Dec 09 16 03:15:33 pm	To be honest it is not family friendly anymore. There are more restaurants than ever. There used to be a great book shop, a great shoe shop and newsagent. What happened to the Greek deli that was amazing? The only time I now go down is for a quick bite to eat and that is just OK nothing to write home about. Even our old Chemist has sold out and the one that is there is very average. I never even vegie shop any more as the quality is not great. The Super market I do use when I have to.

Feb 20 17 05:06:32 pm	Nothing. I do not use Carnegie Shopping precinct anymore because it is all Asian Restaurants. There are only a couple of Retail shops most of no interest to me.

	2 Woolworths supermarkets and 2 Warehouse Chemists is ridiculous, why not a Coles for competition? one of the Warehouse Chemists opened up right next door to a Pharmacy that has been there for 40 + years! Where is the planning? Where is the Carnegie Traders Association? they should plan to ensure there is a good variety and balance of shopping and restaurants in Koornang Road to bring it back to a valuable part of Carnegie.

Dec 06 16 08:40:08 am	Not very attractive quite dirty pavements a lack of green planting. Many shops looks the same with similar food. Just one straight line of shops with not much variety and very little interest. Homeless sleeping outside of the chemist shop all day on the pavement. I am a local resident and try to avoid shopping here for all of the above. Terrible parking too.

Nov 30 16 02:43:46 pm	I love how Glen Eira has responded to the shortage of car parking by sending more parking inspectors to the area and clamping down on the timed parking. I mean, loosening the restrictions in some areas so workers have somewhere to park would have also made sense, but then, where's the revenue in that? Great job guys. Keep it up!

Dec 03 16 08:24:48 pm	1) The traditional butchers, grocers, bakeries and delis. Although we do have the supermarket options for after hours, it's these local shops that give Carnegie a real local, village feel. This is important for our community. 2) The multiculturalism and it's obvious influence on our food outlets and diversity of backgrounds, people and languages you experience walking down the street. This is at the heart of what makes out village unique and special.

Dec 17 16 09:00:42 am	Variety of shops and coffee shops
Dec 17 16 09:36:01 am	I love the selection of restaurants and shopping options in this compact area. There is enormous variety of shops and parking options at the rear of the shops or underground which enables me to be able to easily purchase weekly shopping needs and load them into my vehicle. However, the library area and open space is nice to walk through and feel a sense of community. The whole area is now a concrete jungle, if the council could undertake a lot more tree planting along Koonang Road, in the open space area abutting the library and the surrounding streets this would make it more appealing. Also support cycling and pedestrians with less car parking on Koonang Road, more trees in these spaces and bike parking options. I love the Mosis at Santucci cafe which are fun and makes the stripe more vibrant so more community art would be great. Also some performance or busking in the open space area. Or mini community local Australian/ Glen Eira made markets

Dec 25 16 10:47:31 am	Accessibility n great restaurant opening hours

Dec 25 16 06:15:10 pm	I like that it has a good mix of food outlets. About 2-3 years ago it was mostly asian restaurants, but now a few more western places have opened. I think the asian restaurants are an important part of the area, but it is nice to have a range of places to eat and drink, for breakfast, lunch and dinner. Maybe even a small bar or two would be good for the area. I have certainly eaten out at all times of the day since living in the area. However if im looking for a place to get a coffee after 4pm or a drink anywhere else than the Rosstown hotel, there are no options (unless going for a meal). So there are still more opportunities. Maybe some weekend markets by the library would be good.
Dec 25 16 06:48:49 pm	Close to home. Diversity & quality of food & cafe's Community feel.
Dec 26 16 04:28:51 pm	Bagels, Asian restaurants, supermarket are our regulars

Dec 30 16 01:24:59 am	It has had a nice village feel but this is changing as smaller retailers like butchers and newsagents get pushed out to make way for more asian courier shops or restaurants
Dec 30 16 04:13:09 pm	I love that I can walk to the shops and buy most of the things I need without having to rely on a big supermarket chain. I love the cafes and the library. I love the little play ground for the kids. I love the new crepe place. I love the poultry shop and the butcher. I love the fruit shops.
Dec 30 16 11:59:56 pm	Cafes, all you need in one strip, sense of community, I often meet people/neighbours out shopping and stand and chat, cafes, multicultural mix.
Dec 31 16 09:49:09 am	The Rosstown hotel, Siam 1 wine bar, and the few coffee shops. Far too many dumpling places and vitamin wholesalers. No diversity whatsoever in terms of personal shopping. Couldn't even buy a decent pair of socks or stockings.
Jan 01 17 08:00:46 pm	The cafes and restaurants. Supermarket, chemist and newsagency all within easy access. Library too.

	free parking
Jan 04 17 01:44:07 pm	Food shops
Jan 04 17 04:19:58 pm	Well, I used to love it, which is why I bought a house here. now it is very different. I love the (now only) butchers shop, the green grocers shops, the coffee places and the library, also the Op Shops. I also have my hair done here. Now it is mainly Chinese restaurants and noisy young people and it has lost the atmosphere I loved. The car parking is impossible.

Jan 14 17 08:31:43 pm	lots of cafe and restaurant selections
Jan 16 17 01:33:04 am	Fresh food and deli, supermarkets, chemists, banks, cafes, restaurants, library
Jan 16 17 05:02:49 am	There are a few good cafes, for example Huff, Figjam etc. unfortunately the diversity of the shopping strip is dying, being taken over by horrendously low-quality oriental cuisine shops.
Jan 17 17 02:01:54 pm	<p>Many things (i) easy proximity (walk) from home (ii) the library and community services (iii) access to weekly food shopping outlets and local doctor (GP) (iv) the cafes and the (slowly) increasing sophistication of the food outlets (but also love the originals too).</p> <p>I love that when we go there we always see someone we know or recognise (in that you don't know someone but you are at the polite nod and smile stage). Having been visiting and hanging out in the strip shops for the past six years it has been nice getting to know people</p> <p>We regularly use many retail/services outlets - optometry, clothing, salvos, music school, doctors, pharmacies, butchers etc.</p> <p>The "rock park" in front of the library continues to be a hit with my children 6 years on.</p>

Jan 19 17 09:27:26 am	The range of products and services offered. I like that I can get anything I may need from one of the shops there.

Jan 19 17 10:23:05 am	Great variety of shops in a small area. Particularly for groceries and daily needs. The library close to the shops is great. Very much a local community hub including public transport.
Jan 19 17 02:54:53 pm	vibrant atmosphere
Jan 19 17 04:19:18 pm	Fruit & Vegie shops, cafes, banks, supermarket nearby, pharmacists, cheap shops, hairdressers
Jan 19 17 11:23:52 pm	That it has a reasonable range of businesses including banks, post office, supermarket.. Business operators and staff are friendly and helpful. There can be community stalls held there (unlike Chadstone) for kinders, schools. It is convenient for me as I can walk there.
Jan 20 17 12:03:42 pm	Local businesses. Convenient. Many different shops. Library.
Jan 21 17 06:35:30 am	I love the amount of restaurants on offer
Jan 24 17 01:56:15 pm	walking space, diversity of shops, one stop, friendly, sit outside, open spaces
Jan 24 17 02:58:41 pm	it has most of the services including banks and post office, medical services, a good variety of restaurants and cafes, food stores and a friendly mix of residents and visitors.
Jan 25 17 09:10:02 am	convenience, cosmopolitan, superb library, thriving
Jan 26 17 12:17:14 am	the few non food stores left
Jan 27 17 03:28:37 pm	The food
Jan 28 17 09:10:58 am	That it has everything I need all within 10 minutes walk from my home.
Jan 28 17 11:13:55 am	Close to home, friendly people, good food & coffee, great optometrists :)
Jan 28 17 04:02:36 pm	I like it because it caters for everybody in the area. Compared to Chadstone, it is safer to walk to it - This results in more independant kids, elderly, and those who cannot afford a car using it. Also it is more interesting as there are less regulations to make it boring like Chadstone. The variety different industries present means I rarely go elsewhere.
Jan 29 17 09:26:45 am	Convenience, friendliness, liveliness, delicious food that is affordable, diversity, great haidresser
Feb 01 17 12:52:06 pm	Variety
Feb 01 17 01:36:19 pm	It's local, always busy which is a good sign that it is a great shopping centre.
Feb 01 17 08:58:54 pm	The diversity of shops, the late night eating options plus meets daily needs
Feb 01 17 09:51:04 pm	Local traders
Feb 01 17 10:59:14 pm	The variety
Feb 03 17 01:54:17 pm	I like the friendly feel of the shops south of the railway. I use the fruit and vegetable shops, the small hardware shop, the cake shop/cafes. Also use the supermarket. The section north of the railway is less pedestrian friendly (particularly the corner of Arawatta St) and not my favourite. Carnegie Central is not a good fit and has brought congestion to the area.
Feb 03 17 10:13:18 pm	Not much at the moment. Having just moved to the area, there needs to be a more eclectic mix of shops old and new.
Feb 04 17 01:30:30 pm	Lots of variety of resturants and cafes.
Feb 05 17 12:07:39 am	1. finding a new ceramic mosaic from time to time on a wall somewhere- love those (by Rita Santucci I think?) 2. quite good library 3. I love the times when the railway boomgates are down- the easiest and safest way to cross Koornang road without being monstered by aggressive drivers.
Feb 05 17 09:04:43 am	restaurants, a couple of nice retail shops and cafes.
Feb 05 17 04:10:15 pm	I know where what I need is
Feb 06 17 11:50:14 am	good personalised service from local shops diversity of food shopping sense of community

Feb 06 17 12:46:33 pm	That it is relatively close, walking distance
Feb 06 17 01:12:32 pm	The diversity of shops
Feb 06 17 02:26:13 pm	Sadly, Woolworths is the about the only thing I like about Koornang Rd shops.
Feb 06 17 03:52:10 pm	The Variety of shops that serve daily/weekly shopping needs. Was disappointed to see the closure of a butcher, a delicatessen and the newsagency in recent times as these are all part of the regular shopping needs.
Feb 06 17 05:06:15 pm	Cafes, particularly Huff Bagelry, also Bakers Delight, restaurants such as Shyun.
Feb 06 17 05:43:58 pm	Fresh fruit and veg shops and Barry's butcher shop. The library, Shyun and Aldi. Also the creperie

Feb 06 17 08:47:30 pm	Walking access, train, variety of stores and restaurants
Feb 06 17 09:41:45 pm	Broad demographic of people- all ages, many ethnicities, many different styles of people... so it has an accepting, easy going atmosphere. This also brings a great range of different eateries from different nationalities, excellent choice of ingredients for cooking and makes it feel very alive and creative. I like the artistic elements of the mosaics and some of the shops. I love the feel the shoppers and families bring- like you go to the shops to socialise, slow down and feel happy- it is uplifting. I think a lot of people walk to the shops rather than in many other shopping strips they drive and are more in a hurry. In Koornang Rd you almost always see people stopped and having conversations having bumped into each other- so often this is older people setting this welcoming tone, so it is important this is maintained and the area remains affordable for them. I love the range and size of the street. Parking isn't too bad. The supermarket is also an asset just behind. Competitive prices helps attract a good crowd and keeps you happy to shop there.
Feb 06 17 11:26:35 pm	everything, the atmosphere, it is more casual & welcoming compared to many other areas. Everyone is laid back. There is a good mix of ethnic backgrounds. There are no arseholes.

Feb 10 17 11:01:20 am	Variety of shops, cafes and restaurants. Great fruit and vegetable shops. Proximity.
Feb 10 17 01:36:52 pm	There are still lots of different shops. I can still do my weekly shopping there. There are still green groceries, a bakery, chemists, wine outlet, a hardware, butchers etc. Not too crowded with just cafes and restaurants. The strip of shops is never too busy. I also like it that I can access the

	library easily.
Feb 10 17 02:00:18 pm	It has local shops that I use - hairdresser, supermarkets, chemists, library, fruit shops, ATMs. It's often bustling and lively.
Feb 10 17 02:20:59 pm	restaurants

Feb 11 17 06:54:18 pm	It is full of life and activity and I love its many cafes/restaurants.
Feb 11 17 07:58:24 pm	The sense of community that is mostly present amongst traders and customers alike. The water refill station! The library.

Feb 13 17 11:02:12 am	proximity
Feb 13 17 11:28:53 am	It is lively day and night with supermarkets/foodie shops open during the day and many restaurants to choose from at night
Feb 13 17 12:46:35 pm	Running into local people that I know
Feb 13 17 05:14:39 pm	Things that we frequent such as Woolworths, the pharmacy and post office are all in close vicinity to each other.
Feb 13 17 05:47:00 pm	That locals are encouraged to shop there. Friendly staff at small shops.

I love that I can find a place to have a coffee, or a cake, or a meal, or a drink. It's the best!
Feb 14 17 12:50:53 pm	It's reasonably diverse. I love the Bagel Shop, the Japanese restaurant Shyunn, and Gabrielles Pizza.

Feb 16 17 03:39:55 pm	Convenience
Feb 16 17 04:06:54 pm	The range of shops and the fact that most of my shopping needs are met in this small area. I love the look of the strip with the old shop facades and less high rise developments. The fact that you can just stroll along taking in the atmosphere.
Feb 16 17 05:21:55 pm	The proliferation of restaurants; the bustling feel of the precinct; the little bits of art work dotted along the strip
Feb 16 17 05:34:53 pm	Location to my house

Feb 18 17 11:51:03 am	Restaurants & super markets
Feb 18 17 05:27:15 pm	small strip of shops each individualized with it's different character, the chairs and relaxed atmosphere. The small cafes and retail shops and the different variety of cuisines and small grocery shops (eg. Russian/ Asian groceries)
Feb 19 17 02:38:29 pm	Convenience from my home
Feb 19 17 03:22:04 pm	I did love the diversity of the various shops but that has unfortunately changed. I now only visit specific shops when I need to.
Feb 19 17 04:52:17 pm	It has almost everything you need
Feb 20 17 08:36:02 am	everything about it I love. It's range of shops, it is safe and it's restaurants.

Feb 20 17 07:43:00 pm	Walkability, public transport accessibility, variety

Date	What don't you like/do you want to see changed?
Nov 28 16 06:02:24 pm	More diverse restaurants - way over saturated with asian cuisine. Would be fantastic to have middle eastern, modern Australian and italian dinner restaurants. More major brand clothing retailers. More upmarket cafes ala left field, mr brightside etc.
Nov 29 16 06:29:16 am	To many Asian stores . Too many restaurants ts that are all the same. Stores with non English signs that are un inviting. There needs to be more balance. Don't get me wrong I love the diversity of the Asian food choices however there seems to be many of the same and high turnover.
Nov 29 16 09:48:36 am	I think it's in desperate need of a pedestrian crossing near Nandos - people are always crossing the road there anyway. Get rid of some tired looking shops and add more cafes.
Nov 29 16 02:02:14 pm	Not allowed to perform u-turn Hard to park
Nov 29 16 05:17:36 pm	More connected bike paths More bike parking Stop putting bike lanes alongside parked cars

	More separated bike lanes Close koornang road to cars regularly eg Saturdays this would Open the road space to peds, cyclists and Street trading
Nov 29 16 06:57:25 pm	I'd love to have more variety in the restaurants on offer- Greek? Spanish?
Nov 29 16 11:06:31 pm	Parking can be difficult. Not enough variety of restaurants (too many dumpling shops)
Nov 30 16 05:37:26 am	Lots of dodgy Asian stores. More modern cafes and please we need a great florist in this area.
Nov 30 16 08:09:13 am	The large complex on the corner of Koornang and dandenong road is embarrassing. It's ugly - has no windows and is a complete eye sore
Nov 30 16 09:25:28 am	More sophisticated eating options, and a wine bar. Maybe tree line the street to make it more visually appealing
Nov 30 16 01:37:26 pm	Not enough variety of shops. A butcher is closing at Christmas time and probably another Asian restaurant will open. Too many Asian restaurants, need variety. Need a deli, seafood shop, more butchers for example. Need more rubbish bins as they are always overflowing or otherwise emptied more regularly. Footpaths need to be regularly cleaned as they have a dirty look about them. Skyrail will be absolutely terrible for the shopping strip, it should be UNDERGROUND. Vehicles should not do U-turns in Koornang Road. Bring back the street festival when Koornang Road is closed to vehicles.
Nov 30 16 02:43:46 pm	I'd like to see less parking inspectors and more car parks.
Nov 30 16 04:37:55 pm	Too many asian resurants and dumplings. More cafes and more parking. A better playground at the library it is where all us mums meet for coffee with the kids.
Nov 30 16 10:32:17 pm	We love the Asian representation but want to retain the balance of cultural mix. we have just lost the European deli & are losing Barry Gardner's butchers at Xmas to be replaced by yet another Korean restaurant. Shopkeepers report that high rents, pressure from supermarkets & keen Asian businesses are changing the shape of Carnegie.
Nov 30 16 10:49:43 pm	Please remove the fruit carts that are on the footpath outside the fruit shop on the bakers delight side of Koornang road. This footpath is always busy and people are practically falling over each other to get past the fruit shop. Please look into this as it has been getting worse over the last year or so.
Nov 30 16 11:43:52 pm	Too many of the same shops (dumplings even though I LOVE them) . Missing a flower shop, book shop, deli, health food shop. Needs bigger trees.
Dec 01 16 11:47:50 am	a paint job on the upper storeys on front of shops
Dec 01 16 12:51:45 pm	It's hard to find a restaurant on the Carnegie shopping strip that is still open at 9pm weekdays. I'd rather eat out locally after working late or sports training but there is virtually impossible.
Dec 01 16 01:15:20 pm	Trying to park at the Safeway (near Neerim Rd) to pick up groceries is impossible after 6:30 - there needs to be some 30 min-1 hour car parking spots as all the restaurant goers take the spots - I now go to Oakleigh Centro if after 6:30 as it's easier to park.
Dec 01 16 01:38:06 pm	Needs an update, more lighting, outside spaces, bars/cafes and less cheap Asian shops/cafes/restaurants
Dec 01 16 02:34:30 pm	There is lack of car park. Extremely busy shopping strip, even lack of parking inside the shopping complex at the corner of Princes HWY. Condition of road, lots of pot holes due to lack of maintenance, over development, and removing the crossings. Excessive amount of rubbish around the area where the shops are.
Dec 01 16 06:16:34 pm	Duplicate stores (chemist warehouse)

	Sad that the newsagent closed Charity subscription hawkers. (Happy to donate, but they are intrusive) So many Asian stores popping up that seem to be to ship herbal medicine or baby formula overseas.. they look like mini warehouses.
Dec 01 16 06:39:40 pm	although there is a bike lane and a 40km speed limit, cyclists persist in riding on the footpath in the shopping centre and at speed, it is only a matter of time before a toddler or old person is injured or killed. The council needs to be pro-active in solving this danger by having a blitz by bylaw officers. Current "no riding" signs are totally ineffective and should be painted on the footpath which is where people look, not up in the air, as was done years ago and also very effectively in Sydney Rd Coburg/Brunswick.
Dec 01 16 07:43:36 pm	Too many cafes/restaurants particularly asian at expense of other cuisines. Lack of parking. Overcrowded footpath with pedestrians, hordings, cafe seating 4 sets of traffic signals between dandenong and neerim roads Carnegie central shopping centre has one car exit, potential death trap
Dec 01 16 09:00:46 pm	Congestion caused by railway crossing.
Dec 01 16 09:01:07 pm	No more dumplings! Plenty to choose from!
Dec 01 16 09:12:23 pm	Too many restaurants of the same type , needs more diversity. No bars other than the Rosstown, would be great to have a wine bar or a brewpub. Too many outlets for shipping goods to China. No good deli anymore. Basically a lack of planning for commercial spaces for a vibrant shopping precinct. Too much space given to real estate agents. Too much residential development happening nearby with not enough parking so that carparks are always full and no new commercial space reserved in these new developments for shops and restaurants. Carnegie is a great central location for NE Glen Eira shopping and has advantages over both Murrumbeena and Glen Huntly. I would like to see a diverse restaurant/bar scene and some interesting shops. I would love to see a farmers/makers market in the library precinct. If you make the Carnegie shops a destination for locals, we will use it well.
Dec 01 16 11:26:22 pm	I really dislike the "shops" that are really fronts for exporting Australian goods to China. Koornang Rd will die as a shopping precinct if too many of these "shops" -are allowed. They aren't of any value to the local shopper and devalue the street as a whole in terms of making it an attractive shopping destination
Dec 02 16 12:05:18 am	<ul style="list-style-type: none"> •The lack of restaurant cuisine variety: too much asian, not enough european (greek, french, italian) or modern australian •No style across the strip, no aesthetics: need serious streetscape regulation! •Red brick walls in the street are old fashion, need fresh design •Many shops make the street look messy, some at both end of the strip drag the entire style down: don't care about the shop front look and feel, look like a ghetto area, items for sell are rubbish (mobile case/cover? drugs?), or shops are empty ie. exporting/importing to china. •Barister/solicitor Thomson & Thomson at corner neerim/koornang is useless for the strip, council need to make the most of these great location •Some asian shops on the strip and neerim road don't even bother signing in English (how can this be allowed?)
Dec 02 16 12:12:05 am	Parking pointless. Too many Asian shipping co, that could be run from an 'industrial estate' rather than prime strip space
Dec 02 16 02:55:35 am	Some clothing and more upmarket home styling wares, a Coles instead of 2 x Woolworths, easy acces to shops for Mums with prams (no steps),
Dec 02 16 07:44:25 am	Proliferation of cheap shops, vitamin shops and multiple discount pharmacies
Dec 02 16 09:09:01 am	Due to the growth of the area little consideration has been given for parking.

Dec 02 16 09:10:50 am	The congestion is pretty terrible. But hopefully that will be improved by the removal of the level crossing!
Dec 02 16 09:21:33 am	Parking is a nightmare, especially after 6.00pm, if you want to quickly get something at Woolworths, you can't unless you walk. It's sad there are now so many shops that are no longer proper shops, just places packing up vitamins to send to China.
Dec 02 16 10:02:16 am	The traffic from the boom gates!
Dec 02 16 12:10:10 pm	Insufficient car parking spaces.
Dec 02 16 12:26:26 pm	can't wait for boom gates to be removed from railway
Dec 02 16 12:38:18 pm	potentially more variety in food stores, cafes that are open longer in the afternoon - till 5/5:30
Dec 02 16 01:05:49 pm	Too many asian restaurants & other, it needs variety-it's like being in Springvale! It's too hard to get parking so it's quicker to walk.
Dec 02 16 02:23:16 pm	Stop adding new chinese courier shops, they are a major problem, and if they continue to take over, the shopping strip as we know will be destroyed.
Dec 02 16 03:25:11 pm	Whilst I love Asian food and don't want to see it go, there are many of the same cuisines that are over represented. Perhaps there could be more variety in cuisines. Also I think we need a health food store (similar to sunnybrook or Aunt Maggies). Perhaps also a book store. In addition, parking is becoming challenging on the weekend due to the increase in number of residents occupying the newly built apartments. This could be addressed
Dec 02 16 05:06:34 pm	PARKING - never used to have a problem getting a park now I struggle all the time. Too many people living here due to over development is the issue! Not so many Asian restaurants - love the food but want more variety.
Dec 02 16 07:20:13 pm	Get rid of the old shops that serve no purpose and get rid of the pedestrian crossing. Everyone j walks as it is
Dec 02 16 07:23:41 pm	Not enough parking Too many restaurants of only Asian cuisine - need more diversity
Dec 02 16 08:10:48 pm	Limit the number of ASIAN restaurants/ cafes. A greater variety of shops. THE NEWS AGENTS HAS CLOSED!!!!.....a retrograde step in Carnegie community.
Dec 02 16 09:39:36 pm	Too many Asian restaurants
Dec 03 16 11:28:22 am	realign the traffic light sequence at Arawatta St 40km limit 24 hrs 7 days Koornag Rd between Dandenong Rd & Neerim Rd a system to stop people dumping rubbish almost every night and especially on weekends at the Salvos store cnr Koornang & Neerim - a disgrace
Dec 03 16 12:07:43 pm	The retail shops are not for me so about half the shops i wouldnt use
Dec 03 16 01:07:24 pm	Buildings are becoming tired with age
Dec 03 16 01:11:04 pm	Will be good when the level crossing removal is finished!
Dec 03 16 01:39:39 pm	Emergence of beggars on the street Lack of variety in restaurants Fresh food retailers getting priced out by rent rises New developments being approved with shops presenting active street frontages but then being used as international shipping/distribution. These uses are not permitted within a Commercial 1 zone and should be monitored.
Dec 03 16 01:48:27 pm	Traffic too busy. Can't park very easily. Perhaps shaded areas in new library frontage
Dec 03 16 02:34:16 pm	Parking is hard Lack of verity of restaurants

	<p>Over crowded Hard to walk into restaurant and get a table Too many apartments Homeless people on footpath</p>
Dec 03 16 04:42:15 pm	better public toilet access
Dec 03 16 04:58:50 pm	Too many dumpling shops- losing variety
Dec 03 16 05:25:18 pm	<p>I hate the way the government railroaded (ha ha) the rail above road in this area when the Frankston line (after Caulfield) got the below road version. Of course we all know why, the rich live around the North road underpass etc.</p> <p>Didn't expect anything else.</p>
Dec 03 16 06:02:26 pm	Too many apartments now, and parking is a nightmare. More trendy retail shops like minta and co would be nice. A toy shop too.
Dec 03 16 06:31:54 pm	Better pedestrian access, more interesting food outlets, decent cafes, better parking
Dec 03 16 08:24:38 pm	<p>I'd like to see more variety in shopping. There's very little in good quality clothing, homewares and books (especially books!). Great restaurant options but would also like to see more cafes and coffee options. Parking is a nightmare; trying to quickly park and grab a takeaway or do some grocery shopping at the Woollies after work is impossible.</p>
Dec 03 16 08:24:48 pm	<p>1) In general, The lack of greenery. We would love to see positive ways of introducing native trees and low lying native bushes to the precinct. We're kind of tired of random planting ei. Library and Koornang Rd footpath trees, and would love to see a clever, world class, approach to landscaping that will benefit the community and introduce a presence of birds and wildlife too. I hope the new level crossing area isn't a wasted opportunity in this regard. One of the most inspiring things i've seen happen in Carnegie was the recent community native planting effort on Woorayl St. However was behind this should be consulted for a potential overhaul of the entire area. How clever and cool would that be.</p> <p>2) Less 'Daigou' shops. They are popping up everywhere and are the antithesis of the Carnegie community spirit. No one know what they are or do, they're not welcoming and they're ugly. Why can't they be encouraged to lease warehouse space to pack their boxes for exporting purposes. Sorry, i know that's a little blunt but I would have to say they're probably the least inspiring thing to happen in Carnegie over the past few years. Can't there be some sort of regulation that promotes shops opening that would actually make our neighbourhood better? Every local i've spoken too seems to agree.</p>
Dec 04 16 08:37:17 am	<p>Would like a fishmonger more small cafes and less Asian restaurants. Seriously we have so many and I think it's going to one day just be restaurants, which would be a shame.</p> <p>Remove the Asian pop up shops as they look cheap and nasty plus I am sure cafes and a fishmonger would thrive.</p> <p>Would like the parking at Woolworths patrolled as now there are so many new residents in apartment blocks, you can never get a car parking space. I've seen cars parked there all day and I am sure the removal of the train station car park hasn't helped this.</p> <p>A new car park at Woolworths would be ideal - multi storey to give more space for the growing number of residents.</p>

