 pm | More of it |
| Feb 08 17 06:25:02 pm | This has recently been improved in the space between Bang Bang & the train station but more could be done to engage the community. Perhaps hold a food, music festival or market this new space. |
| Feb 08 17 06:33:25 pm | More parks - sitting areas. The area near Elsternwick station has been a great success - well done. |
| Feb 08 17 08:31:14 pm | See previous responses |
| Feb 08 17 09:02:14 pm | Acknowledgment of LGBT community |
| Feb 08 17 09:05:33 pm | The recently landscaped park between Bang Bang and the Goathouse is fantastic. It looks lovely and is being used by many people. |
| Feb 08 17 09:39:44 pm | Better supermarket, active wear shop, a few more modern clothes shops |
| Feb 08 17 11:42:21 pm | Great to have new open space near Bang Bang. |
| Feb 09 17 08:21:19 am | Some of the shops sell cheap items of no real value. |
| Feb 09 17 09:08:27 am | More car parks No more high rise apartments from Nepean Highway and Kooyong Rd. Traffic congestion in the mornings for locals heading out to work |
| Feb 09 17 09:42:57 am | Don't think any open space is missing, there is a big and beautiful park nearby in Elwood that caters to this I believe |
| Feb 09 17 09:51:14 am | ok |
| Feb 09 17 10:23:40 am | Love open space. |
| Feb 09 17 10:33:04 am | perhaps on the edges of the strip (east of Coles perhaps); the reveloped area east of the station is very good; I would not favour removing shops to create open space |
| Feb 09 17 10:58:01 am | I think there is enough with th upgrade of the small park next to the station and the Victoria gardens park at the end of this shopping strip[|
| Feb 09 17 11:55:01 am | Some police foot patrols |
| Feb 09 17 01:11:46 pm | More open spaces would be nice but there is not much room for them. |
| Feb 09 17 02:37:33 pm | This is fine |
| Feb 09 17 04:12:14 pm | Street car parking, I have restricted ability for walking and always have to park some distance. |
| Feb 09 17 04:32:34 pm | Improve area outside toilets in staniland street |
| Feb 09 17 05:31:05 pm | More retail stores. A larger Coles. I believe that this supermarket is the busiest in the State hence it needs to be expanded with more parking bays for Customers. |
| Feb 09 17 05:39:06 pm | Yes. The current revamp of the plaza near the railway station is very 'up and downy' with lots of tripping hazards by way of little protrusions from the multiple steps, which I haven't seen anyone relaxing on, by the way. |
| Feb 09 17 06:06:25 pm | I've often thought the parking space between the library/kinder is a missed opportunity. If the shops mostly opened at the rear as well as or instead of onto glenhuntly road and the parking space landscaped for pedestrians. This would provide a lovely sunny space in winter and make the library approach much pleasanter and more welcoming. That stretch of glenhuntly road is arctic in winter |
| Feb 09 17 06:18:19 pm | Close off some of the roads joining Glen Huntly Rd and make the T intersection into a relaxing space - eg Staniland, Carre, Plant trees here. |
| Feb 09 17 09:09:44 pm | Elsternwick plaza development is great! More spaces like this are needed. |
| Feb 09 17 09:40:30 pm | More parkland and less new development |
| Feb 09 17 09:45:26 pm | Dedicated bike racks |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 09 17 10:04:05 pm | Could be cleaner |
| Feb 10 17 10:37:10 am | more greenery |
| Feb 10 17 12:11:18 pm | we need a public pool |
| Feb 10 17 12:39:12 pm | More open space |
| Feb 10 17 01:58:59 pm | Like the new par near the station. Open spaces are fine... |
| Feb 10 17 03:11:56 pm | There is enough open space now the area near the station is open. |
| Feb 10 17 04:21:39 pm | Sadly there is a lot of rubbish on the footpath, and bins are at times overflowing, I have emailed the council in the recent past about the overflowing bin on corner of Orrong and Glenhuntly Rds. The footpath from CBA to Maysbury Ave is often covered in litter, especially outside the kinder. Keeping the footpaths clean should be a priority! I love the re-development of parkland near our station! |
| Feb 10 17 06:12:45 pm | Yes more of these due to new apartment style dwellings |
| Feb 10 17 10:29:12 pm | See previous comments |
| Feb 11 17 07:35:55 am | |
| Feb 11 17 09:05:10 am | The new garden area between Bang Bang and Goathouse is fantastic. The garden beds along the strip are always well maintained. I do not think anything is missing or could be improved. |
| Feb 11 17 12:54:27 pm | Would be great to have more open areas/roof top bars for the community to enjoy. |
| Feb 11 17 03:17:57 pm | I like it, just be discriminating about how you let people upgrade there stores, don't need it to be too modern and lose sense of community. Classy refits Keep the Tudor feel. |
| Feb 11 17 03:57:35 pm | I think the structure of the Elsternwick shops along Glenhuntly rd is good at the moment. The open space between the Goat house and Bang Bang is sensational |
| Feb 11 17 04:54:40 pm | Play area for kids with adjoining coffee shop! |
| Feb 11 17 04:57:25 pm | I don't really see this as a problem |
| Feb 11 17 04:58:17 pm | Water based activities like a pool or a fountain or something. Or a lake/pond. Water for birds and wildlife. |
| Feb 11 17 05:07:10 pm | Perhaps if a couple of shops could be removed from the strip of shops to break up the street scape. This would provide easier access to car parks and more spots for cafe sitting on street. Perhaps the train line could be covered over to provide more parking opposite the cinema. |
| Feb 11 17 05:50:44 pm | Well catered |
| Feb 11 17 07:49:28 pm | The space near the train station is great. |
| Feb 12 17 09:57:43 am | Shops should not be allowed to be vacant or left in disrepair . Some more Bicycle racks and places with shade and chairs for pedestrians. More variety of shops with affordable prices. |
| Feb 12 17 11:56:20 am | Not much of this |
| Feb 12 17 03:09:19 pm | The open space between Goathouse and Bang bang could have free concerts, free community yoga, and other community events. |
| Feb 12 17 04:49:32 pm | It really needs a big park. The Nepean Highway/Brighton road is a huge divide and a major obstacle for pedestrians trying to get to Elsternwick park (it's dangerous to cross and is so large you have to do it in stages). A pedestrian bridge over the highway, would be ideal. |
| Feb 12 17 07:16:14 pm | It's fine |
| Feb 12 17 10:31:49 pm | Not needed |
| Feb 13 17 09:41:18 am | Not needed - we know where to find the open space at the two nearby parks along Glen Huntly Rd - one near the TS and one near Coles. |
| Feb 13 17 12:00:25 pm | Garden dining in rear of cafes. Toilet Facilities, |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Parks for children and adults |
| Feb 13 17 01:56:28 pm | there should be more of an integration of green space in the strip. More comfortable places to sit outside. |
| Feb 13 17 06:12:33 pm | Open space is always welcome but there seems nowhere to put it. Maybe if the block with Coles supermarket is redeveloped, a bit of green lawn could be included. |
| Feb 13 17 07:36:30 pm | Not sure where you can find any unless you knock down a building. |
| Feb 14 17 09:34:18 am | Nothing missing. |
| Feb 14 17 10:19:00 am | A nearby park for residents and workers to eat lunch - although the new development near the station probably does that now. |
| Feb 14 17 10:12:18 pm | More trees and greenery would enhance the street scape. They could be planted along the shopping strip or put into large tubs. |
| Feb 14 17 10:18:58 pm | Open space is good. Not sure where you could fit more |
| Feb 15 17 12:46:14 am | No |
| Feb 15 17 08:47:34 am | More needed if only to cater for increased population introduced to suburb as result of recent developments in Glenhully and McCrombie, the Classic, and Riddell Parade. Why did you allow development of the Rifle Club? By doing so the little park has been turned into forecourt for Bang Bang. It lost chance to become private park for contemplation, reading etc. |
| Feb 15 17 11:27:52 am | Not enough green space |
| Feb 15 17 02:33:46 pm | New space near station looks good |
| Feb 16 17 03:53:20 pm | The new bang bang area is fantastic.. well done.. |
| Feb 16 17 07:42:30 pm | The plaza development is fantastic. More green space along the strip would be an asset to the strip. |
| Feb 17 17 08:17:12 am | There is enough with the parks at either end. |
| Feb 17 17 05:39:30 pm | I do not feel that there should be a significant allocation of open space in the strip other than what is currently available. I am conscious that the strip is remarkably long and it is important to retain a sense of vibrancy to attract customers to the businesses. |
| Feb 17 17 08:30:09 pm | Could expand the park on Glen Huntley road over the train station? |
| Feb 18 17 09:14:03 am | Better BBQ area in the new plaza |
| Feb 18 17 03:15:05 pm | Better parking for the Coles Supermarket. Public toilets at Elsternwick Plaza (especially due to the new children's playground). |
| Feb 18 17 03:19:26 pm | The renovation of Elsternwick Plaza is a huge plus. It's a shame there isn't more open areas for people to sit outside with their lunch. |
| Feb 18 17 07:24:39 pm | We need more garden and open parks. There are too many children now living in apartments. As much as the Elsternwick plaza is fantastic that only caters for very young kids. What about the older group of kids. We have two car parks in Stanley st totally under utilised. Why don't we use this vital and rare land to its fullest capacity. The council can build basement car parks and charge users accordingly but utilise the top of car parks with urban parks. Create funky areas where people can congregate. The council can then reap revenue from the car parks just like other areas like Stonnington. Really add and enhance to the Elsternwick Plaza Vibe. Users of the Carpark can enter from the laneway from Riddell pde and exit from Carre St end. |
| Feb 18 17 08:56:53 pm | reduce car park size next to Library and car park behind Westpac to have more open space with lawn, seating, shrubs and trees. These two car parks are too big and could be reduced to create more open space. |
| Feb 18 17 09:46:14 pm | Station park is great. |
| Feb 19 17 06:51:15 am | Loving the new Elsternwick Plaza. Has uplifted the entire area which was |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | dark and felt unsafe. We need more of this. A side mall would be fantastic like in Oakleigh. Close of Carre Street or Staniland Grove to make a mini mall for sitting socialising etc. |
| Feb 19 17 10:31:11 am | Smaller supermarket, with parking! |
| Feb 19 17 04:06:58 pm | All good now area near railway station complete |
| Feb 19 17 06:46:32 pm | You can never have too much greenery or open space so any that can be achieved is a great thing. |
| Feb 19 17 08:57:44 pm | more benches to sit on |
| Feb 19 17 09:35:45 pm | More ... Close the GH Rd end of staniland Grove and put a small park there instead |
| Feb 20 17 12:09:54 am | Small pockets of street scraping with food or music for people watching and informal interactions. Mini buses to pick up and drop off people who can't walk the full length of the street More car parking especially around the picture theatre and station |
| Feb 20 17 06:32:47 pm | Sure, more and varied open space would help |