	<p>With the removal of the train crossing a park would be great in that area. Koornang park is great and just across the road from us, but somewhere for the kids to go in the village would be great.</p> <p>Why don't we call is Carnegie village, to create a family friendly atmosphere...</p>
Dec 04 16 10:13:11 am	<p>Lack of parking Lack of diversity Please actually police the no U turn signs!</p>
Dec 04 16 02:47:08 pm	I would love a bar!
Dec 04 16 03:50:48 pm	cleaner street and paths less parking in main rd .
Dec 04 16 04:41:54 pm	More retail shops, more cafés
Dec 04 16 05:19:29 pm	Level crossing. Traffic problems. Dilapidated shops. Unkept shops.
Dec 05 16 11:47:03 am	The restaurants are a bit same as.....
Dec 05 16 05:44:03 pm	Some shop fronts are quite run down. Some asphalt needs to be resurfaced.
Dec 05 16 06:44:44 pm	bins emptied more often, recycle bins needed, more high rise development on Koornang Road, more office space on Koornang Road
Dec 06 16 12:05:57 am	Too many "average quality" dumpling places and very mediocre food places
Dec 06 16 02:13:56 am	The traffic light sequence at Koornang/Rosstown and Koornang/Arawatta needs to be changed for pedestrian movements. Often the vehicles are stuck in congestion, waiting for the boom gates but pedestrians are forced to wait. Long waits are causing people to jaywalk which makes it even more dangerous.
Dec 06 16 07:53:47 am	The back of the restaurants on the library side carpark are unsightly and smelly, the whole shops area could be more bike friendly
Dec 06 16 08:40:08 am	I would like to see the whole area re thought with a complete update of how it look and what it offers to all.
Dec 06 16 12:14:30 pm	I don't like people constantly double parking along the road while dropping people off. It creates traffic hold ups.
Dec 06 16 12:38:36 pm	Although it is great to have such a choice of restaurants - it would also be good to have a variety other retailers - good quality homewares, book shops etc. Also, a number of the shops take very little care in their presentation - window designs etc. A good tidy up with attractive/appropriate signage would be good. Public art is also needed in Koornang Road
Dec 06 16 01:42:00 pm	<p>too many asian cafes. not enough diversity.</p> <p>I want to see restrictions on number of each type of cafe/restaurant.</p> <p>I want to see much more italian/ greek influence.</p>
Dec 06 16 01:44:42 pm	better parking
Dec 06 16 02:49:34 pm	The removal of the level crossing will be a big (positive) change for the area. At present the traffic can be frustrating largely because of the pinch point of the level crossing. Also the shopping strip seems divided by rail - bring the northern and southern halves together is important for positioning Koornang Road and surrounds as a genuine single, mid-size retail/dining/commercial area of the South East. I would be happy to see the shopping strip "spill over" properly into Neerim Road, the eastern end of Rosstown Road, etc. In the longer run a tramline extension up Koornang Road, to link Tram 67 with the Carnegie Rail Station would be good.
Dec 06 16 04:20:37 pm	Asian food great, but too many Asian restaurant, too few of any other type of restaurant.
Dec 06 16 05:13:56 pm	More eateries and wider selection of cuisines and a seven eleven
Dec 06 16 07:21:30 pm	Would like Cafe/restaurants to have trading hours
Dec 06 16 07:36:32 pm	Too many Asian courier stores, would love to see a wine bar and more

	European restaurants
Dec 06 16 08:01:02 pm	No metered/paid parking in the car parks behind the shops.
Dec 07 16 08:38:49 am	Needs much more parking, it is often very hard to park. Needs a multi-storey car park - free for the first 2 hours of parking. Also needs a fresh fish shop and a shop that sells refrigerated and frozen Kosher food. The supermarket sells Kosher food on a regular shelf only.
Dec 07 16 01:30:53 pm	The shops can be open until a little later in the evening maybe..
Dec 07 16 03:46:25 pm	There are too many like type restaurants. Would like to see a few more clothing outlets, no more \$2 shops and a few different types of restaurants.
Dec 07 16 03:46:55 pm	I think there are to many Asian restaurants I like them but I think there could be more variety. Footpaths need to be improved quite dirty and needs a upgrade. The back of the shops in front of the car park by the library are dirty they need to be cleaner food scraps everywhere.
Dec 07 16 08:44:26 pm	Love the mix of restaurants. I don't like the Asians shops that only advertise in their Asian language. I enjoy eating at the Asian restaurants but am not happy with the new shops (selling mostly baby food!) that everything is in Asian - how do I know what they sell- why would I support them if they don't advertise in English as well - as they are living in an English country.
Dec 07 16 09:56:41 pm	Parking. Shop owners to take some pride in their shops and shop fronts. Not plaster them with rubbishy posters and signage resembling a ghetto. Tree planting, this can add greatly to the street scapes including the main street. It's not rocket science, choose the right plants(not natives)
Dec 08 16 11:15:46 am	I love the sky rail. I can not wait for it to be finished should take the pressure off Koornang road so traffic can flow smoothly and with out interruption. The sky rain will future proof the roads along the Cranbourne and Pakenham train lines.
Dec 08 16 11:25:22 am	like the removal of railway crossover and skyrail concept to keep trains moving until new system is ready. There would have been more disruptions with an underground system plus it might flood as other areas do e.g. Windsor Station.
Dec 08 16 08:01:30 pm	More car parks
Dec 08 16 11:58:15 pm	A ban on plastic bags! Encouraging shoppers and community members to use reusable shopping bags.
Dec 09 16 03:15:33 pm	I don't like all the restaurants. No parking any more. The strip lacks atmosphere. Need more greenery. We have lost so many beautiful trees it is a disgrace. The strip is old and tired. Needs a lot more diversity. Basic shops again but not second rate cheap shops. Too many of them. Carnegie on a whole is always dirty with garbage everywhere.
Dec 09 16 03:31:00 pm	More greenery Better retail More cafes / bars Greater variety of cuisine (Mexican would be good) Green open space linked to outdoor dining areas
Dec 09 16 04:02:32 pm	Lately I have fallen out of love with Carnegie. The deli and the newsagency have left and the fruit and vegie shops are average quality and one is not cheap. I used to go there and get everything I needed for the week but now I have to go somewhere else for anything from a newsagents and a deli and I tend to go elsewhere for fruit and vegetables. The worst thing is the parking in the early to late evening. I tend to go to the supermarket on my way home and by about 6.30-7 pm the supermarket car parking is full and hardly any of the cars are moving. It's getting very annoying not being able to access the local supermarket with ease. I am a twenty minute walk away so sometimes I walk there. There

	are not many places to park a bike without feeling as though you are getting in the way of the pedestrians.
Dec 09 16 04:48:02 pm	More parking
Dec 09 16 04:55:51 pm	Not enough variety in places to eat. Too many dumpling and variants of Asian restaurants More family friendly eateries An icecream shop More parking available
Dec 09 16 04:57:31 pm	The level crossing removal will be brilliant. We're becoming more crowded with so much development so perhaps more public transport connections to take the pressure off parking
Dec 09 16 10:07:30 pm	Level crossing to be removed asap. Too much property development in the area. Big apartment blocks are eye sores and ruin the classic look of the suburb. There are many streets in the area now being taken over by apartment blocks.
Dec 10 16 10:04:18 am	Removal of level crossings to minimise traffic
Dec 10 16 12:10:10 pm	Would like less duplication. We only need one 2 dollar shop. 1 fruit shop. Less dumplings (though we love them)
Dec 10 16 01:15:25 pm	I think there needs to be another decent butcher. I'd also like to see some of the dodgy shops that seem like fronts for something else removed. Finally - I'd love a wine bar or something... there are so many young families with parents that go on date nights to the high street that are DESPERATE for somewhere cool to go for a glass of wine!
Dec 10 16 03:53:39 pm	More local art depicted on buildings, telegraph poles, more xmas decorations and more festivity ... It's a community village and maintaining that sense of vitality is important
Dec 11 16 09:29:29 am	There are too many restaurants of the same type. There is not enough parking. We need more everyday shops to buy goods like clothes and other household items. We are forced to go to Chadstone.
Dec 11 16 01:55:48 pm	Not much greenery. Very few trees.
Dec 11 16 05:58:28 pm	Too many restaurants crowding out everyday shops
Dec 11 16 06:14:48 pm	The whole street needs a refresh and is not clean, and tidy and beautiful such as Centre rd Bentleigh. I think it lags behind. It needs more greenery. There is one tree and there needs to be another tree on the opposite side of the road matching it. The brickwork cemicircle times two needs an update, maybe some more mosaics there and sitting areas improved. Many people congregate in Carnegie shopping strip and there needs to be more seating for them such as elderly and disabled. It looks tired and dishevelled as I mentioned before compared to Bentleigh shopping strip. If it was refreshed, more trees and more seating and levelled up to Centre rd Bentleigh then that would be a great start. The arcades need looking at also. They are dark and dingy. The childrens playground at the library is ugly. The treed area, including the seating, however, has been completed very nicely. It looks beautiful. If you followed this type of design throughout the strip, then that would look fantastic. I really do think it looks a mess. I am so pleased this strip is being examined as for a long time as a Carnegie resident, I have been very disappointed in it. I would like to see a couple of bars to improve the nightlife. Nothing major, or too late. The strip could accommodate some later opening venues.
Dec 12 16 02:20:12 pm	More diversity- no more dumpling places or shop fronts for selling formula/vitamins overseas, way too many! More parking required

	News agency and deli re opened M
Dec 12 16 04:28:28 pm	Nothing
Dec 14 16 03:36:48 pm	Several road intersections on the strip have become very congested and I have personally been a witness to a few near-misses in the last 6 months. These intersections would certainly benefit from an upgrade after review by professional urban planners, i.e. installation or upgrade of traffic lights. The intersections are: 1) Morton Avenue & Koornang Road 2) Neerim Road & Koornang Road
Dec 14 16 09:37:51 pm	Once the train line is removed I would love to see greater integration of the northern side of the strip. Once the crossing is removed though I'd also be worried about a increase in road traffic. I'd like to see this mitigated if it becomes problematic.
Dec 15 16 12:59:07 pm	Trees need to be retained. Updated community art projects would be nice. A popular theme would be how the Ixra came to town and ruined it.
Dec 15 16 08:59:06 pm	The long wait for the level crossing
Dec 16 16 12:06:19 pm	too many asia dispatch stores/powdered milk/vitamins giving no benefit to the wider community and a poor visual
Dec 16 16 02:04:25 pm	TOO MANY DUMPLING STORES! Really - we need diversity not a plethora of single cheap cuisine stores. I understand the increase of apartments means people want cheap takeaway or on store food but surely not all the same. The parking at peak periods has become unworkable. Not enough space. The design of the carpark near Safeway is bad. Too small turning circle.Bad visibility out onto Kookarib Rd
Dec 16 16 02:07:53 pm	I would like to see some wine bars/more cafes and more multicultural restaurants not just of the Chinese variety
Dec 17 16 07:35:05 am	Uneven footpaths, some sandwich boards in the walkway, some pedestrian congestion
Dec 17 16 09:00:42 am	Parking
Dec 17 16 09:36:01 am	Less \$2 shops selling junk. More vibrant and cultural appeal such as art work or performances. More promotion of local Australian made goods or products. Make the area more of an active transport zone. The last thing I would want to see is multi storey car parks around Carnegie station which would create even worse traffic. Make Koonang Road a destination to stop or ride your bike or walk and less traffic. The station areas should promote active transport not people driving and parking at or in the surrounding streets so council need to implement permits to stop this happening or some such strategy. I am concerned with the elevated train tracks will enable drivers to cut through all the minor side streets to pass through our neighbourhood, given the train track currently funnels cars through the level crossing areas removing all the train lines will mean all the street could become through areas if people have the opportunity to cross via parking areas underneath the rail line to get to the streets on the other side. The traffic situation will not be improved by moving the rail crossing but will open up a whole new disaster for local residents all along the tracks
Dec 17 16 10:26:51 am	Fewer pop-up Chinese shipping/box shops - they look bad/unfinished.
Dec 17 16 02:40:19 pm	Better parking south of the railway line Better traffic flow
Dec 17 16 06:10:26 pm	Parking facilities
Dec 18 16 01:09:39 pm	More independent retail shops - bookstore / clothing / homewards. Less bad

	food outlets that aren't thriving - I.e Pan Pan Chinese
Dec 18 16 10:23:31 pm	No more residential development. Improved parking for supermarkets at peak times. Rail line to go underground.
Dec 19 16 09:03:13 am	Library Aldi
Dec 19 16 11:10:21 am	nothing
Dec 19 16 11:19:45 am	sitting/ play ground
Dec 19 16 11:27:41 am	less parking spots
Dec 19 16 11:34:44 am	N/A

Dec 19 16 11:44:32 am	nothing
Dec 19 16 11:46:20 am	N/A
Dec 19 16 11:48:39 am	cleaner public toilets
Dec 19 16 11:54:38 am	would like more car parks so people can park and enjoy the shops more
Dec 19 16 12:04:25 pm	so many limited parking spots customers cant stay for long.
Dec 19 16 12:07:06 pm	difficult for finding parking
Dec 19 16 12:12:19 pm	accessibility
Dec 19 16 12:22:42 pm	permit parking for residents
Dec 19 16 12:31:26 pm	parking is a hassle for CX5. Level crossing disruptions
Dec 19 16 12:37:53 pm	Parking (to many limited spots making it hard for enjoying)
Dec 19 16 12:47:03 pm	news agency is gone
Dec 19 16 12:48:52 pm	nothing
Dec 19 16 12:51:57 pm	traffic
Dec 19 16 12:53:50 pm	too many food restaurants
Dec 19 16 12:59:44 pm	not too many Asian restaurants
Dec 19 16 01:02:27 pm	more parking
Dec 19 16 01:05:53 pm	I think its good as it is
Dec 19 16 01:09:43 pm	more kids activites
Dec 19 16 01:12:58 pm	nothing. maybe ice cream and fresh fish
Dec 19 16 01:15:09 pm	customers decreasing

Dec 19 16 01:35:37 pm	more car parks
Dec 19 16 01:36:53 pm	
Dec 19 16 01:40:30 pm	2hour limitation parking so local flats don't use it
Dec 19 16 01:43:34 pm	N/A
Dec 19 16 01:47:03 pm	I am thankful for everything don't change
Dec 19 16 01:49:12 pm	parking
Dec 20 16 03:50:39 pm	More carparking! Stop the residents of the apartments at the corner of kokaribb and neerim roads from parking their cars in the safeway carpark!
Dec 20 16 08:58:27 pm	Too many Asian restaurants. Love Asian food but a bigger variety of places to enjoy food/ drinks with different cuisine would mean we could go out locally more often and not have to leave the area.
Dec 21 16 07:38:15 pm	Ice cream shop Wine bar Steakhouse

Dec 21 16 11:20:20 pm	Diversity of places/shops to attend.
Dec 22 16 12:00:50 am	with the rapid growth in our suburb, there is a huge shortage in parking places, which is rapidly becoming a major issue any time of day now
Dec 22 16 11:52:44 am	Repave the intire airea, with sandstone bricks. Remove the doggy asfelt and red bricks. On the strip and a joining streets. Mornington did this a few years back and it looks fantastic. Airy and bright. Plant more trees on the strip and a joining streets Restrict the amount of simular restaurants, add more galleries, retail out lets and a bar or two.
Dec 22 16 02:22:40 pm	Removed parking to have more space for outdoor seating and greenery. More pedestrian friendly. Greater variety in stores. More options for bars with slightly better nightlife
Dec 22 16 08:48:44 pm	Overkill of restaurants selling the same food
Dec 23 16 01:21:05 pm	Too many packaging/postal places that exist purely for sending goods to China. These DO NOT belong in a street such as Koornang Rd and do not benefit the local community in any way. Also too many dumpling eateries.
Dec 23 16 01:44:26 pm	more greenery/trees. Less traffic. Better lighting/safety around carparks and laneways (e.g. the lane between koornang rd and woolworths carpark (near chemist & slave 2 the bean), should have better lighting and CCTV so it's safer to walk down at night alone.
Dec 23 16 08:02:16 pm	A grass area.
Dec 23 16 10:35:02 pm	It's all good
Dec 24 16 06:19:24 am	Level crossing removal will be good.
Dec 24 16 10:17:31 am	More trees, wider footpaths. Maybe some colored pavers to give it some warmth. Avoid it becoming a traffic sewer once the level crossing is gone.
Dec 24 16 09:58:08 pm	Traffic speed, too many crazy mind driver, u turn as well speed on the road. We have many young kids around neighbourhood walk to school, hope can keep them safe from road.
Dec 25 16 12:28:25 am	Better shops. Wow to a decent shoe shop, women's clothes & better variety. Fruit shop I haven't visited butcher neither. Just so limited. Now lincraft at a Chadstone may not even go to 'Plaza'.
Dec 25 16 10:47:31 am	Cycle Lane Solar lights in streets Tennis court refurbish
Dec 25 16 06:15:10 pm	More events auch as weekend markets by the library, a few small bars so we dont have to go elsewhere for a drink, security cameras would be good too. Once level crossing is removed it would be good to make better use of area between train line and dandenong rd. It is not as nice as the rest of the area. While space is limited, parking does need to be expanded. I sometimes drive there rather than walk to save time but it can sometimes be longer because you cant find a parking space. While the area under the skyrail should be parkland, possibly another 50 parking spaces could be created (in addition to a new train station car park).
Dec 25 16 06:48:49 pm	Laneways connecting car parks to strip need 'beautifying'. Cafe's open until 5:30. Southside safeway car park needs better flow
Dec 26 16 04:28:51 pm	Too many asian restaurants, whilst they are good and there are some other options, there arent many nice dinner restaurants that are not asian.
Dec 26 16 07:01:09 pm	Carnegie has lost its variety. So many stores have become dumpling ir korean bbq places so there's very few take out options left. There's also very few actual retail stores, food is the main focus. Also an increase in drug addicts in the area makes it feel less safe.

Dec 27 16 09:45:59 am	More outdoor eating , easier access to the car parks and we need a great cake shop that is open until late for an after dinner coffee and cake.
Dec 27 16 08:11:33 pm	Not enough food options, a lot of the same Types of food
Dec 29 16 09:36:45 am	Lack of green space, trees and greenery. Like a bit more diversity in restaurants and businesses.
Dec 30 16 01:24:59 am	I don't like the lack of retail diversity and the lack of parking. The over development of nearby suburban house blocks into apartment towers (some of which have zero street appeal and are cramped and shoddy) has put undue pressure on the parking both during the day and at night. I would also like to see an active campaign to attract more appealing retailers - the quality and range of offerings is not widely appealing atm. I would also like the overseas courier shops moved away from the main shopping precinct as they are not doing anything for the local community (plus often have no english signage).
Dec 30 16 04:13:09 pm	There are a heck of a lot of dumpling places - we could do with some variety. Really sad to see the Greek deli close this year and to loose yet another butcher. Santucci being sold was a big loss - There is a lot of Rita in the personality of our street. The Christmas festival is a shadow of its former self. It used to bring people out in droves... But now it is just some miserable parents trying to keep their kids calm while they stand in massive cues for face painting / balloon twisting. There wasn't even Christmas carols on the speakers in the weeks before Christmas this year - it use to feel festive. What ever happened to the brass band that did mother day / Father's Day etc?
Dec 30 16 11:59:56 pm	Too many asian restaurants - would like more of a mix!!
Dec 31 16 09:49:09 am	More diversity in terms of perhaps small clothing stores, shoe stores and a general clean up. Stroll down the Main Street on a Sunday afternoon and its filthy!
Jan 01 17 08:00:46 pm	The streets would be cleaner and some shops look poorly maintained. Better lighting at night is needed.
Jan 01 17 10:43:11 pm	Limited variety of shops - lots of chinese export shops, but no quality book shop, homewares, florists, etc
Jan 01 17 11:49:13 pm	There are too many dumplings restaurants. Want to see more bars, cafes and other cuisines other than dumplings.
Jan 02 17 06:41:15 pm	Could do with a little more variety of food, there are too many dumpling and pizza eateries. Would love some more retail shops. And it would be awesome to have a couple of reataurants or bars that are open later (somewhere to go for a drink with friends after dinner kind of thing).
Jan 02 17 10:48:36 pm	NO MORE DUMPLINGS! SIX DUMPLING PLACES IS ENOUGH
Jan 03 17 11:58:15 am	I don't like that my butcher just closed down. How can we encourage people to shop locally such that other, similar, retailers don't close down? Then we will have another Lygon St, with nothing but restaurants.
Jan 03 17 05:38:54 pm	there seem to be a few obscure shops opening and i am not even sure what it is they sell... i'll go down tomorrow and see.
Jan 04 17 01:44:07 pm	More parking
Jan 04 17 04:19:58 pm	I don't like the overwhelming Chinese shops, would prefer a balance. The culture has changed too far, too quickly. The shopping strip ad lane to the Shepparson Street carpark are filthy, dumped rubbish of food wrappings

	and coffee cups.. There seems insufficient cleaning, insufficient rubbish bins and they need more frequent emptying to encourage people to use them. The entrances to individual shops are dirty, people no longer seem or sweep their entrances to make them attractive. The Traders should step up here. Signs in shops only in Chinese... The variety of shops, which make an area interesting has gone. Balance in all things is important.
Jan 04 17 08:52:40 pm	The level crossing removed. Also a revamp of the benches along the road & one trees/greenery.
Jan 04 17 11:40:31 pm	Demolish skyrail when it's built
Jan 05 17 07:58:49 am	I would like there to be more options for a drink on a friday or saturday night, a dive bar or a wine bar
Jan 05 17 08:03:07 am	Improved market for groceries delis and butchers, a mini market
Jan 05 17 11:41:31 am	overall aesthetic
Jan 08 17 01:02:53 pm	Too many Asian restaurants and two-dollar shops. Not enough trees. Closure of speciality food shops for yet more Asian restaurants (although some are delicious!).
Jan 08 17 02:41:07 pm	Lack of parking.
Jan 09 17 01:40:52 pm	More (or one!) independent bars that serve craft beer. Better public play space with more natural materials - the book worm playground is dated and hot and not terribly engaging for families to meet at.
Jan 09 17 01:51:18 pm	More diversity in restaurants and food outlets Pie/bakery shop where you can get a quick sandwich Bar for a drink No more dumpling or korean restaurants, we have more than enough! More name outlets like priceline...dont need 2 chemist warehouse. No more cheap \$2 stores.
Jan 11 17 03:11:49 pm	More diversity in types of restaurants and shops.
Jan 11 17 04:45:00 pm	The amount of rubbish and donated stuff that is piled outside of the Salvos each night and more so every weekend, is a major eye-saw. I appreciate that people want to pass on items they no longer need but the overflow detracts from the area greatly and attracts rummagers. I also feel for the poor staff who have to sort thru it all!
Jan 12 17 06:39:14 pm	More car park please... I don't like seeing a lot of homeless and junkies around felt insecure for my family with kids
Jan 14 17 05:47:35 pm	Too many dumpling/noodle/asian bbq restaurants. Not enough variety in eateries. No nightlife or place to meet for coffee in evening. Needs traffic lights at kokarrib and Neerim roads as so much more traffic now due to apartments being built.
Jan 14 17 06:04:44 pm	Dirty footpaths (pidgeon droppings, dog poo, spittle, paper rubbish), homeless people lying in doorways or begging, touting outside restaurants, smelly rubbish bins.
Jan 14 17 08:31:43 pm	more parking
Jan 16 17 01:33:04 am	Glad the level crossing is going. Street looks hard
Jan 16 17 05:02:49 am	Less overseas shipping/packaging shops, less Chinese/Korean cuisine, more diversity in terms of offerings - more cafes, clothes shops, gift shops etc.
Jan 17 17 02:01:54 pm	Perhaps an option of more parking - though where this would occur I am at a loss. The increasing density around the transit corridor appears to have done little to abate the growing traffic in the area - That said, I am also a strong advocate of increasing the space put to Water Sensitive Urban Design principles - i.e. lose one or two street car parks to more vegetated biofiltration systems and street trees with permeable pavement etc - this would also go a significant way to reducing some of the

	<p>pressures placed on the Elster Creek Catchment as we were recently reminded.</p> <p>With the train removal going ahead, there is a great opportunity to open this land up to more green space that could be functional year-round with minimal maintenance (in deed ZAM zero additional maintenance of wsud features is fast catching on in many LG areas).</p> <p>I think Leftfield has been able to demonstrate that Carnegie and the surrounding area is capable of delivering sophisticated, up-market eateries - i would like to see more of this included along the strip - and a wine bar... ahh to have a sophisticated wine bar within walking distance...</p> <p>As for the appearance of the strip, this warrants a refresh - I liked the sense of community connection that the tiled walls provided, something similar to this would be nice - to improve the village atmosphere..?? some public art by locals etc.</p>
Jan 17 17 09:42:20 pm	Too many junk shops. Too many new cheap Chinese shops. We need some greenery and art work... The area needs some beautifying.
Jan 18 17 07:06:17 am	More bicycle infrastructure. The cycle lane puts you in danger of being footed and pedestrians don't see it because it's not a different colour. A few more late night eateries. Accessible public toilets after 9pm.
Jan 18 17 10:33:13 pm	Too many food venues, not enough parking, and with more units being built it can only get worse. The area is starting to smell of rotten food. There needs to be greater control regulation of waste removal.
Jan 19 17 09:27:26 am	<p>Small business being forced to close - we've lost the deli, a couple of butchers and the new smallgoods place, which is a shame as they contribute to the variety of products on offer. Everything seems to get replaced with dumpling restaurants. I like dumplings, but how many does one street need?</p> <p>Also the number of "cash only" restaurants - all the EFTPOS machines in Carnegie must be broken!</p>
Jan 19 17 10:23:05 am	More open space/plaza to have a rest. Rear of shops should be allowed to be developed for more retail space. New train station should be integrated with all the local bus stops: 623, 624, 626, 900, 969.
Jan 19 17 02:54:53 pm	<p>It's very dirty</p> <p>Needs more trees or greenery</p> <p>Too many restaurants the same</p> <p>No newsagency at the moment</p> <p>Not enough parking</p>
Jan 19 17 04:19:18 pm	<p>The restaurants and cafes dominate with less of other more traditional shops. I'd prefer more variety of shops so that the street looks open and lively all day. At the moment, in the morning many businesses are closed.</p> <p>I'd also like a requirement that all shops have their name in English as some businesses only have a foreign language. Foreign languages are fine but there should be English versions at all premises as well.</p> <p>Finally, I'd like all premises to display street numbers.</p>
Jan 19 17 11:23:52 pm	The properties in the shopping strip are very expensive, so some shops are closing because the rent is too high. I do like all the cafes that have been established in Carnegie, making it an "Eat Street" for young people. I like the 40 km hr limit on the road.
Jan 20 17 12:03:42 pm	<p>Car parking, particularly with the railway works going on - it has been a problem with commuters cars in local streets, but now very difficult to park to shop etc. Hopefully will improve when rail project is finished.</p> <p>We have a large number of restaurants and food outlets (which is great) but there needs to be more diversity- we have more than enough Asian style.</p>

	<p>There are an increasing number of "pop up" shops who pack boxes and send them overseas, again, we have more than enough, don't need more. Needs a good tidy up, not only by council, but also some of the traders and other owner/tenants.</p> <p>Shame the Newsagent has gone, but suspect there is a story behind that.</p>
Jan 21 17 06:35:30 am	Too many stores opening selling the same thing. Appears to be a lot of cheap shops with not much on offer, almost appears as a front and faux retail outlet for something else. I would suggest limiting new stores on the strip to those that are different to the stores already there. For instance there is no need for more Korean restaurants or pizza places but a nice trendy quiet bar is missing, burger places are lacking and so on
Jan 24 17 01:56:15 pm	develop back of shops for eating, cafes, popups or small cafes in library walk through to koornang
Jan 24 17 02:58:41 pm	Parking for cars is becoming a problem as higher density living increases in the area. There is a need for additional parking frequently throughout any given week and this will probably increase when the railway crossing is removed which is likely to attract more visitors to the area. Consideration should be given to a multi level car park probably south of the library, behind the shops on the eastern side of Koornang Rd.
Jan 25 17 09:10:02 am	beggars, charity muggers, lack of parking, level crossing
Jan 26 17 12:17:14 am	Less food places, need some thought about catering to local needs.
Jan 26 17 12:02:14 pm	Not enough nightlife
Jan 26 17 02:41:34 pm	a
Jan 27 17 03:28:37 pm	<p>Significantly improved on-road cycling conditions. Bike lane is currently in door zone. Would like to see Glen Eira lead the way in reducing car use by providing best-in-class cycling and pedestrian facilities.</p> <p>Architecture/design solutions to improve street landscape – current bricks are ugly. Better seating solutions for elderly. Removal of car spaces for trees and pedestrian facilities. Solutions designed for people first, not cars. Create a village feel – not a road with shops. Break the mould and create something unique ownable to Carnegie and it's people.</p>
Jan 28 17 09:10:58 am	Lack of Christmas tree at Christmas
Jan 28 17 11:13:55 am	I do not like the packaging / export shops that pose as "retail outlets" these take the place of shops that would be useful for local consumers and make the strip less useful overall. We need much better parking - many people stopped shopping in Carnegie years ago when it became increasingly hard to access by car - this is due to traffic congestion and limited parking. I don't like too many restaurants as it shifts the activity in the street to evening - we need a balance of day and night businesses
Jan 28 17 04:02:36 pm	Despite engineering efforts drivers still travel too fast along the road. I think speed cameras should be introduced especially as the traffic will increase with the rail overpass. I also think the speed limit should be reduced to 30km/h, as many other jurisdictions have this to be a good limit in such areas (there is plenty of academic research and successful practices of this). I also think this should be the permanent 24 hour speed limit as it would be better for the night time economy - Something that should be encouraged with the shifting demographics and work practices.
Jan 29 17 09:26:45 am	<p>I do not like the Asian pack and post shops - milk powder and vitamins - they are not inclusive to the community as a whole and take away space that could be used by a business that serves the whole community better.</p> <p>Also I do not like hearing from other businesses that they are having to pay so much rent it makes me nervous that we will lose more good shops/restaurants.</p>

	I do not like all the continuous development going on - the noise, the trucks, and the constant dust is awful surely there are enough flats now - please stop.
Feb 01 17 01:36:19 pm	<p>I don't dislike all the cafes and eateries but would like to see an ICE CREAM PARLOUR. Families would love it.</p> <p>Now that Dairy Bell is no longer (and it was out of our municipality) the closest is Elsternwick where there are two.</p> <p>Would be great for the shopping strip.</p> <p>Also, the newsagency has closed down. What a shame.</p> <p>A good, proper deli would be an asset.</p>
Feb 01 17 08:58:54 pm	<p>The brick walls and run down look of the street scape need to be modernised and fixed. Create an inviting space.</p> <p>Too many Asian vitamin stores that have no signage in English. This alienates the majority of people walking on the street.</p> <p>Buskers at the library forecourt to make it 'happening'</p> <p>An actual bar would be good!</p>
Feb 01 17 09:51:04 pm	SKYRAIL!
Feb 01 17 10:59:14 pm	An ice cream shop!
Feb 03 17 01:54:17 pm	The section between the railway and Dandenong Rd needs some work to make it more pedestrian friendly and appealing to shoppers. It's not appealing as it is.
Feb 03 17 10:13:18 pm	Too many cheap Asian restaurants and shops geared at student demographic. It needs a few more upmarket clothing / homewares stores, a good continental deli, few more nicer restaurants, a good butcher. The two that are there are closing down due to high rents which is a shame.
Feb 04 17 01:30:30 pm	Less international pick and pack chemist. I count at least 5 stores when I walk pass everyday. These stores are better suited for local community stores.
Feb 05 17 12:07:39 am	Pedestrians and public transport users desperately need Vicroads to change the timing on Koornang Rd lights once the level crossing no longer provides safe passage. Currently commuters who need to cross to catch a train need to wait for around 3-4 traffic cycles for a green light at Rosstown Rd. Similarly, I have seen elderly people at the Arawatta street lights just give up and run in front of traffic after waiting unbelievably long times for a green signal. This will become a dangerous situation with our aging population. Pedestrians should have FAIR treatment.
Feb 05 17 09:04:43 am	less fast food chain stores - ie. pizzas, more niche retail shops
Feb 05 17 04:10:15 pm	It has too many restaurants now. There beginning to be a lack of essential shops. Butchers deli green grocers. It's all Korean Indian and Chinese restaurants dumpling shops and groceries. Hard to find parking for shopping as all spots are full for hours with restaurant goers. Killing the goose that laid the golden egg
Feb 06 17 11:50:14 am	<p>too many similar restaurants. Each week restaurants are replacing other shops eg newsagent and butcher.</p> <p>Too many restaurants will kill the retail strip</p>
Feb 06 17 12:46:33 pm	Hate the traffic, pissed off about the lousy traffic management, inadequate and substandard parking especially on-street parking, all the towers and other multi-unit development that are replacing Edwardian homes and California Bungalows, inadequate drainage, loss over time of diversity of shops and services to be replaced by yet more food outlets, congested

	footpaths were pedestrians have to squeeze past tables and chairs of street traders, no green public open space worthy of the name, lack of trees providing a canopy, unsignalized intersections where drivers routinely perform illegal and/or dangerous maneuvers
Feb 06 17 01:12:32 pm	More open space and better use of it around the library. Also more street fairs and pop up events
Feb 06 17 02:26:13 pm	There are far too many Asian export shipping shop fronts being opened up. There is not a lot of diversity in what is on offer. There are eateries, mostly same same asian, but apart from that, there isn't a lot of variety in the shops. There are hardly any retail shops. I feel that the current strip caters for either students or elderly people. The local butcher shops are rude and have not kept up with the more modern thinking of offering more free range products. Sadly, the newsagent closed which was one of the last bastions of strip shopping. I hope that it won't be replaced by yet another shipping shop.
Feb 06 17 03:52:10 pm	I don't like to see the closure of shops that do provide for regular needs, eg butcher, delicatessen, newsagency
Feb 06 17 05:06:15 pm	Like to see more diversity in restaurants/cuisine. Less dumplings, more of everything else.
Feb 06 17 05:43:58 pm	We don't like the proliferation of Asian restaurants, particularly dumplings. The lack of trees. The lack of variety in retail. People doing u-turns The ugliness of new buildings and the rapid turnaround of shops. Too many cheap shops, not enough quality shops
Feb 06 17 05:53:41 pm	Too many cheap shops Too many asian restaurants Advertising in Chinese only Trucks Smoking
Feb 06 17 06:11:41 pm	When I first move here over 10 years ago, it had far more quirky little retail shops. These have now been replaced with Asian eating places. Gone are the nice little shops. Not even a newsagent anymore.
Feb 06 17 06:28:50 pm	More diverse stores e.g. only one pub in the town. More variety of restaurants e.g. very Asian focused - would be nice to see different genres
Feb 06 17 06:41:44 pm	extend pedestrian strip
Feb 06 17 06:57:40 pm	Constantly waiting for the train is a pain which I know is in the process of being changed. The lights to turn onto Koornang Road from Princess Hwy are too short and often take 3-4 lights to turn in traffic. I would love to see a great ice cream shop open up. It would be nice to have a couple of nice clothing shops open up eg. Witchery, Country Road.
Feb 06 17 06:59:40 pm	The current relatively relaxing atmosphere should remain
Feb 06 17 07:05:16 pm	Too many Chinese restaurants and hairdressers, not much variety
Feb 06 17 07:20:51 pm	Pedestrian lights on corner of Rosstown rd and Koornang rd take far too long. More retail stores
Feb 06 17 08:44:55 pm	Please try to improve the postal shops with blind shop windows, and the vitamin stores that aren't accessible to the broader community. I am glad that chinese people are part of the local community, but these shopfronts are an eyesore.
Feb 06 17 08:46:31 pm	We need to have a plan for what we want the strip to be, once we know then we should regulate to the extent we can the types of shops that can be opened. There is a really weird mix of shops currently. There is an opportunity to bring more people to the strip if it had a great variety of eateries and lifting the quality of the outlets.

Feb 06 17 08:47:30 pm	More green space, more trees.
Feb 06 17 09:41:45 pm	I worry that it may become too gentrified and loose the broad multicultural mix and older population and raise shopping prices. Also I don't want to loose the relaxed, creative atmosphere as the artists are a big part of what makes it interesting and cool.
Feb 06 17 11:26:35 pm	nothing
Feb 07 17 12:02:21 am	Improved conditions and amenity for pedestrians.
Feb 07 17 03:43:47 am	Don't know
Feb 07 17 07:37:46 am	No more Asian restaurants as we have plenty. I would also like to see some bars open up.
Feb 07 17 08:53:34 am	Cleaned up, is always dirty. More trendy shops and cafes.
Feb 07 17 09:22:32 am	I hate the rail crossing but that is being fixed up
Feb 07 17 09:32:02 am	more carparking
Feb 07 17 10:31:31 am	Clean up of all outdated shopfronts Xmas tunnel of lights at Christmas.
Feb 07 17 10:31:34 am	I am very excited to see the Sky Rail Project in Carnegie Station.
Feb 07 17 11:37:55 am	All shops could have English writing to allow us to know what they sell!
Feb 07 17 12:54:13 pm	Nothing
Feb 07 17 12:55:13 pm	Dislikes 1. Concrete jungle - more trees needed 2. Lack of Parking fr the amount of people living and shopping in that area 3. Lack of variety - everything is asian food, groceries, vitamin shops 4. Dirty - I feel that this area is dirty and unsightly Changes 1. Trees or gardens. I have recently moved from Stonnington and have really noticed the difference. I understand there is a huge demographic difference, but I don't believe this should dictate the environment 2. Bars? There is only one pub style venue. A nice wine bar or venue would be good 3. Bakery or nice cafe
Feb 07 17 01:20:27 pm	Lack of parking, Too many stores that are no longer shops IE Courier businesses that could be office based. To many cheap takeaway food stores that look unclean. Loss of standard Shops like Butchers, Newsagencys, delis Etc
Feb 07 17 01:29:06 pm	More retail shops, less offices in the shopping centre.
Feb 07 17 02:22:12 pm	*Too many ASIAN RESTAURANTS not enough choice More AUSTRALIAN & EUROPEAN FOOD..... *A NEW NEWSAGENCY - URGENT *a beautiful library forecourt SPOILT by lack of shade in summer and rain protection in wet weather THE RUBBISH LEFT IN FORECOURT AFTER CHINESE NEW YEAR CELEBRATIONS - disgusting people are sooooo lazy..... the littering around our streets is abominable..... i live in adjoining street and am forever picking up other people's rubbish there needs to be another bin in the forecourt; *THE TERRIBLE ROAD SURFACE ON CORNER OF KOORNANG & NEERIMVERY POOR MAINTENANCE V DANGEROUS FOR THOSE OF US WITH MOBILITY AIDS MORE DISABLED PARKS NEEDED IN KOORNANG ROAD

	<p>*****WHOEVER IS IN CHARGE OF THE CROSSINGS LIGHT CHANGE SEQUENCES IS SOOOOOOO OUT OF TOUCH..... ridiculous how long we have to wait AND IT USUALLY HAS NOTHING TO DO WITH RAILWAY.... it is prob computerised but it needs to be reassessed.....</p> <p>ALSO NEED A BETTER/MORE/CLEANER PUBLIC TOILET SYSTEM AROUND THE AREA... for use outside library hours....toilet near WW/SW IS DISGUSTING AND DIFFICULT FOR DISABLED PEOPLE TO USE..... put a new style one on the SHEPARSON road side.....</p> <p>I DISAGREE WITH COUNCILS POLICY REGARDING OPEN AREAS BEING UNCOVERED..... come on this is AUSTRALIAthere are plenty of options for covers over playgrounds/forecourts that contain slats or other options that can open/close at appropriate times.....& that can work in with trees etc;</p> <p>AS YOU ARE ALLOWING SONMUCH BUILDING/DEVELOPMENT IN THE AREA YOU COULD AT LEAST BE SENSINLE ABOUT THE VEGETATION/trees you plant.....NO EUROPEAN PLANTS..... AUSTRSLIAN NATIVES AND FRUIT TREES.....we have discovered OLIVE TREES GROW BEAUTIFULLY AROUND THIS AREA... they are sturdy, clean, and dense & provide good shade and could be harvested by those of us that like olives.....</p> <p>And more Jacarandas around the streets</p> <p>PLEASE DONT GIVE ANY MORE PERMITS FOR ASIAN FOOD OUTLETS EXCEPT FOR A GOOD DEDICATED SUSHI OUTLET.....</p>
Feb 07 17 02:48:16 pm	<p>I'd like to see more variations of cuisine (more japanese, mexican, african, burgers) rather than 70% korean 30% chinese/malaysian.</p> <p>Id like there to be more retail stores, (proper retail, not overseas shipping fronts and stores that sell baby formula and vitamins - I have no issues with this being a thing, but these are wasted shopfronts that add no character to the strip at all)</p>
Feb 07 17 03:21:51 pm	<p>More planter boxes, recycle bins, more regular emptying of rubbish bins, more variety of shops</p>
Feb 07 17 03:53:36 pm	<p>Too many cafes/restaurants to the detriment of other shopping needs like clothing & footwear.</p> <p>No decent book/DVD/CD shop</p> <p>With the growth of apartments in the area, parking is hopeless during business hours.</p> <p>The Woolworths supermarket in Kokkaribb should be demolished as there is a good Woolworths cnr Koornang & Dandenong Rds and the site used for parking.</p>
Feb 07 17 04:03:58 pm	<p>1. Too many cheap restaurants. I believe they mainly cater for the local student population and run on tight margins but they all contribute to create a transient, fast and cheap food culture. Food is often of mediocre quality. I know it's cheap but most customer are happy about it but won't improve the overall dining experience.</p> <p>2. The back lane of Koornang Road (Shepparson Avenue side) is a disgrace. Smelly, dirty, shabby.</p> <p>3. Not much variety of cuisines when it comes to restaurants. Perhaps, it is little the Council can do but diversity is always welcomed.</p> <p>4. We desperately need a bookshop on the Koornang Rd shopping street. Plenty of restaurants, hair saloons and cafes but not one single bookshop...</p>

	<p>5. Not enough good quality fashion shops.</p> <p>6. Last but certainly not the least the Market Arcade, or whatever it is called connecting Koornang Rd and the car park (Kokaribb Rd) is in desperate need of beatification/renovation. It's shabby and uninviting. It's got so much potential.</p>
Feb 07 17 04:13:51 pm	<p>I'm sick of the rail works and contractors just standing around in groups chatting between themselves all the time. I also don't like that the newsagent went.</p> <p>With so much traffic, it doesn't help when people are constantly double parking making the problem worse. Maybe get rid of the on street parking altogether and make the pedestrian footpath wider and more inviting. With a pram it can be difficult to pass people walking the other way with obstacles in the way (green grocer carts, cafe tables and chairs, etc.). And with all the development going around, it would make sense that the carpark next to Woolworths be multi-story.</p> <p>It would also be nice to see some clothing retail shops (not everyone goes to Chadstone all the time).</p>
Feb 07 17 04:57:23 pm	I want LESS bars and cafes ... it needs to be a shopping area not another entertainment spot
Feb 07 17 05:08:22 pm	More parks would be great. Spanish/mexican cafe. More children's facilities (although the library already has some great activities and programs). More small businesses.
Feb 07 17 08:42:27 pm	Too may shops boxing baby formula and vitamins to be sent overseas. Of no value to local community.
Feb 07 17 09:00:05 pm	<p>Too busy on traffic, even just cross the road, it takes like 5-10minso wait for the traffic light and more variety on reataurant.</p> <p>And lack of sport centre, no way to find a indoor place if want to play badminton, squash or table tennis</p>
Feb 07 17 09:25:41 pm	happy with the shopping strip as is..
Feb 07 17 10:35:41 pm	more street furniture, more bins, more activities
Feb 07 17 11:19:05 pm	Concern that small traders will be driven out by increasing rents
Feb 08 17 01:26:30 pm	can't think of anything at moment
Feb 08 17 02:03:01 pm	HAPPY7 AS IS
Feb 08 17 04:05:54 pm	<p>More car parking that is monitored for time. To many appartments going in with only one car space allocated so they fill up the streets and car parks.</p> <p>More train parking. More shopping parking and more 30 min shopping parking till 10pm so you can get food shopping done</p>
Feb 08 17 05:03:53 pm	Easier to drive through Koornang Rd
Feb 08 17 05:49:41 pm	Don't like The limited car parking, the amount of 2 dollar shops and very similar Asian restaurants, beggars and people stopping me trying to sell me something or get me to donate, particularly around the library forecourt.
Feb 08 17 10:41:08 pm	<p>footpath are uneven and dangerous in places. more control over the shops that are set up the last thing we need is another disgusting Asian restaurant that no one eats at because the food is terrible. I understand that there is nearly 70 restaurants on the strip but only 3 or 4 are decent and are popular with the locals. More control over shops, the indian grocer that is next to my building has no loading bay to receive deliveries so the trucks continually block my drive way and there is not enough parking in the street for their customers who also continually block our drive way to go to the store, it should never have been able to open there!!</p>
Feb 08 17 10:49:39 pm	More variety of retailers. Although we love Asian food, it would be nice to

	<p>see some more variety.</p> <p>Also, it is a shame that some prime retail outlets act as distribution centres for vitamins and formula exports to China. This detracts greatly from the feel of the shopping strip.</p>
Feb 09 17 12:04:18 pm	no more high rise development at the expense of more shops going. Little chance however.
Feb 10 17 09:31:59 am	<p>Congestion has increased over the years and it is becoming difficult to find a park. Just more people living in the area and more cars. Apartments are going up but there doesn't seem to be enough "parking" for the residents which then flow onto the street.</p> <p>What would help is larger dedicated drop 5 mins parking drop off site near the train station. If there is drop off area they are not clearly visible or used for parking/bus stops. How do you drop off people/kids to catch the train when there is NO safe parking area near the stations. The airport has a designated drop off zone where people can drop off and leave why can't we have one outside the stations?</p>
Feb 10 17 10:34:06 am	don't let too many Chinese delivery shop open
Feb 10 17 11:01:20 am	Less junk shops. The arcade needs flashing up
Feb 10 17 01:36:52 pm	I don't want to see more restaurants. I think that there are enough. If the strip becomes inundated with restaurants and cafes then it will not be useful for the residents of Carnegie. It is very difficult to find a park in the parking areas during the weekend. So more parking is needed especially now that Carnegie is growing so quickly. I don't bother to drive to shop on the weekend. Fortunately I can walk from my house. The strip can look messy and needs a regular clean - that is the footpaths- and some sort of upgrade. Also the parking areas need to be regularly cleaned. Some of the backs of the shops, especially near the library, are dirty and can be filled with boxes etc and rubbish.
Feb 10 17 02:00:18 pm	There are too many of the same type of shop - ie noodle/dumpling cafes. We need variety so as to cater to many tastes. We need to maintain the diversity that makes Carnegie a great place to live.
Feb 10 17 02:20:59 pm	more car parking
Feb 10 17 02:38:19 pm	That's easy more car places to park, even some with more time limits than just 2 hours. I got held up at the hair dresses and came out 15 minutes past the 2hours and was booked.
Feb 10 17 04:09:57 pm	I love it all
Feb 10 17 06:00:56 pm	With the extra people in the area, due to multi-story living, I am finding that the pedestrian path (street) and curb-sides (road) needs to be cleaned more thoroughly and more often during each day. I regularly see food items on the footpath which is a safety hazard and it attracts flies and smells awful.
Feb 10 17 10:53:48 pm	Don't like the traffic, the lack of the availability of car parking & the congestion of the main street roads
Feb 11 17 11:05:31 am	<p>I feel the streets could be cleaned up. The tiny lane leading to the car park near the fruit shop is in need of a good clean up.</p> <p>The library frontage is disappointing. Such a lot of money was spent for very little results.</p> <p>Needs to be people friendly with tables and chairs and more grass.</p>
Feb 11 17 06:45:24 pm	It looks unloved, I would like it dressed up a bit - more upmarket it would be great to westernise it more (not so Asian or so multicultural , (with the greatest respect) more choice of retail, boutiques.... I hate the congestion on the roads due to the trains, you can be at the lights trying to turn into Koornang road from Dandenong Rd for 15 - 20 minutes at some times of the day, which I'm sure you are aware of.

Feb 11 17 06:53:53 pm	Lack of diversity in the restaurants and cafes. Too many Korean BBQ restaurants and Asian restaurants. Given the shift of the demographic in the area about time for more refined and upmarket cafes and restaurants like Left Field
Feb 11 17 06:54:18 pm	Too many apartment buildings being built changing the dynamic of the community, adding to sound pollution, traffic fumes and parking issues. Also every time an apartment building starts the land is completely cleared. All vegetation is removed. Only a small amount of garden area is retained and often that has very little vegetation meaning future problems with drainage and possibility of flooding.
Feb 11 17 07:58:24 pm	Impossible to regulate I know, but just far far too many of the same type of restaurants, and shopfronts for freighting baby powder and vitamins overseas. Deep desire for more retail outlets - butchers, clothing, gifts, florist etc etc
Feb 12 17 11:17:14 am	1. 40km/h until 12am on Koornang Road is just too much. There is no one on the street after 9:30pm! Many drivers ignore the speed limit as it is so ridiculous to drive in such a slow speed on an empty street. 2. more parking is needed 3. However, parking should be banned on Koornang Road as vehicles driving in and out really slows down traffic. It always takes more around 15 minutes, just to drive from Caltex to ALDI. It's just painful to make my way through Koornang Road
Feb 12 17 02:01:05 pm	Love the dumpling places and regularly patronise a couple of them but there are too many. I don't like the proliferation of 'discount' shops and shops that send stuff cheap to China, but I suppose there are lots of people who use them. They just look trashy. I miss the bookshop and deli and I'm very sorry to see Barry Gardiner butcher close down.
Feb 12 17 05:59:20 pm	Have shops other than Asian selling goods as well as food
Feb 12 17 06:23:07 pm	More parking is needed. A deli is needed. More recreational areas that are 'green'.
Feb 12 17 07:02:25 pm	The congestion on Saturdays. I live in Morton Avenue and on Saturdays it can take a good 15 minutes to get to princes highway.
Feb 13 17 11:02:12 am	1. The lack of car parking for train users is putting pressure on vehicular access to businesses in the area. We must use this opportunity to provide sufficient car parking for train users within a 5-7 min walking distance, as the disappearance of railway crossings will also increase patronage. 2. The disappearance of what once was a wide variety of retail outlets to become a monotonous eating alley with limited variety of food types. The clothing and footwear shops, the deli, the newsagency, the hardware shop and many others are all gone, replaced mainly by Asian food outlets.
Feb 13 17 11:28:53 am	The signage looks messy. I love the variety of cultures in Carnegie but there are several shop fronts that don't put any effort into appealing signage. I also believe that all shops should have signage in english (not only chinese). There are many shops that have there shopfronts completey covered with cheap paper with chinese writing. This does not help integration and impacts the "community feel" to Carnegie. I love the variety of Asian resaurants, Paradai Thai is one of our favourites but we need to continue to add avariety. We were happy to see a French Creperie as a newcomer to the area.
Feb 13 17 12:46:35 pm	- Too many shops are closing that I use to do my business, such as the deli, the butcher, the newsagent. - Too many restaurants and not enough everyday shops. - Encourage these types of businesses back so I am not forced to use the big supermarkets.
Feb 13 17 05:14:39 pm	There are too many Asian restaurants. While we understand there are

	many different Asian cultures in the area, we have stopped visiting the strip for dining as there is too much of the same thing. We now travel out of the area for dining options.
Feb 13 17 05:47:00 pm	Sadly it is ridiculous rents that are driving some small operators out of Koornang Road. Also, the spike in the amount of traffic is very concerning, as is the amount of apartments that are not providing adequate parking to protect the precinct. Developers should be forced to provide more before it affects people coming to shop in Carnegie. It is now a challenge to get a park at the two supermarkets - the smaller Woolworths has its car park filled with tenants from the apartments facing Neerim Road (where Ray White offices are) which means that parking for shoppers is almost halved.
Feb 13 17 07:11:00 pm	I don't like it when I see small businesses leaving the area, or too many franchises entering the area. I like the small village feel of our suburb. I obviously wasn't keen on the rail works happening, it was quite dramatic and worrying, and the noise from the works has kept me awake but i understand changes are happening. I don't mind the apartments going up in the area, but I want don't want to see too many apartments as it will cause congestion in our small area. I would love more trees along the railway line again, as it broke my heart when I saw so many taken down. People need trees and seats to sit and enjoy nature. So more trees please. I would love an ice cream or frozen yoghurt place in koornang road. That would pretty much make Koornang road perfect.
Feb 14 17 12:50:53 pm	I really really don't like the Chinese "chemist" shops. these are effectively vitamin exporting fronts. They are completely signed in Chinese writing, and all you can hear when you walk past, is the "screech" of packing tape as boxes are packaged up. These shops do not belong on the main street - they are NOT retail shops. We need more Cafe's with breakfast options as well.
Feb 14 17 01:56:09 pm	An improvement in the street cleanliness, particularly on weekends. Improve quality of footpaths and more rubbish bins. Enforce no U-turn regulation in Koornang Road as this does cause problems from time to time.
Feb 14 17 03:19:09 pm	I would like much more free car parking
Feb 15 17 12:08:50 am	The busy traffic
Feb 15 17 10:19:11 am	Limited diversity of shops.
Feb 15 17 07:38:33 pm	too many flats, too many restaurants, not enough diversity
Feb 16 17 03:39:55 pm	Bit ranshacked. Generally low rise older shops but without significant heritage. Limited diversity
Feb 16 17 04:06:54 pm	I don't like the growing number of shop front packaging goods and sending them overseas - they are not an attractive part of the shopping range - at least 6 and counting. I am very concerned about the older houses being demolished to make way for apartment buildings. This is destroying the character of Carnegie and removing the atmosphere that people come to enjoy. Adding more of these high rise developments to the shopping strip will also destroy the streetscape that is so attractive. Also The graffiti is very dischordant with the strip and should be a major concern for the council. I congratulate you on your efforts to remove it as quickly as possible.
Feb 16 17 05:21:55 pm	Carpark at rear of arcade repaired; arcade spruced up; extra trees along the strip would enhance the streetscape
Feb 16 17 05:34:53 pm	More bike stands. Keeping play area outside library maintained. Empty rubbish bins more regularly
Feb 17 17 12:21:13 pm	The area gets congested with traffic.
Feb 18 17 01:52:15 am	Nothing specific