| Date | Type of shops/retail outlets |
|-----------------------|----------------------------------------------------------------------------------------------------------------------|
| Nov 28 16 02:39:07 pm | An improved Supermarket with plenty of underground parking, art galleries, community spaces and a recreation centre. |
| Nov 28 16 03:22:52 pm | Get rid of the rub and tugs. A decent supermarket |
| Nov 28 16 04:49:41 pm | Fresh food Beauty services |
| Nov 28 16 10:51:24 pm | Cotton on. Rooftop spaces being used. No more massage Parlour's or nail salons." |
| Nov 29 16 06:00:02 pm | Needs to continue on it's way with opening new restaurants Nov 30 16 09:56:46 am Cotton On, Kikki K? |
| Nov 30 16 11:40:20 am | Seems like there's enough random women's fashion outlets. Gift shops would be great." |
| Nov 30 16 01:47:24 pm | Clothing for young women, and accessories and shoes |
| Nov 30 16 10:36:50 pm | Yes some more clothing variety would be nice but not imperative. Bigger supermarket. |
| Nov 30 16 11:11:41 pm | more restaurants/live music |
| Dec 01 16 11:59:31 am | Bars Clothing shops Supermarket " |
| Dec 01 16 01:42:53 pm | Less nail and massage places |
| Dec 01 16 04:41:16 pm | Mensshops Outdoor - eg. Katmandu, Mountain design Woolworths Aldi" |
| Dec 01 16 08:14:57 pm | Have lovely cafes and restaurants so need a few more clothes shoes s catering fOrall ages. Love the new deli. |
| Dec 01 16 08:16:58 pm | Fresh quality food. Diverse cafes and restsaurants. Interesting retail outlets. |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 01 16 11:07:03 pm | <p>A second full-line supermarket. Hell, even if they could enlarge/improve Coles it would be a good start.</p> <p>More late night trading - Elsti is a ghost town after 9pm - even on Fridays and Saturdays (except immediately surrounding the cinema). More fashion outlets (less 'old lady' clothes shops). Am loving all of the new cafes/restaurants that have opened recently or are due to open soon - hopefully the likes of quality venues like Penta, Hanoi Hanna and Bang Bang at the old Rifle Club will be the beginning of a foodie revolution in Elsti. We desperately need a quality patisserie and a fromagerie. I just want a flaky croissant and some good cheese :D</p> <p>I hate when businesses block out their windows - like the Zap Fitness gym. All along Glenhuntly Rd the shops should have clear glazing.</p> |
| Dec 02 16 06:55:52 am | Variety is important, if there are too many cafes it'll be like a clamd st, yuck. I'd to see a craft shop and haberdashery shop. |
| Dec 02 16 03:10:45 pm | I believe that there needs to be a bigger department store (Kmart, Target etc) in the area to add variety and centralise shopping for the local areas |
| Dec 03 16 07:19:18 am | Coles is a hideous dirty area that needs fixing..We need a fish monger! |
| Dec 03 16 08:38:03 am | More boutique stores, good cafes, nice restaurants. |
| Dec 03 16 03:54:23 pm | I've been living around glen Eira for 6 years, the closing of cheap clothing stores and the opening of bars and restaurants has started to bring nightlife back to the area. More of this would be great and could be on par with chapel st |
| Dec 04 16 09:50:51 am | Yes |
| Dec 04 16 02:40:29 pm | My understanding is that the difficulty of attracting new businesses into the area is that rents are too high and landlords are not willing to keep buildings in good condition, i.e. they expect tenants to just about rebuild the shop. This will always be a drawback in attracting an interesting mix of shops. |
| Dec 04 16 06:35:32 pm | Gift shops |
| Dec 04 16 09:58:19 pm | Cake shop Aviv is a very good quality store and reflects the European aspect of some residents. Avenue bookstore also attracts many people. The strip needs a mix of convenience businesses eg: post office but also quality outlets. |
| Dec 05 16 11:57:09 am | |
| Dec 05 16 04:39:51 pm | More clothing/fashion - which seems to be disappearing Look at mix of food/cafe/restaurants. Some opening and closing too quickly while gaps still in market eg Indian |
| Dec 05 16 07:17:56 pm | More boutique retail and live music in bars. |
| Dec 05 16 09:44:01 pm | <ul style="list-style-type: none"> - mainstream / family friendly restaurants - larger retail brands aligned to the local demographic covering fashion and lifestyle for example country Rd, cotton on, seed, sports : lifestyle, homewares shoes. <p>Larger retailers will support more local trade as people will be less likely to need to travel to neighbouring suburbs for these stores and in turn this will stimulate local, niche retailers.</p> |
| Dec 05 16 10:59:54 pm | Fishmonger |
| Dec 05 16 11:33:21 pm | More bars |
| Dec 06 16 11:28:42 am | Lack of late night bars / cafes and atmosphere |
| Dec 06 16 04:38:17 pm | None |
| Dec 06 16 08:42:28 pm | Aldi and Daiso. |
| Dec 07 16 12:04:21 pm | More retail |
| Dec 07 16 02:30:39 pm | Not in anyone's control other than potential Retailers. |
| Dec 07 16 07:13:43 pm | Very good |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 07 16 07:43:29 pm | Better retail stores. No more opp shops. Its a affluent area and should have decent retail stores to appeal to the local clientele. |
| Dec 07 16 09:15:27 pm | More mainstream fashion chains like Witchery, Country Rd, Seed, Decjuba - as well as boutique homewares stores. Like Church St Brighton / Hampton St |
| Dec 07 16 10:56:21 pm | I moved here for After the Tears and Antique bar. Just unique and high quality stuff like that. |
| Dec 08 16 02:59:29 pm | More wine bars/coffee shops open between 4:00 and 6:30 pm |
| Dec 08 16 06:35:29 pm | Supermarkets closer to the station, from the station to napean highway the commerce is pretty weak. |
| Dec 08 16 09:33:08 pm | More cake shops, bakeries & middle boutiques |
| Dec 08 16 09:47:33 pm | More dress shops Closing of Medicare is a loss |
| Dec 10 16 04:54:08 pm | This is arguably the street's strength. There is no shortage of diversity here and the quantity of chains is not particularly high compared to similar shopping streets across Melbourne. |
| Dec 11 16 09:38:00 am | Shops targeted to a younger generation. The street needs another supermarket such as Aldi.. |
| Dec 11 16 08:25:28 pm | More variety and more trendy including dinner options. |
| Dec 13 16 04:19:39 pm | Keep it independent, no chains. |
| Dec 14 16 06:25:52 am | Clothes shops for younger generation |
| Dec 15 16 08:30:36 am | Got most things one needs, and an absence of Cooke cutter big brands |
| Dec 15 16 05:57:49 pm | Kids shoe shop, kids hair dresser (like in Elwood) Cheap flowers - go to Carlisle |
| Dec 15 16 08:24:24 pm | More bars |
| Dec 15 16 09:27:16 pm | More vegan and ethically correct retail outlets |
| Dec 16 16 09:20:03 am | Potentially something like a mini QV or a mini southland. We don't have things like K-Mart or Target, I think we could really use one of these. |
| Dec 17 16 06:28:03 pm | Clothes, delicatessen items. |
| Dec 18 16 09:53:12 am | Spruce-up and increased opening hours. Coles is too small and cramped. |
| Dec 18 16 09:53:57 am | Yes. The retail shops, particularly clothing, could be updated. Coles needs a complete overhaul. Love the balance of food and retail and bars |
| Dec 18 16 11:56:12 pm | Some more retail stores - mostly daggy. nothing for younger people |
| Dec 19 16 03:45:48 pm | Delicatessen, supermarket. |
| Dec 19 16 06:29:49 pm | We are getting an over-supply of some outlets (eg pharmacies and sushi bars). |
| Dec 20 16 09:25:49 pm | Aldi. Give Coles a bit of competition. The posh oppe shop is awful. Overcrowded, overpriced and just messy. |
| Dec 22 16 09:55:04 pm | Better and bigger supermarket. |
| Dec 23 16 06:38:43 am | |
| Dec 25 16 04:30:29 pm | Seems to always be a lot of vacant shops. Landlords need to remember that their shops are in a suburban shopping strip, not Chadstone, so they should keep that in mind with rental prices. Isn't it better to have a long term tenant paying less for a long time than having an empty shop for a long time? |
| Dec 25 16 11:02:47 pm | Really miss the lingerie/bra shop. |
| Dec 29 16 12:01:34 am | A broader range or retail. |
| Dec 29 16 07:51:29 pm | Less seedy looking op shops and old lady clothing stores. More cafes/bars/restaurants. Redevelop the supermarket. Far too small for the area. |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 29 16 07:54:45 pm | There aren't enough shops that sell something that isn't clothes. There isn't anything really interesting and quirky. There are flashes of interest, but far too many of the shops just merge into one. An atmosphere more like you see in the north could be encouraged where possible. |
| Jan 01 17 01:25:16 pm | More clothing shops. Church st Brighton has a great mix for a suburban strip. |
| Jan 01 17 10:57:54 pm | Quality of shops. More clothing stores. Farmers Market at the plaza on fortnightly. |
| Jan 02 17 07:21:25 pm | Music store and sports apparel |
| Jan 03 17 08:57:09 pm | As mentioned before I like the independents and would like to preserve this but a couple of mainstream shops like target withchery and cotton on kids would be good |
| Jan 04 17 07:53:18 pm | Love the new Tunisian collectables shop. |
| Jan 05 17 08:27:05 am | Keep out chain stores, there's already a pretty good mix |
| Jan 05 17 03:54:05 pm | A concerted campaign to renovate and upgrade the run-down and grubby shops. There is a desperate need for a new supermarket or even something like the Malvern Central shopping centre which several years ago now rejuvenated Glenferrie Road shopping strip. Glenferrie Road is attractive busy a great mix of businesses and plenty of parking. Glenhuntly Road could aspire to something like it. |
| Jan 05 17 08:40:33 pm | Less two dollar shops |
| Jan 07 17 04:03:45 pm | Homewares - like Zingys before they closed. |
| Jan 08 17 09:39:23 pm | More well known clothing brands and well known store chains. To encourage cafes to open on the weekend until at least 5pm. This will encourage local to shop local. |
| Jan 14 17 10:25:07 pm | Hobby shop. A sports shop. |
| Jan 17 17 04:50:35 pm | An Aldi would be nice. |
| Jan 17 17 06:35:23 pm | More 'younger' clothing and possibly more mainstream |
| Jan 19 17 06:08:41 pm | A better supermarket. A more up-market restaurant or two, for special occasions; A "home style" bakery (like Keiths or Wild Holly in Brighton). |
| Jan 21 17 01:12:25 pm | This |
| Jan 22 17 02:33:09 pm | Keep what's there or add more! I love that there's a book shop and amazing cake available |
| Jan 23 17 05:59:24 am | Updated shops, including shop interiors and types of shops. |
| Jan 25 17 10:42:07 pm | Sport shop |
| Jan 25 17 10:56:11 pm | Specialty food and no more opp shops |
| Jan 26 17 04:14:19 pm | Keep it small as it is |
| Jan 26 17 04:17:56 pm | This |
| Jan 26 17 05:08:39 pm | This |
| Jan 26 17 05:18:18 pm | Groceries |
| Jan 26 17 05:22:13 pm | This |
| Jan 26 17 05:43:16 pm | Malls |
| Jan 26 17 05:44:55 pm | More variety |
| Jan 26 17 05:46:19 pm | |
| Jan 26 17 05:49:26 pm | Aldi, better Coles |
| Jan 26 17 05:55:45 pm | Comfortable with shops available |
| Jan 26 17 06:15:37 pm | Yes! |
| Jan 26 17 06:20:39 pm | More book shops |
| Jan 26 17 06:28:02 pm | Well covered |
| Jan 26 17 06:33:48 pm | Small indeoendant shops support local |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Jan 26 17 06:47:16 pm | Yes major department stores |
| Jan 30 17 12:52:51 am | Changed for the better |
| Jan 30 17 01:08:08 am | Sports |
| Jan 30 17 01:46:06 am | More grocery shopping |
| Jan 30 17 01:49:36 am | Licks to return |
| Jan 30 17 08:35:13 pm | Some women's clothes shops, a cupcake place (cupcake queens, cupcake central etc), a yoghurt/icecream shop (yo-chi would be amazing), children's shops - cotton on kids, sushi eatery |
| Jan 30 17 10:49:49 pm | Way too many "two dollar shops". |
| Jan 30 17 11:23:41 pm | Something big and DIY like Bunnings. Nearest electronics retailer is further down Nepean Highway. Hipster cafes. More dessert options if there's demand. This strip is not well-known for retail, so maybe investment to find a niche. Middle Brighton strip has more retailers. |
| Jan 31 17 01:52:02 pm | Encourage more small businesses and less chains |
| Feb 02 17 11:53:52 am | Coles really needs to be improved - the food quality is terrible, it is always cramped and busy, and it is really run down. Too many vacant shops or low end retailers. Needs to have more of a community feel. I would love to buy more from Elsternwick retailers but find that I either go to Malvern or Brighton as there are more options. |
| Feb 02 17 05:45:00 pm | The addition of places like Bang Bang near the Elsternwick station is attractive and need lots more shop fronts that invest |
| Feb 02 17 05:54:26 pm | Perfect |
| Feb 02 17 06:11:28 pm | A good deli. The overall mix is pretty good. No more nail shops! No more massage shops! |
| Feb 03 17 05:56:56 pm | More quality boutique shops to replace the tacky immigration visa businesses (i.e massage, mobile phone repair and \$2 shops) |
| Feb 03 17 06:55:23 pm | Some very old tired offerings Vacant hard to lease places should be given over to small cultural institutions for pop up lease type of arrangements, local schools to play shop, or other pop up type shops, until longer term tenants can be found |
| Feb 03 17 07:23:19 pm | Better quality shops. too many junk shops. |
| Feb 04 17 08:27:46 pm | Retail clothing shops and homewear |
| Feb 07 17 02:23:34 pm | Some new shops offering different goods and services. TAB, Men's wear, Delicatessens, Fish'n'chip shop, Hamburger shop, electrical repair shop. |
| Feb 07 17 03:20:25 pm | Good |
| Feb 07 17 03:40:23 pm | More individual specialist retail shops like Perugia, The Avenue Bookstore and Mercantile Home would be fantastic. |
| Feb 07 17 03:42:12 pm | Menswear |
| Feb 07 17 04:53:45 pm | A larger, more varied grocery store is needed More modern retail with children/womens clothing and homewares |
| Feb 07 17 05:53:45 pm | more homeware options would be nice, some shops for teenage apparel and a sports store would be nice, always running to chapel street for the kids... |
| Feb 07 17 05:55:39 pm | More cafes with good quality food on offer for breakfast and lunch. |
| Feb 07 17 06:31:04 pm | Fish and chips down at the station |
| Feb 07 17 06:58:10 pm | restaurants |
| Feb 07 17 07:05:33 pm | Some high fashion |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 07 17 07:39:30 pm | More vibrant and modern cafes and restaurants. A larger retailer such as Target, Colton on etc. An alternative supermarket to Coles (Woolworths and/or Aldi). |
| Feb 07 17 08:16:16 pm | A butcher specialising in free range meat A fresh fish shop Baby wear shop Art and crafts shop |
| Feb 07 17 08:41:09 pm | A second large supermarket to rival Coles |
| Feb 07 17 08:53:44 pm | Good quality restaurants not just quick cafes. Quality retail shops. Definitely a fish monger shop- it's really missing fresh fish. |
| Feb 07 17 09:01:51 pm | Be great if there were more updated men's clothing shops. Find a way to attract more big brand stores. |
| Feb 07 17 09:03:35 pm | Bakeries |
| Feb 07 17 09:15:49 pm | Famers market in the park at Bang Bang or a quality green grocer with organic produce; Quality bakery (such as Firebrand); Leo's Supermarket (or similar) |
| Feb 07 17 10:31:34 pm | Some shops have unattractive fronts and too much out on the footpaths. Tables and eating areas are ok but it can get very crowded. |
| Feb 08 17 07:16:27 am | Add more clothing stores and vegan places to eat. |
| Feb 08 17 08:26:47 am | a shop with a large selection of underwear and socks. |
| Feb 08 17 08:46:01 am | More local produce |
| Feb 08 17 09:27:50 am | Better clothing shops. There are too many op shops and crappy discount shops. |
| Feb 08 17 09:30:49 am | Homeware stores Kids clothing Fresh fish market Delicatessens |
| Feb 08 17 09:33:31 am | Better quality retail shops |
| Feb 08 17 10:00:22 am | pet supplies shop is missing, one would be good for everyone as there are a lot of pet owners in the area. No more bottle shops please they have plenty at the moment. |
| Feb 08 17 11:41:00 am | Higher standard restaurants A better young woman's brand retailer |
| Feb 08 17 12:15:55 pm | Well served with a good mix of outlets |
| Feb 08 17 12:18:12 pm | We need a hardware store (there used to be one!), lingerie shop (there used to be one!). Bed, bath & table or an Adairs would be great. |
| Feb 08 17 01:28:35 pm | big w or kmart |
| Feb 08 17 01:35:06 pm | N/A; good variety as long as they have incentive and tenacity to stay |
| Feb 08 17 01:44:55 pm | Please, no more hair dressers, or manicurists, or massage places, or op shops (the op shop on the north side, near the CBA, is disgusting!) We need a good Italian restaurant! |
| Feb 08 17 01:46:23 pm | more variety of retail shops so don't have to do to large shopping centre if don't want |
| Feb 08 17 02:00:21 pm | cupcake shop, sushi and a kid-friendly cafe |
| Feb 08 17 02:11:29 pm | Another Supermarket Most of retail is online and moving this way. Look at the major brands that have gone bust recently. I would be attracting brands/services that are crucial |
| Feb 08 17 02:23:29 pm | Perhaps another deli. I'd love another super market or Coles needs to expand and provide better parking and customer service. The Coles car park is a nightmare and it is always packed. |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 08 17 02:25:46 pm | a good fishmonger, a good Deli, |
| Feb 08 17 04:20:37 pm | Elsternwick is slowly changing but we don't need anymore charity; cheap shops; Thai restaurants; ice cream/natural yogurt places; Cheap chemists and coffee shops. What i would like to see - a couple more mens clothes shops |
| Feb 08 17 04:34:45 pm | A family friendly chain store, a home appliance, a hardware store., sporting goods. |
| Feb 08 17 05:06:28 pm | Garden stores |
| Feb 08 17 05:56:43 pm | We have no major Dept store Target, Big W, Bunnings etc. |
| Feb 08 17 06:25:02 pm | Would love more boutique retail |
| Feb 08 17 08:31:14 pm | Need more unique fashion boutiques Need a gym that offers aerobic classes and yoga |
| Feb 08 17 09:02:14 pm | Men's designer clothing, younger community shops. |
| Feb 08 17 09:05:33 pm | It would be nice to see some more retail businesses, for example clothing boutiques, shoe shops, gift shops, etc. |
| Feb 08 17 09:39:44 pm | Lululemon Country road Saba Witchery Kikki k Typo |
| Feb 08 17 11:42:21 pm | More womens fashion stores and also children's fashion. |
| Feb 09 17 08:21:19 am | Quality, clean that do not attract unsavory people. |
| Feb 09 17 09:08:27 am | A department store like BIG W or Kmart More menswear stores A bar for entertainment |
| Feb 09 17 09:42:57 am | Maybe another boutique clothing store or a jewellery store? |
| Feb 09 17 09:51:14 am | ok |
| Feb 09 17 10:23:40 am | Not more cheap shops, it is hard to answer this question as overall I believe the retail scene has changed and retail outlets such as haberdashery, white goods, linen were once in the street but rents and sales did not encourage such outlets to remain. |
| Feb 09 17 10:29:13 am | clothing stores |
| Feb 09 17 10:33:04 am | nothing comes to mind |
| Feb 09 17 10:56:35 am | Fish outlet! |
| Feb 09 17 10:58:01 am | Excellent variety already, but could do with more clothes and shoe shops |
| Feb 09 17 11:55:01 am | Some groovier womens clothing shops, Country road, See, Witchery |
| Feb 09 17 01:11:46 pm | We need a hardware store and a garden centre. |
| Feb 09 17 02:37:33 pm | We need a gaming / hobby store (like next level games etc / games laboratory) |
| Feb 09 17 04:12:14 pm | Needs a hardware shop. |
| Feb 09 17 04:32:34 pm | More brand shop like church at brighton |
| Feb 09 17 05:31:05 pm | A Target store or such like Bentleigh has. |
| Feb 09 17 05:39:06 pm | hardware and craft/haberdashery supplies. Aldi. |
| Feb 09 17 06:06:25 pm | Keep out the boring big chain stores, encourage small traders. Especially preserve Blights shoe repair store and Hattams. Lets face it - retail doesnt have a great future and we can only have so many cups of coffee. Need to utilise these spaces in other ways. |
| Feb 09 17 06:18:19 pm | Need a second supermarket |
| Feb 09 17 07:48:37 pm | More retail shops with quality goods. |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 09 17 09:09:44 pm | More plant based eateries ie vegetarian/vegan. World Vegetarian Cafe is sorely missed! |
| Feb 09 17 09:45:26 pm | All good |
| Feb 09 17 10:04:05 pm | Bring back Medicare |
| Feb 10 17 09:37:10 am | Whit goods and furniture shops. |
| Feb 10 17 10:37:10 am | better clothing stores |
| Feb 10 17 12:16:52 pm | Medicare.. loved having that up the road, now it's kms away. |
| Feb 10 17 01:58:59 pm | Need to do something to generate a vibe! Give people an excuse to hang around after dinner... perhaps more open cafes, bars after hours...? |
| Feb 10 17 03:11:56 pm | Variety of shops is getting better but there are too many empty shops presumably because of the high rents. In terms of shops we regularly use the chemist, homewares, fruit, butchers, cheap variety shops as well as Coles. We love having the cinema. |
| Feb 10 17 04:20:50 pm | Less cafes |
| Feb 10 17 04:21:39 pm | It would be good to have another grocery outlet (IGA, Foodland or the like) that is not part of the Big 3 (Coles, Woolworths, Safeway) to give those who care a more local alternative. |
| Feb 10 17 06:12:45 pm | more boutique stores and exclusive restaurants, along with more small office businesses. |
| Feb 10 17 10:06:02 pm | haberdashery |
| Feb 10 17 10:29:12 pm | See previous comments |
| Feb 11 17 07:35:55 am | Another major retailer or two. Target, Aldi, Woolworths. |
| Feb 11 17 09:05:10 am | There are a lot of cheap and low quality shops in the strip near the Commonwealth Bank. I cannot imagine why anyone would want to go into the awful Op Shop there, when there are quite nice ones (Red Cross and Salvation Army) across the road. |
| Feb 11 17 12:53:31 pm | Book stores |
| Feb 11 17 12:54:27 pm | More cafes and bars Coles is an eye saw. There needs to be a significant upgrade of it. It is dark, dingy and not appealing Similarly the current butcher shops again are not appealing. It would be great to see an upgrade of them. They could model the stores on Peter bouchiers in hawsburn or Bertie's in Richmond Lastly it would be great to have a fish munger |
| Feb 11 17 01:57:09 pm | Another supermarket for competition with Coles--such as Aldi |
| Feb 11 17 03:11:03 pm | More good cafes |
| Feb 11 17 03:17:57 pm | I like that they are independent and no sports craft or Lululemon. They would be convenient but we would lose the charm of the smaller shops and what they bring to a community |
| Feb 11 17 03:57:35 pm | I think there is a great eclectic mix - coles is not far/there are a number of pharmacies etc so your every day needs can be accessed in amongst the restraints and cafes |
| Feb 11 17 04:57:25 pm | Better quality restaurants, cafes and bars. Better quality gift shops. Less nail bars and \$2 shops. The Coles supermarket on Glenhuntly Road is inadequate for the volume of people. |
| Feb 11 17 04:58:17 pm | More restaurants. Less tacky clothes stores. Interesting lunch/niche food outlets. |
| Feb 11 17 05:07:10 pm | I think mix is not bad |
| Feb 11 17 05:50:44 pm | Maybe a few too many "low end" shops and bedraggled shopfronts - more speciality grocery and deli style stores and clothing shops would be beneficial |
| Feb 11 17 07:49:28 pm | There really should be a good supermarket near the train-station. The Coles supermarket is a disgrace considering the volume of people that come |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | through. The parking is becoming ridiculous. |
| Feb 12 17 09:57:43 am | Manchester . Homewares. Organic groceries . Bicycle shop. Fitness wear. |
| Feb 12 17 11:56:20 am | See previous comment |
| Feb 12 17 04:04:33 pm | Don't lose the space we have already |
| Feb 12 17 04:49:32 pm | Keep the chains stores/franchisers out. It's bad enough that McDonalds and Nandos have managed to get a foothold here. It would break my hearth to see KFC, Hungry Jacks and Starbucks turn up here. Support independent retailers by only allowing independent retailers to set up. |
| Feb 12 17 07:16:14 pm | Would love more healthy food stores |
| Feb 13 17 07:05:59 am | more cafes .. more shopping markets ie Aldi etc |
| Feb 13 17 09:26:31 am | Clothes |
| Feb 13 17 09:41:18 am | I think we have enough \$2 shops, we need more unique shops that is higher end - where their products have been well thought out. A bike road would be great! |
| Feb 13 17 12:00:25 pm | Community seating facilities |
| Feb 13 17 01:56:28 pm | Less bargain basement/ tat shops and more interesting/diverse shops that aren't all cafes. Also some clothing stores that aim at a younger age group, and aren't prohibitively expensive. |
| Feb 13 17 06:12:33 pm | Need more variety. n Need a good hardware store, If Penhaluriaks closes. |
| Feb 14 17 09:34:18 am | Another supermarket, major brand names, a good wine bar and a good butcher |
| Feb 14 17 10:17:57 am | food places |
| Feb 14 17 10:19:00 am | Organic fruit and veg, and organic meat. Good quality restaurants - most are very ordinary. We go to Glenferrie Rd when we go to a restaurant. |
| Feb 14 17 02:56:10 pm | Another supermarket. Perhaps an Aldi |
| Feb 14 17 04:54:50 pm | Vegan cafe. |
| Feb 14 17 10:12:18 pm | Less of the two dollar shops and more music venues and bars that are open at night. |
| Feb 14 17 10:18:58 pm | Lingerie store and mens underwear is missing |
| Feb 15 17 12:46:14 am | More fashion shops, restaurants/bars, bakery,. |
| Feb 15 17 08:47:34 am | Very good: do not let Glenhuntly Road turn in to any thing like Acland Street in St Kilda, Brunswick Street Fitzroy where all the service providers (bootmakers, butchers, fruit and veg) disappear and are replaced by bars and shops selling silly toys and gadgets for tourists. |
| Feb 15 17 09:20:05 am | childrens/teens clothing basic chain store like Target or a Cotton On Sportswear shop - my goodness- a REBEL sports store would be a hit! (have you seen how many leisure wearing women are around! plus kids needing sports equip) Lingerie shop!!!!!!! We so miss our old lingerie shop and if I had money- its definitely what I would open- from teens to grannies- the poor elderly who relied on that service) Medicare- I know its a government thing! MUCH BETTER SUPERMARKET!!! |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | <p>SMALL IGA under the ridiculous apartments , especially down Nepean end - under the Riddell Pde apartments wouldve been ideal!!! Especially for those that cant walk all the way to Coles- We did have the IGA on corner of Horne St and its very sad they didnt work- this section really needs attention- NO HIGH RISE PLEASE DOWN HORNE ST!!!!</p> <p>This was a great street and the traffic is ridiculous and have begged to put speed humps to no avail- We can sometimes barely turn out of Horne st onto Glenhuntly Rd so I am dreading the development where Daily Planet was- Please be sensible not greedy!!!!!!</p> |
| Feb 15 17 02:33:46 pm | Greater range of clothing and footwear stores, lingerie, sports stores no more "cheaper" stores |
| Feb 16 17 03:53:20 pm | kids clothing is missing (remove a chemist or bank). |
| Feb 16 17 07:42:30 pm | Less of the junky type shops - \$2, cheap clothing etc and more quality clothing, homewares and food stores; more arty style and locally made goods. |
| Feb 16 17 10:09:36 pm | A decent cake shop like Patersons Cakes in Chapel Street that sold a good selection of cakes, pies, pasties, sausage rolls as well as making proper sandwiches which are made to your order. |
| Feb 17 17 08:17:12 am | Asian Grocery Fine Dining restaurant. |
| Feb 17 17 05:39:30 pm | Excellent diversity, but am concerned that the strip is being swamped by cafes etc. |
| Feb 17 17 06:41:53 pm | - Lingerie / hosiery store - Mini supermarket at station end (the express convenience store is hardly affordable) |
| Feb 17 17 08:30:09 pm | Larger stores - bunnings, dan murphurys, good supermarket |
| Feb 18 17 09:14:03 am | Great mix already. Miss the baby shops |
| Feb 18 17 03:15:05 pm | A sporting goods store. Especially one that sells running or street shoes |
| Feb 18 17 03:19:26 pm | I think the Coles needs a huge revamp. It's terrible fighting for a car park. I usually go to Aldi in St Kilda because I can't bear the fight for the car park. Love the additin of Bang Bang and Hanoi Hannah and would love to see even more restaurants and bars and maybe less Thai Masage places and hairdressers |
| Feb 18 17 07:24:39 pm | We need more supermarkets and brand shops. |
| Feb 18 17 08:56:53 pm | Shops come and go. Always seems to be selection. |
| Feb 18 17 09:35:59 pm | |
| Feb 18 17 09:46:14 pm | Coles and the Coles block is too busy and untidy and in need of redevelopment. |
| Feb 19 17 06:51:15 am | A family clothing shop such as Target Country in Bentleigh. |
| Feb 19 17 10:31:11 am | Juice bar, non specialiaty hamburger shop, |
| Feb 19 17 03:30:11 pm | Decent clothes and footwear outlets. |
| Feb 19 17 04:06:58 pm | New and bigger supermarket. Need to ensure less empty shops, especially older run down. Need to ensure owners comply and update to meet needs....not just charge high rental. |
| Feb 19 17 06:46:32 pm | Elternwick shopping strip probably has all the chain store basics covered but has been a bit lacking in upmarket goods. If I need a card for someone I'm highly likely to need to go to another suburb, for a present and for |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | gourmet take-home meals I definitely go to other suburbs. Perhaps there aren't many people wanting those things? |
| Feb 19 17 06:57:05 pm | Coles is the only supermarket and it isn't a very big store. Although it has a lot of variety for fruit and vegetables, it does not have a huge variety of the items on the shelves. Certain brands of things, only have 1 or 2 options to choose from, where as when you go to Coles at balaclava, you get more options. |
| Feb 19 17 08:57:44 pm | less chemists, better cafes |
| Feb 19 17 09:35:45 pm | Diversity |
| Feb 20 17 12:09:54 am | Not much point having outdoor cafes which are going to have light shadowed by new high rise developments on the northern side of the street. Love the mix of old and new in retail. We should give the old buildings above the shops a complete restoration and make them a feature of the street. Look at developing these spaces into creative environments or restaurant/ cafes with a view below and across |
| Feb 20 17 06:32:47 pm | It needs to be able to compete with streets like Smith St Carlisle St etc |

| Date | Community Services |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Nov 28 16 02:39:07 pm | "Extended library hours - open Monday. A rec centre for swimming. We really need a pool!! " |
| Nov 28 16 03:22:52 pm | Not your job. Roads rates and Rubbish remember? |
| Nov 28 16 04:49:41 pm | Performance spaces |
| Nov 28 16 10:51:24 pm | A community bus to Elwood, the beach, garden vale. Port Phillip have a great bus. A community art space would be amazing and could involve a social enterprise element. |
| Nov 30 16 09:56:46 am | No comment. |
| Nov 30 16 11:40:20 am | The medical clinic is opening, that's good |
| Nov 30 16 01:47:24 pm | "More events! Groove and Graze was amazing! More food trucks! Even just one or two on the weekends during Summer. There is so many parks and space for them! " |
| Nov 30 16 10:36:50 pm | Sufficient |
| Nov 30 16 11:11:41 pm | fine |
| Dec 01 16 11:59:31 am | Upgrade of the library More trees |
| Dec 01 16 08:14:57 pm | I think it is hard to know what is available. More info would be appreciated |
| Dec 01 16 08:16:58 pm | Care for children and the elderley as well as the sick. |
| Dec 01 16 11:07:03 pm | I've been noticing more and more homeless men along Glenhuntly Rd. Are there any services that could be relocated or established to provide assistance or support to them? |
| Dec 02 16 06:55:52 am | Improve the library and have lovely seating area outside the library |
| Dec 02 16 03:10:45 pm | Good |
| Dec 03 16 07:19:18 am | Well serviced with library, doctors, hospital, medical centres |
| Dec 04 16 09:50:51 am | Not really |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 04 16 09:58:19 pm | The library has an outdated and poor selection of books. Stonnington library on High Street is what Glen Eira should aim for. |
| Dec 05 16 04:39:51 pm | Specific to Elsternwick strip -be innovative- perhaps a community hub for shopping assistance that could be used by ageing population as well as people with a disability and families. The library needs to be promoted more and especially services such as computer access that exists. Even run community classes from library area (or ground floor - I've always wondered what's there). |
| Dec 05 16 07:17:56 pm | ? |
| Dec 05 16 09:44:01 pm | Dentists, physios, natural therapists, counselling. Personal training studios. There is also a lack of good secondary schools in the area outside of private schools. |
| Dec 05 16 10:59:54 pm | Sad to see Medicare office gone |
| Dec 06 16 11:28:42 am | No interest |
| Dec 07 16 02:30:39 pm | All services are close by already |
| Dec 07 16 07:13:43 pm | Not sure |
| Dec 07 16 10:56:21 pm | more parks |
| Dec 08 16 02:59:29 pm | The library is small for such a hub. Huge lack of loading zones and trucks stop and unload in the lanes behind shops blocking carparks and vehicle access. They are never patrolled/asked to move by council officers. |
| Dec 08 16 06:35:29 pm | The library should be updated. Taking the parking space arounded a beautiful green space could be created and add an incredible value to the library and the neighbourhood activities and social life. |
| Dec 08 16 09:33:08 pm | Parks & open space |
| Dec 10 16 04:54:08 pm | No issues here. |
| Dec 11 16 07:31:56 am | U3a in this area or mens shed ideas for group engagement. |
| Dec 11 16 08:25:28 pm | Ummmm? |
| Dec 13 16 04:19:39 pm | Good |
| Dec 15 16 05:57:49 pm | Playgroup - use the not for profit in the church hall which is fabulous |
| Dec 15 16 08:24:24 pm | Child care |
| Dec 16 16 09:20:03 am | Maybe a closer ambulance set up? |
| Dec 17 16 06:28:03 pm | Not an issue |
| Dec 18 16 09:53:57 am | Don't commonly use these |
| Dec 19 16 06:29:49 pm | The library definitely needs an upgrade, with a wheelchair/elderly walker-friendly (ramp) entrance and a bit of street appeal. |
| Dec 20 16 09:25:49 pm | Less stinkier public toilets and better toilet paper. |
| Dec 22 16 09:55:04 pm | Improved public toilets |
| Dec 23 16 06:38:43 am | The library needs an upgrade |
| Dec 25 16 04:30:29 pm | Nothing that I can think of |
| Dec 29 16 07:54:45 pm | pretty good for the most part, the library could be a bit bigger. Also I'd appreciate having the medicare office back, but I understand that that is unrealistic. |
| Jan 01 17 01:25:16 pm | Na |
| Jan 01 17 10:57:54 pm | Celebrate mid century architecture where is exists. Elsternwick Library is a beautiful building but let down by dull concrete entrance. |
| Jan 02 17 07:21:25 pm | More water fountains more bench seats along the shopping strip. Better rubbish removal or vetter more bins as often they are overflowing and look bad |
| Jan 03 17 05:52:31 pm | Recently they opened the park near the station, thats a lovely contribution to the community feel we still have here. |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | If i want any thing out of the area i would rather go there than continue the building. |
| Jan 04 17 07:53:18 pm | Don't know or haven't needed community services except for the Library. |
| Jan 05 17 03:54:05 pm | An upgrade of the awful toilet block |
| Jan 05 17 08:40:33 pm | More facilities for elderly and kids Increased safety |
| Jan 14 17 10:25:07 pm | A pool. |
| Jan 17 17 04:50:35 pm | Medibank and Medicare offices. |
| Jan 19 17 06:08:41 pm | More places for pedestrians to cross Glenhuntly Road. More provision for local residents to park in the streets bordering the shopping strip (train commuters and those working in the strip are making it increasingly difficult for locals to park near their homes). |
| Jan 26 17 04:48:52 pm | This |
| Jan 26 17 06:47:16 pm | Yes |
| Jan 30 17 01:34:13 am | Link library with elderly citizen services "community hub" |
| Jan 30 17 11:23:41 pm | Library services open later during the day. More computers. |
| Feb 02 17 11:53:52 am | Library could be improved. Book selection doesn't seem to be as good as Caulfield or Carnegie. Love the baby/story time. |
| Feb 02 17 05:45:00 pm | Library is great |
| Feb 02 17 05:54:26 pm | It's fine |
| Feb 03 17 05:56:56 pm | Great |
| Feb 03 17 06:55:23 pm | Ok |
| Feb 03 17 07:23:19 pm | More free activities for seniors in elsternwick |
| Feb 07 17 02:23:34 pm | Medicare office, Police station, Council office. |
| Feb 07 17 03:20:25 pm | Good |
| Feb 07 17 03:40:23 pm | I would love to see a sign of some sort directing people to the library when it's open and advertising to the passers by what services are available- even new books that are in... I think the library is greatly under utilized. Oh, and please fix the library roof, it's been leaking for years. |
| Feb 07 17 04:53:45 pm | Library not very inviting - have never been in |
| Feb 07 17 05:53:45 pm | library is great and their staff are so helpful.. |
| Feb 07 17 05:55:39 pm | More police presence is needed in regard to the Sudanese crime wave. |
| Feb 07 17 06:31:04 pm | ? |
| Feb 07 17 06:58:10 pm | information centre |
| Feb 07 17 08:16:16 pm | Council to aid charities in shopfront advice centres for work, addiction or mental health issues |
| Feb 07 17 08:53:44 pm | Would be really lovely to have some garden area around library |
| Feb 08 17 08:26:47 am | A renovated/edgy library. A free hub space for entrepreneurs. |
| Feb 08 17 09:04:54 am | Library on the first level is problematic. The library could do with a make over. |
| Feb 08 17 09:30:49 am | Toilets cleaned regularly Bigger library |
| Feb 08 17 09:33:31 am | |
| Feb 08 17 10:00:22 am | the Elsternwick library opening hours are ridiculous, people working 9 to 5 can hardly make it there on weekdays and weekends are not even an option for us. the port Philip library hours are the best and works for people working in all industry. |
| Feb 08 17 12:15:55 pm | Ok |
| Feb 08 17 01:35:06 pm | Security patrol. Police vicinity was recently built at station, but continually appears unoccupied. Perpetrators feel no presence nor threat. |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 08 17 01:46:23 pm | seems okay |
| Feb 08 17 02:11:29 pm | Mental Health providers A lot of young families are in Elsternwick... perhaps child services |
| Feb 08 17 04:20:37 pm | To be honest i'm not sure of what is available or needed. |
| Feb 08 17 04:34:45 pm | upgrade of library. CLEAN Public toilet facilities. More public parking. |
| Feb 08 17 05:56:43 pm | Community Services seem ok |
| Feb 08 17 08:31:14 pm | Need a gym that offers aerobic classes and yoga |
| Feb 08 17 09:02:14 pm | Policing on the street should be improved. Never seen a walking patrol on glenhuntly rd. Homeless community infiltrating and harassing community members has increased |
| Feb 08 17 09:05:33 pm | I have noticed quite a few people who are begging along Glen Huntly Rd. Are there some services available to support these people? I am thinking of outreach services or the like |
| Feb 09 17 09:42:57 am | Not too sure, haven't had much experience with this |
| Feb 09 17 09:51:14 am | ok |
| Feb 09 17 10:29:13 am | need full blown library |
| Feb 09 17 10:33:04 am | I'm not "missing" anything, and I've no obvious thoughts coming from talking with others; I am 76 - in a few years I MIGHT respond by saying "somewhere where older people can meet" |
| Feb 09 17 10:58:01 am | There is a new GP practice in the middle of the strip, as well as one next to Coles, lots of optometrists and pharmacies, and an Infant Health Centre, as well as at least one large gym, so I don't think any more Community Services are needed in the strip. |
| Feb 09 17 11:55:01 am | All good |
| Feb 09 17 02:37:33 pm | A centrelink outlet would help some residents |
| Feb 09 17 04:12:14 pm | We need a Medicare office. |
| Feb 09 17 04:32:34 pm | Better toilets |
| Feb 09 17 05:31:05 pm | This service is great. |
| Feb 09 17 05:39:06 pm | More accessible and larger library. Look what Carnegie got, and they started with a shop front library! Lectures and other public education events all seem to happen way over there. The swimming pool is also a long drive away. U3A is located at Glenhuntly - another trek on our congested road. |
| Feb 09 17 06:06:25 pm | No community facilities in this part of glen eira - no exercise classes for seniors, no community house, weak library collection. Didn't notice glen eira council getting involved in deliberations on future of elsternwick park and golf course. Golf course will be gone within 18months. The ABC sites coming up for sale, particularly Gordon St one, council needs to acquire at least a portion for rear parking and access to Ripponlea estate. Perfect site for new library and community centre too? |
| Feb 09 17 09:45:26 pm | Longer library opening hours and more spaces for private study More public talks |
| Feb 10 17 09:37:10 am | Library should be open every day eg from 10am to 6pm at least. |
| Feb 10 17 12:11:18 pm | we need a public pool |
| Feb 10 17 12:16:52 pm | Disability access to stores. Many have steps up into the stores. |
| Feb 10 17 03:11:56 pm | No change required. There is a library. |
| Feb 10 17 04:21:39 pm | I have found community services to meet my family's needs |
| Feb 10 17 10:29:12 pm | See previous comments |
| Feb 11 17 07:35:55 am | A professional running track and outdoor sports equipment |
| Feb 11 17 09:05:10 am | No feedback as I do not use these. |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 11 17 04:57:25 pm | I don't really see this as a problem |
| Feb 11 17 05:50:44 pm | Well catered |
| Feb 11 17 07:49:28 pm | I don't really use any community services. The services to our property is acceptable EXCEPT the street drainage. The council need to lobby Melbourne water about their appalling lack of maintenance in the Elsternwick area. Our garaged and cellar flooded NOT because the rainwater rose so high, its because the drainage outlet we were forced to put into our garage that runs into the main waters system became a value for the street flooding and forced its way up into our garage. |
| Feb 12 17 11:56:20 am | None really other than the Library |
| Feb 12 17 03:09:19 pm | as above. free yoga in community spaces - library? town hall? |
| Feb 12 17 04:49:32 pm | Seems to be pretty good on that front already. |
| Feb 12 17 07:16:14 pm | None |
| Feb 13 17 12:00:25 pm | Hubs for small open garden parks or non commercial or informal eating areas |
| Feb 13 17 01:56:28 pm | Some more artistic/creative ventures. Including events, not just aimed at families. Things like markets, writing, installations. Create a strip that people come to, rather than one that people use because they live nearby. |
| Feb 13 17 06:12:33 pm | Good |
| Feb 14 17 09:34:18 am | Nothing missing |
| Feb 14 17 10:19:00 am | Meeting room for hire to community groups / not for profit organisations at a very cheap price - see Moreland Council Coburg North Meeting Room on the Coles site. It appears to be part of a private sector development. See http://www.moreland.vic.gov.au/events-recreation/halls-and-venues-for-hire/meeting-rooms/coburg-north-meeting-room/ |
| Feb 14 17 10:12:18 pm | The library in Elsternwick could be more of an open space with local art and community activity like the Caulfield council building. It is a bland space and under utilised. There could be a garden around it for community use. |
| Feb 14 17 10:18:58 pm | Cant think of anything we need |
| Feb 15 17 12:46:14 am | No |
| Feb 15 17 08:47:34 am | Fine |
| Feb 15 17 09:20:05 am | I think we have good services- more shaded places to sit and enjoy a chat with passers by as we usually bump into someone we know! Update Library of course I may have to think further about this one! |
| Feb 15 17 02:33:46 pm | Offer support to homeless so that they don't sleep in the door ways of vacant stores |
| Feb 16 17 03:53:20 pm | the few signs I have past re things in the park are great. Elwood Ormond rd used to close the street and have a local community day once a year which was always nice Is there a facebook or instagram page we could follow.. I forget A local community page: eg I am about to start training for a trek so could offer to walk locals dogs if they needed or volunteer locally |
| Feb 16 17 07:42:30 pm | Excellent services provided (eg library, childcare, health serivces) |
| Feb 17 17 08:17:12 am | OK |
| Feb 17 17 05:39:30 pm | The Elsternwick library has been on the agenda for redevelopment for some 25 years. By transferring the library facilities from the town hall to Elsternwick, as well as adding some additional service facilities as per Carnegie would raise the profile of the Council and attract more custom to |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | the shopping strip. |
| Feb 17 17 06:41:53 pm | Bulk billing GP |
| Feb 17 17 08:30:09 pm | N/A |
| Feb 18 17 03:15:05 pm | More events at Elsternwick Plaza. Encourage people to have a picnic in the plaza. Music would be ideal. Acoustic sessions. |
| Feb 18 17 03:19:26 pm | We were well serviced by the Maternity and Child Health Service when the kids were young but their space was pretty awful and it was hard to park around there. |
| Feb 18 17 07:24:39 pm | Larger Library. |
| Feb 18 17 08:56:53 pm | Nothing needed that I can think of. |
| Feb 18 17 09:46:14 pm | Homeless sleeping in shop doorways is a worry! Some better toilets would be nice. |
| Feb 19 17 06:51:15 am | We need an Elderly Citizens Club. The ground floor of the library is a wasted space and could be utilised as community meeting rooms and an elderly citizens club. |
| Feb 19 17 10:31:11 am | All okay |
| Feb 19 17 04:06:58 pm | Library is good...although looks very dated on outside. Public toilets at end of Stanilend Grove are not adequately serviced....they stink..anytime you walk past! |
| Feb 19 17 06:46:32 pm | Community services seem very good as far as I can tell. |
| Feb 19 17 06:57:05 pm | A monthly community market |
| Feb 19 17 09:35:45 pm | Not sure |
| Feb 20 17 12:09:54 am | Alternatives to trams and buses to assist those who cannot walk but still want / need to cover the strip Develop more street art in main strip and on upper levels of buildings Bring in music venues to use the upper part of the buildings |
| Feb 20 17 06:32:47 pm | I don't use Community Services so have no suggestions here. |
| Feb 20 17 07:45:46 pm | More disability services and support |

| Date | Transport |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Nov 28 16 02:39:07 pm | Trams need to offer disabled access. |
| Nov 28 16 03:22:52 pm | More car parks and no nazi parking inspectors who book at the drop of a hat so Tenix can get more money. Bludgers. |
| Nov 28 16 10:51:24 pm | See above |
| Nov 29 16 06:00:02 pm | Transports as good as it could be without disbanding metro and making public transport public rather than privately owned |
| Nov 30 16 09:56:46 am | No comment. |
| Nov 30 16 11:40:20 am | Wish more people would use the public transport, parking is always an issue. |
| Nov 30 16 01:47:24 pm | Great |
| Nov 30 16 10:36:50 pm | Sufficient |
| Nov 30 16 11:11:41 pm | nothing |
| Dec 01 16 01:42:53 pm | Good transportation. Maybe look at parking the bus near riddel pde (?) around the corner to make it easier for the trams and safer for cares and pedestrians on that corner |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 01 16 04:41:16 pm | Bicycle lanes or being allowed to ride on the footpath |
| Dec 01 16 08:14:57 pm | Transport is good although more regular trains would be good. |
| Dec 01 16 08:16:58 pm | Seems pretty good! |
| Dec 01 16 11:07:03 pm | More frequent tram services. |
| Dec 02 16 06:55:52 am | Cycling path on the road, rails to patch your bicycle and less cars |
| Dec 02 16 03:10:45 pm | Good |
| Dec 03 16 07:19:18 am | Well serviced with tram bus me train |
| Dec 03 16 08:38:03 am | Transport is great in elsternwick. |
| Dec 03 16 03:54:23 pm | Public transport is fantastic - back street bike paths could be improved |
| Dec 04 16 09:50:51 am | Not really |
| Dec 04 16 02:40:29 pm | I feel that our transport system is excellent. |
| Dec 04 16 09:58:19 pm | Parking is reasonable, tram and train available. |
| Dec 05 16 04:39:51 pm | Bus stop at Orrong Rd South side- needs to have better seating and protection area. Also liaise with Transport department to improve reliability of Orrong rd 220 bus Bike parking/safety areas ie promote these. More spots allocated and promotion for car share. Plan to avoid congestion that is slowly building up with increased density ie traffic flow & off course adequate parking for both developments, shoppers and area visitors. |
| Dec 05 16 07:17:56 pm | Transport is great. |
| Dec 05 16 09:44:01 pm | Train/tram options are fine however parking needs to be addressed as it is currently a deterrent. |

| Dec 08 16 02:59:29 pm | Well serviced. |
| Dec 08 16 09:33:08 pm | Good |
| Dec 08 16 09:47:33 pm | Good |
| Dec 10 16 04:54:08 pm | This is the street's greatest issue. There are too many cars, and council needs to be brave and implement higher parking tariffs for side streets' on-street car parking. For Elsternwick Rd itself, the removal of car parking (sans loading zones which are necessary) needs to be at the very least 'explored'. Sure, traders will not be happy about it. But they weren't happy about what happened in Acland Street either. But in the end, the design outcome was a success. Car parking is a private good, not a public good, and should be taxed accordingly. |
| Dec 11 16 07:31:56 am | More frequent trains required on sandringham line at peak times |

| Jan 30 17 01:17:54 am | More parking |
| Jan 30 17 01:23:46 am | Parking longer |
| Jan 30 17 11:23:41 pm | More frequent trams |
| Jan 31 17 01:52:02 pm | Get more cars off the road and encourage people onto trams and trains. Don't disincentivise driving yet but incentivise pt use with getting local business to offer discounts to Myki users, lobby PTV for tram and train services etc |
| Feb 02 17 05:54:26 pm | Needs low floor trams on rout 67 and platform tram stops!!!!!! |
| Feb 02 17 07:55:06 pm | Improved and safe pedestrian access to train and tram |

| Feb 07 17 04:53:45 pm | Fine |
| Feb 07 17 05:53:45 pm | we tend to walk , sometimes when you drive it takes longer to find a park then walk down to the strip. Coles car park is a accident waiting to happen.. so AWFUL |
| Feb 07 17 05:55:39 pm | good |

| Feb 07 17 07:39:30 pm | Improved pedestrian and bicycle movement. Extend the width of the footpath on Glenhuntly Road to allow more footpath space for traders, more useable footpaths for pedestrians and more bicycle infrastructure. Removal of on-street car parking from Glenhuntly Road. |
| Feb 07 17 08:16:16 pm | Pretty well perfect as it is! |
| Feb 07 17 08:51:04 pm | More parking spaces. Less tram stops so that the traffic can move faster |
| Feb 07 17 09:15:49 pm | Safe commuter bike riding capacity |
| Feb 08 17 09:04:54 am | Train, tram, bus. its all there. The car traffic is getting worse with all increased high density developments. |
| Feb 08 17 09:33:31 am | OK |
| Feb 08 17 10:00:22 am | is it possible for the tram times to be in sync with metro times so it takes us to the elsternwick train station just before the train arrives and not just after? |
| Feb 08 17 11:41:00 am | Good |
| Feb 08 17 12:15:55 pm | Reduce amount of parking to encourage use of PT. At least 2 further ped xings are needed. |
| Feb 08 17 01:35:06 pm | N/A; excellent! |
| Feb 08 17 01:46:23 pm | seems okay |
| Feb 08 17 02:11:29 pm | Happy with Trams and Trains |
| Feb 08 17 02:23:29 pm | Excellent access to trains and trams. |
| Feb 08 17 04:20:37 pm | Trams trains and buses are pretty well catered for - I'm not aware of or for the need of a community shuttle service for the area to assist people in being able to do local shopping more easily. |
| Feb 08 17 04:34:45 pm | All fine |
| Feb 08 17 05:56:43 pm | Transport is great |
| Feb 08 17 06:33:25 pm | All good |