Feb 18 17 08:13:09 am	Too many Asian restaurants. Not enough variety in food outlets. Seriously how many dumpling places can you have in one street. Also signage on stores. Can't read Asian. These new Asian "health" stores or the postage places - too many.
Feb 18 17 11:51:03 am	Streetscape is looking very tired & cheap. Upgrade footpaths furniture trees along Kornang Rd
Feb 18 17 05:27:15 pm	More real greenery esp. outside the library (Less concrete, real grass and shrubs trees, flowers) more greenery scattered down the strip. Need a newsagent! (I DO NOT WANT TO SEE ANYMORE LARGE CONCRETE DEVELOPMENTS GOING UP WHICH WILL COMPLETELY DESTROY THE CHARACTER OF THE SHOPPING STRIP AND SUBURB)
Feb 19 17 02:38:29 pm	Would like to see better quality restaurants
Feb 19 17 03:22:04 pm	At one stage there was an equal mix between shops and eateries and with different ethnicities. As each shop has closed it would appear that an eatery has replaced it. Whilst this might not be a bad thing I am disappointed that there appears to be too much of an Asian influence now along the whole strip. It is like a second Box Hill with Peking ducks hanging up in windows. It has lost the feel that Carnegie used to have.
Feb 19 17 04:52:17 pm	We have enough Asian restaurants. I've lost count of how many dumplings restaurants there are. We need more variety in the cuisine. Middle Eastern/Turkish, Greek, Spanish, Mexican/South American, Eastern European, African - so many cuisines and you keep approving permits for Asian. It's becoming a joke. Also, the fact we have 2 Woolworths - the old one should really become a Coles. Once the railway crossing is removed, having one on each side will become pointless
Feb 20 17 08:36:02 am	high rise storey apartments, destroying the strip with too many people and the rise of the homeless beggar.
Feb 20 17 05:06:32 pm	I would like to see a balance of Retail clothing Shops and Restaurants. Lose one of the Woolworths supermarkets and replace it with a Coles Supermarket. An good quality House implement, furniture type shop.
Feb 20 17 07:08:22 pm	Need better links between train and bus, more public spaces, better trees, less bulk shops sending to China
Feb 20 17 07:19:21 pm	More bike paths
Feb 20 17 07:22:19 pm	Would like a newsagency
Feb 20 17 07:29:49 pm	Don't like the 'packing' shops that send things overseas. Do not add any value/contribute to the shopping strip
Feb 20 17 07:32:52 pm	Parking can be difficult
Feb 20 17 07:35:25 pm	Railway crossing - Koornang Rd More multi-culturalism on Koornang Rd
Feb 20 17 07:39:37 pm	More scootering and skate parks - child friendly more greenery Improved parking Old shopfronts - need upgrading Limited seating North Rd speed limit - 40 too slow Parks should have permanent table tennis tables like in Sydney (metal net that doesn't need to be replaced)
Feb 20 17 07:43:00 pm	More mix of shops (eg clothing) More green space/ playgrounds - in Carnegie the only walkable outdoor playground is Lyons Park

Date	What makes Carnegie shopping strip unique and special?
Nov 28 16 06:02:24 pm	Local community feel
Nov 29 16 06:29:16 am	Unfortunately not much anymore.
Nov 29 16 09:48:36 am	Great cheap restaurants, catering to local uni students.
Nov 29 16 02:02:14 pm	Restaurants Library Library play area Everything you need in the one place
Nov 29 16 05:17:36 pm	Village life, it's one of the most colourful/alive shopping strips in the suburbs
Nov 29 16 06:57:25 pm	It's cheap but offers good quality food and shops. It's not pretentious
Nov 29 16 11:06:31 pm	Restaurants. Good weekly food shop options that are local businesses - grocer, butcher, bread. We miss the Carnegie deli.
Nov 30 16 05:37:26 am	Great restaurants
Nov 30 16 08:09:13 am	Restaurants, open spaces, low rise, fruit stores, cafes,
Nov 30 16 09:25:28 am	It's ours!
Nov 30 16 01:37:26 pm	Has a library, can do most of your shopping there as there is a supermarket.
Nov 30 16 02:43:46 pm	There are some fantastic small businesses in Carnegie that are truly unique to the area. The Little Shop (unique gifts), GD Foods (amazing smoked goods), Carnegie Delicatessen, Barry Gardiner Butcher (a good old family butchers) and a secondhand bookshop that has some rare and unique old books. I hope that they are encouraged to stay and not pushed out by the ever increasing export shops that send milk powder and vitamins to China.
Nov 30 16 04:37:55 pm	The people
Nov 30 16 10:32:17 pm	DIVERSITY!
Nov 30 16 10:49:43 pm	The diversity of the shops. Although it could do with a few less dumpling shops and an ice cream shop would be a fantastic addition.
Nov 30 16 11:43:52 pm	the food.
Dec 01 16 11:47:50 am	has a nice buzz, meet friends there for coffee and shops open a lot of the time.
Dec 01 16 12:51:45 pm	It has something for all age groups.
Dec 01 16 01:15:20 pm	variety of shops, cafe's, etc
Dec 01 16 01:38:06 pm	Not overdeveloped but that is changing
Dec 01 16 02:34:30 pm	Lots of cheap eateries, small businesses and main supermarkets. A great place to eat and do shopping.
Dec 01 16 06:16:34 pm	Variety, independent locally run stores, diversity of culture, al fresco dining. Small amount of chain stores.
Dec 01 16 07:43:36 pm	Nothing unique or special Lack of diversity in shops Eateries are all same cuisines
Dec 01 16 09:00:46 pm	Area caters well to different cultures, types of family units and at this stages, for most, is still affordable.
Dec 01 16 09:01:07 pm	Dumplings!
Dec 01 16 09:12:23 pm	It is a great location and central to several suburbs (including those on the other side of the highway), especially with the Skyrail removing obstacles to traffic flow. The diversity of the suburb lends itself to a diverse shopping experience. We have Greek, Italian, Indian, Korean, Japanese, Australian, Middle Eastern residents, and we should reflect this! We have families and

	students, we should reflect this too!
Dec 01 16 11:26:22 pm	Village feel, lots of people walk to the shops . Friendly people
Dec 02 16 12:05:18 am	the range of restaurants
Dec 02 16 12:12:05 am	It isn't chadstone.
Dec 02 16 02:55:35 am	Great Asian food, variety, not too upmarket and fussy.
Dec 02 16 07:44:25 am	It's not really a shopping strip so much as a dining precinct
Dec 02 16 09:09:01 am	The variety of great shops
Dec 02 16 09:10:50 am	The cafes
Dec 02 16 09:21:33 am	The restaurants and the library
Dec 02 16 10:02:16 am	It has everything you need, it's welcoming and vibrant.
Dec 02 16 10:40:50 am	The number and variety of good quality shops
Dec 02 16 12:10:10 pm	The amazing range of eateries mixed in with commercial premises which also include a Library, Post Office, Banks, a supermarket, newsagency, pharmacies, butchers shops, fruiterers, bottle-shop, Railway & Bus station, and a small hardware store..all close to two parking areas which cannot cope with the demand (Looks like we've lost our Newsagency and a delicatessen though!)
Dec 02 16 12:38:18 pm	friendly welcoming atmosphere, still has small local feel
Dec 02 16 01:05:49 pm	I wouldn't say unique nor special as it's all same same. The xmas street festival is now appalling so people won't be interested
Dec 02 16 02:23:16 pm	The variety of restaurants and shops, and the quality of the products.
Dec 02 16 03:25:11 pm	The multi-cultural feel, both through the people that shop there and the nature of the shops. It is also nice that it is not too polished or gentrified...you feel like you can wander down in your pyjamas and it would be ok!!
Dec 02 16 05:06:34 pm	I guess the Asian restaurants. It used to have much more of a friendly neighbourhood feel where we all knew each other but not anymore.
Dec 02 16 07:20:13 pm	All the choice of restaurants
Dec 02 16 07:23:41 pm	So many restaurants in a such a small area
Dec 02 16 08:10:48 pm	The individual butcher shops and fresh fruit shops.
Dec 02 16 09:39:36 pm	Cheap food, unique shops - not chains
Dec 03 16 11:28:22 am	ever growing number of diverse (culture) restaurants, all licensed and BYO wine. we are the envy of the southeast
Dec 03 16 01:07:24 pm	Vibrancy
Dec 03 16 01:11:04 pm	multicultural feel, always lots of people there
Dec 03 16 01:39:39 pm	The range of unique local stores and businesses creating an active and vibrant environment.
Dec 03 16 01:48:27 pm	Diversity of cafes and restaurants
Dec 03 16 02:34:16 pm	Close to home
Dec 03 16 04:42:15 pm	people
Dec 03 16 04:58:50 pm	Large strip, 2 supermarkets and Aldi, library
Dec 03 16 05:25:18 pm	For a little while longer it's still here. Until the above road Rail comes into play and this area becomes a ghetto.
Dec 03 16 06:02:26 pm	Everything you want for a daily shop is there - though it's missing a target/Kmart/big w - if they had one in the spotlight centre that would make the area complete
Dec 03 16 06:31:54 pm	Great dumplings well priced
Dec 03 16 08:24:38 pm	The Asian and Russian influence, fresh fruit and veg
Dec 03 16 08:24:48 pm	The multiculturalism and diversity. I mean there is no other place in Australia that has as many Korean restaurants on one street! Not to mention the clusters of other cuisines. Let's tell the rest of Melbourne about that! A good

	design and marketing team would have a field day with this.
Dec 04 16 08:37:17 am	One long strip which is generally has a relaxed feel. There are no pubs and bars on the strip which I think makes it family friendly. Multicultural strip and most likely not that many people think to come here, so it's full of familiar people...
Dec 04 16 10:13:11 am	Its a busy strip with opportunity to be a vibrant local resource for residents
Dec 04 16 02:47:08 pm	The variety and diversity
Dec 04 16 03:50:48 pm	different nationalities and restaurants known for. Little Korea.
Dec 04 16 04:41:54 pm	So many dumplings!
Dec 04 16 05:19:29 pm	Its just close by, has Aldi and Spotlight.
Dec 04 16 07:17:49 pm	open area in Library forecourt, great restaurants
Dec 05 16 11:47:03 am	Bugger all probably. One of the multi story apartment developers produced a fancy booklet which extolled '....the laneways of Carnegie....'. As a sales pitch that is about as dishonest as it gets.
Dec 05 16 05:44:03 pm	The mixture of franchises, chain stores, and independents.
Dec 05 16 06:44:44 pm	Asian influence and good coffee shops
Dec 06 16 12:05:57 am	A mix of food places and hairdressing service, groceries, and play area at the library
Dec 06 16 02:13:56 am	Everyone is friendly and still has a community feel.
Dec 06 16 07:53:47 am	Great restaurants
Dec 06 16 08:40:08 am	Nothing much just busy and not special or different
Dec 06 16 12:14:30 pm	The Rosstown Hotel
Dec 06 16 12:38:36 pm	The range of cuisines available
Dec 06 16 01:42:00 pm	multicultural uni precinct
Dec 06 16 01:44:42 pm	mixture of shops, different cultures
Dec 06 16 02:49:34 pm	There is a clustering of some restaurant types and cuisines - eg Korean BBQ. It's also of a size big enough to be a destination in its own right. That said, mostly I shop there because it is convenient to me, but it could continue to carve out a niche and be a bigger draw for broader parts of Melbourne.
Dec 06 16 04:20:37 pm	Nothing
Dec 06 16 05:13:56 pm	One of the best and longest shopping strips in Melbourne
Dec 06 16 07:21:30 pm	Lots of different cuisines. It's a multicultural melting pot!
Dec 06 16 07:36:32 pm	Offers something for everyone
Dec 06 16 08:01:02 pm	Asians
Dec 07 16 08:38:49 am	Lots of very well patronised cafes and restaurants of many different cuisines. Everything you need for regular weekly shopping is in the one short strip.
Dec 07 16 01:30:53 pm	It's just always buzzing with people.. it's got a mix of everything..
Dec 07 16 03:46:25 pm	Easy access to all shops, although more parking will be required. You get to know the shop owners
Dec 07 16 03:46:55 pm	Good cafes and restaurants.
Dec 07 16 08:44:26 pm	shops, variety, eateries - don't need to go to Chadstone Centre
Dec 07 16 09:56:41 pm	It has a great variety of shops and plentiful supermarkets but i wouldn't say it was unique or special. A younger demographic has added to the Saturday morning Buzz
Dec 08 16 11:15:46 am	The places to eat, the individuality of the shops, the great public transport access. It really is a wonderful shopping strip.
Dec 08 16 11:25:22 am	It survived the many Chadstone developments, unlike Highett that struggled with Southland.
Dec 08 16 08:01:30 pm	That there are minimal poor quality stores

Dec 08 16 11:58:15 pm	It has so much, is popular, and people are lovely - there are people from all different backgrounds, and it is not hoity-toity!
Dec 09 16 03:15:33 pm	There is nothing unique and special about Carnegie. It does not cater for all ages and types of people. It is just a food strip. I have lived here for 20 years and we bought into the suburb for the old homes (one which we have done up) and the closeness to amenities. Sure Chadstone is on the doorstep but how do old people get there when they cannot walk properly. We still need our basic shops and with the monstrosity of the skyrail (which we were never consulted about) our old homes are being pulled down by the dozen to hide the ugly rail. Store owners cannot keep afloat while this unwanted skyrail is being built So as far as I am concerned Carnegie is now a suburb that a lot of people do not want to live in anymore because of what is happening. Disgusting
Dec 09 16 03:31:00 pm	I don't think there is anything unique about it
Dec 09 16 04:02:32 pm	Not sure. It maybe needs some more public artwork in open spaces.
Dec 09 16 04:55:51 pm	Seeing people you know Shopkeepers knowing you
Dec 09 16 04:57:31 pm	The variety
Dec 09 16 10:07:30 pm	It's like a mini China Town in the suburbs. There is a lot of great quality food in a small precinct.
Dec 10 16 10:04:18 am	
Dec 10 16 12:10:10 pm	It's a melting pot and it has fabulous cheap eating out options
Dec 10 16 01:15:25 pm	All the Korean Restaurants
Dec 10 16 03:53:39 pm	Great mix of coffee, bars, food variety and diversity of shops ... multicultural mix of locals makes it warm and friendly and interesting ... attracts interesting people arty
Dec 11 16 09:29:29 am	Good coffee shops
Dec 11 16 01:55:48 pm	Diverse, friendly
Dec 11 16 05:58:28 pm	Most of what I need is within a 5 minute walk from home
Dec 11 16 06:14:48 pm	Cheaper restaurants opening late, the beautiful forecourt, perfect length of Koornang Rd, not too long, not too short, so close to many forms of public transport, affordable cuisine, multi denominational, lots of different cultural cuisine, relaxed atmosphere, lots of students, not pretentious or supersilious. It is just itself. But it could be so much more!
Dec 12 16 02:20:12 pm	Very multicultural
Dec 12 16 04:28:28 pm	Has all the basics
Dec 14 16 03:36:48 pm	The variety and diversity of small shops
Dec 14 16 09:37:51 pm	The food options all in one place, for a small area. Great integration of the library and courtyard as well, right in the middle.
Dec 15 16 12:59:07 pm	It's proximity to our home and its range of cheap eats.
Dec 15 16 08:59:06 pm	Lots of great Asian food
Dec 16 16 12:06:19 pm	casual restaurants
Dec 16 16 02:04:25 pm	Mix of shops. Freshfood outlets as well as mix of restaurants and cafes. Places to meet and sit, Library etc Old school neighborhood feel- keep I hate the glitz of Chadstone so small is great Don't wreck it with making it too glitzy and homgeneous like mall shopping
Dec 16 16 02:07:53 pm	It's Asian food and restaurants
Dec 17 16 07:35:05 am	Culturally interesting, Library in the heart

Dec 17 16 09:00:42 am	Good coffee shops
Dec 17 16 09:36:01 am	The variety of shops, restaurants and feeling of relatively peaceful, safe and friendly area. You meet locals down there whenever you go. However now it feels less like this and more of a concrete jungle these days with all the high rise and not doubt the horrendous appearance of a massive sky rail dominating the horizon will destroy the peace and relaxed feel.
Dec 17 16 10:26:51 am	Lots of restaurants, lots of fresh produce shops, good public transport access, positive community vibe, everything you need is in one place.
Dec 17 16 02:40:19 pm	Eclectic, good supermarkets, good bakeries, library hub, busy but not crowded
Dec 17 16 06:10:26 pm	No need to travel anywhere else. Caters for all nationalities
Dec 18 16 01:09:39 pm	Close knit community
Dec 18 16 10:23:31 pm	Local traders create a community feel.
Dec 19 16 09:03:13 am	Not unique
Dec 19 16 11:10:21 am	people
Dec 19 16 11:19:45 am	good
Dec 19 16 11:27:41 am	diversity
Dec 19 16 11:34:44 am	variety of cafes and restaurants

Dec 19 16 01:49:12 pm	diversity
Dec 20 16 03:50:39 pm	The restaurants.
Dec 20 16 08:58:27 pm	Community environment, shop owners know you by name and build rapport over time.
Dec 21 16 11:20:20 pm	There is nothing unique about the strip. It's run down, has no foodie havens,

	nothing new and exciting.
Dec 22 16 12:00:50 am	you can still find all shops for daily needs: grocery, fruit and veg, butcher, bakery
Dec 22 16 11:52:44 am	Multiculturalism
Dec 22 16 02:22:40 pm	Its known for its dumpling stores and thats about it
Dec 22 16 08:48:44 pm	Access/ openness
Dec 23 16 01:21:05 pm	Not much these days. It's becoming more homogeneous. It had way more diversity in the 90's - Armenian, Japanese, Sri Lankan, Greek, Lebanese..
Dec 23 16 01:44:26 pm	It is the only shopping strip that doesn't feel "mall" like in the south eastern suburbs. There's not a presence of "big" brands taking up shop fronts - it's mostly small businesses and daily use shops, rather than homemaker centres and industrial shops like a lot of nearby shopping centres. It feels more like fitzroy/brunswick than an outer suburb. It provides the amenities of a small suburb, closeness to the train station/city, and you can live a great lifestyle without having to drive to bigger shopping centres.
Dec 23 16 08:02:16 pm	The Asian restaurants
Dec 23 16 10:35:02 pm	Variety and library
Dec 24 16 06:19:24 am	The asian restaurants.
Dec 24 16 10:17:31 am	Variety of cafes and restaurants. A reflection of the community. That it is LOCAL. That it is buzzing AND there still is the connection to the sky. And that there is shelter all along the strip as well.
Dec 24 16 09:58:08 pm	Friendly, variety foods
Dec 25 16 12:28:25 am	Very little. It is hard to park. There is very little other than food, cafes, \$2 shops and a chemist.
Dec 25 16 10:47:31 am	Close to highway. Restaurant opening hours r good as well
Dec 25 16 06:15:10 pm	It is a real mix of shops now. So many places to eat (though a few more non food stores could be good). Choice of two supermarkets, all the services eg dr, pharmacy and post office, that you could possibly need. I think it is nice if the area can keep a mix of cheap, mid priced and more expensive dining options so there is something for everyone. Unlike some areas which are all expensive or uninspiring takeaway (depending on location).
Dec 25 16 06:48:49 pm	Variety of cuisines, esp Asian (variety important). Proximity. Variety of shops - can get most things we need
Dec 26 16 04:28:51 pm	The number of decent shops that i would regularly visit is much higher relative to other strips near by
Dec 26 16 07:01:09 pm	Great \$2 shops, the centre is slowly getting better and it's very easy to get to.
Dec 27 16 09:45:59 am	It's multicultural mix creating suburban bliss. It is not pretentious, what you see is what you get.
Dec 27 16 08:11:33 pm	Good location
Dec 29 16 09:36:45 am	Dumpling heaven, great library with open space. Dutch club and Rosstown best hotel, best chocolates in Melbourne at Lizzies.
Dec 30 16 01:24:59 am	Nothing makes it unique or special I'm afraid - it is sadly lacking these qualities...
Dec 30 16 04:13:09 pm	mostly family run businesses. Sad to see nandos, subway etc arrive a few years back and worry that the street will just become like any other, anywhere else.
Dec 30 16 11:59:56 pm	Coffee shops great greengrocers and butchers and lots of food places.
Dec 31 16 09:49:09 am	Nothing apart from the numerous restaurants but there's not an enormous choice.
Jan 01 17 08:00:46 pm	The quality of the cafes and restaurants i like.

Jan 02 17 06:41:15 pm	The Carnegie Library is fantastic and I like how the strip is quite long, having the Woolies there too makes it great. I like supporting local businesses, so I hope the strip can only improve (sad to see some shop closures). Huff Bageley makes it pretty unique too!
Jan 02 17 10:48:36 pm	That there still can be a strip with 57 restaurants so close to a huge place like Chadstone close by. I have been going to one hairdresser there for 14 years.
Jan 03 17 11:58:15 am	The variety of cultures represented (Russian, Greek, Chinese, Korean, etc)
Jan 03 17 05:38:54 pm	mix of shops, cultures, clients; free parking, easy access, wide footpath, seating areas, fantastic community centre, good coffee
Jan 04 17 01:44:07 pm	Variety in cafes/restaurants
Jan 04 17 04:19:58 pm	The length and the history. The library and the play areas beside it. The casual seating for pedestrians which isn't part of a cafe. There are some good coffee shops. Europa shop is a welcome stand alone. Banks and offices balanced with other outlets make it a busy hub.
Jan 04 17 08:52:40 pm	The food & the diversity, one of the best places to eat in Melbs.
Jan 04 17 11:40:31 pm	Amenity, which will diminish with skyrail
Jan 05 17 07:58:49 am	The variety of quality food
Jan 05 17 08:03:07 am	The variety
Jan 05 17 11:41:31 am	Again, the mix of cultures represented
Jan 08 17 01:02:53 pm	Busy, bustling, vibrant, speciality food shops. Cultural diversity. Let the Russian deli never close!
Jan 08 17 02:41:07 pm	nothing in particular.
Jan 09 17 01:40:52 pm	Good food - variety of different meal options.
Jan 09 17 01:51:18 pm	Mix of restaurants. Huffs
Jan 11 17 03:11:49 pm	Poor parking and lack of diversity
Jan 12 17 06:39:14 pm	This street have banks post restaurant cafe bakery all in one
Jan 14 17 05:47:35 pm	Nothing really. It's pretty low key.
Jan 14 17 06:04:44 pm	Friendly shop keepers, period architecture, easy access to the library.
Jan 16 17 01:33:04 am	Very Asian but a few cafes are not. Great range of services for its size - banks, hairdressers, clothing alterations, phones, computer repairs, lawyers, medical, dental, physiotherapist
Jan 16 17 05:02:49 am	Christmas celebrations
Jan 17 17 02:01:54 pm	Well, I am not sure its unique - but it is special for my family as it is proximate and services most of what we need :-)
Jan 18 17 07:06:17 am	Food!
Jan 18 17 10:33:13 pm	Currently it is known for Asian food, it was well known for fresh produce there were 4+ butchers ... do you know how many there are now? We need more fresh food outlets.
Jan 19 17 09:27:26 am	That there is room for all - multiple grocers, multiple butchers, multiple op shops, bakers, restaurants. I love that I can drop off my dry cleaning and get a cake on the way home.
Jan 19 17 10:23:05 am	Great collection of grocery and food outlets in a small area, close to public transport.
Jan 19 17 02:54:53 pm	its not unique or special especially now the skyrail is going up. its a slum!
Jan 19 17 04:19:18 pm	Choice of shops, cafes & other businesses. Refer to earlier answer.
Jan 19 17 11:23:52 pm	It's unique feature is the large number of cafes and restaurants featuring different styles of cuisine.
Jan 20 17 12:03:42 pm	Local traders and businesses, makes a great contrast to Chadstone. There are some little gems in the street; Bakers Delight, the hardware shop, Gabriella Pizza, Santuchi and many more.

Jan 21 17 06:35:30 am	The food you can get is not matched in to many other places
Jan 24 17 01:56:15 pm	easy access
Jan 24 17 02:58:41 pm	the variety of shops and mix of people. Also the access to the services available in the area.
Jan 25 17 09:10:02 am	Number and diversity of restaurants,
Jan 26 17 12:17:14 am	Unique stores, personal service, library
Jan 27 17 03:28:37 pm	The people and the unique eateries.
Jan 28 17 09:10:58 am	The variety of restaurants and eateries
Jan 28 17 11:13:55 am	The people of carnegie are unique and special The people make the strip. I think the main st committee help a lot too (I am biased)
Jan 28 17 04:02:36 pm	There is nothing that stands out, but there doesn't need to be. It is a place I go to everyday and it works. I brush my teeth everyday too, but there isn't anything unique and special about that, and it works.
Jan 29 17 09:26:45 am	Diversity, family friendly, mostly independant businesses, convenient has virtually everything you need in one shopping strip, affordable good quality. Also I love the mosaics that you see in odd corners and on shops I believe these unique art works create great character in the carnegie shopping area.
Feb 01 17 12:52:06 pm	Variety
Feb 01 17 08:58:54 pm	The vibe during the day... lots going on.
Feb 01 17 09:51:04 pm	Mostly small business. Not a lot of chain stores.
Feb 01 17 10:59:14 pm	The variety of stores that are there. The great service. The huge array of people that make the area multicultural
Feb 03 17 01:54:17 pm	The variety of cafes and eateries give it a vibrancy and friendly feel. Also provides for most daily needs. It's a pity the newsagent has recently closed, as well as the deli which closed in 2016.
Feb 03 17 10:13:18 pm	Not much at the moment: I find it bland cheap and boring, it has so much potential to be unique and special
Feb 04 17 01:30:30 pm	Diverse culture on the one shopping strip.
Feb 05 17 12:07:39 am	You can hear at least 5 different languages spoken in the street that I can recognise. also, the unique ceramic murals in various locations.
Feb 05 17 09:04:43 am	diversity but not too big
Feb 05 17 04:10:15 pm	Not much it is becoming generic el cheapo Springvale Clayton Chinese Not much quality shopping
Feb 06 17 11:50:14 am	Diversity of food shops - eg deli, Russian deli, Asian food shops, green grocers, butchers, etc
Feb 06 17 12:46:33 pm	Is it unique and special? Maybe the relatively low-rise ambience of the precinct up until 10 years ago. Now its a concrete jungle and rat-race where car is king and pedestrians an afterthought.
Feb 06 17 01:12:32 pm	The restaurants
Feb 06 17 02:26:13 pm	I don't think the strip is unique at all unless you call having multiple asian restaurants , special.
Feb 06 17 03:52:10 pm	That it offers such a range of shops to provide for everyday needs, and that it has a variety of reasonably priced restaurants and coffee shops
Feb 06 17 05:06:15 pm	Good fresh produce, fruit, veg & meat, close to supermarket, friendly retailers
Feb 06 17 05:43:58 pm	Variety of fruit and veg. Friendliness of people Multicultural
Feb 06 17 05:53:41 pm	Butchers and greengrocers,bakery,cafes etc
Feb 06 17 06:11:41 pm	There is nothing unique or special anymore. Just ugly shops and smelly cooking.

Feb 06 17 06:28:50 pm	Small and close together
Feb 06 17 06:57:40 pm	The lovely Asian, Korean, Thai restaurants. Great food variety.
Feb 06 17 06:59:40 pm	Not too busy
Feb 06 17 07:05:16 pm	Strip shopping locations are dwindling so it is nice to have the old style shops, instead of bigger supermarkets/ shopping centres
Feb 06 17 07:20:51 pm	Good place to hang out and eat food
Feb 06 17 08:44:55 pm	The variety of asian tastes available.
Feb 06 17 08:46:31 pm	Not much at the moment, there are a few gems but its hit and miss
Feb 06 17 08:47:30 pm	Safe at night and walkability.
Feb 06 17 09:41:45 pm	Multiculturalism, broad age groups visit, many of the shops have familiar owners who have been there for years, interesting creative elements like the designs of cafes, mosaics on the poles, quotes on blackboards, range of people who shop there, unpretentious. I like the wide central entrance to the library and playground.
Feb 06 17 11:26:35 pm	it is definitely unique & special. Im not exactly sure why. The location, the people, the feng shui, the mix of shops.
Feb 07 17 12:02:21 am	Diversity of cafes and restaurants - feels multicultural.
Feb 07 17 03:43:47 am	Ethnic mix, Indians, Chinese & other East Asian, Russian, Greek, Italian and more
Feb 07 17 07:37:46 am	The diversity of the people and the shops.
Feb 07 17 08:53:34 am	Dont think it is special or unique
Feb 07 17 09:22:32 am	the feeling of community and its multicultural nature
Feb 07 17 09:32:02 am	so many hospitality offerings
Feb 07 17 10:31:34 am	Many cheap eats in this area
Feb 07 17 11:37:55 am	All the eateries
Feb 07 17 12:55:13 pm	Nothing, I don't rate this area at all and only go here as it is close to home
Feb 07 17 01:20:27 pm	Not much any more!!!
Feb 07 17 02:22:12 pm	CLOSE TO WHERE I LIVE CENTRAL LIBRARY FABULOUS PROXIMITY OF WW/SW SUPERMARKET ONCE RAIL WORKS FINISHED CARNEGIE CENTRAL WILL BE More ACCESSABLE *****NEED A COLES SUPERMARKET WITHIN WALKING DISTANCE
Feb 07 17 02:48:16 pm	the quality of the food that already exists there is fantastic. The cafe's are always great, very friendly shopkeepers and locals. Having the library there is also handy.
Feb 07 17 03:21:51 pm	Asian resturants
Feb 07 17 03:53:36 pm	I don't think it is unique or special. It is a handy strip for business with Post Office, banks & cafes in close proximity.
Feb 07 17 04:03:58 pm	It's vibrant and lively. Not too long, not too short. Not sure about being unique and special. This is not Chapel Street.
Feb 07 17 04:13:51 pm	Don't know about special but the number of dumpling restaurants certainly makes it unique.
Feb 07 17 04:57:23 pm	It used to be special..diverse set of shops not now..destroyed by the cafes
Feb 07 17 05:08:22 pm	There is an amazing array of people and food. Good food is its specialty. There are a lot of smaller businesses.
Feb 07 17 08:42:27 pm	Asian restaurant hub
Feb 07 17 09:00:05 pm	More different festival carnival to be hold or celebration activities
Feb 07 17 09:25:41 pm	its vibrant..but relaxing at the same time
Feb 07 17 10:35:41 pm	restaurants and cafes

Feb 07 17 11:19:05 pm	Mix of shops
Feb 08 17 01:26:30 pm	not too busy compared to some areas, much prefer than large centres like southland, can sit down near library & rest, can get in & out fast, variety of shops from opp shops to expensive gift shop love them both! Can get everything I need (except clothes)
Feb 08 17 02:03:01 pm	THE RANGE OF FOOD AS I said before
Feb 08 17 04:05:54 pm	Library mall and food shops close together
Feb 08 17 05:03:53 pm	Asian restaurants and grocers, mix of people
Feb 08 17 10:41:08 pm	nothing
Feb 08 17 10:49:39 pm	The mix of local businesses - although this has diminished in recent years
Feb 09 17 12:04:18 pm	Nothing
Feb 10 17 09:31:59 am	It use to have great selection of variety of fresh food outlets which were very good quality. This over time has disappeared. I don' t believe that it as unique or special now. Before it had both the food outlets and the cafes. Now its just a place to go do shopping, grab a coffee and leave. It does have some good cafes and restaurants so great for a coffee and lunch.
Feb 10 17 10:34:06 am	lots different varies of restaurant & shop
Feb 10 17 11:01:20 am	Good mixture of shops and restaurants. Need to retain the balance, though.
Feb 10 17 01:36:52 pm	As stated before, the different types of shops available.
Feb 10 17 02:00:18 pm	It's local and it has the shops and businesses I like to use
Feb 10 17 02:20:59 pm	diverse
Feb 10 17 02:38:19 pm	The strip has a great selection in places to eat, as well as having everything else at hand such as banks, post office, hairdressers as well as grocery shopping.
Feb 10 17 04:09:57 pm	It is full of old and new shops but all have such great quality
Feb 10 17 06:00:56 pm	It's Asian influence.
Feb 11 17 11:05:31 am	The abundance of cafes and the cosmopolitan feel.
Feb 11 17 06:45:24 pm	It's convenience, however it would be much better and nicer to get away from the Asian aspect, Carnegie has had and still experiencing growth and change, the area is such a gem now with more Caucasian folk entering the area. With all the new apartments, it's modernising the area so I feel the shopping strip needs to compliment a new modern feel. Once the train line is completed with recreational facilities, walkways etc, parklands will make such a difference.
Feb 11 17 06:53:53 pm	Unique - have such a saturation of dumpling restaurants and Korean restaurants
Feb 11 17 06:54:18 pm	It is multicultural.
Feb 11 17 07:58:24 pm	Only really proximity to my home for me, no real attractions for the outside visitor
Feb 12 17 11:17:14 am	Cafes
Feb 12 17 02:01:05 pm	Variety and abundance of Asian eateries.
Feb 12 17 05:59:20 pm	Nothing
Feb 12 17 07:02:25 pm	In a short strip of road, we have everything.
Feb 13 17 11:02:12 am	Its location, far enough from Chadstone to be viable. The very diverse local population living harmoniously with each other.
Feb 13 17 11:28:53 am	It has excellent transport options and a lot of variety. There is a buzz about it with it being busy day and night.
Feb 13 17 12:46:35 pm	The restaurants. The lack of 'chain' stores.
Feb 13 17 05:14:39 pm	The people, I love the mosaic decorations, and the newly renovated area in front of the library is a great community hub.
Feb 13 17 05:47:00 pm	It was accessibility and a good variety of neat and tidy shops, but now that

	is diminishing and many store windows are full of ugly posters and some shops are not maintained as well as they used to be.
Feb 13 17 07:11:00 pm	I love the mosaics on the shopfronts, and the hidden artworks. I love the multicultural feel of the street and the way we celebrate christmas, new year, mother's day, father's day and so much more (thank you to the traders who organise all that!). Friends and family are always so willing to come to carnegie and it feels like we have everything we need right here. The place is friendly, lovely and caring and has a real village feel to it with the diversity of people and businesses.
Feb 14 17 12:50:53 pm	I like the diversity. There are some really awesome noodle shops, great Thai, Vietnamese, Korean, Italian, Japanese, Grilled etc. This is great. Though we have probably reached saturation point when it comes to noodle shops.
Feb 14 17 03:19:09 pm	The mix of all the actual retails and cafe/restaurants. Lot of emails are closing and are replaced by restaurants. It's not good. The strip must keep a lot different retails. It's part of the place
Feb 15 17 12:08:50 am	Its vibrant
Feb 15 17 10:19:11 am	Restaurants
Feb 15 17 07:38:33 pm	community spirit, not too upmarket
Feb 16 17 03:39:55 pm	Convenience. Closest supermarket
Feb 16 17 04:06:54 pm	The range of shops, the preservation of the older architectural style, the friendly shop keepers, the longer trading hours, the great Salvos op shop.
Feb 16 17 05:21:55 pm	It's cultural diversity
Feb 16 17 05:34:53 pm	Great coffee shops.
Feb 18 17 01:52:15 am	Variety of cafes and restaurants and the mosaics
Feb 18 17 08:13:09 am	The cafes and people friendly.
Feb 18 17 11:51:03 am	Buzz from so many busy cafes
Feb 18 17 05:27:15 pm	The small individualized shops and laneways giving Carnegie character, vibrancy and life, the attempt at greenery, the pigeons and other birds/ animals, the chairs to sit and rest, the different cultural shops selling different groceries and cafes conveniently close.
Feb 19 17 03:22:04 pm	Nothing now apart from the long standing service traders.
Feb 19 17 04:52:17 pm	Great vibe, busy but not crazy
Feb 20 17 08:36:02 am	It's variety, safety and places to eat.
Feb 20 17 05:06:32 pm	Unfortunately nothing

Nov 30 16 01:37:26 pm	New seats in the main street. More trees
Nov 30 16 02:43:46 pm	Car parks? Oh, wait. Activated car parks.

Nov 30 16 04:37:55 pm	Better playground at the library with a fence along Jersey parade so the little kids don't run onto the road.
Nov 30 16 10:49:43 pm	Please help the poor man you sleeps outside the front of the chemist everyday. Also please look at removing the people collecting for different organizations they just spoil the whole vibe of the area.
Nov 30 16 11:43:52 pm	Nice trees, perhaps at the expense of a car park or two along the length.
Dec 01 16 11:47:50 am	could do with more
Dec 01 16 01:15:20 pm	area near Library is fine
Dec 01 16 01:38:06 pm	More parkland....gathering spots in the town centre
Dec 01 16 02:34:30 pm	Wide open space with grass or trees for families to spend time in. Car park for all to use when they are shopping or visiting this area. Clean and safe environment. Well maintained roads.
Dec 01 16 07:43:36 pm	Dead space outside library
Dec 01 16 09:00:46 pm	Fine.
Dec 01 16 09:01:07 pm	A wider variety of restaurants, bar.
Dec 01 16 09:12:23 pm	A better playground near the library. Urban parks for example the parklets of San Francisco http://pavementtoparks.org/parklets/ Better designed carparks.
Dec 01 16 11:26:22 pm	Grass - bike path and perhaps community vegetable garden
Dec 02 16 12:05:18 am	Style guide for shops to meet (signage) Make it pedestrian only (no cars), like in Oakleigh A clear central area with real gravity (not a heartless corridor)
Dec 02 16 12:12:05 am	Very little.
Dec 02 16 02:55:35 am	Yep. Placee for kids to run around
Dec 02 16 07:44:25 am	Hoping this will be improved by the freed land beneath the sky rail
Dec 02 16 09:21:33 am	The only open space leading to the library has recently been upgraded and is very nice, but it is small and the only open space apart from carparks
Dec 02 16 10:02:16 am	a monthly market in the library forecourt
Dec 02 16 12:10:10 pm	I don't see open space a big issue when I'm either shopping or dining out
Dec 02 16 12:26:26 pm	
Dec 02 16 12:38:18 pm	more greenery is always good
Dec 02 16 03:25:11 pm	It would be great to have a little more open space or a children's play area in addition to the one by the library
Dec 02 16 07:20:13 pm	More on footpath dining
Dec 02 16 09:39:36 pm	Greenery, more plants
Dec 03 16 11:28:22 am	need an anti graffiti program when skyrail goes up
Dec 03 16 01:07:24 pm	Buildings are age weary and need rejuvenation
Dec 03 16 01:39:39 pm	Not necessary in the strip itself other than some improved landscaping.
Dec 03 16 01:48:27 pm	Area in front of library would be better with shade
Dec 03 16 02:34:16 pm	Do not any more open space
Dec 03 16 04:42:15 pm	bicycle trial
Dec 03 16 04:58:50 pm	Sky rail should make it one long strip. Variety shrinking though, only one butcher soon, delis closed
Dec 03 16 06:02:26 pm	More greenery where kids can play
Dec 03 16 06:31:54 pm	Library is nice but lacks greenery and shade. Nowhere to sit to hide from midday sun
Dec 03 16 08:24:38 pm	Yes - would like to see more of this
Dec 03 16 08:24:48 pm	more of it! it's a tight space so a well thought out and educated approach to design is paramount. we need a visionary team to consult with the right

	<p>designers so that Carnegie doesn't eat itself which we've seen happen all around Melbourne. This is the time to put some smart processes into place.</p> <p>Encourage more legal graffiti murals and street art. It's a real positive thing for a neighbourhood to encourage. And it represents our youth too.</p>
Dec 04 16 08:37:17 am	A park in the village would be great!
Dec 04 16 10:13:11 am	very little open space and nothing green- the old 'safe' park was replaced by a hot small space.
Dec 04 16 02:47:08 pm	Is ok.
Dec 04 16 04:41:54 pm	Need more shade
Dec 05 16 11:47:03 am	<p>Put the two large car parks underground and cover with REAL parks with REAL grass unlike the Library forecourt. The immediate area surrounding the shopping strip has much less greenery - both grass and trees - due to apartments replacing detached houses.</p> <p>Taking away some of the public seats/tables and replacing them with food outlet seating was bad. The associated Skyrail open space will help but such amenities need to be spread about to make the centre people and child friendly.</p>
Dec 05 16 05:44:03 pm	Nice open space.
Dec 05 16 06:44:44 pm	Could have more variety of restaurants
Dec 06 16 12:05:57 am	More open space would be ideal especially between the shops
Dec 06 16 02:13:56 am	Transforming the laneway connecting Woolworths and Koornang Rd opposite the library into a green laneway with benches and bushes.
Dec 06 16 08:40:08 am	<p>More planning more painting .</p> <p>A modern look on a very tired shopping strip with some awnings falling off .</p> <p>A no parking in the street would help.</p> <p>Alley ways too are very tired and collect a heap of rubbish on a windy day.</p>
Dec 06 16 12:38:36 pm	Public art
Dec 06 16 01:42:00 pm	<p>more trees</p> <p>cobbled pavement or unique pavement tiles\artistic creative style and look as the mosaic works started.</p> <p>a fountain in the library open space area</p>
Dec 06 16 02:49:34 pm	Strong links between the shopping strip and the new linear park under the elevated rail has a high potential. Otherwise the library forecourt is good - other similar outdoor spaces should be considered as the strip expands.
Dec 06 16 05:13:56 pm	More trees
Dec 06 16 07:21:30 pm	More parks with great play equipment for kids
Dec 06 16 07:36:32 pm	See below.
Dec 07 16 08:38:49 am	Playground for kids
Dec 07 16 01:30:53 pm	Some of the cafes /restaurants can have more outdoor seating.
Dec 07 16 03:46:25 pm	A better welcoming area at the back of the shopping centre, out near Woolworths. That area looks very dowdy and dirty.
Dec 07 16 08:44:26 pm	more seats near the library forecourt for adults to sit down when children playing!!
Dec 07 16 09:56:41 pm	A Bunnings!!
Dec 08 16 11:15:46 am	Nothing I can add
Dec 08 16 11:25:22 am	Where do you get it?
Dec 08 16 11:58:15 pm	<p>More shelter in the current open space?</p> <p>Community garden</p> <p>Community composting facility - where those of us who live in apartments can bring out compost to contribute to the garden and reduce waste.</p> <p>Arts! of all types!</p>

Dec 09 16 03:15:33 pm	What open space?
Dec 09 16 03:31:00 pm	More open space would encourage the village atmosphere, especially if accessible from outdoor dining areas of cafes It would also make the strip seem less dirty
Dec 09 16 04:02:32 pm	A space where people can park their bikes, access via a pathway around the back of the shops. Seating and a water station and a bike assist station. Room at the station for bike parking. Water feature and herbs growing in an open space for people to use. Herbs can be planted in lots of spaces for people to use. More variety of clothing shops for men and women.
Dec 09 16 04:02:34 pm	European cafes, far to many Asian, as much as I dearly love Asian cooking
Dec 09 16 04:55:51 pm	good how it is
Dec 09 16 04:57:31 pm	Adequate. Maybe some grassed areas somewhere
Dec 10 16 03:53:39 pm	Great opportunity to utilise local artists to beautify the main shopping strip (e.g. in past there were totems painted on the telegraph poles). This is indicative of the artistic, diverse and youthful vibrancy of the suburb and creates a warm invite to locals, depicting the culture of Carnegie with its ethnic mix and cultural diversity, with artistic expression embedded within its cafe culture
Dec 11 16 05:58:28 pm	There's only the library forecourt which seems a bit wasted. A decent cafe with outdoor seating not clogging the pavement. Can only hope something decent is planned for under the railway when it's completed.
Dec 11 16 06:14:48 pm	seating greenery, possibly lighting, better parking,
Dec 12 16 02:20:12 pm	Upgrade play area outside library- child friendly, interactive, play equipment
Dec 14 16 03:36:48 pm	The little lane ways could be improved with more street lighting to make it safer to use at night. People often use these lane ways to get to the big parking lots (e.g. Woolworth's car park off Kokaribb Road and Carnegie Library car park off Shepparson Road).
Dec 14 16 09:37:51 pm	With the removal of the train line, this could enable more open space below the elevated station. I would love to see some new space used as maybe for a weekend/fortnightly market.
Dec 15 16 12:59:07 pm	More greenery
Dec 15 16 08:59:06 pm	Dog free park
Dec 16 16 12:06:19 pm	its ok
Dec 16 16 02:04:25 pm	Library mall doesn't have enough seats Internet is great there Safer places to tie up dogs that are not so close to the road
Dec 17 16 07:35:05 am	Modern feel
Dec 17 16 09:36:01 am	More open space do not fill in the area around the station with high rise car parks or the traffic issues will only be multiplied not improved post the crossing removal. So more trees a bus zone to improve pick up and drop off of passengers. Most of the time cars use this spot and it adds to the traffic issues More landscaping and trees to reduce the noise soften the area and respond to climate change issue of providing shade on days when heat is extreme all the concrete and bitumen make it even hotter. With all the development there have been many trees removed and not new trees planted to soften the impact. Please ensure future developments have to have set back and plant trees
Dec 17 16 10:26:51 am	More greenery, flowers, grass.

Dec 17 16 02:40:19 pm	More gardens and places to sit outside Covered places for shade or rain protection
Dec 17 16 06:10:26 pm	Enough
Dec 18 16 01:09:39 pm	More plants and congregation places
Dec 18 16 10:23:31 pm	more spaces for kids and families. Trees, 'green areas'.
Dec 19 16 09:03:13 am	A nice big park for kids
Dec 19 16 11:10:21 am	Grass and good sitting areas.
Dec 19 16 11:19:45 am	trees and gardens
Dec 19 16 11:41:09 am	trees
Dec 19 16 11:44:32 am	vegie gardens
Dec 19 16 11:46:20 am	Play ground
Dec 19 16 11:54:38 am	more open space near the shop
Dec 19 16 12:07:06 pm	parking
Dec 19 16 12:12:19 pm	wine bar/ more cafes
Dec 19 16 12:24:03 pm	parking
Dec 19 16 12:31:26 pm	parking
Dec 19 16 12:47:03 pm	build more family friendly open spaces as families are increasing in the area
Dec 19 16 01:09:43 pm	more car spaces
Dec 20 16 03:50:39 pm	More alfresco eating spaces.
Dec 21 16 07:38:15 pm	Wine bar Desert bar Steakhouse
Dec 21 16 11:20:20 pm	Fine
Dec 22 16 12:00:50 am	more outdoor sitting areas to enjoy food from the local restaurants. Reduce traffic through the main street. Reduce the speed limit permanently
Dec 22 16 02:22:40 pm	More pedestrian friendly More greenery: grass, trees, etc More and nicer open spaces
Dec 22 16 08:48:44 pm	There is no open space that is user friendly. Only the area in the hot sun near the library
Dec 23 16 01:21:05 pm	We're losing open space fast and casting whatever open space we do have into shadow thanks to greedy developers.
Dec 23 16 01:44:26 pm	Better bike paths around carnegie would be amazing. More green on the streets, eg more trees, and grass around the station/footpaths (but not that terrible grass on residential streets, more local plants and mini gardens, not just trees and tanbark)
Dec 23 16 08:02:16 pm	Yes need this
Dec 23 16 10:35:02 pm	Yes, that would be great
Dec 24 16 10:17:31 am	More green
Dec 24 16 09:58:08 pm	Parking spots
Dec 25 16 12:28:25 am	Green
Dec 25 16 10:47:31 am	Yes We need more parks
Dec 25 16 06:15:10 pm	Parking, sports and recreation facilities, bbq and picnic facilities.
Dec 25 16 06:48:49 pm	Pretty good
Dec 26 16 07:01:09 pm	The open space near the library is wonderful.
Dec 27 16 09:45:59 am	More outdoor space for cafes, to make it more dog friendly.
Dec 29 16 09:36:45 am	Trees, greenery, (we need lots) bit difficult but good outdoor eating.
Dec 30 16 01:24:59 am	Improve playground area and seating outside library (would be nice to have a green, shady spot for reading)

Dec 30 16 04:13:09 pm	It's okay - this is a shopping space, the little play ground out side the library is perfectly adequate.
Dec 30 16 11:59:56 pm	More green space.
Dec 31 16 09:49:09 am	Open space around skyrail would be great as long as it is maintained properly.
Jan 01 17 08:00:46 pm	More trees and gardens are needed. I really like the mosaic so more things like that I would like.
Jan 02 17 06:41:15 pm	Some more trees or greenery along the strip.
Jan 02 17 10:48:36 pm	Can walk to a park in about 15 minutes or 30 to Caulfield Park.
Jan 03 17 11:58:15 am	I like the chairs areas in the strip.
Jan 04 17 01:44:07 pm	More plants/ trees
Jan 04 17 04:19:58 pm	Well, that space in front of the library looks better.
Jan 04 17 08:52:40 pm	Trees
Jan 04 17 11:40:31 pm	Ok
Jan 05 17 11:41:31 am	N/A
Jan 08 17 01:02:53 pm	Trees should arch over the whole strip from the railway to Neerim Road. More tables and chairs on footpaths. Grass and trees where railway line was (once it's elevated).
Jan 08 17 02:41:07 pm	Sure, more is always good.
Jan 09 17 01:40:52 pm	More natural spaces that are safe for children to play. The bookworm playground is dated and hot and doesn't provide a nice environment to meet up with friends.
Jan 09 17 01:51:18 pm	Communal seating with trees
Jan 11 17 03:11:49 pm	More but limited choice,
Jan 12 17 06:39:14 pm	More outdoor restaurant seatings
Jan 14 17 05:47:35 pm	Koorang rd is very busy flow through road. No place for open space.
Jan 16 17 01:33:04 am	The streetscape is harsh and uninviting.
Jan 16 17 05:02:49 am	Needs way more greenery! It's such a concrete jungle these days.
Jan 17 17 02:01:54 pm	Definitely more of this required - the forecourt in front of the library is great - but too much asphalt and not enough 'green' (i.e. consider the vegetated biofiltration systems... :-)). I think in the wake of the skyrail - it would be good to see more natural green spaces for connectivity across the rail line and for asethetics, recreation and general amenity.
Jan 17 17 09:42:20 pm	Our library forecourt is hot, barren and ugly. We need GREENERY. The one piece of art was removed.
Jan 18 17 07:06:17 am	Greenery Outdoor seating
Jan 18 17 10:33:13 pm	More tree's would be great, if not possible flower's or annuals.
Jan 19 17 09:27:26 am	The quadrangle outside the library/worm park has recently been upgraded and is very good. Please turn the power back on though! The worms used to have glowing eyes, and the robots would speak, it used to be a lot more interactive.
Jan 19 17 10:23:05 am	More small plaza areas with shade. Improve rear of shops to open up for retail services.
Jan 19 17 02:54:53 pm	some stylish & clean seating areas with greenery
Jan 19 17 11:23:52 pm	Many suggestions about what should happen re gardens, bike path etc under the new railway line have been put in to the Level Crossing Authority's. This will be an asset to Carnegie shopping Centre if done properly. There will also need to be some parking for people catching the train at Carnegie station.
Jan 20 17 12:03:42 pm	The refurbished space by the library is good.

Jan 24 17 02:58:41 pm	ok with the development of the area in front of the library but might be good with the creation of some open space near the redeveloped railway station.
Jan 26 17 12:17:14 am	Shady trees in the walkway to library. Park.
Jan 27 17 03:28:37 pm	Significantly improved on-road cycling conditions. Bike lane is currently in door zone. Would like to see Glen Eira lead the way in reducing car use by providing best-in-class cycling and pedestrian facilities. More greenery. Architecture/design solutions to improve street landscape – current bricks are ugly. Better seating solutions for elderly. Removal of car spaces for trees and pedestrian facilities. Solutions designed for people first, not cars. Create a village feel – not a road with shops. Break the mould and create something unique ownable to Carnegie and it's people.
Jan 28 17 11:13:55 am	Yes - more open space is always good for mental & physical health
Jan 28 17 04:02:36 pm	There is too much surface car parks that could be used as parks instead. These spaces should be used to ensure there is more open space available for future population growth. The council should not invest in car parking. Car parking is not a public good as only people with cars can use it - let the market provide for car parking or charge market rates for its use.
Jan 29 17 09:26:45 am	Green well kept spaces are always brilliant also interactive green spaces like st kildas community garden in the old bowling green are fabulous.
Feb 01 17 12:52:06 pm	Lawns greenery
Feb 01 17 08:58:54 pm	Get ride of the brick walls and create more spaces like the library forecourt
Feb 01 17 09:51:04 pm	Cafe in front of library
Feb 01 17 10:59:14 pm	Certainly need more of this
Feb 03 17 01:54:17 pm	The library forecourt is central and provides a hub that is probably adequate.
Feb 04 17 01:30:30 pm	Handmade markets from local guests.
Feb 05 17 12:07:39 am	more plants would be nice- drought tolerant obviously but more green would help as Carnegie is just not that attractive really.
Feb 05 17 09:04:43 am	area around library and improvement but need more no traffic, gathering area.
Feb 05 17 04:10:15 pm	Great precinct around library. Focal point well thought out.
Feb 06 17 11:50:14 am	yes. The forecourt redevelopment is boring with limited planting, grey looking and uncomfortable seating. Provide seating with backs so people can sit comfortably and watch the world go by.
Feb 06 17 12:46:33 pm	We used to have public park where my daughters played. It got bulldozed, asphalted and concreted over, and not replaced. Yes open space is missing, in the very area that Council is targetting for uncontrolled and unregulated higher density development.
Feb 06 17 01:12:32 pm	A space for community gardens
Feb 06 17 02:26:13 pm	The play area next to the library is outdated. There is hardly any open space and the small amount near the library doesn't offer a lot of shade.
Feb 06 17 03:52:10 pm	Possibly to have some open space to run a farmer's market/street stalls occasionally Create a bus depot/interchange -so that it's easier to find the relevant buses and stops More parking for disabled -in proximity to the shops
Feb 06 17 05:43:58 pm	More space and more trees. Restriction of trucks
Feb 06 17 05:53:41 pm	Not enough trees Too many cars More shade and green space needed
Feb 06 17 06:11:41 pm	Reduce the smell of the food somehow.
Feb 06 17 06:28:50 pm	Only one open space. Very narrow strip, difficult to walk through when busy.