| | <p>preference to these activities</p> <p>Owers of 4 -wheel drives should pay higher rates- as these cars damage local roads much more quickly- why should small car owners subsidise road maintenance costs for them! Council should also lobby VicRoads to get them to charge these road users higher car registration as they damage all roads more quickly with higher maintenance costs for all of us .</p> |
| Feb 08 17 09:02:14 pm | Very good |
| Feb 08 17 09:05:33 pm | Transport is great - don't need to change anything |
| Feb 09 17 09:42:57 am | Think we have everything already (train and tram and busses) |
| Feb 09 17 09:51:14 am | ok |
| Feb 09 17 10:33:04 am | has train and tram - - - not sure what else is envisaged by this question |
| Feb 09 17 10:58:01 am | Already excellent,(trams, buses, trains). |
| Feb 09 17 11:55:01 am | Great |
| Feb 09 17 02:37:33 pm | This is good |
| Feb 09 17 04:12:14 pm | OK |
| Feb 09 17 05:31:05 pm | Even though the Tram is a nuisance when driving along Glenhuntly Road at times it does add to the uniqueness of the strip. |
| Feb 09 17 06:06:25 pm | Difficult to fault! |
| Feb 09 17 09:09:44 pm | Trams that coincide with train timetables |
| Feb 09 17 09:45:26 pm | Good |
| Feb 10 17 01:58:59 pm | Transport is fine. The areas is really well served! |
| Feb 10 17 03:11:56 pm | No change required. |
| Feb 10 17 04:21:39 pm | Public transport is GREAT in Elsternwick |
| Feb 10 17 06:12:45 pm | More car-parking for commuters. Maybe increase the size of the existing station carpark to be the height of the tallest multi-storey building in the area, since we allow these eheights now. |
| Feb 10 17 10:29:12 pm | See previous comments |
| Feb 11 17 09:05:10 am | The train and tram service is excellent already. |
| Feb 11 17 03:11:03 pm | Parking near orrong Rd is awful |
| Feb 11 17 03:57:35 pm | There is great public transport in and out of Elsternwick it has to be the key to its liveability as an area. |
| Feb 11 17 04:57:25 pm | Public transport is great. Parking not so great along Glenhuntly Road |
| Feb 11 17 05:50:44 pm | Poor parking options and street congestion a problem (particularly around Classic cinema and cnr Glenhuntly and Orrong road). Well serviced by Tram stops and Train station |
| Feb 11 17 07:49:28 pm | With the high density living now running along the trainlines, not only does the train station needs serious upgrading but it also needs to run more frequently. Many times I have had to let the train go by b/c there was simply no room to get on the train. This is not acceptable. |
| Feb 12 17 09:57:43 am | Train station should have a digital display at the station entrance saying when the next trains are arriving / departing . |
| Feb 12 17 11:56:20 am | Very good |
| Feb 12 17 04:49:32 pm | Can't fault the transport. |
| Feb 12 17 07:16:14 pm | None |
| Feb 13 17 09:26:31 am | Bus routes to Hawthorn |
| Feb 13 17 09:41:18 am | Public transport is great |
| Feb 13 17 12:00:25 pm | Off main street parking areas |
| Feb 13 17 01:56:28 pm | Transport is excellent. |
| Feb 13 17 06:12:33 pm | Excellent |
| Feb 14 17 09:34:18 am | Nothing missing |
| Feb 14 17 10:19:00 am | Extremely good. Maybe council could lobby for more trains on the |

| | Sandringham line - that would be great. |
| Feb 14 17 02:56:10 pm | More parking. Particularly near Coles |
| Feb 14 17 10:12:18 pm | Transport is great and very accessible. |
| Feb 14 17 10:18:58 pm | All forms available. Except I feel a bit unsafe riding my bike on the road thru the strip with parked cars and trams |
| Feb 15 17 12:46:14 am | No |
| Feb 15 17 08:47:34 am | The recent high-rise developments have added how many new residents to Elsternwick? What effect are these numbers going to have on train, tram, bus capacities at morning and afternoon peak hours? We have a very good service now but the way development is proceeding it won't be long until the situation here is like what already exists at Balaclava: no seats on trains at morning travel to work. Not why people want to live in Elsternwick. |
| Feb 15 17 02:33:46 pm | Greater police or council presence to book people who break road rules e.g. Uturns in Glenhuntly Rd, Checking of "T" timing for tram passing through the intersection of Orrong and Glenhuntly Roads. Sometimes the pedestrian lights are green whils the tram is still in the intersection |
| Feb 16 17 03:53:20 pm | great. |
| Feb 16 17 07:42:30 pm | Excellent public transport options already |
| Feb 16 17 10:09:36 pm | Re-routing the airport bus from Frankston to stop near Elsternwick Station as its final stop before going direct to the airport via Brighton Road, Queens Road and Bolte Bridge and now cut out the stops in Elwood and in St Kilda as now there is a new service which specifically serves the Elwood/ St Kilda and Queens Road areas. Prevention of cars using the side streets/ residential streets that run parallel or intersect with GlenHuntly and Orrong Roads simply to use these streets to avoid the traffic lights at Orrong/Glen Huntly road intersection. |
| Feb 17 17 08:17:12 am | Is good - more parking - off street. |
| Feb 17 17 05:39:30 pm | It is well know that Glen Eira is well serviced by public transport, and as such there is little that could be done to improve this . There are however issues about the efficiency of the tram given on street parking in Glenhuntly Rd. Car parking has always been problematic and needs significant attention if the strip is to retain its attractiveness to customers far and wide. |
| Feb 17 17 08:30:09 pm | Best transport in Melbourne |
| Feb 18 17 09:14:03 am | Have everything |
| Feb 18 17 03:19:26 pm | The trains and trams are excellent. I hardly ever use my car because I live so close to the station. |
| Feb 18 17 07:24:39 pm | i think Elsternwick has the Transport covered well . The only thing i would suggest there is perhaps utilising the land over the train line to create either more shops or open space Gardens and so forth. Land is so scarce lets use what Elsternwick. |
| Feb 18 17 08:56:53 pm | Good tram, train and bus transport. |
| Feb 18 17 09:46:14 pm | All great! |
| Feb 19 17 06:51:15 am | The speed limit should be 40 all the time. It changes on sunday to 60 and that is when families are around using cafes |
| Feb 19 17 10:31:11 am | Well catered for |
| Feb 19 17 04:06:58 pm | Good public transport. Parking areas need to be reviewed and be appropriate for traders, shoppers and residents. |
| Feb 19 17 06:46:32 pm | Transport is excellent. |
| Feb 19 17 09:35:45 pm | Reduce car traffic on GH road |
| Feb 20 17 12:09:54 am | As above |

| | |
|-----------------------|------------------------|
| Feb 20 17 06:32:47 pm | No issue re transport. |

| Nov 28 16 02:39:07 pm | I like development of the main roads and don't mind apartments being built on those main roads as there is usually a new shop space that comes with it! |
| Nov 28 16 03:22:52 pm | No apartments Nov 28 16 04:49:41 pm |
| Nov 28 16 10:51:24 pm | There are so many high rises, utilize the rooves for bars/cafes or gardens including bee hives |
| Nov 29 16 06:00:02 pm | Going well no insane high risers going around |
| Nov 30 16 09:56:46 am | Perhaps only 4 level apartments. |
| Nov 30 16 11:40:20 am | glad to see residences coming in too |
| Nov 30 16 01:47:24 pm | No more apartments, it would be nicer to just have shop fronts filled |
| Nov 30 16 10:36:50 pm | Too much! Traffic on glen huntly road is becoming unbearable especially from yorsten ct to Nepean hwy |
| Nov 30 16 11:11:41 pm | apartmetns |
| Dec 01 16 01:42:53 pm | Less multi level apartments |
| Dec 01 16 08:14:57 pm | Hate the ugly apartment buildings ruining the look of our "village". Hate them. |
| Dec 01 16 08:16:58 pm | Keep development to low buildings. Quality Architects to enhance the community. Save old buildings |
| Dec 01 16 11:07:03 pm | There have been some attractive taller buildings built in Elsti recently. I'm sure more are on their way - I don't mind them so long as they're well designed and constructed using high quality finishes. Elsti is short on public open space, so I place a lot of value on what we do have (in this I include the Glenhuntly Rd footpath as part of the valued open space). Because of its scarcity I think we should take extra care to ensure developments don't overshadow it. For parks, like Elsternwick Plaza I don't think they should be allowed to overshadow at all at the Equinox between 9-3, and in Winter no shadowing at the Solstice between 12-2. For the footpath on the southern side of Glenhuntly Rd, overshadowing should also be avoided between 12-2, even in winter. |
| Dec 02 16 06:55:52 am | No more flats and units please! |
| Dec 02 16 03:10:45 pm | Too much seperate development. The development needs to be planned bettern, not just lots of different ugly large buildings going up in random placces. Betyter town planning is needed. |
| Dec 03 16 07:19:18 am | Stop the unsuitable multi storey developments...such as the stupid application for the Bethlehem Hospital |
| Dec 03 16 03:54:23 pm | A live music venue that isn't attached to a restaurant - the south side doesn't compare to north in terms of live music venues |
| Dec 04 16 09:50:51 am | That contributes to distinctive suburb experience |
| Dec 04 16 02:40:29 pm | Buildings not to go too high and overshadow, also quality and design should be of exemplary standard. |
| Dec 04 16 09:58:19 pm | Assume this would be retail at ground level with residential above the street canopy. |
| Dec 05 16 04:39:51 pm | Balance make sure that whatever is going in is mixed in size of apartments and price range- not too many one bedrooms or top of the range- balance. Ensure that private developers provide adequate parking for tenants and |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | their visitors plus even car share spots. Also that set back from street (new development past Orrong Rd is 7 stories but very nicely set back from street |
| Dec 05 16 09:44:01 pm | No further high rise development. More independent living / village style development would attract the right demographic to ththe area and support local business further. |
| Dec 05 16 11:33:21 pm | No more moth rises! We don't want it to end up like south yarra :(|
| Dec 06 16 02:21:04 am | Would be good to see more higher density buildings 10 storeys near the elsternwick station. |
| Dec 06 16 11:28:42 am | No interest |
| Dec 07 16 12:04:21 pm | No more apartments |
| Dec 07 16 02:30:39 pm | Should supply sufficient car parking . |
| Dec 07 16 07:13:43 pm | Too much for the area. |
| Dec 07 16 09:15:27 pm | I don't oppose high rise development along Glenhuntly Rd but if Coles is redeveloped, it should not be more than 4 storeys high. |
| Dec 07 16 10:56:21 pm | NO MORE HIGH RISES. More scrutiny on the sub divisions. There's too much construction disrupting daily life |
| Dec 08 16 02:59:29 pm | More and adequate parking especially in new developments. That has to be a Nil sum impact with adequate loading zones and truck access that doesn't impede residents and traders. |
| Dec 08 16 06:35:29 pm | More galleries and developments that bring creative people and culture to the area. |
| Dec 08 16 09:33:08 pm | Terrible. Too much. Cheap looking towers & apartments cheapens the feel & look of Elsternwick. We want a friendly, classy & inviting neighbourhood. |
| Dec 08 16 09:33:55 pm | Too many apartments |
| Dec 08 16 09:47:33 pm | Too much. Too many towers. Apartments look poor in quality. Developers control Elsternwick. Destroying neighbourhood |
| Dec 10 16 04:54:08 pm | Medium density housing, to heights of 6 stories with appropriate setbacks, would be an appropriate design response to the area. Diversity of housing is appropriate, however. Encouraging social housing, public housing and housing for larger families within medium density buildings is important. |
| Dec 11 16 07:31:56 am | Limit too many high rise. Keep village feel. More residents needs better traffic flow |
| Dec 13 16 04:19:39 pm | Too much, too big, too many people with no additional services. |
| Dec 15 16 05:57:49 pm | Coles could do with a revamp |
| Dec 16 16 09:20:03 am | No comment. |
| Dec 16 16 09:03:20 pm | Enough ugly highrise |
| Dec 17 16 06:28:03 pm | Too much! |
| Dec 19 16 07:05:36 am | Don't let new apartments get too big or too high. Seems to be going okay at the moment |
| Dec 19 16 03:45:48 pm | No more apartments, please. Too many already |
| Dec 19 16 06:29:49 pm | Please no more high rise apartment blocks in the strip. |
| Dec 22 16 08:46:08 am | No more high rise apartments!! |
| Dec 23 16 06:38:43 am | Too high!!!! This is not the CBD. |
| Dec 25 16 04:30:29 pm | Lots of apartments going up in the area which is fine but there needs to be more parking to cater for more people in the area. |
| Dec 25 16 11:02:47 pm | Not happy about the big apartment developments near or on Glenhuntly Rd - next to the cinema, and the one proposed on the Coles site |
| Dec 29 16 07:51:29 pm | Keep developing the area with well designed developments. |
| Dec 29 16 07:54:45 pm | Private development that alters the heritage landscape and introduces more shops shouldn't be encouraged. |
| Jan 01 17 01:25:16 pm | Ensure there are enough car parks for all new developments. Also, with more visitors due to better amenities, more car parking should be made. |