	Impossible to park on strip
Feb 06 17 06:57:40 pm	The oval / kids playground is quite close so I'm happy with access to this.
Feb 06 17 08:44:55 pm	There could be more open space. Most of it is taken up with a play park. What about other users?
Feb 06 17 08:47:30 pm	Green space and trees
Feb 06 17 11:26:35 pm	Im happy with it as is
Feb 07 17 12:02:21 am	More trees, better materials/finishes along the street.
Feb 07 17 03:43:47 am	Gardens and trees with seats and play areas with shade
Feb 07 17 08:53:34 am	Trees, park area, benches to sit on
Feb 07 17 09:32:02 am	more car parking
Feb 07 17 10:31:34 am	I don't really notice the infrastructure in Carnegie, maybe because they are very outdated? The benches along the main road (Koornang Raod) are a little bit old. It would be nice if those benches are modern designed. Also, the traffic lights could be well-designed in terms of waiting time? I feel like pedestrians have to wait for ages for the green light.
Feb 07 17 11:37:55 am	Variety of restaurants not just Asian
Feb 07 17 12:54:13 pm	Removal of railway crossings underground. Futile hope I fear !
Feb 07 17 12:55:13 pm	Gardens, Trees on footpaths etc
Feb 07 17 01:20:27 pm	Parking Cleanliness
Feb 07 17 02:22:12 pm	NEW STYLE PUBLIC TOILET ON SHEPARSON ROAD SIDE FLEXIBLE FLEXIBLE COVERS FOR PUBLIC OPEN AREAS CROSSING LIGHT SEQUENCES CHANGED MORE LITTER BINS HARsher CONSEQUENCES FOR LITTERERS FIX ROAD SURFACE AT KOORNANG/NEERIM
Feb 07 17 02:48:16 pm	More grass? Some shelters, park areas (not just the concrete part between the library and Koornang, although that play equipment is cool)
Feb 07 17 03:21:51 pm	yes
Feb 07 17 03:53:36 pm	With the growth of apartments in Neerim Rd it is probably too late to think about open space, unless the Woolworths supermarket in Kokkaribb is demolished and used for a park & car parking.
Feb 07 17 04:03:58 pm	Less parking bays but larger footpath along Koornang Rd?
Feb 07 17 04:13:51 pm	Wider pedestrian footpaths. More shelter between the main strip and the library.
Feb 07 17 04:57:23 pm	almost zero open space in Carnegie and with the HUGE overdevelopment of apartments allowed by council and VCAT this is getting worse ... not one square cm of new open space anywhere
Feb 07 17 05:08:22 pm	Another open space with seating would be great.
Feb 07 17 09:00:05 pm	Park
Feb 07 17 09:25:41 pm	ok
Feb 07 17 10:35:41 pm	open space needs morework - too boring
Feb 07 17 11:19:05 pm	Cleaner footpaths
Feb 08 17 01:26:30 pm	a bit of a grassed area to sit & rest,play or eat
Feb 08 17 04:05:54 pm	basketbalk and netball rings
Feb 08 17 05:49:41 pm	Streetscape Vegetation and better/prettier lighting.
Feb 08 17 10:41:08 pm	there is very little, only the small part near the library.
Feb 08 17 10:49:39 pm	parking is becoming very limited
Feb 10 17 09:31:59 am	More of it only really at the library.

Feb 10 17 10:34:06 am	Exercise Park far away, need more trees plant around
Feb 10 17 01:36:52 pm	Yes probably more sitting areas especially with shade. So more trees and greenery.
Feb 10 17 02:00:18 pm	I think the amount of open space outside the library is adequate
Feb 10 17 02:20:59 pm	more car parks
Feb 10 17 02:38:19 pm	Again I would have to say more parking spaces along more extended times during the day.
Feb 10 17 04:09:57 pm	Yes, some park land would be nice, but given how busy it is it would be hard to see happening
Feb 10 17 06:00:56 pm	More seating for the elderly to rest as they walk along the strip. More open park spaces created due to all the multi-dwellings. We will have young families moving in and we need more parks created in the streets next to the Koornang strip so families can take their offspring out of the small apartments without having to use a car to get to the park.
Feb 11 17 11:05:31 am	More grassed areas. More trees and proper landscaping.
Feb 11 17 06:45:24 pm	More love and tidied up, modernised, some parts look terribly run down and dirty.
Feb 11 17 06:53:53 pm	Skate park Parks for children
Feb 11 17 06:54:18 pm	Definitely lacking in the immediate area. Very little in the way of large trees. No street trees in Neerim Road on the north side from Toolambool Rd to Koornang Road. Because of this there is no shade on that side of the road in summer or protection from rain in winter. Also trees are needed to reduce car and truck fume and noise pollution which is becoming unbearable for anyone with respiratory problems.
Feb 11 17 07:58:24 pm	The redevelopment of the library forecourt was a great start, but I feel more could be done here - still fairly sparse / harsh.
Feb 12 17 02:01:05 pm	The outdoor eating areas at cafes etc give the strip a great vibe. The open space near the library looks really good now. I look forward to more open space when skyrail is finished. Needs lots more trees and greenery generally.
Feb 12 17 05:59:20 pm	Enable residents to contact the Traders Association. Diversity of cultures including European cultures to be represented in the shopping strip
Feb 12 17 06:23:07 pm	Definitely need more outdoor recreational space that is not concreted. Grass, trees etc.
Feb 13 17 11:02:12 am	There is a need for green open spaces - with trees, real grass, sitting benches and space for kids to run. They do not need to be large in area, but there should be several, on each side at an each end of the shopping strip
Feb 13 17 11:28:53 am	New outdoor activities for young people, ie a skate park, a basketball court. It is importnat to keep children active. It would be nice if they could meet up with friends locally and enjoy some "free" physical activity. This is even more importnat now that children are living more in twonhouses and units and don't have a back yard.
Feb 13 17 12:46:35 pm	Big trees, grassy areas, shady areas
Feb 13 17 05:47:00 pm	Less posters and ugly street signage - particularly that above the verandah line. A fair and consistent variety of shops. No more Asian restaurants and "cheap" shops - there are enough to service the area. Tougher parking restrictions and developers being made to provide more parking. New stations should also have increased parking, but our understanding is that this is not the current plan.
Feb 13 17 07:11:00 pm	I don't know where, perhaps near the skyrail we could have some more green spaces. How cool would it be to have locals using the park area not just as a walk through but as a place to meet and sit and enjoy the weekend. Picnic tables or chairs would be great, as would things like built in

	ping pong tables, so people can just bring along a bats and a ball. The most important thing is that the open park space feels safe and secure, so lighting and safe paths would be essential.
Feb 14 17 12:50:53 pm	More trees. Greenery always improves any outdoor area.
Feb 14 17 03:19:09 pm	car park
Feb 15 17 12:08:50 am	Yes it very stark needs a softer edge and more common spaces
Feb 15 17 10:19:11 am	Not a major priority for me.
Feb 15 17 07:38:33 pm	more trees
Feb 16 17 03:39:55 pm	Ensure Skyrail ugly imposition does not split the strip and demise the village feel. Develop open spaces that are functional and popular
Feb 16 17 04:06:54 pm	More if possible.
Feb 16 17 05:21:55 pm	The walkway opposite the library open space could be developed/enhance with seating & Trees to make it a more welcoming place of gathering
Feb 16 17 05:34:53 pm	Get rid of Asian restaurants. Add more bike stands. Get rid of Asian express post shops
Feb 17 17 12:21:13 pm	The area outside the library suffices but some green space close to the strip that you could take food to would be good.
Feb 18 17 01:52:15 am	Trees!
Feb 18 17 08:13:09 am	The playground at the library should get a revamp.
Feb 18 17 05:27:15 pm	More real greenery and shrubs and trees, less fake grass and concrete around the library (Children will fall on fake grass as much as real grass and it will hurt just as much)
Feb 19 17 02:38:29 pm	Yes, more open space will be nice
Feb 19 17 03:22:04 pm	Adequate
Feb 20 17 05:06:32 pm	No comment
Feb 20 17 07:29:49 pm	Need to make sure parks have good facilities
Feb 20 17 07:39:37 pm	Need a toilet in the Garden Ave Park in Glen Huntly
Feb 20 17 07:43:00 pm	Bike paths, outdoor green areas

Nov 29 16 09:48:36 am	More cafes!
Nov 29 16 05:17:36 pm	Less Chinese vitamin exporters. Huge shame the 'little gift shop' was lost b/c couldn't compete re rent with vitamin exporters. They're a drain on community life and add nothing. Enough dumpling shops. Love love love the local woolies
Nov 29 16 06:57:25 pm	Different types of food -Greek -Spanish -Kebab shop
Nov 29 16 11:06:31 pm	Deli. Local bar, not just restaurants and the pub... something in between

Nov 30 16 01:37:26 pm	Deli, variety of restaurants, seafood shop, butcher
Nov 30 16 02:43:46 pm	Import shops, to balance the number of export shops. More dumpling shops and maybe more Korean food. There just isn't enough.
Nov 30 16 04:37:55 pm	More clothing stores and restaurants that don't sell Asian food.
Nov 30 16 10:32:17 pm	Retain diversity in shops - not just Asian restaurants!
Nov 30 16 11:43:52 pm	deli, bookshop
Dec 01 16 11:47:50 am	fashion shops
Dec 01 16 12:51:45 pm	Target, Kmart or Big W would be very welcome and appreciated. That's the type of store that makes Carnegie shopping strip incomplete (as opposed to Bentleigh which has a small Target store in addition to supermarkets).
Dec 01 16 01:15:20 pm	another Korean restaurant (joke!)
Dec 01 16 01:38:06 pm	Less asian, more fashion and Mediterranean flavours
Dec 01 16 02:34:30 pm	We have almost every shop, one needs to do shopping. More fresh food markets to create competition.
Dec 01 16 06:16:34 pm	Deli
Dec 01 16 06:39:40 pm	more non Asian cafes and less backyard food exporters
Dec 01 16 07:43:36 pm	Diversity of shopping
Dec 01 16 09:00:46 pm	Food shops outnumber other, perhaps that is why most go to Chadstone of their 'other than food' shopping.
Dec 01 16 09:01:07 pm	Need a deli back
Dec 01 16 09:12:23 pm	Always going to be tricky with Chadstone up the road. But would encourage diversity especially in the dining outlets. We know people will come to a good café/restaurant -- look at the success of Left Field, in the middle of suburban Carnegie.
Dec 01 16 11:26:22 pm	Clothes butchers delis toy shops homewares camping goods
Dec 02 16 12:05:18 am	More great cafes (like in Oakleigh) More european / modern australian restaurants French bakery (eg. Noisette, Laurent or Philippa's..) European cheese shop Italian Ice Cream shop

Dec 02 16 02:55:35 am	More clothing and homewares, shoes, funky cafes like Left Field. Maybe a wine bar or too?
Dec 02 16 07:44:25 am	Need to encourage variety - we have enough dumplings and discount pharmacies now
Dec 02 16 09:21:33 am	Dominated by restaurants, but that's fine because Chadstone Shopping Centre is so close.
Dec 02 16 10:02:16 am	nursery/garden shop, book shop, ice cream shop
Dec 02 16 10:40:50 am	Less chains, and more small businesses make it more homely
Dec 02 16 12:10:10 pm	There isn't a menswear shop, but I doubt this could compete against Chadstone
Dec 02 16 12:38:18 pm	ice-cream shop bendigo bank atm
Dec 02 16 01:05:49 pm	Need more variety in shops-don't know who gives authorisation for the shops but seriously, enough of the same & mix it up. We have a great community who I feel are thinking the same!
Dec 02 16 02:23:16 pm	Variety of shops are what a lot of the people wants.
Dec 02 16 03:25:11 pm	Mostly mentioned in prior comments but would also be great to have a deli - the deli recently shut down and this was a real loss to carnegie. Perhaps also a high end bakery
Dec 02 16 05:06:34 pm	More variety in terms of restaurants.
Dec 02 16 07:23:41 pm	More cafe/brunch type outlets Too many 'daigou' shops popping up

	Coles - too many Woolworths in the area

Dec 03 16 11:28:22 am	need a Greek restaurant and another fish and chip shop don't need large or specialty retail outlets that are already at Chadstone
Dec 03 16 12:07:43 pm	Quality fresh fish shop; improved kids clothing shop; toy shop
Dec 03 16 01:07:24 pm	News-agency has closed and we need one
Dec 03 16 01:11:04 pm	
Dec 03 16 01:39:39 pm	Variety of restaurants. Loss of fresh food is concerning - previously there were 3 butchers and 3 delis, soon there is to only be one of each.
Dec 03 16 05:25:18 pm	A good quality Mexican Restuarant / take away. Actually, something other than Asian would would be nice.
Dec 03 16 06:02:26 pm	Nice trendy boutiques selling homes wares and toys andclothes
Dec 03 16 06:31:54 pm	Decent cafes, more varietal food options, very one dimensional at the moment.
Dec 03 16 08:24:38 pm	As mentioned good quality homewares, clothing and books
Dec 03 16 08:24:48 pm	- More food, let's make this like no other strip in Melbourne. It's already almost there! - Less Asian vitamin packaging places. - Say no to unhealthy fast food giants and convenience stores.
Dec 04 16 08:37:17 am	Fishmonger Local IGA More cafes please - make it a place to come for coffee and spend time with the kids

Dec 04 16 04:41:54 pm	Retail shops, like clothes for twenty-thirty year olds
Dec 04 16 05:19:29 pm	Shops could be cleaner/less dilapidated.
Dec 05 16 05:44:03 pm	Good selections.
Dec 06 16 12:05:57 am	Better mix of retail and food places, offering more variety and quality food other than dumplings. Adding dessert or gelati place, toy shop is idea for younger families. Target or job hifi would be great! Real estate agents don't have to be on the main road.
Dec 06 16 02:13:56 am	More late trading restaurants that aren't Asian cuisines. Shopping wise, it's pretty bad so anything is probably better.
Dec 06 16 07:53:47 am	Small bars
Dec 06 16 08:40:08 am	There are so many food shops who look the same. carnegie need to attract a different type of shopper from other areas and shops with a better standard and variety of goods. Better quality clothes, more types and standards of foods.
Dec 06 16 12:38:36 pm	Good quality homewares Bookshop Newsagency (the one has just closed) Good quality giftware shop
Dec 06 16 01:42:00 pm	an artisan bakery. with great sourdough bread..maybe wood fired oven etc. more great italian restaurants a good greek cafe maybe a spanish tapas bar? a great organic grocer/ with some beautiful local artisan products.
Dec 06 16 01:44:42 pm	fresh fish bookshop

Dec 06 16 02:49:34 pm	While I love the cafe and low-cost restaurants in Koornang Road, I think there is a gap in both the higher-end restaurants and small bars. There is the pub, the Dutch Club and the new bar near the station, but a couple more might be good. I wouldn't expect it to be a 24 hour street, but perhaps with a bit more opportunity for pre- or post- dinner drinks.
Dec 06 16 05:13:56 pm	Seven Eleven and a wider variety of cuisines
Dec 06 16 07:21:30 pm	A couple of bars would be great
Dec 06 16 07:36:32 pm	Wine bar European restaurants

Dec 07 16 01:30:53 pm	No comments
Dec 07 16 03:46:25 pm	I understand the newsagent is going, I think this is a necessity in a shopping centre as well a butchers. Perhaps a new dress shop.
Dec 07 16 03:46:55 pm	Refer to Q6
Dec 07 16 08:44:26 pm	Advertisements in English and Asian for those new shops that only have Asian writing on display!

Dec 08 16 08:01:30 pm	Cafes open after 5pm
Dec 08 16 11:58:15 pm	Eco shops, bulk goods stores (where you can buy grains, flours, legumes, nuts & fruit in bulk and use your own containers), fair trade shops, anything ethically/sustainably based. Live music venues and cafes that are open later.

Dec 09 16 04:57:31 pm	Happy
Dec 09 16 10:07:30 pm	Bars/pubs. The neighbourhood is quite gentrified, with a great deal of young professionals living in the area. We need somewhere to go at night time to have a few drinks. A beer garden would be amazing.

Dec 10 16 01:15:25 pm	Bars

Dec 11 16 09:29:29 am	Men's clothing, women's. a good florist, toy shop, newsagent.
Dec 11 16 05:58:28 pm	The newsagent closing was a shock. The discount shops and Woolworths provide a very limited range of cards, everyday stationery.

Dec 11 16 06:14:48 pm	bars, hot bread shops including hot pastries
Dec 12 16 02:20:12 pm	More shops catering for local families (they seem to be increasingly catering for the international/student population) More variety required
Dec 14 16 09:37:51 pm	I like the independent nature of many of the retail shops, but that also means for some people less familiarity with the store and their wears. Perhaps more inviting shop fronts.
Dec 15 16 12:59:07 pm	A cool cafe come bar. A modern deli. An organic wine bar.
Dec 15 16 08:59:06 pm	Clothing stores
Dec 16 16 12:06:19 pm	more 'modern australian' cuisine type places - restaurant/bar types. more fashion and homeware retail shops ideally

Dec 17 16 07:35:05 am	Needs more diversity and healthier restaurant options
Dec 17 16 09:00:42 am	Independent fashion shops with local makers
Dec 17 16 09:36:01 am	Less \$2 junk shops. Encourage retailers to improve the appeal of the shops such as what Santucci has done with the mosics. You could employ local artists/ schools to do this as part of your community grants
Dec 17 16 10:26:51 am	Homewares store needed. More night life and recreational places - eg cocktail bar, beer garden, lawn bowls.
Dec 17 16 06:10:26 pm	No
Dec 18 16 01:09:39 pm	Homewares / books and less trashy options
Dec 18 16 10:23:31 pm	Keep local traders.

Dec 19 16 12:31:26 pm	clothes shops and cafes
Dec 19 16 12:59:44 pm	a little more variety in restaurants
Dec 19 16 01:12:58 pm	different food, frozen yoghurt and fresh fish
Dec 20 16 08:58:27 pm	Different cuisines Clothes shops, women's fashion Boutique designer shops
Dec 21 16 07:38:15 pm	Clothes shops Book shop
Dec 21 16 11:20:20 pm	There is little diversity. It is crying out for a couple of trendy bars and cafes.
Dec 22 16 12:00:50 am	make sure that existing shops, eg fruit&veg, butchers, bakery, can keep existing. very sad to see the newsagent go.
Dec 22 16 11:52:44 am	Fashion mail and female Gift Selection of bars Gallery Craft shops There are too many Asian restaurants, need more selection in regards restaurants

Dec 22 16 02:22:40 pm	More variety of restaurants Less freight forwarders More bars
Dec 22 16 08:48:44 pm	Overkill of the same type of restaurants, so little retail left
Dec 23 16 01:21:05 pm	Book shop, health food shop, another Italian place in addition to Basilico.
Dec 23 16 01:44:26 pm	A health food cafe would be nice.
Dec 23 16 08:02:16 pm	A good baby shop. A cocktail bar would be great.
Dec 23 16 10:35:02 pm	Italian restaurants
Dec 25 16 12:28:25 am	Shoes, what about a Zierra (mature ladies) even school shoes cannot be purchased. Clothes there is not a Blue Illusion, Fella Hamilton, Country Rd, nothing, nothing nothing.
Dec 25 16 10:47:31 am	More restaurants can be added as it will then become more graceful n famous
Dec 25 16 06:15:10 pm	There are no retail stores aimed at men. Keep a diverse mix of food, bars and retail, from cheap to more expensive and everything from asian to aussie to european so that the area never gets boring for its inhabitants (with more and more people moving within walking distance) and people in surrounding suburbs
Dec 25 16 06:48:49 pm	In danger of losing variety, eg loss of news agency, maybe too many of same kind of food
Dec 26 16 04:28:51 pm	Nice mid price range restaurants that are not Asian, better quality fruit and veg shop
Dec 26 16 07:01:09 pm	More actual retail shops are needed with longer trading hours. Less of the 'same' types of restaurants.
Dec 27 16 09:45:59 am	A cake shop & cafe that is open late for after dinner post restaurant gatherings.
Dec 27 16 08:11:33 pm	Need a more diverse range of shops

Dec 30 16 11:59:56 pm	Less asian restaurants.
Dec 31 16 09:49:09 am	Need more shoe and clothing stores to encourage people to shop locally and not rely on chadstone.
Jan 01 17 08:00:46 pm	A cinema would be amazing. Also more good cafes and retail stores like Witchery would be good.
Jan 01 17 10:43:11 pm	Book shops Other types of restaurants except pizza and dumplings
Jan 01 17 11:49:13 pm	Salad bar, juice shop, seafood shop
Jan 02 17 06:41:15 pm	A nice bar or two (not big loud venues, just somewhere like Elwood), where you can meet friends for a drink after work or dinner. Some more retail shops (no more \$2 stores), shops that make the area appealing. Unique eating places (but no more dumplings or pizza places please!) Coles instead of a 2nd Woolworths would be awesome!
Jan 02 17 10:48:36 pm	Too many restaurants of the one type (dumplings). One failing business even changed to a dumpling place that no one goes to.
Jan 03 17 11:58:15 am	More butchers, please!
Jan 04 17 01:44:07 pm	More homeware/ variety shops

Jan 04 17 04:19:58 pm	More variety.
Jan 04 17 08:52:40 pm	The cute shop (sadly closed down)
Jan 04 17 11:40:31 pm	Excellent
Jan 05 17 07:58:49 am	Another pub
Jan 05 17 08:03:07 am	Grocers butchers and deli
Jan 05 17 11:41:31 am	It appears to be a very food-centric strip of shops which is fine; if anything I'd like to see more food options like decent delicatessens, etc.
Jan 08 17 01:02:53 pm	Less Asian restaurants; more speciality food stores (not chains). Higher-end shops, including clothing; remove junky two dollar shops. More diversity of nightlife - especially a few more bars would be wonderful.
Jan 08 17 02:41:07 pm	We're slowly losing some shops, like butchers, bakers.
Jan 08 17 10:13:18 pm	
Jan 09 17 01:40:52 pm	Would love to see a bar that serves craft beer mixed with family friendly dining. A gelato cart/shopfront. Later night coffee spot.
Jan 09 17 01:51:18 pm	Coffee shop like Starbucks
Jan 11 17 03:11:49 pm	Greater diversity of shops away from Asian Dumpling restaurants.
Jan 11 17 04:45:00 pm	Too many Asian restaurants and Asian vitamin shipping outlets
Jan 12 17 06:39:14 pm	More breakfast brunch dinner service
Jan 14 17 05:47:35 pm	No more of those Chinese mail order shops. They do not add anything to the street life of the strip. More variation in restaurants.
Jan 14 17 08:31:43 pm	more carparking
Jan 16 17 01:33:04 am	Newsagency closed. A loss.
Jan 16 17 05:02:49 am	Less shipping shops (are they even legal?) and less of the same-same Korean/Chinese dumpling shops.
Jan 17 17 02:01:54 pm	Love to see: a wine bar in the strip (so one doesn't have to go to the Rosstown for a drink). other new restaurants/cafes like Leftfield (fewer chains). Kids suggested an ice-cream shop. Need fewer of: massage joints (seriously since when did the world need so many they are everywhere).
Jan 17 17 09:42:20 pm	We're missing a newsagent! E could do with a few more real retail stores... Clothing, housewares, gifts etc. We seem to be going backwards.... Less diversity and more and more Asian vitamin and baby milk stores. Enough already.
Jan 18 17 07:06:17 am	Gelato Later hours One or two more licensed venues like The William Murray :) Rooftop areas
Jan 18 17 10:33:13 pm	Fresh food.
Jan 19 17 09:27:26 am	We need a newsagent (another casualty, recently closed), and why are there so many of the "ship overseas" outlets? They are popping up everywhere and give off an odd vibe (closed doors, all signs in Chinese, people emptying shelves of products so they can ship overseas at a profit and deprive local shoppers from items they may need). It feels like we lose a bit of community character every time a new one appears (last count was 6 that I noticed just on Koornang Road or immediate surrounds!)
Jan 19 17 10:23:05 am	Encourage diversity for food outlets.
Jan 19 17 02:54:53 pm	more differing restaurant cuisines

	newsagency less cheap shops
Jan 19 17 04:19:18 pm	The restaurants and cafes dominate with less of other more traditional shops. I'd prefer more variety of shops so that the street looks open and lively all day. At the moment, in the morning many businesses are closed.
Jan 20 17 12:03:42 pm	Need to encourage diversity, see previous comments re Asian style restaurants and "pop up" shops. Over the years we have had many come and go, some are missed, some not. The council probably doesn't have much control over what businesses come to the area, but they need to be careful of all the planning applications that want dispensations to the local rules, eg dispensation for parking which needs to be maintained.
Jan 21 17 06:35:30 am	Bar (quiet, small, boutique) Burger joint Clothing retail
Jan 24 17 01:56:15 pm	not too many of the same type of shops.. a few more cultures.. liked the french and italian cafe opening,
Jan 24 17 02:58:41 pm	ok
Jan 26 17 12:17:14 am	Newsagency, bookstore, men's clothing.
Jan 26 17 12:02:14 pm	Bars, clubs
Jan 26 17 02:41:34 pm	a
Jan 27 17 03:28:37 pm	Better quality bakeries
Jan 28 17 09:10:58 am	Newsagents
Jan 28 17 11:13:55 am	A good mix is needed. Clothing, pet shop, book shop, newsagent, florist, lolly shop, health food shop, - we have none of these. We have too many of other types of shop
Jan 28 17 04:02:36 pm	It is good. I do not think the council should prescribe the types of shops etc. They will evolve with the needs and preferences of the population. However I think the council should ensure small properties cannot be joined into larger ones. It means there is opportunity for smaller business to gain a foot in the street, and if a business goes broke, there is not a large frontage of inactivity that can affect the surrounding business.
Jan 29 17 09:26:45 am	No to food chains, no to pack and post, yes to interdependent operators, yes to great food, yes to affordable and creative shops, yes to beauty service shops
Feb 01 17 12:52:06 pm	Newsagent !!!
Feb 01 17 01:36:19 pm	as said before ice cream parlour newsagent proper deli

Feb 01 17 09:51:04 pm	Ice cream shop
Feb 01 17 10:59:14 pm	An ice cream shop. A newsagent
Feb 03 17 01:54:17 pm	I don't like big supermarkets and am sad that the variety of retail shops has diminished over the years. The closure of the deli is a loss as well as the news agent and McKees furniture. Over the years the strip has lost variety and is becoming less useful for locals. Cafes and restaurants are good but we need the other as well.
Feb 03 17 10:13:18 pm	Modern clothing and homeware stores Funky cafes Continental deli Butcher

	Coles supermarket!!
Feb 04 17 01:30:30 pm	Clothing, shoes, handmade goods.
Feb 05 17 09:04:43 am	niche retail stores with quality stock - clothing, homewares, giftware
Feb 05 17 04:10:15 pm	Too many Dirty looking cheap Asian eats. Too many dumpling shops. Decreasing real food shops i.e. Butchers about to close poor quality fruit and veg. Everything cheap chinses not fresh.
Feb 06 17 11:50:14 am	encourage shops that increase the fresh food diversity rather than more restaurants. Restaurants are only open certain hours and the place sometimes seems dead now.
Feb 06 17 12:46:33 pm	Diversity of shops is disappearing, mostly replaced with yet more food outlets. Commerical activity is creeping further out from the spine at the expense of residential amenity.
Feb 06 17 01:12:32 pm	A book shop
Feb 06 17 02:26:13 pm	Can we please limit the amount of asian restaurants and shipping fronts and have some more retail. More clothing stores and a shoe store that isn't for grandmas. Without more retail, people are forced to go to Chadstone and not shop locally.
Feb 06 17 03:52:10 pm	Keep the essentials for everyday shopping. Chadstone isn't far away for clothing etc. Any chance of a "boutique" cinema?
Feb 06 17 05:06:15 pm	Classier shops. No more \$2 shops
Feb 06 17 05:43:58 pm	More quality and less cheap shops. Less Asian and more diversity in restaurants
Feb 06 17 05:53:41 pm	Better quality of retail and more variety of restaurants A bar A bookshop
Feb 06 17 06:11:41 pm	Bring back some retail shopping and reduce number of restaurants.
Feb 06 17 06:28:50 pm	More diverse restaurants (not all Asian). More quality shops for clothes and gifts (mostly dollar stores or charity shops)
Feb 06 17 06:41:44 pm	
Feb 06 17 06:57:40 pm	A few clothing stores eg. Witchery, Country Road, Kookai. I would love a mexican food place and an ice cream shop to open up.
Feb 06 17 06:59:40 pm	
Feb 06 17 07:05:16 pm	No more Chinese restaurants
Feb 06 17 07:20:51 pm	More non-food shops i.e retail outlets
Feb 06 17 08:44:55 pm	improve the shop fronts of the closed shops, and improve the vitamin shops and postal outlets sending packages to China.
Feb 06 17 08:46:31 pm	newsagency, wine bar, whiskey bar, book shop with cafe, more diverse mix of cuisines in the restaurants
Feb 06 17 08:47:30 pm	More bars.
Feb 06 17 09:41:45 pm	I think it would be good to have more upstairs venues, like cafes, backing onto the carpark. A small cinema.
Feb 06 17 11:26:35 pm	Im happy with it as is
Feb 07 17 03:43:47 am	Video shop, newsagent
Feb 07 17 07:37:46 am	No more asian restaurants. More clothing retailers and lounge bars.
Feb 07 17 08:53:34 am	Trendy shops, better cafes, nicer, cleaner shops, not only restuarants
Feb 07 17 09:22:32 am	no newsagency any more
Feb 07 17 09:32:02 am	anonother major super market
Feb 07 17 10:31:34 am	Carnegie is known for the cheap eats and everyone love them. But it would be so nice to have more retail outlets. Cloths, furniture, etc.
Feb 07 17 11:37:55 am	I go to Chadstone for the variety

Feb 07 17 12:54:13 pm	OK
Feb 07 17 12:55:13 pm	Italian, Greek anything other then Vietnamese, Thai and asian A bigger and cleaner supermarket, or the development of Carnegie Central
Feb 07 17 01:20:27 pm	Newsagency Butchers Vairety of Resturants.
Feb 07 17 01:29:06 pm	Clothing shops, Butcher shop,
Feb 07 17 02:22:12 pm	NEWSAGENCY COLES AUSTRALIAN/EUROPEAN FOOD OUTLETS /no more Asian ones WITH ALL THE FOOD OUTLETS I CANT BELUEVE THERE IS NO ICECREAM etc *****A GOURMET ICE-CREAM OUTLET AND *****A SOFT SERVE YOGHURT OUTLET A SECOND OP SHOP - not SALVOS

Feb 07 17 03:21:51 pm	more variety like Deli more restruants other than asian
Feb 07 17 03:53:36 pm	Need clothing shops, footwear, a nursery or flower shop, a decent bookshop (with DVD's CD/s), video hire shop. Newsagency if the current one is closing down.
Feb 07 17 04:03:58 pm	1. Bookshop (please!!) 2. Fashion shops (good quality, attractive--They can still compete with Chaddy) 3. More variety of restaurants. 4. Enough hair saloons. Far too many.
Feb 07 17 04:13:51 pm	More retail outlets and less dumpling restaurants. Less cramped cafes.
Feb 07 17 04:57:23 pm	The impact of huge numbers of single bed apartments is changing the shopping centre... service shops have been replaced by more and more fast food and cafes outlets.
Feb 07 17 05:08:22 pm	An art shop would be good.
Feb 07 17 08:42:27 pm	Florist would be good and a couple of bars. The carpark are vey ugly, where the backs of the shops are. More clothing stores
Feb 07 17 09:00:05 pm	More variety on restaurant to and less private courier shop. It's a bit too much in Carnegie now.
Feb 07 17 09:25:41 pm	
Feb 07 17 10:35:41 pm	cothes and morev ariety
Feb 07 17 11:19:05 pm	Not too many restaurants
Feb 08 17 01:26:30 pm	clothing shops are not really there but I do not see that as a problem
Feb 08 17 04:05:54 pm	Less Asian, massage and Chinese parcel and packaging shops, less restaurants that only open at night. More food diversity
Feb 08 17 05:03:53 pm	Clothing stores Priceline Greek restaurant
Feb 08 17 05:49:41 pm	High end gift and home ware shops and fashion
Feb 08 17 10:41:08 pm	less terrible Asian restaurants that no one goes to, need more decent cafes and speciality stores like deli's, butchers, bakeries etc.
Feb 08 17 10:49:39 pm	clothing and/or boutiques
Feb 09 17 12:04:18 pm	Newsagency.
Feb 10 17 09:31:59 am	More variety would be good but do understand why - its so hard for business to compete with Chadstone. Shame that the deli's and butchers have closed down and just replaced with restaurants.

Feb 10 17 10:34:06 am	2 Woolworth? too many Chinese delivery shop.
Feb 10 17 01:36:52 pm	Just keep the range as it is. More variety of shops to purchase every day food items could mean that prices are competitive and that is good for the shoppers.
Feb 10 17 02:00:18 pm	Not enough diversity. Not enough 'speciality' shops such as delicatessen, gourmet bakeries, cake shops, homewares shops, . No vegetarian cafes!
Feb 10 17 02:20:59 pm	retail clothes
Feb 10 17 02:38:19 pm	Another newsagent would complete the strip

Feb 10 17 10:53:48 pm	Cafes
Feb 11 17 11:05:31 am	Jewelry stores. Ladies fashion of a better quality that is available.
Feb 11 17 06:45:24 pm	More choice and variety, more westernised get away from being so Asian influenced and cheep and cheerful . Classier, as an example Bentleigh's shopping strip is fantastic, such a choice and variety,. So is Elwood and Elsternwick are there 3 Woolworths in less than 5 minutes from each other? Perhaps a Coles as an example, no more Asian grocers, anymore it will look like Clayton or Springvale.
Feb 11 17 06:53:53 pm	More after hours entertainment options - bars and wine bars. Get rid of all of the crappy \$2 stores and discount stores. The community is crying out for more quality, high class eating establishments. For example, Left Field cafe is packed from morning to evening every day because there's nothing else like it in the area
Feb 11 17 06:54:18 pm	Middle Eastern foods and good health food, vegetarian/vegan shops.
Feb 11 17 07:58:24 pm	Per previous comments - fewer restaurants, or at least more diversity in cuisine, more retail outlets
Feb 12 17 02:01:05 pm	Needs a (European style) deli. Desperately need to replace the newsagent. It is my dream for Carnegie to have a spanish tapas bar. A nice place to drink where there are no pokies. And a bookshop!
Feb 12 17 05:59:20 pm	We need a variety of shops, not just food shops and not just Asian shops. No Massage outlets of the rub and tug type
Feb 12 17 06:23:07 pm	A deli is needed to replace the recently closed one. More clothing shops too.
Feb 13 17 11:02:12 am	A good deli, a newsagency and a hardware outlet are sorely missed.
Feb 13 17 11:28:53 am	Continue to have a variety of food shops (not all Asian). Encourage more clothing stores, boutiques.
Feb 13 17 12:46:35 pm	Deli, newsagent, independent bakery, organic vegetable store.
Feb 13 17 05:14:39 pm	These 'freight' shops do not service the entire community - they specifically service Asian clientele and most of them refuse to serve anyone from other cultures.
Feb 13 17 05:47:00 pm	As above.
Feb 13 17 07:11:00 pm	The shops and restaurants are FANTASTIC. The only addition I would suggest is a frozen yoghurt or ice cream place....
Feb 14 17 12:50:53 pm	More cafe's offering great breakfast. Split Milk is fantastic.
Feb 14 17 01:56:09 pm	Better mix of types of food outlets. An Italian or greek delicatessen/small goods.
Feb 14 17 03:19:09 pm	Fish shop, one more butcher, florist
Feb 15 17 10:19:11 am	Supercheap Auto/Autobarn type outlet
Feb 15 17 07:38:33 pm	newsagent needed, more deli, more diverse food places there are a lot of dumpling places, clothes shops,
Feb 16 17 03:39:55 pm	Greater diversity. Fewer/none distribution shops rather retail shops

Feb 16 17 04:06:54 pm	Increase the range, restrict the number of those packing goods for oversease from the immediate strip. Put heritage overlays on older buildings.
Feb 16 17 05:34:53 pm	Pet shop Toy shop Newsagents
Feb 17 17 12:21:13 pm	It was a shame to see the deli go. It's great to have local places to do your food shopping at so you don't have to go to the supermarkets for everything. A nice bar or similar would also be good.
Feb 18 17 01:52:15 am	
Feb 18 17 08:13:09 am	More variety in food outlets - too many Asian outlets
Feb 18 17 11:51:03 am	The 90% dominance of Asian shops is good but has created a lack of variety.
Feb 18 17 05:27:15 pm	Need a news agency, milk bar, deli
Feb 19 17 02:38:29 pm	Better quality cafes and restaurants for breakfast, lunch and dinner or just coffee
Feb 19 17 03:22:04 pm	Less of an Asian influence and more individual traders like the clothes shops that used to be there.
Feb 19 17 04:52:17 pm	More diverse cuisines other than Asian Coles supermarket Kmart
Feb 20 17 08:36:02 am	perhaps a k-mart or big W
Feb 20 17 05:06:32 pm	Dress shops, Home shops, Close on of the Warehouse Sales and Woolworths supermarkets. Jewellers, Susan, Target type shops to provide a more balances variety of shopping for residents.

Dec 01 16 02:34:30 pm	Library, youth centre and community hall to hold events for all.
Dec 01 16 09:00:46 pm	I think our local Carnegie library, although relatively newish, is no longer big enough. Computers are always in demand and entire families migrate in the foyer.

Dec 02 16 09:21:33 am	I'm not aware of any community services apart from the library
Dec 02 16 12:10:10 pm	Parking in Neerim Road is nigh on impossible due to the closure of the Station Car Parks. This is further affected by the changed demographic caused by the influx of so many new appartment complexes.
Dec 03 16 11:28:22 am	need a bigger post office with more people working in it
Dec 04 16 08:37:17 am	Library is fantastic - perhaps some green space to lay down and play with the kids would have been good
Dec 04 16 10:13:11 am	Good library
Dec 04 16 02:47:08 pm	Not sure

Dec 05 16 11:47:03 am	Have a Council service desk service in the Library for set times each week.
Dec 05 16 05:44:03 pm	Great library.
Dec 06 16 08:40:08 am	Promote education classes or use the library more for different health activities

Dec 06 16 07:21:30 pm	A local community childcare would be great
Dec 06 16 07:36:32 pm	The area outside the library is great but it needs some grass it's so stark and boring. Would be a nice outdoor eating area if it had some life.
Dec 07 16 08:38:49 am	Soup kitchen and other support for homeless people
Dec 07 16 08:44:26 pm	Christmas Festival in Carnegie has been a non event the last couple of years. Can't we close the street for community fun?

Dec 09 16 03:31:00 pm	Perhaps better services for the elderly, especially enabling continued connection with the community
Dec 09 16 04:02:32 pm	The library is doing very well. Public toilets. the one at the car park next to Woolworths is not at all user friendly. Could it be revamped to make it more modern, with more than one toilet and could it be camouflaged with some greenery so that it doesn't stand out.
Dec 09 16 04:55:51 pm	good how it is
Dec 09 16 04:57:31 pm	Can't comment.

Dec 25 16 12:28:25 am	There is only the library. Wow . What about a learning hub. Toy library. Gym, sports complex with a pool. Smaller than GESAC. YMCA STYLE.
Dec 25 16 06:48:49 pm	Good

Dec 26 16 04:28:51 pm	The library is great, no complaints
Dec 26 16 07:01:09 pm	The library is great
Dec 27 16 09:45:59 am	The 67 tram should be relocated to Koornang Road and Nerrim Rd to link it to The shopping area.

Jan 05 17 11:41:31 am	N/A
Jan 08 17 01:02:53 pm	Library is wonderful. That's plenty for this little strip, except that railway station could be community information hub.

Jan 12 17 06:39:14 pm	Playground need an improvement with a better facility
Jan 14 17 06:04:44 pm	The library gets very noisy because loud conversation is tolerated. Even the so called "quiet study area" is not insulated from the noise.

Jan 19 17 09:27:26 am	The library is excellent
Jan 19 17 10:23:05 am	Council should have a more comprehensive presence in the Carnegie Library. Information and access to council services should be facilitated in the Community Centre. the Community Centre should be more visible and provide services, not just rooms for rent.
Jan 20 17 12:03:42 pm	The Community Services at the library are great.
Jan 24 17 02:58:41 pm	ok
Jan 26 17 12:17:14 am	Love the library, need a park
Jan 27 17 03:28:37 pm	Water fountains, more toilet facilities. Bicycle lock-up/parking.
Jan 28 17 11:13:55 am	The library is great I believe there is still a playgroup there? Is there enough for elderly & youth ? Am not sure
Jan 28 17 04:02:36 pm	As with Melbourne generally there is an increase in people without secure permanent accommodation, and this is occurring in Carnegie as well. I think the best community service a council can provide is to do its most to increase the supply of affordable permanent dwellings for the economically marginal. Zoning around the main street should not prohibit small apartments and any excess council land should be developed for 100% affordable housing.
Feb 04 17 01:30:30 pm	Handmade classes.
Feb 05 17 09:04:43 am	some community events in community open space.
Feb 05 17 04:10:15 pm	Well equipped
Feb 06 17 11:50:14 am	more council services available locally. Better integration of library and shopping strip.

Feb 07 17 04:13:51 pm	Newsagent
Feb 07 17 04:57:23 pm	The Library ..apart for being an ugly blot is adequate... but the child play area is vastly inferior to the area it replaced at the time of Library's building.
Feb 07 17 05:08:22 pm	Programs and activities for children and families. A gymbaroo would be great.
Feb 07 17 09:00:05 pm	Indoor sports center

Feb 11 17 11:05:31 am	Front of library more welcoming. Coffee stand near by. more colour. Art displays from local school. Pleasant soothing music.
Feb 12 17 05:59:20 pm	Citizens
Feb 13 17 11:02:12 am	No suggestions here. I think that it is a good idea to have medical clinics and other health facilities located on Koornang Rd, but South of the shopping precinct, as they are more accessible by car than if they were within the shopping strip.
Feb 13 17 05:47:00 pm	Library is excellent. Train is great - when it is operating out of Carnegie! Council needs to respond to the need for more general hard rubbish collections - ie. people who rent the many, many apartments simply leave

	items on the nature strip when they move out - they do not bother calling for a hard rubbish collection, so the Council should do general pick ups.
Feb 13 17 07:11:00 pm	The library is a fantastic community space and the whole forecourt out the front is fantastic. The programs they have running are also fantastic.
Feb 14 17 03:19:09 pm	Medicare office
Feb 15 17 07:38:33 pm	more parks for families
Feb 16 17 03:39:55 pm	Generally more in the surrounding areas than in shopping strip. Maybe an arts/theatre venue/hall such as restoring Carnegie Hall. Another council venue in addition to library would be good.
Feb 16 17 05:21:55 pm	Bike park racks
Feb 16 17 05:34:53 pm	More car parking
Feb 17 17 12:21:13 pm	It would be better to keep community services away from the main traffic of Koornang Road.
Feb 18 17 05:27:15 pm	could promote more arts entertainment community gatherings
Feb 19 17 03:22:04 pm	Adequate
Feb 19 17 04:52:17 pm	More childcare facilities
Feb 20 17 05:06:32 pm	No comment

Nov 30 16 01:37:26 pm	Rail underground. Enforcing car parking strictions
Nov 30 16 02:43:46 pm	Maybe remove the level crossing. Perhaps lift it over the road, or under, I'm not fussed. I'm sure whichever it is you won't get any complaints.

Dec 02 16 09:09:01 am	Parking for visitors.
Dec 02 16 09:21:33 am	Sky Rail, - looking forward to the homeless people sleeping under it and the grafitti and the muggings and attacks. Well done Dan Andrews, you will finish off what the council started with all the rampant overdevelopment and turn Carnegie into a slum.
Dec 02 16 12:10:10 pm	Transport is fine, but the new rail proposals will noit allow direct access to Richmond sporting complexes viaa South Yarra.
Dec 02 16 12:38:18 pm	smart bus signs for 623/626 stops - as the 623 always runs late it would be good to know how far away it is
Dec 02 16 01:05:49 pm	
Dec 02 16 02:23:16 pm	Level crossing removal by skyrail creates more problems than it solves comparing to under ground station.

Dec 02 16 05:06:34 pm	Not enough parking but no idea where you could get more from????
Dec 02 16 07:20:13 pm	Fix the level crossing
Dec 02 16 07:23:41 pm	Tram 67 should go into the centre, not end in a random spot on Koornang Rd
Dec 03 16 01:39:39 pm	Sky rail and the subsequent development around the station precinct will be fantastic for Carnegie.
Dec 03 16 06:02:26 pm	Not enough free parking.
Dec 03 16 08:24:38 pm	More parking
Dec 04 16 08:37:17 am	All good...looking forward to 2018 with the removal, of the crossings!
Dec 04 16 10:13:11 am	Public transport is good and will be better after grade separation- totally congested at the moment
Dec 04 16 02:47:08 pm	Not sure
Dec 04 16 05:19:29 pm	Level crossing removal. Better tram stops so pedestrians aren't departing into traffic. Faster trams. Better ability for cars to overtake trams.
Dec 05 16 05:44:03 pm	Transport is very good; accessible by car, bus, train and walking if you live nearby.
Dec 06 16 12:05:57 am	More frequent bus service would be great.
Dec 06 16 02:13:56 am	Consider removing the street parking in front of The Rosstown and Carnegie Central. There's ample 2hr free parking in the basement of Carnegie Central. These very few cars cause congestion on Koornang Rd and will continue even with the level crossing removed.
Dec 06 16 07:53:47 am	
Dec 06 16 08:40:08 am	More parking. Improve buses schedule pick up areas
Dec 06 16 02:49:34 pm	Tram extension from the end of Truganini Road to the Carnegie Station. Keeps the buses out and gives it the urban feel it deserves. Also I'd be happy to pay for a car park in a multi-level building given the challenges in getting one of the free ones on the street or behind the shops. I think the car parks behind the shops could be better used. Given the high value of the land now, building a multilevel carpark and developing the at-grade carparks is likely feasible.
Dec 06 16 07:21:30 pm	Carnegie train station car parks were being taken mostly by people who live in the high rise residential development next door which meant there were less parks available for commuters. You would have to get to the station by 7.15am at the latest in order to secure a park
Dec 06 16 07:36:32 pm	People doing u- turns!!!
Dec 07 16 08:44:26 pm	Parking - sky rail has made parking harder but council has no alternative for us residents - east Malvern is not Carnegie. I have to drive over rail crossing to get there and I'm stuck at the rail gates so it is not worth it! Parking - all these new too high developments are going up but council has not done any extension to parking lots either side of Koornang Rd. Why???? It is becoming a constant nightmare to park so supporting our local shops has decreased.
Dec 08 16 11:15:46 am	The completion of sky rail.
Dec 08 16 11:25:22 am	More parking
Dec 08 16 11:58:15 pm	Let's see what happens when the level crossing is removed!
Dec 09 16 03:15:33 pm	What a joke! at the moment with the mess with the trains I am constantly late for work. Offering us fruit at the station is not going to make people change their minds. We loved our old station and what is happening at the moment is just unbelievable.
Dec 09 16 03:31:00 pm	Transport is already great

Dec 09 16 04:02:32 pm	Put some thought and planning into better walking pathways leading to the Carnegie hub. The walking paths need to be away from the main roads or protected with some hedges to block off some of the noise. Include going past some interesting sites, places of interest, artwork, mosaic work, seating, garden boxes.
Dec 09 16 04:55:51 pm	good. although can not wait for the removal of the level crossing. The traffic is horrendous at the moment and I avoid the area due to this.
Dec 09 16 04:57:31 pm	Excellent
Dec 09 16 10:07:30 pm	More parking. The car parks are always full from 6pm.
Dec 10 16 03:53:39 pm	Transport is excellent - Let's hope the skyrail project enables local expression of beautification of the inevitable concrete associated with the project
Dec 11 16 05:58:28 pm	The 67 and 3 tram routes should be linked from Truganini Rd along Koornang Rd to Waverley Rd.
Dec 12 16 02:20:12 pm	More Parking
Dec 15 16 12:59:07 pm	The street scape could do without the oversized DustBuster style station. Rail under road would be great!
Dec 16 16 02:04:25 pm	Buses and trains wonderful. Dedicated taxi rank would be good.
Dec 16 16 02:07:53 pm	Railway - needs improvement - but this is already happening
Dec 17 16 07:35:05 am	Better bus terminal at the train stations and another better stop in the middle of the shops. Bike parking
Dec 17 16 09:00:42 am	
Dec 17 16 09:36:01 am	Traffic is a huge issue in the precinct so traffic calming methods such as more trees and some fun art work in place of some car parking. Promoting active transport by providing more bike parking and bike events to encourage locals to walk or ride rather than drive. Work with all the great small business bike shops up on Dandenong Road to promote this locally. Less parking around train stations will promote this opportunity rather than multi-storey car parks. Work with businesses to promote workplaces that support workers to ride such as showers, and lockers to enable them to want to ride and somewhere safe to park their bike. The street parking up on the corner of Woorayll Road and Koonang Road is a nightmare as you cannot easily turn into this street given cars are allowed to park too close to the corner which makes entry and exiting of the street very challenging. Given we live down the other end of Woorayll Road I often find people double park while they are waiting to pick someone up at the station. It would be great to have a transit space for this and less longer term parking as this makes driving down the street very challenging.
Dec 17 16 02:40:19 pm	Parking south of the railway line is terrible
Dec 17 16 06:10:26 pm	Good
Dec 18 16 01:09:39 pm	Overhead train will be great
Dec 18 16 10:23:31 pm	Rail line to go underground. Improve parking. Improve traffic flow to reduce congestion.
Dec 19 16 11:27:41 am	good
Dec 19 16 11:46:20 am	less cars
Dec 19 16 12:12:19 pm	good not excellent
Dec 19 16 12:22:42 pm	N/A
Dec 19 16 12:26:59 pm	good
Dec 19 16 12:31:26 pm	transport hard for customers
Dec 19 16 12:47:03 pm	change in the infrastructure not good to full heritage (old flats uniqueness gone)
Dec 19 16 01:12:58 pm	skyrail

Dec 19 16 01:19:29 pm	parking
Dec 19 16 01:35:37 pm	car parking
Dec 19 16 01:49:12 pm	parking
Dec 20 16 08:58:27 pm	Remove train crossing No parking on Main Street, still one lane but allow traffic to flow easier
Dec 21 16 07:38:15 pm	
Dec 21 16 11:20:20 pm	The train station is an absolute mess.
Dec 22 16 02:22:40 pm	Its a bit stupid to have the tram ending so far away from the train line. Greater connectivity would be good. Less parking on the actual shopping strip - should be taken by the carparks back a few streets.
Dec 22 16 08:48:44 pm	Ok, disappointed council does not support those impacted by sky rail..but has let the government control the structure
Dec 23 16 01:21:05 pm	
Dec 23 16 01:44:26 pm	Bike paths. The tram number 67 route could be extended from Truganini Rd up to Carnegie train station/the shopping strip. This would create great alternative transport from the city, or down to cafes and shops further down Koornang rd, neerim rd and glen eira rd.
Dec 24 16 10:17:31 am	Make it largely pedestrianised. A mall where people can walk with cars around the periphery. Again ... Trying to prevent it becoming a traffic sewer.
Dec 25 16 12:28:25 am	Bus is very limited. I am on Frankston line as well as within working distance to Elsternwick on Sandringham line. I am unable to use as I require disability access re Parking.
Dec 25 16 10:47:31 am	Cycle lane
Dec 25 16 06:48:49 pm	Good
Dec 26 16 04:28:51 pm	more parking, less traffic. The rail crossing removal is very welcomed
Dec 26 16 07:01:09 pm	Very good as is.
Dec 27 16 09:45:59 am	The 67 tram should be relocated to Koornang Road and Nerrim Rd to link it to The shopping area.
Dec 29 16 09:36:45 am	Good
Dec 30 16 01:24:59 am	Bus Train & Tram are all available
Dec 30 16 04:13:09 pm	
Dec 30 16 11:59:56 pm	Will be great when skyrail is completed.
Dec 31 16 09:49:09 am	There's plenty of buses.
Jan 01 17 11:49:13 pm	Transport from Carnegie to Camberwell junction
Jan 02 17 06:41:15 pm	Transport in Carnegie is awesome
Jan 02 17 10:48:36 pm	Two tram lines (3 & 67) at either end, train line, multiple bus lines plus 15 minutes walk to Caulfield Train Station I would say there was not much wrong with it.
Jan 03 17 11:58:15 am	Parking is a real problem with this strip.
Jan 04 17 04:19:58 pm	Is well services.
Jan 04 17 11:40:31 pm	Excellent
Jan 05 17 11:41:31 am	It would be nice if the train and bus services were actually synced - everytime I get off at Carnegie station the wait for a bus traveling towards North Rd is so long I just end up walking home...
Jan 08 17 01:02:53 pm	Buses seem ok, but better routes needed, and station needs to work better as a transport hub and community information centre.
Jan 11 17 03:11:49 pm	Scrap the tragic Skyrail project .
Jan 14 17 05:47:35 pm	Ask me again after the new station a d elevated railway has been built.
Jan 14 17 08:31:43 pm	better cycle lanes
Jan 16 17 05:02:49 am	Everything is great transport-wise.

Jan 17 17 02:01:54 pm	i think the area is serviced well with trains and buses and a short walk to a tram - a benefit to being slightly closer to the city (and chadstone).
Jan 17 17 09:42:20 pm	Excellent facilities!!
Jan 18 17 07:06:17 am	Bicycle infrastructure
Jan 18 17 10:33:13 pm	Difficulty to moment now that Sky rail is going ahead.
Jan 19 17 09:27:26 am	Don't even get me started on sky rail and the debacle that has been. We begrudgingly accept that it's going ahead despite local community protestations and can only hope that the supposed open space underneath won't turn into a poorly maintained ghetto of drugs and homelessness and graffiti.
Jan 19 17 10:23:05 am	Integrate bus and train stops into a transport hub.
Jan 19 17 02:54:53 pm	no skyrail
Jan 19 17 11:23:52 pm	<p>At the supermarket there is no room at the front of the shop for people to leave their shopping jeep while they are choosing their purchases.</p> <p>Some of the shops do not have good access for people on mobility scooters or wheel chairs. This is unfortunate as the flat terrain makes Carnegie a suitable area for travelling using these items.</p> <p>The right hand turn arrow from Dandenong Road to Koornang Road is dangerous as cars can be waiting there for ages as the road is blocked. Hopefully the grade separation will improve that.</p>
Jan 20 17 12:03:42 pm	<p>Thank goodness the level crossing is going. Pity there was not more proper discussion about Sky Rail, it may well be the best option, but there should have been more consultation with locals.</p> <p>Busses are plentiful, hopefully they will be integrated with the rebuilt station area.</p> <p>Tram at Truggannini Road is good, a little remote from the shopping centre, but still an asset to the area.</p>
Jan 24 17 02:58:41 pm	ok
Jan 25 17 09:10:02 am	more parking with level crossing removal
Jan 26 17 12:17:14 am	fantastic public transport
Jan 27 17 03:28:37 pm	On road cycling lane is outdated and extremely dangerous. Major improvements needed. Less parking (loading only).
Jan 28 17 11:13:55 am	Public transport is excellent
Jan 28 17 04:02:36 pm	Walking: It is healthy, cheap, and all the population can do it. Yet there are poor footpaths and crossing all around the shopping area. One shit example is the red light arrangement just north of the railway crossing. The signalling is totally retarded people have to wait forever for cars that don't exist, and there is only one crossing point across the main street where there should be two - one on either side of the side street. This is a shopping street for people. People not in cars exchanging money and goods and services is the primary economic activity so why would you discourage people not in cars??
Jan 29 17 09:26:45 am	Safer
Feb 01 17 08:58:54 pm	will be good once sky rail is done
Feb 03 17 01:54:17 pm	Secure bicycle parking can be a problem in some areas.
Feb 04 17 01:30:30 pm	Need more car spaces, our visitors struggle to find parking spots when joining us for lunch and dinner.
Feb 05 17 04:10:15 pm	Well serviced. Except over crowded parking from restaurants can't get into supermarket car park at night to shop it's full
Feb 06 17 11:50:14 am	Extend the 67 tram to Koornang Rd. Better than where the line ends now.