| | |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Also priority parking for locals. I often have to park over 30 meters from my house on Saturday and Sundays and have to carry grocery shopping. |
| Jan 01 17 10:57:54 pm | Apartment no greater than 5 floors with render to street tasteful/architecturally significant. Leave federation details on shop facades. |
| Jan 02 17 07:21:25 pm | ? |
| Jan 03 17 01:17:21 am | Area is about to be ruined by high rise apartment blocks |
| Jan 03 17 05:52:31 pm | ENOUGH! |
| Jan 04 17 07:53:18 pm | Don't know. |
| Jan 05 17 08:27:05 am | Ensure street wall heights are low scale. Limit signage to awnings. High levels of landscaping. |
| Jan 05 17 03:54:05 pm | While the shopping centre remains as it is there should be careful limits on apartment developments |
| Jan 05 17 08:40:33 pm | Less apartments |
| Jan 08 17 09:39:23 pm | Height limitation as the new developments look 'massive and bulky' |
| Jan 14 17 10:25:07 pm | In danger of being too many new blocks of flats. |
| Jan 16 17 01:21:50 am | Have wanted to live near for years. Always out of reach financially. |
| Jan 17 17 06:35:23 pm | No high rise without adequate parking |
| Jan 19 17 06:08:41 pm | Less developments above 3 storeys (currently threatening natural light). More diversity in apartment types (to ensure diversity of people in the area). |
| Jan 22 17 02:33:09 pm | Keep apartments around the to a minimum please!! |
| Jan 23 17 05:59:24 am | Limit high rises |
| Jan 25 17 10:56:11 pm | Make sure car parks can accommodate all the hundreds of extra people with all the high rise developments |
| Jan 26 17 05:31:59 pm | This |
| Jan 26 17 05:55:45 pm | Not to be over developed |
| Jan 26 17 06:20:39 pm | Good commercial zone |
| Jan 26 17 06:28:02 pm | Ok |
| Jan 26 17 06:33:48 pm | Simple and nice keep it that way |
| Jan 26 17 06:47:16 pm | Ok |
| Jan 30 17 12:52:51 am | Very good it should not be changed |
| Jan 30 17 01:08:08 am | Keep buildings beautiful |
| Jan 30 17 01:34:13 am | No highrise |
| Jan 30 17 11:23:41 pm | Bunnings or large retailers to serve parts of Glen Eira, Bayside and Port Phillip cities. |
| Jan 31 17 01:52:02 pm | More apartments is great around places like this, with great public transport access but it must be tasteful and responsible. |
| Feb 02 17 05:54:26 pm | Less high rise apartment buildings |
| Feb 02 17 06:11:28 pm | No more high rises! Low rise only |
| Feb 02 17 07:55:06 pm | Increased residential development |
| Feb 03 17 05:56:56 pm | Stop the current overdevelopment of high rise apartments. Stop apartments encroaching into neighbourhood streets. Prioritise, protect and take pride in the heritage buildings which make Elsternwick. |
| Feb 03 17 06:55:23 pm | Ok |
| Feb 03 17 07:23:19 pm | Too many high rises, too close together. too many schools squeezed in an already over congested area. We have lost to many large private homes and backyards to over development . |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Lost our charm. |
| Feb 07 17 02:23:34 pm | Limit development from the main shopping precinct. |
| Feb 07 17 03:18:06 pm | Do not make it into just another Strip center, or soulless retail development, but it would be good to be creative in extending and developing an interesting unique classy Village feel. Good for locals and tourists. Keep the low rise feel and old style 1st floor facades, but change the awning/verandas to something more aesthetic and themed and relaxed. Keep the beautiful low rise and interesting houses and treed streetscapes in the surrounding streets to develop a classy tranquil area, in a similar way that are admired in many overseas cities. Anyone can do more of the same box high rise architecture, but we have something unique in this area of Elsternwick with many attractive homes and buildings and streetscapes, so let us continue to develop the area uniquely as a showcase for Melbourne. We already have the basics here, and it would not be too difficult to expand this with creative thinkers. |
| Feb 07 17 03:20:25 pm | Too many apartments being built |
| Feb 07 17 04:17:10 pm | Less apartments and high rise buildings. There is a lot of traffic in Elsternwick and this brings too many people and cars. Parking then becomes a problem. |
| Feb 07 17 05:53:45 pm | I think the private development is good as long as the development is not too high (over 6 levels) and it's not all chrome and glass. All people should be able to have access to good transport not just a select few people. I think they should develop apartments / flats on the 3 bedroom nature to sell to families as it is an \$\$ neighborhood but lovely for families and we need more kids in the hood! Elsternwick has a lot of elderly people and not so many kids ... No issue with the elderly we would just like to see more kids in the hood to play with.. hence, develop more family friendly accomodation!! |
| Feb 07 17 05:55:39 pm | Please - not too many high rise - square apartment blocks with no soul - meaning just red brick square building with no thought on aesthetic quality land more parking spaces are needed with more residents living her due to apartments built. Lets maintain a good balance and not allow greedy developers to spoil our shopping strip and our community. |
| Feb 07 17 06:31:04 pm | More car park spaces on site. No shops at the ground of the new developments |
| Feb 07 17 06:58:10 pm | more shops |
| Feb 07 17 07:39:30 pm | More of it. Encourage appropriate development that will continue to make a positive contribution to the vibrancy of Elsternwick. Waive car parking for developments, as Elsternwick is extremely well serviced by public transport. This will encourage a more walkable community and shopping strip. |
| Feb 07 17 08:16:16 pm | This needs to be carefully controlled to preserve the heritage values of the strip. No oversize and tall buildings and no developments that encroach on precious Council and public assets. |
| Feb 07 17 08:51:04 pm | Less apartment complexes! |
| Feb 07 17 08:53:44 pm | Not too many high rise apartments |
| Feb 07 17 09:01:51 pm | Stop high rise development. Limit amount of floors and number of apartments. Low level development would be much better to stop congesting our neighborhood with cars. Develop some larger style apartments such as 3 or 4 bedrooms for more families to move in. |
| Feb 07 17 09:03:35 pm | Nope |
| Feb 08 17 07:53:25 am | Minimise the numerous new apartment developments in the area. |
| Feb 08 17 08:26:47 am | Enough tall risers as it is and facades should be harmonised to rest of the street to keep in style. |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 08 17 08:46:01 am | Less apartment blocks |
| Feb 08 17 09:04:54 am | Already enough high density development. Car traffic, noise and parking are becoming issues. Elsternwick I starting to loose all the good reasons why it was rated so highly as a place to live in Melbourne. Its catch 22. The more desirable it is the more development and then the less desirable it is. Leave it as it is. It is right on the tipping point now of going over the edge of less desirable. |
| Feb 08 17 09:30:49 am | Maintain heritage buildings |
| Feb 08 17 09:33:31 am | No high rises and only residential units with ample car parking included |
| Feb 08 17 10:00:22 am | less apartment types around the area the better for the community. |
| Feb 08 17 11:41:00 am | Need to really limit the number of private retail developments above shops as the strip will simply not cope with the additional population. Residents are already noticing (and commenting) on how much busier the area has become in the past two years. The development above the Coles will increase numbers significantly |
| Feb 08 17 12:15:55 pm | Any further development should have reduced parking spaces |
| Feb 08 17 01:28:35 pm | ensure doesnt get over developed - traffic is already bag along glenhuntly rd and riddell parade |
| Feb 08 17 01:35:06 pm | Becoming a hub of block units. Losing historical buildings. |
| Feb 08 17 01:46:23 pm | seems to be too much mixed residential in the wrong place need to expand / modernize supermarket and need the space to do so to successful service the needs of the surrounding population |
| Feb 08 17 02:11:29 pm | Well considering there isn't a need to stop building Rialto sized apartment blocks - this section should be taken out. Assuming the ABC re-development is coming soon. |
| Feb 08 17 02:23:29 pm | Limit the number of high or multi-storey apartments. We have recently had a big increase in these but it is still manageable. If too many, it will become too built up, crowded etc. If traffic is not managed, people will stay away. |
| Feb 08 17 02:25:46 pm | less apartments, lower the level of developments. Ban demolition of heritage value buildings/ homes. Ban cheap light weight poor quality construction. |
| Feb 08 17 04:20:37 pm | Elsternwick seems to be a pocket growing in popularity given the proximity to the CBD as well as the peninsular and, as previously mentioned, it has everything on the doorstep. I think strict guidelines need to be in place for what is built and how to retain the look and feel of Elsternwick but also for the longer term community. What i mean by that is: Is 30 2 bedroom 2 bathroom apartments squeezed into a 75 sq mt space going to support Elsternwick |
| Feb 08 17 04:34:45 pm | Too many apartments, with not enough parking facilities to accommodate cars. Need to have stronger height regulations. |
| Feb 08 17 04:53:06 pm | no. its full, no parking spaces are free. no more apartments please. |
| Feb 08 17 05:06:28 pm | Less apartments keep old buildings in tact |
| Feb 08 17 05:56:43 pm | No more apartments!!! The apartments next to Classic Theatre what a disgrace....taken away even more parking...how did that development get approval!! apart from more revenue to the council |
| Feb 08 17 06:15:43 pm | please no |
| Feb 08 17 06:25:02 pm | The many apartment developments currently under construction are putting some strain on traffic movement. Perhaps some development of apartments with less parking, emphasis on bike and train use.. such as the Jewel development in Brunswick. |
| Feb 08 17 08:31:14 pm | See earlier responses |
| Feb 08 17 09:02:14 pm | Stop building 7 story apartments. Height restrictions need to be in place and managed accordingly: commercial zoning areas do not currently have |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | restrictions |
| Feb 08 17 09:39:44 pm | Please stop the developments .. only recently I started thinking about moving out one day as I'm not liking all the apartments |
| Feb 09 17 08:21:19 am | Control this in respect to size and HEIGHT |
| Feb 09 17 09:42:57 am | No more required. Quite a few apartment blocks already present |
| Feb 09 17 10:23:40 am | Not happy go rise apartments overlooking residential homes and making our open spaces shaded and unattractive |
| Feb 09 17 10:33:04 am | you mean "more apartments"???? The current re-development of one shop site west of Orrong Road is "private development", is that what is meant?? This "description" of 'something missing' is far too amorphous for respondents to have any hope of interpreting in ways that are consistent across respondents, surely. |
| Feb 09 17 10:56:35 am | Limit height to 6 stories |
| Feb 09 17 10:58:01 am | Enough is enough, no more apartment developments above shops in this relatively small strip, otherwise parking will be a huge problem, and the village feel of the strip will be destroyed. |
| Feb 09 17 11:55:01 am | No hi rise development at all! |
| Feb 09 17 02:37:33 pm | Remove the brothel on Horne Street |
| Feb 09 17 04:12:14 pm | Maintain strict height control, no 19 story building |
| Feb 09 17 04:32:34 pm | If private development happens the more parking should be made available to shoppers |
| Feb 09 17 05:31:05 pm | Too much! I cannot believe how many apartments are allowed to be built in the area. |
| Feb 09 17 05:39:06 pm | We don't need any more highrise flats with minimal parking provided for residents.! |
| Feb 09 17 06:06:25 pm | NO MORE HIGH RISE BUILDINGS. FOUR STOREYS MAX. |
| Feb 09 17 06:18:19 pm | Retain the heritage buildings No high rise flats |
| Feb 09 17 09:09:44 pm | NO MORE HIGH DENSITY MULTI STOREY DEVOPMENTS!!! |
| Feb 09 17 09:40:30 pm | Stop |
| Feb 09 17 09:45:26 pm | Limit the construction of high-rises |
| Feb 10 17 09:37:10 am | Ban all high rise apartment blocks - nothing over 5 stories should be allowed. Make it compulsory for there to be at least 1.5 car spaces per ap[apartment. |
| Feb 10 17 12:11:18 pm | we need a public pool |
| Feb 10 17 03:11:56 pm | Do not want it turned in to more of a wind tunnel by too many more high rise. |
| Feb 10 17 04:21:39 pm | New developments should blend into the current architectural and dimensional environment. Although I recognise the need to develop smaller living spaces this should not include multi-storey (more than 4 storeys) character-less boxes. |
| Feb 10 17 06:12:45 pm | Keep high-rises on Glenhuntly road only and do not relax and parking regulations for these apartments. Have input to the size of the units making sure they are generous for young families and wont cause avoidable stress due to the inability to find a place of your own to "cool-off" in the apartment. etc.... |
| Feb 10 17 10:29:12 pm | Building height limits and set backs should be managed in such a way as to NOT create a 'canyon-like' feel and an even greater wind tunnel along GH Rd |
| Feb 11 17 09:05:10 am | This has potential to be a big problem. I understand that a 8-10 storey development is planned to go up above Coles and another 6-8 storey one near the Commonwealth Bank. This will change the landscape of the strip forever and will erode the lovely 'village atmosphere' that we have. Developments should be restricted to no more that 4 storeys. |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 11 17 12:54:27 pm | There is a huge concern that the area will be over developed, resulting in an oversupply of apartments that are an eye saw. With this also comes the added issues of parking and traffic. It would be great to see a strong stance on development, limiting the height, size and number of apartments that can be built. Something similar to Elwood who a height restriction would b great |
| Feb 11 17 03:17:57 pm | Too many apartments going up and no change to roads or infrastructure. Morning traffic is a nightmare, particularly with so many schools and drop of or pick up and then we add hundreds more people in apartments onthe existing roads all trying to go to work too. Sometimes it can take 10-15 minutes to turn left from Neerim rd around the Caulfield race course because of the trains nearby, and we are not even crossing over the train line . Know this is not your area but lobby so that your streets flow. |
| Feb 11 17 03:57:35 pm | The greatest threat to Elsternwck is overdevelopment with large apartment blocks and this is the one reason I would leave Elsternwick as I believe it would devalue the character of the area. I have noted the issue with the noise from the air-conditioning unit of the new Gorden st apartments which affects more people than live in those apartments |
| Feb 11 17 04:57:25 pm | There is so much potential for development in Elsternwick. Particularly along Glenhuntly Road. More apartment developments should be considered to bring out the potential in Elsternwick |
| Feb 11 17 05:07:10 pm | I think it is great that more apartments are going up - especially round the station - would hate them to get too high - can't we be a bit like Paris and keep them a similar height - 6, 8 stories?. |
| Feb 11 17 05:50:44 pm | New buildings not too bad - architecturally interesting and particularly cnr Riddell parade opposite reserve - exceptional and sympathetic retail/apartment block. Too many awful 80s and 90s developments remain that bring down the area. |
| Feb 11 17 07:49:28 pm | I think at all cost heritage should be maintained. This is what makes this suburb not just beautiful and desired, but increase in value. Brighton is a perfect example of the council selling out the very thing that used to make that suburb desirable. You cannot build a 100 year old house or shop. |
| Feb 12 17 09:57:43 am | No high rise developments . New developments should include an even mix of viable well designed retail and residential suited to long term owner occupiers and tenants who will contribute to the community . |
| Feb 12 17 10:21:14 am | Some of the recent apartment / business developments are well done with good architecture, complimentary amenity and to a high standard of construction. However, developments (like the recently completely apartment complex one on Glenhuntly road opposite Shoobra Rd) look out of place, "cheap" and not in keeping with the neighbourhood character |
| Feb 12 17 11:56:20 am | Probably not and certainly not high rise. More apartments will mean more traffic which is already a problem. The streets are very congested at the moment. |
| Feb 12 17 03:09:19 pm | Keep the strip low/medium rise. It will add value in future. Keep the Victorian buildings!1 They will be a highly valued feature in the future and part of what makes Elsternwick individual, special, beautiful - in between the glitz of St Kilda and Brighton. |
| Feb 12 17 04:49:32 pm | I think it's great that there are new apartment blocks being built here, as it's breathing new life into the area. But the the height and size of some of the new developments going up is concerning (I'm looking out my window at the new riddle parade one now - it's a block away from me but is still obstructing my view). the community should have more insight and more say on the apartment buildings that are springing up in the area. |
| Feb 12 17 07:16:14 pm | Too many of the new apartment buildings are too high rise, would be better if they were limited to 3 stories or so. |

| | |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 13 17 07:05:59 am | see notes before - you need to encourage more developments especially near the station and streets coming up towards Chemist warehouse |
| Feb 13 17 09:41:18 am | Lots of apartments are going up. There should be limit on their height and should meet a min space requirement. We don't want to see the area turned into student housing or be surrounded by apartments. |
| Feb 13 17 12:00:25 pm | Lighting restrictions facing neighbouring properties with King Street school inconsiderate |
| Feb 13 17 01:56:28 pm | Less. |
| Feb 13 17 06:12:33 pm | No problem but limit height to 4 stories at street level |
| Feb 14 17 09:34:18 am | More towers to bring in further population |
| Feb 14 17 10:17:57 am | more development especially over the station and in the several blocks near it on both sides - the more people the more and better the shops and the busier it will be |
| Feb 14 17 10:19:00 am | Require commercial developments to provide a community facility, eg the Coles development - see above. Make sure residential developments are eco friendly with adequate floor space, eaves, ventilation, and open space. (In Leichhardt council where i used to live the residential developers were all required to provide a public green space in all developments.) |
| Feb 14 17 10:12:18 pm | there has been too much multi storey development. A height of 4 storeys maximum should be maintained. No tower in Orrong Rd. |
| Feb 14 17 10:18:58 pm | ?? |
| Feb 15 17 12:46:14 am | No |
| Feb 15 17 08:47:34 am | Stop the property developers: e.g. the rumour is a 15-storey block of apartments is planned for the Daily Planet site: NO, NO, NO. The mega child care centre on Nepean Highway: NO, NO, NO. What is the shown need for the latter? How many new couples with kiddies are living in existing recent high-rise at Glenhuntly and McCrombie, Riddell Parade and next to the Classic? Have you any idea of Elsternwick's need or is the mega child care centre to attract people from all over neighbouring suburbs. And where are the cars bringing the planned 144 kiddies going to park for morning and afternoon pick ups? Stop appeasing property developers! |
| Feb 15 17 09:20:05 am | This is a tough one as the rules seem so unfair for some , yet others get away with doing terrible adjustments and renovations!!! We wanted to renovate a townhouse and it was just crazy as to what our restrictions were yet as I walk around there are apartments that seem to hover over footpaths, with not enough car spaces let alone open space!!!! I find all the info very contradicting. PLEASE STOP WITH THE TACKY SHOE BOX APARTMENTS that only attract the wrong demographic into the area- these are NOT apartments in true sense at all. |
| Feb 15 17 02:33:46 pm | No more multi storey apartment buildings |
| Feb 16 17 03:53:20 pm | I don't even want to start here! I can't express my concern about the recent highrise developments and the strain they will put on local parking... let alone how absurd they look!!!! they are not anything like the surrounding buildings... it is removing the great feel and look of Elsternwick. It is obvious whoever is in the planning department is getting a handout somehow and couldn't possibly live in the area!!!!!! absolute fail.... I would vote for anyone in the next local elections that promised to rectify this in the future! |
| Feb 16 17 07:42:30 pm | Major priority should be to not spoil or erode Elsternwick's uniqueness. Development needs to be carefully managed. Any buildings should be |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | sympathetic to their surroundings. Unfortunately, the apartment blocks in Riddell Parade, McCombie Street and Glenhuntly Road above the station and across the road are eyesores. The Lexicon in Gordon Street is a good example of sympathetic urban dwelling. |
| Feb 17 17 05:39:30 pm | Council has a responsibility to protect the essential characteristics of what is a relatively low rise building area that is adjacent to or abuts residential zones both north and south of the strip. Public space should remain under the control of Council. I am similarly concerned about the propensity of private developers to design and build to the bottom line; if there is going to be higher density development it must include diverse housing i.e. Attract families with children, elderly people who are downsizing, include social housing. |
| Feb 17 17 08:30:09 pm | Something to replace The Daily Planet and surrounding derelict buildings. Some of the recent high-rise new builds look sub-standard |
| Feb 18 17 09:14:03 am | No more highrisers! Traffic and parking is bad enough as it is. Am dreading the ABC developmebt |
| Feb 18 17 03:19:26 pm | I think there is room for more high density living as Elsternwick, especially around the station is a fantastic hub for transport etc. Since there are already high rise in Glenhuntly rd and Gordon St I think that some of the blocks around the station should be rezoned to say 8 storeys for apartment blocks with sympathetic exterior and no exemptions from full complement of underground parking. |
| Feb 18 17 07:24:39 pm | limit development until the infrastructure is put in place. More parks, supermarkets etc. |
| Feb 18 17 08:56:53 pm | Less high rise apartments. Too big and too high. |
| Feb 18 17 09:46:14 pm | Apartments are OK but no more than 4 storeys please! |
| Feb 19 17 06:51:15 am | Please limit the height and has sympathetic development - sick of concrete eyesores. |
| Feb 19 17 10:31:11 am | Too much already, sick of the apartments , ugly, cheap and too high. |
| Feb 19 17 03:30:11 pm | No more apartments. There are enough. |
| Feb 19 17 04:06:58 pm | No more high-rise apartment blokes. If they do they need to ensure adequate residential parking included within. |
| Feb 19 17 06:46:32 pm | There are an incredible number of apartments going up. The increased population does bring better cafe, restaurant and perhaps one day shopping options as well. Obviously this is counter-balanced by the wind tunnels made by the taller apartment blocks and the appearance of the suburb. A lot of people say "Elwood used to be a nice suburb until they wrecked it with all the apartments" - so we don't want to replicate that. |
| Feb 19 17 09:35:45 pm | Ok as long as it's not overbearing and its done tastefully |
| Feb 20 17 12:09:54 am | Need pages for this! |
| Feb 20 17 06:32:47 pm | Yes - someone needs to create a reason to go there |

| Date | Other |
|-----------------------|-----------------------------------------------------------------------------------------|
| Nov 28 16 02:39:07 pm | Regular markets, pop ups, music festivals, gigs and events add to a sense of community. |
| Nov 28 16 10:51:24 pm | The council should utilize social procurement where possible |
| Nov 30 16 09:56:46 am | No more nail salons or massage shops please. |
| Nov 30 16 11:11:41 pm | speakeasys |
| Dec 01 16 11:59:31 am | Less apartments being built its over developed and the beautiful old houses |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | should be respected and looked after |
| Dec 01 16 01:42:53 pm | Think about part of glenhuntly rd being car free. Mall type area. |
| Dec 01 16 08:14:57 pm | More community occasions should be organised. Hoping fir Xmas themes. |
| Dec 01 16 08:16:58 pm | Tree planting of Australian natives or fruit trees where possible. Plant edibles on nature strips |
| Dec 01 16 11:07:03 pm | Elsti should be encouraged to become Glen Eira's foodie capital. Support restaurants cafes and licensed premises to establish. |
| Dec 02 16 06:55:52 am | Must fix the footpath on the east side of the railway track on Ripon grove. Needs to have lighting andca fence to discourage young boys from lighting grass fires and doing drugscand dealing drugs. Fire truck is here almost weekly putting grass fires. The east and west banks of the track can be made into stunning lighting seating shrubs areas |
| Dec 03 16 07:19:18 am | The multi storey developments that have taken place are far from community expectations. Ugly multi storey places overshadowing the street scape with inadequate parking...Since the Riddle parade and Stanley street corner development has gone up the public car park behind is ALWAYS FULL!! As usual you allow multi room private residences with only one allocated car space per residence to be built STUPID STUPID STUPID! |
| Dec 04 16 09:58:19 pm | Vacant shops don't look great, nor do stores with advertising and signs all over the Windows eg: Chemist shops. |
| Dec 05 16 09:44:01 pm | The council should consider the role it plays in setting minimum standards that align the area. Too many Thai massage and discount retailers will send the area backwards and ultimately devalue the area. Also ongoing high rise development should be closely scrutinised. We are close to enough now and anymore will send the area backwards. |
| Dec 05 16 11:33:21 pm | I'm interested to see what the old rifle club has to offer! |
| Dec 07 16 12:04:21 pm | No more apartments |
| Dec 07 16 07:13:43 pm | Please stop high rise apartment blocks! It is ruining the community. |
| Dec 07 16 09:15:27 pm | The traffic congestion at key intersections is reaching crisis point. Should the Coles be redeveloped, it should reduce, not exacerbate, this issue. Traffic should be diverted away from the Orrong Rd intersection. This is a bottleneck and safety issue already. |
| Dec 08 16 02:59:29 pm | Pedestrian lighting on footpaths and in the lanes leading to car parks. A real preventative for accidents and as a safety issue. |
| Dec 08 16 09:33:08 pm | Control development. Focus on lovely houses. Remove the beggers. Improve street scape with planting |
| Dec 08 16 09:33:55 pm | We need more CCTV. Some unsavory characters that hang around the car parks. And the railway station |
| Dec 08 16 09:47:33 pm | Main Street looks cheap & nasty. Elsternwick needs more style & class. Feel embarrassed to bring o/s visitors because of the increase of beggers. Feeling unsafe |
| Dec 10 16 04:54:08 pm | Street trees along Elsternwick Road are sorely needed, especially in light of increasingly long and hot summers. Removal of car parking would be important here. Sell the benefits and explain why car parking is a private good. |
| Dec 15 16 09:27:16 pm | More vegan and vegetarian cafes and restaurants! I'm sick of travelling all the way to Fitzroy to get yummy vegan food. Heaps of people are vegan! Catch on! The more vegan options the Moreno people u will attracted! Cocomamas for example they attract so many!! |
| Dec 16 16 09:20:03 am | No comment. |
| Dec 16 16 09:03:20 pm | Love THE AVENUE bookshop |
| Dec 19 16 06:29:49 pm | I would absolutely hate it if the shopping strip loses its current charm and |

| | appeal. |
| Dec 29 16 07:54:45 pm | Public art and any installations that celebrate the heritage of the street. The PMVictorian History Library is only a 6 minute train ride. Maybe it would be possible to work with them to develop some history of the street? |
| Jan 01 17 10:57:54 pm | More places to cross the road on foot are required. Consider making the street one way or remove some on street parking to expand footpath width. |
| Jan 02 17 07:21:25 pm | ? |
| Jan 03 17 01:17:21 am | Pedestrian crossing on Nepean Hwy is very very dangerous |
| Jan 05 17 08:27:05 am | Take out parking spaces on glenhuntly road to provide more trees. |
| Jan 05 17 08:40:33 pm | Improve safety |
| Jan 17 17 06:35:23 pm | Less empty shops |
| Jan 26 17 05:25:19 pm | Greenery |
| Jan 26 17 05:41:06 pm | Limited shade in parks. Not natural. |
| Jan 30 17 08:35:13 pm | There's a bunch of shops (??) under townhouses/terraces on McMillan st and they're empty - would love to see some cafes there. |
| Jan 30 17 11:23:41 pm | Extending the strip towards Orrong Rd? |
| Feb 02 17 06:11:28 pm | Pleas fix up Coles! |
| Feb 03 17 05:56:56 pm | Shopping strip is in desperate need of trees. More trees in general. Evidence of sustainable development Overflowing rubbish bins outside Coles is eye sore. |
| Feb 07 17 02:23:34 pm | Maintain laneways. Cole's carpark is not a road for the Jewish Community dropping kids off at school. They travel too fast have no regard for people using carpark. |
| Feb 07 17 05:53:45 pm | People use St. George's rd. for a throughout and even though we have speed bumps they still speed !!! I am constantly picking up dog poo outside on the footpath, I love dogs but don't have one but I get very grumpy picking up other peoples dog's poo. It is a quiet neighborhood and good for families. |
| Feb 07 17 05:55:39 pm | Maintain our beautiful parks and open space and encourage new business - café and restaurants to open. Be mindful that we don't become too dense with multi story residences as it will spoil the appeal of Elsternwick. We should stand by our standards - allowing only for 6 story high buildings and keep aesthetic and character of Elsternwick by not allowing greedy developers to spoil this. |
| Feb 07 17 07:39:30 pm | Make the pedestrian traffic signals more pedestrian focussed. Transform Gordon Street, adjacent to Classic Cinema and Hanoi Hannah into a public space that is closed to vehicles. What a great little hub that area around the station could become. |
| Feb 07 17 08:16:16 pm | Street art has been great over time. Please keep up programs of public art displays in many venues and ways: include the local schools in the chance for public art experiences. Keep up the good work maintaining the precious heritage values of the traditional parks and gardens nearby. All are greatly loved and valued by the Elsternwick community. |
| Feb 08 17 08:26:47 am | I would like the facades on glenhuntly road to keep the original look. I think to enhance the charm the architecture has to really be though through. You dont want to have developments only to look back and think the shopping street has lost its appeal. Also in general I would rather not see too many chain stores establishing themselves on the street. |
| Feb 08 17 09:30:49 am | Not too many apartments blocks on Glenhuntly Road More parking with less restrictions |

|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 08 17 09:33:31 am | Get rid of the 40 kph speed limit. All it does is give the Gov't a chance to pick up the rare and occasional speeding fine. The traffic is so heavy due to trams, people jockeying to park, slowing for pedestrians and bikes its difficult to get over 25kph. It does not apply on Sundays when the traffic is just as chaotic so does that mean its OK to have an accident on Sundays but not other days? |
| Feb 08 17 10:00:22 am | the strip of shops attached to Coles on glen huntly road has been vacant for a while, they are a sore to the eye as opposed to right opposite to it. |
| Feb 08 17 12:15:55 pm | None |
| Feb 08 17 02:23:29 pm | Its good to have local music venues such as the Flying Saucer Club. |
| Feb 08 17 04:20:37 pm | N/A |
| Feb 08 17 04:53:06 pm | corner of riddle and glenhuntly road is kind of dangerous. i dont like crossing there bcause some cars are push and drive right close to you as they turn in, in a hurry, or drive up to the corner in a hurry and you dont know if theyre going to stop while you cross. . Many walk from the train station and many cars use riddle and are in a hurry. try crossing a few times and watch for your self for an hour in the morning. so maybe a pedestrian light (not traffic intersection light). yesterday at 6.10pm a school kid was crssoing and was nearly hit by a 4wd coming down to the corner, maybe the woman was looking at her phone but it was weird, or she didnt see him and he didnt see her behind the parked cars. Too fast. people gasped. or maybe a speed hump near that corner 25metres from on the left approaching side. |
| Feb 08 17 05:56:43 pm | Please lets keep our beautiful classic housing lets not ruin our streets like Camberwell etc. |
| Feb 08 17 08:31:14 pm | Council must protect the local residential streets from speeding drivers (diverting away from main roads eg Glenhuntly Road). Take the leaf out of Port Phillip Council's book on traffic management- make it harder for drivers to get through local streets. Speed limits have been shown not to work (refer to Scandanavian studies). Speed humps and closing off streets o traffic and creating one way streets is the answer. This is massive problem, especially in loacl residential streets closer to Glenhuntly Road...ratepayers deserve better! |
| Feb 08 17 09:02:14 pm | Businesses should be more evenly spread: e.g all gums are on he north rd side of glenhuntly rd. Homeless, drug addicted beggers consistently are around Elsternwick Coles. This has to stop |
| Feb 09 17 11:55:01 am | Keep the traditional approach like what bang bang have done. Keep integrity of a building and improve on that. |
| Feb 09 17 12:11:46 pm | Some retailers' outdoor shelving e.g. Fruit shops impede the flow of traffic. They need to put their shelves closer to the kerb so people can easily walk past. |
| Feb 09 17 02:37:33 pm | Do something about the massive jewellery robberies on Glenhuntly Road - more police presence? |
| Feb 09 17 04:32:34 pm | Parking is becoming hard to find with all the new developments |
| Feb 09 17 07:48:37 pm | Please remove the beggars from the street. They have been abusive and scare our children. Also PLEASE ensure the strip is kept clean. Rubbish on the street makes it feel shabby and significantly detracts from its appeal. |
| Feb 10 17 09:37:10 am | Have lived in Elsternwick for 40 years. Seen it lose its character and community feel especially over the past few years. Too mnay nice homes demolished for ugly large apartment blocks. |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 10 17 12:11:18 pm | we need a public pool |
| Feb 11 17 03:17:57 pm | You are the guardians of our area, elsternwick is unique from Brighton and Armadale - understand our niche of local traders and community and build upon it so it can be the best it can be. Limit big business so our sole traders have a viable business. Look to enhance the aesthetics by going back to elsternwick heritage feel rather than more Melbourne bank type structures. This will take time but if you don't start now we will be run over ugly shop fronts. |
| Feb 11 17 03:57:35 pm | I think the people who live in Elsternwick will have some valuable input into its future. Has the council ever considered a program to allow collaborative community projects that are part funded by the community. This would allow a plan for a small project (say tree planting, better pedestrian safety, playground construction in parks) to be submitted to council for approval and part funded by council and the community. Whilst I pay rates I do not consider that council should be in a position to fund certain specific projects without funding from the community. |
| Feb 11 17 04:58:17 pm | Live music venues |
| Feb 11 17 05:50:44 pm | Landscaping should be improved and general maintenance of footpath to remove rubbish and smelly stains. Begging starting to be a real problem in storefronts - especially Coles |
| Feb 11 17 07:49:28 pm | Glenhuntly road needs to take a cue from Fitzroy with its street beautification. |
| Feb 12 17 10:21:14 am | More emphasis on importance of heritage in areas where predominantly older houses and associate street scape are largely intact. |
| Feb 13 17 09:41:18 am | Noise limits should be better regulated. The RSL for example plays loud music in the evenings and sunday afternoons that can be heard from within neighbouring apartments. There should also be a time limit when patrons are no longer aloud outside and should be mindful that it's a residential area! This has been a constant struggle and should be better controlled by Council. Conduct an inspection on a Friday and Saturday night to get a better appreciation of this, not at 2pm in the afternoon on a weekday which is what you did! |
| Feb 13 17 11:02:56 am | The area deserves to be classier. It looks still "cheap" |
| Feb 13 17 12:00:25 pm | Neighbourhood development building noisy, and electronic equipment warning alarms frequently disturbing. |
| Feb 13 17 01:56:28 pm | More of a focus on the fascinating history of the strip. |
| Feb 13 17 06:12:33 pm | CCTV in Glenhuntly Rd along the shopping strip would pay for itself in a few days by catching motorists doing illegal U-turns in clearly signposted areas. |
| Feb 13 17 07:36:30 pm | Heritage verandahs like they have in South Melbourne Clerindon st would be nice. Maybe old style street lighting. |
| Feb 14 17 10:12:18 pm | Broadly more greenery is good and less speed humps in the area. Also there needs to be planning and building of more car parking spaces for public transport. Also an annual significant non-denominational street festival would be great. |
| Feb 14 17 10:18:58 pm | Maybe a bigger plaza at the toilet block area near library and Aust Post. Could block off the end of the street at Glenhuntly Rd to cars and make more garden and seating |
| Feb 15 17 09:20:05 am | Alot of the community absolutely love or Hood and really want it to thrive again and also for its traders to thrive- We are happy to spend our money locally. Most of us have moved here for the village and community feel but not the |

Inject more money into social media, create an awareness of the strip via all platforms to encourage the community to buy local, support local and keep it local... society has become time poor and due to that rely on all social media platforms to stay in touch with events etc.. create competitions with supporting retailers to promote their businesses and highlight a business every month to build awareness of the local businesses. |

| | somewhere you go for a couple of hours. With GH Rd you only go there for something specific, then leave. |
| Dec 07 16 10:56:21 pm | Balaclava or Brunswick st |
| Dec 08 16 02:59:29 pm | None. Elsternwick needs to be Elsternwick. |
| Dec 08 16 06:35:29 pm | High streets around Fitzroy like Brunswick street. More creative and variable shops, more quality! Glenhuntly is pretty boring, the bars and restaurants don't attract enough interesting people that are keen to enjoy a community life. |
| Dec 08 16 09:33:08 pm | Hampton Street. Classy, clean & inviting. Variety of shops. Controlled high density development. Apartments are build if the highest quality |
| Dec 08 16 09:33:55 pm | Church street brighton .. very clean, lots of parking, beautiful shops, quality cafes, well maintained |
| Dec 08 16 09:47:33 pm | Hampton st. Classy. Doesn't have tall tower apartment blocks of 9 storey. |
| Dec 10 16 04:54:08 pm | I'd like it become like Fitzroy or Acland Street in St Kilda. Both apply heavy restrictions or removal of car parking for pedestrians or bikes. Fitzroy Street is also very well-treed. Why is Melbourne the only precedent being looked at? There are nice precedents overseas too. |
| Dec 11 16 07:31:56 am | Burke rd camberwell is always busy and vibrant Lots of community aspects at holiday periods celebrating It would be good to celebrate elsternwick diversity more |
| Dec 11 16 09:38:00 am | Glenferrie Road, Malvern. Great mixture of shops - big name brands and smaller businesses. Great range of restaraunts. |
| Dec 11 16 08:25:28 pm | Glenferrie rd Malvern - a bit more modern |
| Dec 11 16 09:50:59 pm | Glenferrie rd, malvern Windsor end of chapel st. Hawks burn village |
| Dec 13 16 04:19:39 pm | Carlisle St, but also not as trendy. It's still a bit daggy. |
| Dec 13 16 06:15:12 pm | Church st, Brighton |
| Dec 14 16 06:25:52 am | Make it unique & capture ethnic diversity & origins |
| Dec 14 16 09:10:17 pm | It has its own uniqueness |
| Dec 15 16 05:57:49 pm | Not like glenferrie rd - can't drive down it, too many \$2 shops, parking limited, quality shop range reduced...no vibe. Ripponlea village is great but limited by parking. Great fruit and fish shop, great unique retails, wine bar... Kyneton has a great shopping strip - a couple of fab women's clothes aimed at different ages, very affordable but funky, good food, coffee, gift shops. |
| Dec 15 16 08:24:24 pm | Carlisle street |
| Dec 15 16 09:24:18 pm | Acland street |
| Dec 15 16 09:27:16 pm | acland street because it's nice vibes |
| Dec 18 16 09:53:12 am | Acland Street- kerbside dining, less vehicle density, more trees/greenery. Glenferrie Road (see above) and looks better kept than Glenhuntly and Glen Eira Rd's. |
| Dec 18 16 09:53:57 am | Glenferrie road, malvern. Very similar to Glen Huntly road already however better shops with better upkeep |
| Dec 18 16 11:56:12 pm | Glenferrie Rd - easier parking there (lots of car parks in side streets) more food options, more shopping, easier to access takes less public transport from nth caulfield to glenferrie than it does to glenhuntly |

|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 19 16 03:45:48 pm | High Street Armadale. Just a little more up scale, no throw away shops or pawn brokers |
| Dec 19 16 06:29:49 pm | I love North Carlton -- attractive shops and restaurants with original architecture valued and retained, a lovely big, fenced local park that is extremely family-friendly, no apartments or high-rise. It is a lovely shopping strip. Dendy street Brighton is also lovely, for similar reasons. |
| Dec 20 16 09:25:49 pm | Centre road Bentleigh, Glenferrie rd Hawthorn Better variety of shops |
| Dec 22 16 08:46:08 am | Elsternwick has an individual spark which is unrivalled. |
| Dec 23 16 06:38:43 am | No |
| Dec 25 16 04:30:29 pm | I wouldn't want it to become like any other strip/centre. Elsternwick is unique and I love it the way it is. |
| Dec 29 16 12:01:34 am | Church Street Brighton - pedestrian friendly better foot traffic areas Malvern |
| Dec 29 16 07:51:29 pm | The fashion and retail of south yarra chapel st with the food and bev of windsor chapel st. |
| Dec 29 16 07:54:45 pm | Bruswick Street in Fitzroy or High Street in Northcote. Both have a real variety of art and shops and culture and history. They aren't a collection of a sixish really good shops with real interest and history and a conglomerate of fairly mediocre shops. |
| Jan 01 17 01:25:16 pm | Church street Brighton mixed with the Windsor end of Chapel st. |
| Jan 01 17 07:42:34 pm | Church street Brighton because of the near layout and trees. |
| Jan 01 17 10:57:54 pm | Bay Street port Melbourne. Eclectic, community focussed, safe for families. |
| Jan 02 17 07:21:25 pm | I think its unique so cant compare it or want it to be a copy of another |
| Jan 03 17 01:17:21 am | Glenferrie Road Malvern |
| Jan 03 17 05:52:31 pm | Hawks burn |
| Jan 04 17 07:53:18 pm | Malvern and the people. |
| Jan 05 17 08:27:05 am | A non-scummy Chapel Street maybe? Less drunk people roaming around is a plus! |
| Jan 05 17 03:54:05 pm | Glenferrie Road Malvern for reasons outlined elsewhere |
| Jan 08 17 09:39:23 pm | Lygon street for it's italian heritage. Malvern - Glenferrie road for the type of retail shops. |
| Jan 14 17 10:25:07 pm | Why aim to be like somewhere else?! |
| Jan 16 17 01:21:50 am | I like it for what it is and why it is unique. Doesn't need to become like others I like (Glenferrie Rd Malvern and Koornang Rd or Camberwell) |
| Jan 17 17 08:24:43 pm | Glenferrie road Hawthorn |
| Jan 19 17 06:08:41 pm | None |
| Jan 21 17 12:51:56 pm | Carnegie, Oakleigh |
| Jan 23 17 05:59:24 am | Hawkesbury Village. Excellent shops and options. |
| Jan 25 17 10:56:11 pm | We're no copy cats. The Jewish influence makes this unique. Nothing will ever beat the chaos in Aviv on a Sunday morning or the rewards |
| Jan 26 17 04:17:56 pm | Ormond road - great |
| Jan 26 17 04:41:39 pm | South melbourne |
| Jan 26 17 04:55:21 pm | Carlisle street |
| Jan 26 17 05:18:18 pm | Not sure we go to Carlisle street a lot |
| Jan 26 17 05:31:59 pm | Chadstone |
| Jan 26 17 05:37:03 pm | Keep it as it is don't copy |
| Jan 26 17 05:41:06 pm | Southland |
| Jan 26 17 05:42:14 pm | Chadstone |
| Jan 26 17 05:55:45 pm | Balaclava |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Jan 26 17 06:01:32 pm | Balaclava |
| Jan 26 17 06:20:39 pm | Love elsternwick no hustle and bustle |
| Jan 26 17 06:28:02 pm | Hawthorn and glen ferrie road |
| Jan 26 17 06:33:48 pm | Balaclava |
| Jan 26 17 06:47:16 pm | Similar to oakleigh mall |
| Jan 30 17 01:08:08 am | Acland street |
| Jan 30 17 01:34:13 am | Armstrong street Albert park |
| Jan 30 17 01:37:27 am | No own character |
| Jan 30 17 08:35:13 pm | Ripponlea Village - it's unique and individual |
| Jan 30 17 10:49:49 pm | No where - it is what it is. If I want a Hawksburn experience, I go there. |
| Jan 30 17 11:23:41 pm | Middle Brighton, High St, or Malvern Rd. |
| Feb 02 17 11:53:52 am | Glenferrie Road, Malvern? |
| Feb 02 17 05:45:00 pm | High St Armadale Clean, quality decorations at Christmas, lovely trees planted. Pleasant look and feel |
| Feb 03 17 05:56:56 pm | Church street Brighton. Green, elegant, sustainable, quality shops to attract customers |
| Feb 03 17 06:55:23 pm | Middle park South Melb |
| Feb 03 17 07:23:19 pm | Middle Park Albert park Go take a look. |
| Feb 04 17 08:27:46 pm | Church street Brighton. It's clean , wide footpaths and leafy. The shops cover all you need. |
| Feb 06 17 03:20:17 pm | Oakleigh - there are a lot of restaurants and some bars that are open late and the whole community fills up the strip in the evenings/on weekends. Elsternwick is pretty dead in the evenings. |
| Feb 07 17 02:23:34 pm | Lygon Street. Character and soul. |
| Feb 07 17 03:18:06 pm | Be creative and use the existing base to be unique. There are lots of examples worldwide but they are all different and blend with and enhance the existing locale. |
| Feb 07 17 03:20:25 pm | It is as good as any other strip, if not better |
| Feb 07 17 03:42:12 pm | Maling Road |
| Feb 07 17 04:17:10 pm | Church St in Brighton. For the types of shops and the feel of it. |
| Feb 07 17 04:53:45 pm | Glenferrie Road Malvern, Church St Brighton |
| Feb 07 17 05:53:45 pm | Smith St. Collingwood, great food options, quirky shops, great retail always something to see and do.. |
| Feb 07 17 06:31:04 pm | Oakleigh, there so many people on the street. |
| Feb 07 17 06:58:10 pm | on South Yarra a lot of fantastic shops and restaurants |
| Feb 07 17 07:39:30 pm | Anywhere Northside. |
| Feb 07 17 08:16:16 pm | Any strip where the shops are staffed mostly by their owners who are specialists in their business and have the depth of stock you need to stop you needing to travel anywhere else! |
| Feb 07 17 08:53:44 pm | Church st Brighton - has a great variety of retail and cafe, lovely green spacious street scape Community feel |
| Feb 07 17 09:01:51 pm | None! Keep it unique. |
| Feb 07 17 09:03:35 pm | Just like Glenhuntly Rd Elsternwick |
| Feb 07 17 09:15:49 pm | Yarraville - hipster village feel - it has interesting sculptures and green |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | space at the Sun Theatre - drawcard and makes you feel like staying for a while |
| Feb 08 17 07:16:27 am | Maybe like Casey shopping centre because it has new everything, a lot of parking and lots of space. |
| Feb 08 17 07:53:25 am | Smith Street Collingwood. Great atmosphere and average amount of cultural diversity. Heritage and history has remained, which provides a shopping strip with character. |
| Feb 08 17 08:26:47 am | It can't become any of the city lanes, but those are all about trendy charm. |
| Feb 08 17 08:46:01 am | Clarendon st |
| Feb 08 17 09:04:54 am | Glenferrie Road Malvern. Has more retail. Elsternwick is predominantly food. |
| Feb 08 17 09:27:50 am | Church St, Brighton. They have the best clothing shops there and it's easier than going to a big shopping centre. |
| Feb 08 17 09:30:49 am | Glenferrie Road Hawthorn Church Street Brighton Both these strips are exquisite. they are beautiful to walk down with retail stores in beautiful condition, trees and nature strips beautifully decorated. There is no dumped rubbish and retail stores don't leave there boxes out weekly for collection. Elsternwick has too much rubbish and people scavenge through stuff dumped in front of op shops - unsightly. |
| Feb 08 17 09:33:31 am | Brighton., better quality shops and greener street scape. |
| Feb 08 17 10:00:22 am | Elsternwick should have its own personality |
| Feb 08 17 11:41:00 am | Hawksburn Village and Church St Brighton |
| Feb 08 17 12:15:55 pm | Combination of Ackland St and Bourke St in city |
| Feb 08 17 12:18:12 pm | High Street Northcote. It has quirky shops & cafes, a bit more buzz, friendly to pedestrians |
| Feb 08 17 01:35:06 pm | CBD lane ways due to cultural feel/ambiance |
| Feb 08 17 01:44:55 pm | Elsternwick can be good again but be unique. Church street is good, Chadstone SC is excellently: Elsternwick can't compete with that, but with no empty shops, dirty shops got rid off (that horrible op shop near the CBA), no rubbish, and with shade trees, it can be good again. |
| Feb 08 17 01:46:23 pm | all of the following strip shippogn areas have more variety of shops centre road bentleigh church street brighton glenferrie road malverb |
| Feb 08 17 02:00:21 pm | carlisle st, balaclava - |
| Feb 08 17 02:11:29 pm | Chapel Street - Icon |
| Feb 08 17 02:23:29 pm | No need to look to other strips. Elsternwick is unique. We should avoid becoming like Chapel Street Prahran (congested and shabby), Church Street Brighton (Bland), Hawksburn Village (expensive and one dimensional). |
| Feb 08 17 04:20:37 pm | Ormond road Elwood - Has a more 'updated fresh' feel, people travel (as i do) to shop (Leaf) and have a coffee breakfast. |
| Feb 08 17 04:34:45 pm | Glenferrie Rd - good range of shops |
| Feb 08 17 04:53:06 pm | church st brighton. community strip |
| Feb 08 17 05:06:28 pm | Smith street. Great food. Great cafes. Great retail stores. Street art. |
| Feb 08 17 05:56:43 pm | I think it is great as it is...plenty of variety |
| Feb 08 17 06:25:02 pm | Sydney rd. Bring the culture out of the shops & into the street. |
| Feb 08 17 06:33:25 pm | Chapel St Windsor. Exciting lively, quality bars and restuarants |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 08 17 08:31:14 pm | Middle Park or Hampton (Village like) |
| Feb 08 17 09:02:14 pm | Rippon Lea. Church st Brighton Good spread of shops at any end of the street |
| Feb 08 17 09:05:33 pm | High Street, Northcote |
| Feb 08 17 09:39:44 pm | I like ackland st st kilda and Brighton church st |
| Feb 08 17 11:42:21 pm | None! I like it the way it is - I like that it doesn't just include the usual chain retailers that you can go anywhere for. It must retain its individualism that's what makes it great. |
| Feb 09 17 08:21:19 am | Elwood, Ashburton, |
| Feb 09 17 09:42:57 am | Ormand rd in Elwood |
| Feb 09 17 09:51:14 am | bay street port melbourne is more vibrant at night |
| Feb 09 17 10:29:13 am | church street brighton maybe |
| Feb 09 17 10:33:04 am | no thoughts |
| Feb 09 17 10:56:35 am | its great as it is |
| Feb 09 17 10:58:01 am | Glenferrie Rd, Namvern, so attracting more upmarket stores. |
| Feb 09 17 11:02:59 am | Church Street Brighton |
| Feb 09 17 11:55:01 am | Church St Brighton it has better shops. |
| Feb 09 17 01:11:46 pm | I would like it to retain it's unique character. |
| Feb 09 17 02:37:33 pm | None - it should not become another chapel st |
| Feb 09 17 04:12:14 pm | Prefer other places became like us. |
| Feb 09 17 04:32:34 pm | Church street brighton. |
| Feb 09 17 05:31:05 pm | Bay Street Brighton or Church Street Brighton. Here there seems more activity and greater choices of retail stores. |
| Feb 09 17 05:54:09 pm | ? |
| Feb 09 17 06:06:25 pm | The Albert and Middle park shopping strips retain an old time vibe |
| Feb 09 17 06:18:19 pm | |
| Feb 09 17 07:48:37 pm | Glenferrie Road Hawthorn. It has a great vibe with a mix of stores for students and upper market offerings. All are clean and immaculately presented. The manner in which they present the strip is excellent. |
| Feb 09 17 09:09:44 pm | Carlisle St Sydney Road Brunswick St |
| Feb 09 17 09:45:26 pm | Centre Road - it has lots of op shops and also a great selection of other shops |
| Feb 10 17 10:37:10 am | church st brighton |
| Feb 10 17 12:11:18 pm | There is no other, Glenferrie rd in both hawthorn and malvern is too yuppy, Port melb lacks culture and substance. Chapel st is for the louts, Northcote for the alternatives, sydney rd has culture but not enough family and is somewhat unsafe |
| Feb 10 17 12:16:52 pm | Don't mess with it too much. At the moment there is good variety and reasonable prices |
| Feb 10 17 12:52:42 pm | It's unique bc it's between the inner city and the suburbs. While Church St and Hampton St are "nicer" they don't have the soul of Elsternwick. Maybe Bay St Port Melbourne is a good comparison. |
| Feb 10 17 03:11:56 pm | None - certainly not South Yarra |
| Feb 10 17 04:20:50 pm | Malvern Central - it is easy to get a carpark and has a good variety of larger retail shops |
| Feb 10 17 06:12:45 pm | Chapel street - variety of shops and businesses |
| Feb 10 17 10:06:02 pm | Acland road in S. Kilda |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 10 17 10:29:12 pm | Maling Rd Canterbury |
| Feb 11 17 09:05:10 am | Gertrude Street Fitzroy. It has a number of great restaurants/cafes/bars, as well as unique fashion boutiques that house local designers. |
| Feb 11 17 12:54:27 pm | Ormand rd Elwood Fitzroy street Brunswick Mailing road Canterbury Boutique shops, nice restaurants and bars etc |
| Feb 11 17 03:11:03 pm | Elwood Oakleigh mall |
| Feb 11 17 03:17:57 pm | Hakesburn village and mailing Rd Canterbury |
| Feb 11 17 03:57:35 pm | Ripponlea Village |
| Feb 11 17 04:57:25 pm | Smith Street, Fitzroy Ormond Road, Elwood Bay Street, Brighton Much higher quality generally |
| Feb 11 17 04:58:17 pm | Cahepl st Windsor Brunswick st or smith st Acland st |
| Feb 11 17 05:07:10 pm | Brighton church street - but that is much wider so feels a bit more relaxed and angle parking |
| Feb 11 17 05:50:44 pm | Not quite as pretentious as High street Armadale, but a move in that direction would be good |
| Feb 11 17 07:49:28 pm | High St, Armadale. Bridgeport St, Albert Park. Gertrude St, Fitzroy. |
| Feb 12 17 09:57:43 am | We like its individuality and diversity and would like it to be original . To continue adding to this individual style is what we'd like to see. |
| Feb 12 17 11:56:20 am | Bentleigh. |
| Feb 12 17 04:49:32 pm | We could do with a few more cool retailers and a few less daggy old ones (how many discount chemists and old lady's clothing stores does one neighbourhood really need?). Maybe bring a bit of Northside cool to the area. A bit more Brunswick and a bit less Bentleigh, if you get my drift. Maybe even look to Carlisle street for inspiration (it's becoming very vibrant around there) |
| Feb 12 17 07:16:14 pm | Brighton - it's got a cinema, good pubs and restaurants and it's a bit classier than Elsternwick where shops are a bit more run down. |
| Feb 12 17 10:31:49 pm | It's the best |
| Feb 13 17 07:05:59 am | chapel street pharan its happy hip and eclectic |
| Feb 13 17 09:26:31 am | Malvern - Glenferrie Road Brighton - Church street |
| Feb 13 17 09:41:18 am | Hampton or Sandringham's shopping strip. |
| Feb 13 17 11:02:56 am | South Melbourne |
| Feb 13 17 12:00:25 pm | Acland St - pedestrians & trams only during weekends or business hours? |
| Feb 13 17 01:56:28 pm | Brunswick Street. It is a destination street, that has a culture that is lacking |
| Feb 13 17 06:12:33 pm | Hampton |
| Feb 13 17 07:36:30 pm | Clarendon St. Shops in South Melbourne. Village like atmosphere |
| Feb 14 17 09:34:18 am | Bay Street, Port Melbourne - super trendy |
| Feb 14 17 10:17:57 am | oaklgih - modern and variety of different cultures and atmosphere |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 14 17 10:19:00 am | Glenferrie Rd - a larger range of quality and price points. |
| Feb 14 17 11:45:24 am | Windsor and prahran - culture and nightlife |
| Feb 14 17 04:54:50 pm | I don't think we need to replicate another shopping strip - Elsternwick is my favourite but if anything then Church St Brighton is still a pretty good shopping strip. |
| Feb 14 17 10:12:18 pm | Ormond rd Elwood. It is vibrant and has a community feel with high foot traffic and no high multi-story development. |
| Feb 14 17 10:18:58 pm | I think its quite unique but maybe a bit like Brunswick Street Fitzroy a bit eclectic |
| Feb 15 17 12:46:14 am | Not sure - Glenhuntly Rd is unique! |
| Feb 15 17 08:47:34 am | Remain as is. |
| Feb 15 17 09:20:05 am | Mckinnon is doing well Albert Park Bentleigh- variety- newer looking shops |
| Feb 15 17 02:33:46 pm | Hampton Street - cafes, delis and retail stores. One can go for a walk and there are things to see |
| Feb 15 17 04:31:47 pm | Church St Shops within Brighton. Clean, accessible, with plenty of parking |
| Feb 16 17 03:53:20 pm | Not like Elwood Ormond rd... No parking, uppity, boring. Not like Acland anymore.. too commercial now.. Keep with the feel of Carlisle St with a little extra class and safety (police at the station is fantastic) |
| Feb 16 17 07:42:30 pm | More similar to Getrude or Brunswick Streets, Fitzroy. Not touristy like Acland Street. |
| Feb 17 17 08:17:12 am | High Street, Armadale. Top end of Collins St... Just a better mix of high end shops |
| Feb 17 17 05:39:30 pm | Lygon st Carlton - the part that has a diverse retail and entertainment facilities. |
| Feb 17 17 08:30:09 pm | Fitzroy St - Similar diversity but more fun and more night life and better maintained |
| Feb 18 17 09:14:03 am | Like it to have own identity |
| Feb 18 17 03:15:05 pm | I like its uniqueness. I don't want it to become like any other strip. |
| Feb 18 17 03:19:26 pm | I like Sydney rd brunswick for its mix of cafes, pubs and interesting boutiques |
| Feb 18 17 07:24:39 pm | Church st . It has a lot of upmarket shops plus its intimate. the creation of making the nature strips in middle of the street of late has made it safer for visitors. |
| Feb 18 17 08:56:53 pm | Acland Street St Kilda. Like Acland street block section of Glenhuntly road from cars and make more pedestrian friendly. |
| Feb 19 17 06:51:15 am | Oakleigh for public seating options Chapel for quality stores Middle Park for good design |
| Feb 19 17 10:31:11 am | It is similar to others but ours just looks a bit tired. Church street brighton looks more updated |
| Feb 19 17 04:06:58 pm | Brighton - just seem to have a better vibe and look great |
| Feb 19 17 06:46:32 pm | Ormond Road Elwood in respect of having less ordinary and invisible eating options and more currently relevant dining and retail options. Also like Ripponlea with more places with their own distinct character. |
| Feb 19 17 09:35:45 pm | Oakleigh, because it's lively and has a strong sense of community. |
| Feb 20 17 12:09:54 am | Church street , .. |
| Feb 20 17 06:32:47 pm | Smith St Collingwood for its diversity in every respect |

| Dec 01 16 11:07:03 pm | Vibrant but charming. Clean and safe. A place for locals. Brilliant cutting edge architecture - a mix of old and new. |
| Dec 02 16 06:55:52 am | Relaxed and full of pockets of areas where can chat not just at a cafe but almost like a mall, just comers and pockets of seating well lit and chilled less cars, if you provide parking off Glenhuntly Rd people will park walk shop eat |

| Dec 03 16 03:54:23 pm | A centre for culture on the south side |
| Dec 04 16 02:40:29 pm | Would like the shopping strip to offer a comprehensive mix of food stores, not be dominated by Coles. Would like to be able to walk to Glenhuntly Road to purchase, a gift for someone, something to wear, something to read... |

| Dec 07 16 09:15:27 pm | Safer, cleaner, more high end while retaining its European / eclectic charm |
| Dec 07 16 10:56:21 pm | still as multi cultural as ever. Not too high density. Still a strong Jewish heritage and even stronger mix of different cultures. Keep the facades of the shops and don't let awful chain stores move in. |
| Dec 08 16 02:59:29 pm | Maintain the boutique owner focused shopping experience. |
| Dec 08 16 06:35:29 pm | Not only a place to shop but a place you can meet people through activities and events with more green and some pedestrians streets. |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dec 19 16 07:05:36 am | It would still have the same friendly and relaxed feel, but with some nicer restaurants and cafes, more accessible tram stops so more locals can come (and safely - e.g. Seniors), with small multistory car parks behind glenhuntly Rd. |
| Dec 19 16 03:45:48 pm | Safe. Not crowded out by apartments. Have a train that goes through the city loop again without having to change trains. |
| Dec 19 16 06:29:49 pm | NOT a row of 7-storey apartment blocks with shops below. If those are Council's plans I will not be a ratepayer or resident in this area -- I will re-locate. |
| Dec 20 16 09:25:49 pm | Better equipped. Less cars. Less smokers. More bars. |
| Dec 22 16 08:46:08 am | No more high rises. More trees. Increased use of public transport over cars. And to see small businesses continue to thrive. |

| Dec 23 16 06:38:43 am | Still have a diverse village feel |
| Dec 25 16 04:30:29 pm | I can imagine in 30 years the area will be overrun with apartments. This would be unfortunate. Some development is good but don't turn the area into an apartment city, it'll ruin the area. |
| Dec 25 16 11:02:47 pm | To still be a very local and comprehensive shopping strip with a great range of retail and service shops, to preserve it's unique flavor. |
| Dec 29 16 12:01:34 am | A village |
| Dec 29 16 07:51:29 pm | Retain its heritage facade but update the shopfronts. Keep its community feel but make it a destination. |
| Dec 29 16 07:54:45 pm | More variety, more green space, a real appreciation of the history and true sense of community. I don't want it to become a strip that has restaurants, hairdressers, op shops and nothing else. |
| Jan 01 17 01:25:16 pm | Windsor end of chapel |
| Jan 01 17 07:42:34 pm | Elsternwick also needs to improve its Christmas decorations. The fairy lights this year was an improvement but needs more traditional things |
| Jan 01 17 10:57:54 pm | Foster a sense of commmity that Favours pedestrians and cyclists over tram and cars. No additional traffic from expected ABC studios development and others. |

| Jan 05 17 03:54:05 pm | Clean inviting convenient |
| Jan 08 17 09:39:23 pm | 1. Vibrant, fun and lively. Lots of events. 2. Locals shop local and locals bring along non local to experience elsternwick. We do need more well known brands here. 3. We will be well known by visitors to come to experience what only available in elsternwick. |
| Jan 14 17 10:25:07 pm | Hang onto the old, like the cobblers/tobacconist. |
| Jan 16 17 01:21:50 am | Still there. |
| Jan 17 17 06:35:23 pm | Still to have a mix of old and new-style outlets |
| Jan 19 17 06:08:41 pm | Lots of natural light and trees. Buildings no higher than 3 storeys. A wide variety of people using the strip. Lots of bicycles and pedestrians, with minimal cars. A wide variety of shops and services. A feeling of community and safety at all times. |
| Jan 21 17 12:51:56 pm | The same |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Jan 22 17 02:33:09 pm | Similar - it doesn't need many changes. It's been lucky as it's become a "cool" place for people wanting to open restaurants and eating establishments. Hopefully it doesn't turn into Carlisle Street though - I don't always feel safe down there like I do in Elsternwick |
| Jan 25 17 10:56:11 pm | As long as Aviv is still there I don't care |
| Jan 26 17 04:14:19 pm | Keep it but more events |
| Jan 26 17 04:17:56 pm | Very similar to now |
| Jan 26 17 04:41:39 pm | Good green environment |

| Jan 26 17 05:18:18 pm | Not all eateries keep shops with interesting array of products |
| Jan 26 17 05:37:03 pm | As is |
| Jan 26 17 06:15:37 pm | No overdevelopment |

| Jan 30 17 01:23:46 am | Like this community based |
| Jan 30 17 01:34:13 am | Less cars |
| Jan 30 17 01:46:06 am | Same!! Better parking |
| Jan 30 17 10:49:49 pm | To retain the old fashioned High St feel |
| Jan 30 17 11:23:41 pm | Still retain that classic family-friendly all-rounder independent vibe but have something exciting for better recall. Should still be buzzing yet intimate. Not too much vehicles. More foot traffic. |
| Jan 31 17 01:52:02 pm | Same great local feel, accessible to all. |
| Feb 02 17 11:53:52 am | More friendly, reliable shops and a better safer community feel. |
| Feb 02 17 05:45:00 pm | Get rid of the grimy feel and pop up op shop!! |
| Feb 02 17 06:11:28 pm | Not over developed. |
| Feb 02 17 07:55:06 pm | Range of housing Vibrant and safe Diverse, maintain less chain stores Dining and cinema |
| Feb 03 17 05:56:56 pm | Retention and rejuvenation of heritage properties and homes. Green sustainable shopping strip - without congestion of overdevelopment |
| Feb 03 17 06:55:23 pm | Not just a functionally great place, but a place you would want to walk down the street of because it is diverse and aesthetically engaging |
| Feb 03 17 07:23:19 pm | As above |
| Feb 04 17 08:27:46 pm | Local fruit and veg - support local farmers. |
| Feb 06 17 03:20:17 pm | A vibrant community centre that has a bit of everything i.e. things you need and also cafes, restaurants and bars. |
| Feb 07 17 02:23:34 pm | Who knows really. |
| Feb 07 17 03:18:06 pm | See my responses to previous questions. Enhances and fits the neighbourhood. Is safe and does not attract crime. Meets the basic retail needs. Is an attractive place to come to for all ages. Is vibrant but tranquil. |

| | |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 07 17 03:20:25 pm | Just as good as it is now, no huge blocks of apartments. |
| Feb 07 17 03:42:12 pm | Lygon Street |
| Feb 07 17 05:53:45 pm | a little hub so after work you can get everything you need within driving and support local businesses. Small is beautiful |
| Feb 07 17 05:55:39 pm | I think that in 30 years time I would like to see Elsternwick as a village hub, not overshadowed by large , ugly multistorey apartments with the lovely old facades that are well maintained, some open space so people can sit and relax. Enough parking space for residents and visitors. |
| Feb 07 17 06:31:04 pm | Cleaner more environmentally freindly. |
| Feb 07 17 06:58:10 pm | lots of tourists to spend money |
| Feb 07 17 07:39:30 pm | A vibrant shopping centre that offers something for everyone. |
| Feb 07 17 08:16:16 pm | I hope the strip keeps to the purpose of providing for local needs, specialist businesses with expert staff, and unique and individualised shops. |
| Feb 07 17 08:51:04 pm | Still retain a sense of community and individuality- not all big brand chain stores |
| Feb 07 17 08:53:44 pm | Little high rise Speciality shops Green landscape Quality and diverse services and restaurants, cafes |
| Feb 07 17 09:01:51 pm | Keep it vibrant with a a variety of stores with plenty of parking. Keep parking free! |
| Feb 07 17 09:03:35 pm | Same |

| Feb 07 17 10:31:34 pm | Still diverse in its cultural influences, nice but not too flashy |
| Feb 08 17 07:16:27 am | More affordable. |
| Feb 08 17 08:26:47 am | Something charming and clean yet exciting. |
| Feb 08 17 09:04:54 am | Pretty much as it is now with some more quality retail. |
| Feb 08 17 09:27:50 am | Keep the lovely cultural element with the mix of races and religions that converge in the area. |
| Feb 08 17 09:30:49 am | Fresh and vibrant |
| Feb 08 17 09:33:31 am | That's their problem |
| Feb 08 17 10:00:22 am | somewhere to be proud of to be called their home, somewhere the whole family can enjoy and caters for all type of people from single parent to large families to teenagers to empty nesters to young families or even couple with no kids and young adults etc. |
| Feb 08 17 11:41:00 am | Conservative and tasteful development that is sympathetic to the heritage nature of the area. Higher grade retail offering that include destination restaurants, café lifestyle, continued greenery, some tasteful flagship mens and womans wear brands - Country Road, GAZ MAN, Witchery |
| Feb 08 17 12:15:55 pm | Car free with lots of open space |
| Feb 08 17 12:18:12 pm | Friendly, safe and with enough store variety to suit local shopping needs. Aesthetically pleasing |
| Feb 08 17 01:28:35 pm | that its still here! |
| Feb 08 17 01:35:06 pm | Retain historical character and current feel Avoid over-development, or ensure new development retains historical feel |
| Feb 08 17 01:44:55 pm | Clean, calm, good quality, outdoor, accessible. |
| Feb 08 17 01:46:23 pm | not sure - needs to evolve now before can see where it could be in 30 years time |
| Feb 08 17 02:11:29 pm | Exciting area for the young and supporting the development of a multicultural society. |
| Feb 08 17 02:23:29 pm | Still maintain the green, avoid too much high rise - continue to service the |

| | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | community with a mix of stores and great public transport. |
| Feb 08 17 02:25:46 pm | Mostly unchanged, just better quality businesses to take over the ailing ones. |
| Feb 08 17 04:20:37 pm | To include the variety and types of shops that Ormond road has integrated into what Elsternwick has now. |
| Feb 08 17 04:34:45 pm | Affordable, bustling, good trafficmanagement |
| Feb 08 17 04:53:06 pm | another music bar or 2 so locals dont have to travel at night |
| Feb 08 17 05:06:28 pm | Welcoming, accepting, less gentrification, more art. |
| Feb 08 17 05:56:43 pm | More open space |
| Feb 08 17 06:15:43 pm | Nicer with no big aggressive buildings |
| Feb 08 17 06:25:02 pm | I expect elsternwick will be bustling with many new developments. It would be necessary that people could do all shopping, entertainment & community services in one place. |
| Feb 08 17 08:31:14 pm | Less carbon polluting traffic and over development Actively maintaining heritage buildings/look in the strip and surrounding streets Pro actively using policy levers/regulations/local bylaws to give preference to small businesses flourishing along the strip (that provide jobs for young people (ut that are environmentally friendly and low carbon polluting) |
| Feb 08 17 09:02:14 pm | Safe, easy access to parking |
| Feb 08 17 09:39:44 pm | A village feel that is not developed too much |
| Feb 08 17 11:42:21 pm | Continue to have great atmosphere and support independent retailers / businesses. The likes of The Avenue, Aviv, Trialtos are what make this strip great. |
| Feb 09 17 08:21:19 am | Access to cross section shops and food, no cheap and nasty shops. |
| Feb 09 17 09:42:57 am | I'm not sure.. I think the way it's already progressing is fantastic |
| Feb 09 17 10:29:13 am | retain its community spirit but also develop it |
| Feb 09 17 10:33:04 am | essentially still a small business retail strip, in whatever form that might be as online retail grows and grows and grows |
| Feb 09 17 10:58:01 am | As similar to today as possible, with no more high apartment buildings in the strip. |
| Feb 09 17 11:55:01 am | No rise at all and keep the buildings. Maintain them and add some better closing shops. Nive to keep the traditional faces of the buildings for our generations. |
| Feb 09 17 01:11:46 pm | More like a mall. |
| Feb 09 17 02:37:33 pm | safe, friendly, well priced and convenient |
| Feb 09 17 04:12:14 pm | Cannot speak for the next generation. |
| Feb 09 17 04:32:34 pm | A cosmopolitan meeting place |
| Feb 09 17 05:31:05 pm | Like the Brighton strips. More activity and retail stores. |
| Feb 09 17 05:54:09 pm | The shops should remain in the area as long as rentals for the shops are not to high then future generations will be able to enjoy the convenience of the area. |
| Feb 09 17 06:06:25 pm | Sorry beyond my imaginative limits. Hope it's all still here and sustainable in every sense of the word |
| Feb 09 17 07:48:37 pm | As above. |
| Feb 09 17 09:09:44 pm | Not overdeveloped !!! |
| Feb 09 17 09:45:26 pm | Still maintaining a variety of different shops and restaurants/ cafes, with modern open spaces and parks |
| Feb 09 17 10:04:05 pm | Retain some individual character - shopping strips are all becoming alike, with too many duplicated chain stores. Should have a great variety of products and services to attract and cater for the needs of local residents. |
| Feb 10 17 12:11:18 pm | we need a public pool |

| | |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 10 17 12:52:42 pm | Vibrant, still a need for local shops, not just apartments with no public interface and public contributions. |
| Feb 10 17 03:11:56 pm | Lots of variety of shops and cafes available |
| Feb 10 17 04:20:50 pm | For people to have a choice about where they buy their every day basics such as groceries, meat & vegies and to not have to buy from one place such as a supermarket. |
| Feb 10 17 04:21:39 pm | Maintain the informal ambience of our current shopping strip |
| Feb 10 17 06:12:45 pm | More mixture of retail shops and small-medium businesses attract younger generation and thus create a more modern and innovative feel to the shopping strip. |
| Feb 10 17 10:06:02 pm | Less traffic, less noises, more road safety. |
| Feb 10 17 10:29:12 pm | Preserve current integrity and make more of the heritage buildings to achieve the above |
| Feb 11 17 09:05:10 am | Similar to today (i.e. not too built up nor full of concrete). |
| Feb 11 17 12:54:27 pm | Cafes, bars, restaurants and local shops (similar to adore on glen eira rd) |
| Feb 11 17 03:11:03 pm | Functional with better access |
| Feb 11 17 03:17:57 pm | Independent, able to walk out and be able to source most of your needs down the street through smaller traders rather than conglomerates. I want quality at a good price, great food the butcher, Heath store and green grocer. I want to buy books or whatever that is replaced with in my local area. I don't want a country road down the street it would be convenient but I want smaller retailers. |
| Feb 11 17 03:57:35 pm | A unique shopping strip that respects its heritage, is tree lined, safe and easy to access by public transport or bicycle. Where you can do your shopping, grab a coffee and catch a movie at the Classic and possibly meet people or shop keepers at the local market. Importantly Elsternwick is not enclosed by a series of high rise apartments. |
| Feb 11 17 04:54:40 pm | Continue to be a very accessible, wide variety of purposes and central meeting place |
| Feb 11 17 04:57:25 pm | A hub of activity Great place to live, eat and be entertained - shopping during the day, eating and drinking at night (without any really late bars - i.e not like chapel street or anything) |
| Feb 11 17 05:07:10 pm | lots of low rise apartments close by with more open space linked into community services such as library |
| Feb 11 17 05:50:44 pm | A vibrant medium to high end strip including clothing, grocery, general retail and service options. Much better Elsternwick train station and a good balance between low and high density development. |
| Feb 11 17 07:49:28 pm | A beautiful place that has trees that line the street (but obviously don't disturb the tram lines) |
| Feb 12 17 09:57:43 am | To see the heritage buildings well looked after. All shops open . Clean , safe and diverse in range and style with plenty of green space and trees. |
| Feb 12 17 10:21:14 am | Still meeting the needs of the residents for their daily requirements and facilitating local eating and social meeting. |
| Feb 12 17 03:09:19 pm | See comments above regarding keeping the Victorian shops and buildings, keeping the strip small enough to be special and friendly, and the scarcity value of a medium size, largely open air shopping strip. |
| Feb 12 17 04:04:33 pm | Accessible Engaging Inclusive |
| Feb 12 17 04:49:32 pm | A place that has well and truly shaken it's daggy reputation... a fully self-contained area that's the envy of all the surrounding neighbourhoods. |
| Feb 12 17 07:16:14 pm | A safe, accessible, healthy, walkable place to do everything locally, no reason to have to get in your car and drive anywhere else. |

| | |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 12 17 10:31:49 pm | Just the same |
| Feb 13 17 07:05:59 am | modern and safe |
| Feb 13 17 09:41:18 am | Retain it's charm, convenience and safe vibe. |
| Feb 13 17 11:02:56 am | Much more modern and classier |
| Feb 13 17 12:00:25 pm | Possibly like Swanston St or Bourke St Mall. |
| Feb 13 17 01:56:28 pm | an exciting innovative place to be. |
| Feb 13 17 06:12:33 pm | A few more trees |
| Feb 13 17 07:36:30 pm | Sunlight in the street. No high rise buildings blocking off the sunlight. Heritage feel to the street. |
| Feb 14 17 09:34:18 am | Too far ahead to be relevant to me |
| Feb 14 17 10:17:57 am | thriving and modern |
| Feb 14 17 10:19:00 am | Variety of shops, well serviced community facilities, fewer or no cars, more frequent public transport, a bus to Caulfield Station, a variety of types and quality of shops. |
| Feb 14 17 11:45:24 am | More variety, more shops, more engaging, more events, festivals, built-up, more apartments |
| Feb 14 17 04:54:50 pm | Exactly the same - I would like there to be as limited change as possible. |
| Feb 14 17 10:12:18 pm | Less traffic and more foot traffic and more green space and trees. Mor community amenity. |
| Feb 14 17 10:18:58 pm | Keep up with the times but have a unique Elsternwick vibe similar to today |
| Feb 15 17 12:46:14 am | To be a mix of Grocery, cafes/bars, entertainment areas, green spaces, variety of shops for everyday needs, Retaining the history and village atmosphere. Great public transport, Safe for residents and visitors Unique |
| Feb 15 17 08:47:34 am | As it was 30 years ago and is now. |
| Feb 15 17 09:20:05 am | I certainly hope to still be here and using the local facilities and help my daughter raise her family here!!!! I hope that it remains community based and that they will know their neighbours and traders as I do. That they will have everything they need within walking distance including entertainment- I love that my daughter will be able to meet friends locally and not need to be on trains at night to socialise as I see my friends having to do in the suburbs! I hope it remains a lush green environment with plenty of shady rest spots for humans and dogs to sit and chat and engage with society- we have lost that and I feel thats what keeps some of us going- connection to community no matter what your home situation is- for us never to feel alone- there is always a helping hand and smile just outside your door- if you cant pay for the bread one day- that you can make up for it the next- if you fall or feel unwell- your neighbour will help you up. I have lived in the suburbs and suffered loneliness and depression- coming to a community atmosphere cannot be underestimated in this current society- In a community, people are real , not just ratepayers |
| Feb 15 17 02:33:46 pm | Offer a range of stores with goods and services that people need so that they can support the local retailers. A safe shopping area |
| Feb 16 17 03:53:20 pm | Like Carlisle or Brunswick, unique, fun and relaxed |
| Feb 16 17 07:42:30 pm | A lively, eclectic, cosmopolitan hub |
| Feb 17 17 05:39:30 pm | Diversity of business and services that suit the daily needs of the |

| | community, but not of the large shopping Centre type. A physically attractive strip that makes me want to wander down the street. A place that is safe. Good traffic management and parking. |
| Feb 17 17 06:41:53 pm | Hold onto institutions such as Franks and Aviv as they have served the community so well for so long, and their product is superb. |
| Feb 17 17 08:30:09 pm | Park would expand over train station and connect Horne St area with the rest of Elsternwick. Bike track would run along side or above train line all the way into town. Shop strip will be local draw card. Elsternwick will remain transport hub. |
| Feb 18 17 09:14:03 am | Continue with the community feel. Restaurants and cafes great, avoid late night bars etc |
| Feb 18 17 03:15:05 pm | No more chain stores, continuation of boutique stores and cafes. The utilities such as Supermarket, butcher, grocer, bakeries, post office, banks all remaining |
| Feb 18 17 03:19:26 pm | Not like shopping malls! Still small local businesses who know their customers, plenty of trams so people will still catch public transport to get here. Lots of outdoor dining (with no cigarette smoke) |
| Feb 18 17 07:24:39 pm | To still have that village vibe. |
| Feb 18 17 08:56:53 pm | Should be good as long as not too congested with higher density living and too many cars. |
| Feb 18 17 09:35:59 pm | To still exist with a variety of essential and non essential shops |
| Feb 19 17 06:51:15 am | Relaxed and family oriented |
| Feb 19 17 10:31:11 am | More trees and greenery but need to retain the everyday services. |
| Feb 19 17 03:30:11 pm | No more apartment buildings. There are far too many in Elsternwick and the surrounding suburbs. |
| Feb 19 17 04:06:58 pm | A good mix of old and new reflecting Elsternwick and Caulfields heritage. |
| Feb 19 17 06:46:32 pm | Clean, safe with a variety of dining options including contemporary cafes and restaurants and with some specialty/unique retail options as well as the basics. |
| Feb 19 17 06:57:05 pm | Safe, presentable and a lot of variety where you are able to get everything you need without having to leave Elsternwick. |
| Feb 19 17 09:35:45 pm | Community hub - divert traffic off GH road and make it more like an open mall ... eg Bourke St |
| Feb 20 17 12:09:54 am | Safe for pedestrians of all abilities and age groups , wide footpaths to accommodate elderly people in scooters or needing wheelchairs as well as outdoor cafe s and colourful seating and heaters and umbrellas to encourage people to meet, strict height limits on all new buildings to enable natural light onto the strip, safe bike paths on the strip as well as bike parking and more disabled parking spaces and easy access for frail or disabled people and parents with prams. Play equipment interspersed through the strip to increase interactions between all age groups |
| Feb 20 17 06:32:47 pm | Functional and attractive - it's currently neither |

| Nov 28 16 02:39:07 pm | The signs promoting Elsternwick Village are great! |
| Nov 28 16 03:22:52 pm | No |
| Nov 30 16 09:56:46 am | Thank you for putting so much effort into thinking about these survey questions!! xo |

| Nov 30 16 11:40:20 am | Thanks |
| Dec 01 16 11:59:31 am | We have too many crazy thrift stores let's reduce the rent and encourage young entrepreneurs |
| Dec 01 16 08:16:58 pm | Native trees are important to maintain all the wonderful native birds in the area! Elsternwick is a haven! |
| Dec 02 16 06:55:52 am | Fix the railway track on Ripon grove it's urgent |
| Dec 03 16 07:19:18 am | The toilets next to the post office need updating |
| Dec 03 16 08:38:03 am | Great to see the council doing something about it. Looking fwd to seeing some changes. |
| Dec 04 16 09:58:19 pm | Street decorations for holidays are small and tentative. Not impressive. Are the rents too high. Could council and landlords attract tenants? |
| Dec 05 16 07:17:56 pm | Trees, trees, trees. Also, activated frontages with tables and chairs and a variety of goings on eg. bars with live music. Also, Elsternwick plaza would make a great space for more public events like performance, markets etc |
| Dec 05 16 10:59:54 pm | There is no mention of Glen Eira Rd Elsternwick shopping strip near Orrong Rd. This is an extremely sad situation with many many empty shops for lease. I think the council should be working with this landlady to encourage new tenants. It will never thrive if the current tenants needs are not addressed. Clearly there is a big issue here. |
| Dec 05 16 11:33:21 pm | No |
| Dec 06 16 11:28:42 am | Nil |
| Dec 07 16 07:13:43 pm | Overall I love living in Elsternwick. |
| Dec 08 16 02:59:29 pm | The council should engage with landlords to encourage diversity, encourage start up businesses, make the area an incubator for new business, especially in the vacant shops. |
| Dec 08 16 09:33:08 pm | Elsternwick is being eroded/ ruined with high rises & beggars. Enhance streetscape with seats, planting & more greenery |
| Dec 08 16 09:47:33 pm | Feeling unsafe because of beggers & graffiti |
| Dec 10 16 04:54:08 pm | Remember car parking is a private good and its success is determined not by occupancy rates, but by turnover rates. Few councils in this country seem to realise this. You could make a start here. You'll need to reassure traders, but it can be done. |
| Dec 11 16 09:50:59 pm | Small business owners have more than enough to do, if we are paying a levy to help with keeping the traders association going then ensure that the money provided is contributing to promoting the buisnesses that are paying rents & rates etc.. |
| Dec 14 16 09:10:17 pm | Need to be kept clean |
| Dec 15 16 08:30:36 am | Parking is hard sometimes |
| Dec 15 16 05:57:49 pm | I forgot we need a fish shop... |
| Dec 16 16 09:03:20 pm | No |
| Dec 19 16 03:45:48 pm | Get rid of the painful parking inspectors that seem intent on booking people for 5 second drop offs when no parking is possible. If you want people to shop locally, don't book them for trying to arrive or depart efficiently from the location. |
| Dec 20 16 09:25:49 pm | Improve the Christmas decorations...big time!!! |
| Dec 23 16 06:38:43 am | No more towers over 5 stories. Europe has all the density it needs in its old towns without building over 5 stories. |
| Dec 29 16 12:01:34 am | The access for pedestrians across side roads is confusing. It looks like the footpath extends across the roads hence pedestrians do not stop for cars. It does not indicate that cars should stop for pedestrians and the crossings are not marked with lines. Turning cars often have trams behind to add |

| | pressure to turn but pedestrians saunter across the road. It's dangerous. |
| Dec 29 16 07:54:45 pm | I think the traders really need a say, but I also think it could be worth profiling some of the ones that have been there for a long period of time. |
| Jan 02 17 07:21:25 pm | Generally I love it but hate to see it dirty and shops with for lease signs |
| Jan 03 17 01:17:21 am | Please do something about the pedestrian crossing on Nepean Hwy someone is going to get killed there. |
| Jan 03 17 05:52:31 pm | Not at this point |
| Jan 08 17 09:39:23 pm | Let's do this!! |
| Jan 30 17 11:23:41 pm | More recreation options to draw people. |
| Feb 02 17 05:54:26 pm | Badly needs low floor trams and platform tram stops |
| Feb 02 17 06:11:28 pm | It's pretty good. Just needs a good clean, tidy up, more greenery & a new Coles! |
| Feb 03 17 05:56:56 pm | Please prioritise and protect the heritage business properties and heritage neighbourhood of Elsternwick from overdevelopment of apartments |
| Feb 07 17 02:23:34 pm | How bout the Council offering shop vouchers to ratepayers who pay their rates off in full rather than installment. Perhaps even a discount? A councilor promised me he would look into it if elected. |
| Feb 07 17 05:53:45 pm | I just finished a fun raiser and collected prizes from the local businesses on the strip and 99% of the businesses were really great, big corporations, not so great so it weird that we "the locals" support them but it is not so much the other way. That is why locals should support small business as they support us. The empty for lease signs do not help confidence I much say. Another big deli would be nice as the area is growing. |
| Feb 07 17 05:55:39 pm | Lets keep E;lsternwick like a village and never compromise to greedy developers, wanting to build cheap, poorly built developments and charging top dollar - those buildings then look ugly in 5 years time. maintain high expectations and advocate for the aesthetics and soul of Elsternwick. |
| Feb 07 17 08:41:09 pm | Would like to see more interesting trees in the surrounding streets. The acacias (paperbarks?) are unattractive compared to say an avenue of Plane trees like Hawthorn or Camberwell |
| Feb 07 17 08:53:44 pm | Good luck and I look forward to seeing the plans develop and evolve |
| Feb 07 17 09:01:51 pm | Do not introduce parking meters. |
| Feb 08 17 08:26:47 am | I want to see a reduction in the opportunity for people to rubbish our streets, so either at the source of the numerous items that are thrown, or at the final stage when people throw without any thought. The amount of rubbish we produce is a major issue to me. |
| Feb 08 17 09:27:50 am | There often seems to be a bit of dog poo on the footpaths. People need to clean up after their dogs! |
| Feb 08 17 09:30:49 am | The number of beggars has increased within the last 6 months and a couple are quite abusive if you don't give money. Foul language especially in an area where there are so many children. |
| Feb 08 17 12:15:55 pm | None |
| Feb 08 17 02:00:21 pm | missing a good fruit/veg shop |
| Feb 08 17 02:11:29 pm | Great Initiative. |
| Feb 08 17 04:20:37 pm | It was great to mailed providing the opportunity to give feed-back What would be great is to be kept up to date with what the thinking that Glen Eira Council will be undertaking and when. |
| Feb 08 17 04:53:06 pm | thanks. please consider what is said by people who are on the strip everyday. |
| Feb 08 17 08:31:14 pm | Identifying a set of core criteria/factors to be applied to all GE shopping strips should include: Significant traffic reduction across all strips and erecting physical barriers to stop cars diverting into side streets (look at Scandanavian research that |

| | concluded that setting speed limits is not effective) Pro actively choosing low carbon polluting options in all Council decisions Reducing over development /agree on height controls to 4 levels or less (approve developments only when infrastructure services have been assessed as low risk/impact, eg impact on stormwater drains capacity with additional population) |
| Feb 08 17 09:39:44 pm | Please don't turn elsternwick into Carnegie. Too many developments |
| Feb 09 17 11:55:01 am | Police need to have some presence on the streets. departments need to re-house the beggars and homeless. |
| Feb 09 17 02:37:33 pm | Nice idea for the survey |
| Feb 09 17 04:12:14 pm | None |
| Feb 09 17 07:48:37 pm | Please clean it up and remove the beggars. |
| Feb 09 17 09:45:26 pm | Longer library opening hours please (especially on weekends) |
| Feb 09 17 10:04:05 pm | Keep out any businesses that encourage hoons and bogans. The area should be attractive and safe for young families and the elderly, and everyone in between. |
| Feb 10 17 12:11:18 pm | we need a public pool |
| Feb 10 17 01:58:59 pm | Better visual presentation... Some parts are looking tired. Make it attractive for traders to invest |
| Feb 10 17 10:06:02 pm | Keep on to valorise your old buildings |
| Feb 11 17 07:35:55 am | Would be great to have a tram that continued along Glen Huntly to the beach. |
| Feb 11 17 03:57:35 pm | Thanks for requesting this feedback, Its a great place but I am just concerned that over development will wreck it. |
| Feb 11 17 04:57:25 pm | So much potential!!! |
| Feb 11 17 05:50:44 pm | W-E aspect can make the street oppressive on hot days - greater natural and manufactured shade and tress would be seriously beneficial during summer |
| Feb 12 17 07:16:14 pm | I love the walkable relaxed nature of the shopping strip and would love for it to remain that way. |
| Feb 13 17 09:26:31 am | I encourage the apartments and developments, I think Elsternwick is really unique and special and its growth is essential to maintain retailers. |
| Feb 13 17 12:00:25 pm | Not very friendly parking with limited access to main st at times when recycling bin clearance is in progress |
| Feb 13 17 07:36:30 pm | Enforce the traffic laws in the street. Too many U turns and double parking. |
| Feb 14 17 10:17:57 am | if you dont encourage building of apartments on the shops you will kill of the shops - this also reduces car parking requirements as if they are close to transport then no need |
| Feb 14 17 10:19:00 am | Thanks for the opportunity to comment. |
| Feb 14 17 04:54:50 pm | Save the beautiful original romantic architecture of the street!! |
| Feb 14 17 10:12:18 pm | Prescribing some standards for shop facades and upkeep. Coles is dilapidated and ugly. |
| Feb 15 17 08:47:34 am | Work in interests of residents not property developers or there will be many wasted years spent at VCAT. |
| Feb 15 17 11:27:52 am | Please do something about the pedestrian crossing at Neapen Hwy it is extremely dangerous. |
| Feb 16 17 07:42:30 pm | Elsternwick shopping centre is great on many levels but it is the cinema, the Flying Saucer Club, the newer cafes, a couple of clothing and homeware stores that carry it. We can' afford to lose them. There used to be many more quality clothing and other stores that have left the strip over time. Hopefully the newest cafes will draw in other stores. |
| Feb 17 17 08:30:09 pm | Fix Horne St |
| Feb 18 17 09:14:03 am | Fantastic place to live |

|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Feb 18 17 03:19:26 pm | I love Elsternwick. I'm proud to live here and thank you for surveying me to ask me my views. |
| Feb 19 17 06:51:15 am | Great job on Elsternwick Plaza keep the plan in this direction and you will have happy rate payers |
| Feb 19 17 04:06:58 pm | Our family has lived in the same street in Elsternwick for over 100 years so has seen it all. Relaxation of height restrictions on buildings has damaged it, in some areas. Access to appropriate parking with proper ingress and egress points that avoid congestion eg car parks behind Coles and behind strip between Orrong and Staniland Grove |
| Feb 19 17 08:57:44 pm | I drive from Lilydale to go to Child and Adult toy shop as I used to live in Elsternwick and I am most disappointed with the way the shops are all closing down and there is not enough parking and there is no coordinated activities or support from local council to support this small but vital shopping strip! |