	Bus drivers need better road awareness when driving down Koornang Rd.
Feb 06 17 12:46:33 pm	Bus service is poor and infrequent. Not good enough for those wishing to head cross-city. Skyrail is a blight. Traffic is dangerous and chaotic along Koornang Rd, often takes me 10 min to move 400m, and worst case I've had to give up after 30 min.
Feb 06 17 01:12:32 pm	Better bus services
Feb 06 17 02:26:13 pm	Free flowing traffic. More bike racks ..especially near the Aldi Centre.
Feb 06 17 03:52:10 pm	See above for suggestions for a bus interchange near the station and more disabled parking in the street itself
Feb 06 17 05:43:58 pm	More restrictions on cars.
Feb 06 17 05:53:41 pm	Too many trucks and traffic
Feb 06 17 06:11:41 pm	More shoppers parking at Woollies. Gotta pick your time or walk to do some shopping as people at the restaurants park in the Woollies car park.
Feb 06 17 06:28:50 pm	Current train closures are inconvenient
Feb 06 17 06:41:44 pm	Increase parking area for new development. More marked pedestrian crossing
Feb 06 17 06:57:40 pm	Having the train there and tram nearby is fantastic. The level crossing is a big pain, however, I am aware of plans to remove this.
Feb 06 17 07:20:51 pm	More frequent buses (624,623,626,etc.)
Feb 06 17 08:44:55 pm	It's great! Keep the speed limit at 40km per hour.
Feb 06 17 08:47:30 pm	Put car parking underground and re-develop council carpark into open space.
Feb 06 17 11:26:35 pm	Im happy with it as is
Feb 07 17 03:43:47 am	The buses and trains are very good for me
Feb 07 17 09:32:02 am	ok
Feb 07 17 10:31:34 am	Well the Sky Rail Project is in progress and we are looking forward to seeing it.
Feb 07 17 11:37:55 am	OK for me as is
Feb 07 17 12:54:13 pm	No need for public transport, parking facilities improved
Feb 07 17 02:22:12 pm	<p>While rail works being done buses should leave closer to station from DANDENONG ROAD TOO FAR FOR DISABLED AND FAMILIES WITH KIDS ETC not Morton Road of courseother side of station</p> <p>MACHINERY AND TRAFFIC FOR BUILDING SITES: should only enter streets via NEERIM RIDICULOUS HAVING SUCH TRAFFIC GOING AROUND MORTON/SHEPARSON/JERSEY..... such a stupid idea.....should enter the area via Grange/Koornang then go RIGHT AROUND SHOPPING CENTRE TO NEERIM AND UP THE WAY</p> <p>Driving down Sheparson/Belsize/Elliott/Tranmere to Neerim.....parking in Neerim is too close to corners especially if trucks/4WD etc are there..... drivers entering Neerim just cannot see.....one needs to be in the middle of the road to see traffic VERY DANGEROUS.....SO MUCH TRAFFIC</p>
Feb 07 17 02:48:16 pm	Cannot wait for the skyrail, Koornang Rd is a nightmare.
Feb 07 17 03:53:36 pm	Level crossing should have gone underground as houses currently backing onto railway line will be sold for more apartments.
Feb 07 17 04:03:58 pm	Improved cycling lane on Koornang Rd?
Feb 07 17 04:57:23 pm	hahaha what a laugh... one word .. SKYRAIL... hahah ... council is an active participant in this vile vandalism of our suburb... unforgivable
Feb 07 17 05:08:22 pm	Level crossings removal.
Feb 07 17 09:00:05 pm	<p>Hopefully trains regarding level crossing could be improved, less congested, improve safety.</p> <p>Buses to Chadstone can be more frequent on weekend.</p>

Feb 08 17 04:05:54 pm	Traffic lights behind Safeway and from library side street turning right into Neerim Rd
Feb 08 17 10:41:08 pm	other than buses there are none.
Feb 10 17 09:31:59 am	Better and safe drop off zones around the train station. In particular when trying to drop off and pick up kids /people that catch a train into the city for an event.
Feb 10 17 10:34:06 am	not enough parking space or need bike lane?
Feb 10 17 01:36:52 pm	Parking areas need to be enlarged.
Feb 10 17 02:00:18 pm	Adequate
Feb 10 17 02:20:59 pm	good
Feb 10 17 06:00:56 pm	Much more free parking for shoppers and commuters! I want to see under ground car-park for all train commuters so that it will free up the streets close to the station. Right now it is very dangerous in streets like Toolambool road to enter and exit your home. There must be enough car-parking to cater for for the future i.e. all the new residents expected with ALL the new building permits issued for multi-story dwellings. We need to have excessive car-parking for all the stations including Murrumbena and Hughesdale.
Feb 10 17 10:53:48 pm	People not following road rules and doing "U" turns in the street. The road congestion in the main road & surrounding streets. Places to park your bike needed
Feb 11 17 11:05:31 am	Happy with public transport. More parking areas with time limit greater than it is. At the moment only 2 hours near library. If you attend workshops which I often do there is not enough time and it can become stressful watching the time and having to repark so you do not get a parking ticket.
Feb 11 17 06:53:53 pm	NO SKYRAIL
Feb 12 17 02:01:05 pm	Looking forward the the station being finished and a new bus interchange.
Feb 12 17 05:59:20 pm	Transport is ok
Feb 12 17 06:23:07 pm	More car parking.
Feb 13 17 11:02:12 am	WE NEED MORE CAR PARKING FOR CURRENT AND FUTURE TRAIN USERS, but not right next to the station, as this area would be better used for community purposes. A 5-7 mins walking distance from car spaces to the station would be OK
Feb 13 17 11:28:53 am	Is already good however more bus services in peak times, especially between 7.30 and 8.30 am, would make it easier for my children to get to school. ie. Buses 624 and 623 travelling towards Caulfield.
Feb 13 17 05:47:00 pm	Traffic is horrendous!!!!
Feb 13 17 07:11:00 pm	Well hopefully congestion will ease around the railway line once all the works are complete and all the trucks will disappear.
Feb 14 17 12:50:53 pm	There needs to be traffic lights at the intersection of Kokaribb and Neerim Roads. This intersection is manic, and needs some control.
Feb 14 17 03:19:09 pm	perfect
Feb 15 17 10:19:11 am	No issues
Feb 15 17 07:38:33 pm	3 train lines
Feb 16 17 03:39:55 pm	Better parking arrangements. Minimise impact of parking on surrounding areas. Improved but chargeable parking. Removing some of the parking in Koornang Road to visual appeal, improve safety, widen footpaths for pedestrians and wider outdoor sitting
Feb 18 17 05:27:15 pm	Where do I start? Skyrail has demolished our beautiful old heritage station and stripped us of our community woodland garden! When our station isn't closed the train is easily accessible and frequent as

	are busses
Feb 19 17 03:22:04 pm	Adequate
Feb 20 17 05:06:32 pm	Disappointed with Skyrail. Would rather Rail Under Road.

Date	Private development
Nov 29 16 06:29:16 am	Less is more.
Nov 29 16 02:02:14 pm	Too many new apartment blocks
Nov 29 16 05:17:36 pm	More medium density please.
Nov 29 16 11:06:31 pm	STOP with the apartments. Local infrastructure is struggling to cope.
Nov 30 16 08:09:13 am	avoid any further development that looks like the complex on the corner of Koornang and dandenong roads
Nov 30 16 09:25:28 am	Too many apartments is making congestion
Nov 30 16 01:37:26 pm	Already ruin due to large development approvals
Nov 30 16 02:43:46 pm	More. We need more apartments. Each with 0.8 car spaces allocated to them, should be plenty.
Nov 30 16 10:49:43 pm	No more thanks. Enough overgrown buildings near Koornang road
Nov 30 16 11:43:52 pm	
Dec 01 16 11:47:50 am	keeping high -rise to the main roads so that the smaller streets maintain a dignity
Dec 01 16 01:15:20 pm	less high rises
Dec 01 16 01:38:06 pm	No comments
Dec 01 16 02:34:30 pm	Too many development projects are allowed at the same time on Neerim Rd Carnegie. I wonder when all occupied, how we are going to cope with the traffic?
Dec 01 16 09:00:46 pm	Stop the development of high density apartments.
Dec 01 16 09:01:07 pm	Way too many changes of premises.
Dec 01 16 09:12:23 pm	You need to ensure that the largescale residential developments include suitable commercial space. For example, the two big apartment complexes next to the railway station have no commercial space at all, what a waste! The ground floor of the building on the corner of Kokoribb and Neerim is wasted on a Real Estate Agency -- perhaps there needs to be some incentive to put restaurant space into buildings.
Dec 01 16 11:26:22 pm	The number of hi rise developments in carnegie is crazy and at odds with council policy - council considers amenity and neighbourhood character - vcat just dismisses that and passes most of the applications - result is a concrete jungle - not good
Dec 02 16 12:05:18 am	Protect great retail shops at ground level - not another realestate agents, solicitor office or charity shop
Dec 02 16 02:55:35 am	No more apartments needed. I hope parking doesn't get affected otherwise I wont come as much
Dec 02 16 07:44:25 am	Should be obliged to provide adequate parking. No more parking exemptions!
Dec 02 16 09:09:01 am	Way too much. koornang road was not designed for so many local residents.
Dec 02 16 09:21:33 am	Carnegie used to have a friendly village atmosphere, it's completely gone now. At least we won't get skin cancer, as we are always in the shade from the rampant overdevelopment and hideous apartment blocks that quickly look become rundown and even cheaper and nastier in appearance.

Dec 02 16 12:10:10 pm	The "flavour" of traditional Carnegie is being ruined by the many high-rise apartment complexes.
Dec 02 16 12:38:18 pm	less high density housing, the apartments are ruining the character of our neighbourhood
Dec 02 16 01:05:49 pm	Too much development-it is spoiling our community-enough is enough. Parking is limited because of it
Dec 02 16 02:23:16 pm	Too many apartments, affordable houses are what the community actually need.
Dec 02 16 05:06:34 pm	Needs to STOP - too many people as it is not enough infrastructure to support the over development
Dec 02 16 08:10:48 pm	NO MORE APARTMENT BLOCKS!!!!
Dec 03 16 11:28:22 am	keep the apartments coming if necessary but only on main roads, not side streets
Dec 03 16 01:39:39 pm	Continue to allow greater density of residential and commercial development within the activity centre. This can only increase the vibrancy of the strip.
Dec 03 16 01:48:27 pm	Too many apartments nearby, adding to congestion on Koornang Rd.
Dec 03 16 02:34:16 pm	Too many apartment & large townhouses Loosing too many period houses
Dec 03 16 05:25:18 pm	No more bloody high rise apartments. I know that's not going to happen, It's all part of the plan to turn Carnegie into a Ghetto.
Dec 03 16 06:02:26 pm	Too congested
Dec 03 16 08:24:48 pm	I'm not against development, just against crap development. We understand the need to grow, but we need to trust the local government is doing everything in it's power to grow in a positive way. Tougher rules to make it harder for dodgy developers is a must. We want to be a suburb that promotes good, sustainable and an altruistic approach to design and development.
Dec 04 16 08:37:17 am	Do we really want to encourage more apartment blocks? How will our infrastructure cope?
Dec 04 16 10:13:11 am	Apartment development is excessive in height and lacks quality. The ugly-problem ridden development at the corner of Koornang and Arawatta is typical of developer making a quick dollar and leaving problems- owners unable to obtain recompense for faulty building and community left with an eyesore, rubbish on the street constantly. Developers need to build apartments for real families (2-3 bedrooms with reasonable size). The focus on students will leave Carnegie as a slum of the future
Dec 04 16 02:47:08 pm	Not sure
Dec 04 16 03:50:48 pm	less high rise apartments Carnegie is lossing its character it a shame
Dec 04 16 05:19:29 pm	More new shops will improve the area. Perhaps large appartments will bring more wealth to the area
Dec 05 16 05:44:03 pm	All for development with appropriate height restrictions.
Dec 05 16 06:44:44 pm	needs more developement of shops to multistorey buildings to take pressure off surrounding streets
Dec 06 16 02:13:56 am	Developments should have sufficient visitor parking or cars will overflow onto already limited street parking.
Dec 06 16 08:40:08 am	We have been swamped by apartments with very little community consulting. What's next more of the same?
Dec 06 16 01:42:00 pm	you are currently ruining the place by letting bland new housing take over from the lovely older style.
Dec 06 16 01:44:42 pm	

Dec 06 16 02:49:34 pm	I'm supportive of both apartments in the central core and, if workable, mixed use and office space. I don't think Council's restriction of mixed-use zone heights to seven storeys was necessary, especially given three ten-plus storey buildings are approved. Perhaps a 12 to 15 storey cap would be more appropriate.
Dec 07 16 01:30:53 pm	There is too much concrete coming up in very little space
Dec 07 16 08:44:26 pm	well we have far too much now - council has wrecked surrounds of Neerim Rd Carnegie and it doesn't look like stopping. How many apartment buildings can be built at the same time in a street and the next street. Constant trucks and road stoppages and 7am works started - trucks/tradies arrive from 6.15am and sit/stand around talking or listening to music.
Dec 08 16 11:15:46 am	To relax your policy of numerous storey block of units but that's around the shopping strip not in it.
Dec 08 16 11:25:22 am	Apartment developments should be allowed to be higher around station and shops - lost opportunity with recent developments.
Dec 08 16 11:58:15 pm	Limit new developments/extensions to 3-5 stories. Limit investment of large multinational organisations, limit investment by monopolies/duopolies.
Dec 09 16 03:15:33 pm	Stop the hi-rises it is not what we want in this area. Families still want a backyard for their children. Our end of Neerim rd has been decimated! When are you going to wake up and save our heritage. I cannot put it more strongly.
Dec 09 16 03:31:00 pm	This needs to be more considered, particularly in regards to how it benefits the community. There are too many apartments going up which impacts road congestion and car parking as well as general amenity. A lot of developments are cheap and ugly (Neerim Rd / Kokaribb Rd corner is a great example).
Dec 09 16 04:55:51 pm	Too many high rise apartments. Residents from these apartments tend to park on the side streets instead of in their allocated parking spots. This makes the side streets cluttered and dangerous.
Dec 09 16 04:57:31 pm	Perhaps too much.
Dec 09 16 10:07:30 pm	Less!!!
Dec 10 16 03:53:39 pm	Ensure that appartments meet minimum size standards for rooms and build quality. Most appear quite good but a couple look like they will be hovels with a decade.
Dec 11 16 09:29:29 am	Too may apartments
Dec 11 16 05:58:28 pm	The old Carnegie Theatre seems to be vacant. Any plans for that? Hope it's not more shoddy student flats. A boutique cinema complex maybe, like the new Lido in Hawthorn?
Dec 12 16 02:20:12 pm	No more development!!!! The suburb is being destroyed!!!
Dec 15 16 12:59:07 pm	There's currently enough apartment blocks on the agenda. Probably too many actually.
Dec 16 16 02:04:25 pm	Whilst I recognise the need for modernisation there should be some overarching management of the overall aesthetics of the suburb. Somme of the buildings are UGLY! The character of the neighborhood is being sacrificed for wholesale development and Nerrim Rd is in danger of becoming a wind tunnel! Without additional parking the oversupply of apaprments will mean Carnegie shops are in constant gridlock.
Dec 17 16 07:35:05 am	More private courtyard seating areas in their design
Dec 17 16 09:36:01 am	There is too much development, it is all one bedroom or two bedroom and it is fenceline to fenceline. All this has resulted in ugly high rise with no

	planting of trees or any opportunity to soften the impact of these building. Ensure that developers do following through with landscaping plans and be fined if they do not. So often these are required by council to help provide privacy for the affected residents but these plantings do not happen are so poorly down the trees fail to survive or mature
Dec 17 16 06:10:26 pm	Too much
Dec 18 16 10:23:31 pm	No more residential development, the infrastructure cannot support it.
Dec 19 16 11:27:41 am	shopping centre with lots of car parks
Dec 19 16 12:12:19 pm	places that can fit prams in them
Dec 19 16 12:26:59 pm	too much new developments
Dec 19 16 12:31:26 pm	level crossing good idea
Dec 21 16 11:20:20 pm	Love the idea of bringing more people into the area.
Dec 22 16 12:00:50 am	not sure what you mean, but overdevelopment is a major issue and will destroy the feel
Dec 22 16 02:22:40 pm	Greater density near the station and shopping strip is ok for a few streets but it needs to be appropriately designed. Both in external size and form as well as internal fit-out. There isn't a need for heaps of tiny 1 bedroom apartments. More 2-3 bedroom places with adequate facilities.
Dec 22 16 08:48:44 pm	Disappointed council has not supported residents, in what is an overdevelopment of the area.
Dec 23 16 01:21:05 pm	
Dec 23 16 01:44:26 pm	No apartments built directly on Koornang rd. More private parking should be provided by developers so that apartment parking doesn't spill onto the street.
Dec 24 16 10:17:31 am	Should have side setbacks and height limits that still allow views of the sky's when standing on Koornanga road in front of a property on the opposite side, the sky should still be visible within the limits of that property, likely making that height is concentrated away from the shopping strip and side setbacks that still allow views of the sky (without using an adjoining property to facilitate that view). I'd love there to be 50% views left, but maybe 33% will have to do. And views should not require raising of the head, but should be within normal field of vision.
Dec 25 16 12:28:25 am	Yes to better community co-operative like Sandy Beach also affordable housing in property development.
Dec 25 16 10:47:31 am	Too many apartments in Carnegie. Seems like this suburb might get highly dense in 3-4 yrs
Dec 25 16 06:15:10 pm	Not too many more appartments
Dec 25 16 06:48:49 pm	Drowning in high rise. Real danger of losing community as more and more short term residents move in who don't form connection s
Dec 26 16 04:28:51 pm	It's getting very busy and parking is becoming difficult, probably because there are more people in the area.
Dec 26 16 07:01:09 pm	
Dec 27 16 09:45:59 am	Less, it is starting to get overdeveloped and the buildings should be small with no more than 12 units per building.
Dec 29 16 09:36:45 am	Art house cinema. Music venues including bars and cafes.
Dec 30 16 11:59:56 pm	Less high rise development. Area us turning into a carpark!!
Dec 31 16 09:49:09 am	What would that be?
Jan 01 17 10:43:11 pm	Fever high ride buildings - given that there are lots more people but no extra parking, driving around is becoming extremely hard. If we are to keep this pace of development, much more infrastructure is needed
Jan 01 17 11:49:13 pm	Nothing higher than 4 stories an main roads
Jan 02 17 10:48:36 pm	That is to be expected due to the amount of people living in the area and how close it is to a major university.

Jan 04 17 04:19:58 pm	Too many high rise flaw. Kills the greens spaces and forces people onto the streets.
Jan 04 17 11:40:31 pm	Stop overdevelopment
Jan 05 17 11:41:31 am	I am mindful of the availability of parking
Jan 08 17 01:02:53 pm	OK if in keeping with historic feel of area.
Jan 08 17 02:41:07 pm	Should be controlled appropriately.
Jan 11 17 03:11:49 pm	Already overdeveloped and Carnegie is becoming an urban slum.
Jan 14 17 05:47:35 pm	Too many large apartment blocks.
Jan 16 17 01:33:04 am	There's a lot nearby. Could make things worse or may drive things better. Hard to know.
Jan 16 17 05:02:49 am	Less 4-storey high developments everywhere in Carnegie. What happened to my beautiful suburb?
Jan 17 17 02:01:54 pm	<p>If sections are redeveloped, I think there is a need to ensure that the bottom level is dedicated to retail space to improve the walkability and open up the area (i.e. it is a shame the apartments built near the train station didn't have this - this would have greatly increased the buzz and activity near the station.</p> <p>All up, while I am for development this needs to be kept in check, i think the current density around the shopping area is sufficient - neerim road is only going to become more crazy busy with traffic</p>
Jan 17 17 09:42:20 pm	TOO MUCH HAPPENING. How many apartment buildings can we support! There will be no parking at the supermarkets or surrounding streets. We're going to become a low facility housing development.
Jan 18 17 07:06:17 am	Developments which match the local style/blend in
Jan 18 17 10:33:13 pm	Enough 1 and 2 bedroom. With no parking, you are creating a disaster in waiting, you will find overcrowded units that will become a community problem.
Jan 19 17 09:27:26 am	STOP WITH ALL THE APARTMENTS. If you're going to approve them at least make them fit with the current community character! We are losing so many nice older houses for yet more cheap and nasty tiny polystyrene-walled shoeboxes. Letting us down!!
Jan 19 17 10:23:05 am	Use the developer levy to provide LOCAL open space to compensate for high density development. Large developments must provide better design to allow for more greenery and open space.
Jan 19 17 02:54:53 pm	too many units going up & too high rise in places
Jan 20 17 12:03:42 pm	Greedy Developers are unfortunately taking over. There are way too many Appartments in Neerim Road and other closer areas, they are destroying our village with extra traffic and parking. It is also annoying when developers are allowed to close off roads and footpaths whilst they are building, because I guess they are greedy for profit and want to build on every spare inch (centimetre) they can make a buck from and don't give a damn about the locals and their amenity and enjoyment of the local area. Development is inevitable, we must move on, but the Deovelopers have got away with too much. I appreciate that the Council regularly gets taken to VCAT so the Developer gets Coucil regulations overturned - don't give in to them, we will all regret many of these developments in the future. They also need to adhere to permits for hoardings etc, they get away with too much and leave them up much longer than originally permitted.
Jan 24 17 02:58:41 pm	ok
Jan 26 17 12:17:14 am	ugly
Jan 28 17 11:13:55 am	<p>Too much too much.</p> <p>This is out of control and is having too much impact on our streetscape and the people who live here - this may change carnegie significantly and I fear</p>

	it won't be for the better
Jan 28 17 04:02:36 pm	Minimum or no side setbacks should be encouraged in the vicinity of the main street to develop new commercial areas. The laneways should remain intact and developed further in new commercial areas. They minimise pedestrian-car conflict on the main street. Shop top housing should be allowed and encouraged.
Jan 29 17 09:26:45 am	Please stop
Feb 01 17 01:36:19 pm	NO MORE APARTMENT BLOCKS
Feb 01 17 08:58:54 pm	Nothing too high. 2 storeys is awesome
Feb 01 17 09:51:04 pm	Walk through arcades a little shabby
Feb 03 17 01:54:17 pm	I don't want to see the strip become a canyon of high rise units, as has happened elsewhere.
Feb 05 17 04:10:15 pm	Crazy overcrowding of shopping precinct. Slums of the not too distant future.
Feb 06 17 11:50:14 am	Better quality apartment design. The blank grey high apartment walls are overbearing around Koornang Rd. More family friendly apartments incorporating garden space into the developments. If we are going to have apartments (which seems inevitable) they have to be much better than what we are currently getting. these will be slums in 20-30 years because of poor design and quality.
Feb 06 17 12:46:33 pm	Oh wow. Yes there is a lot of ugly poorly designed modern development occurring, with moonscaping and inadequate landscape, essentially covering their entire block, with substandard and dangerous accesways to their basement carparks, waivers for inadequate visitor parking, reliance on on-street parking.
Feb 06 17 02:26:13 pm	No problems with development but you need to make sure that all the applications asking for reduced parking are denied. There isn't enough parking as it is and since that monstrosity was built backing on to the Kokaribb Rd Woolies, you can't get a park at the best of times.
Feb 06 17 03:52:10 pm	Just slow down on the development of flats/apartments, especially in residential streets. Be aware that there is a need for family living with schools and child care centres in the neighbourhood. And older people are not necessarily looking for high rise living.
Feb 06 17 05:43:58 pm	More control over the rapid increase of very ugly high-rise buildings i.e. the corner of Neerim rd -Ray White. More stepped back development with more green spaces per building.
Feb 06 17 05:53:41 pm	Stop ugly high-rise development such as the ray white on Neerim Rd Buildings should be stepped back and have green spaces around them. Too much heat from concrete
Feb 06 17 06:11:41 pm	Stop developing. In 10-20 years, the way it's going there will be no more of the beautiful houses that were here. It will be all units. Sad
Feb 06 17 06:41:44 pm	Limit new development
Feb 06 17 08:44:55 pm	There is a hell of a lot of development in the area. I live on the corner of Jersey Pde and Belsize Avenue and there are a lot happening in both streets. It is a serious inconvenience.
Feb 06 17 08:47:30 pm	Make new developments contribute to new open space
Feb 06 17 11:26:35 pm	Im happy with it as is
Feb 07 17 03:43:47 am	Don't turn all the old houses into blocks of units please, as they have no trees or front gardens.
Feb 07 17 07:37:46 am	Would like to keep the Koornang Road shopping strip to no more than 2 stories.
Feb 07 17 09:22:32 am	Care is needed with the private development to ensure the character is not lost

Feb 07 17 09:32:02 am	only near trainline
Feb 07 17 10:31:34 am	There are too many apartments however the traffic infrastructure is not catching up with the needs of the increased population.
Feb 07 17 12:54:13 pm	Buildings no higher then four stories
Feb 07 17 01:20:27 pm	To be kept inline with the area and infrustructures to be update to accomodate the increase of people and traffic.
Feb 07 17 01:29:06 pm	Less or prefer no 3-4 storey apartment buildings
Feb 07 17 02:22:12 pm	DEVELOPERS HAVE NO CARE FOR LOCALS.....Nature strips are ruined especially prior to building starting during advertising stage..... no servicing of nature strips.....Fences around properties often left dangerously unsafe.....WORK STARTS TOO EARLY 0600 hours often and at weekends..... we are bombarded by rail works and developers in Jersey Parade..... IN DAYLIGHT SAVING HOURS they could start later as they could work in early evening at least up to 1800-1900 hours INSTEAD THEY FINISH AT 1500-1600 why??????
Feb 07 17 03:21:51 pm	Higher development of current shops to take pressure off surrounding residential streets, ie increase number of storeys of shops along Koornang Road. More office space.
Feb 07 17 03:53:36 pm	Too many apartments already
Feb 07 17 04:03:58 pm	A beautification plan for all private developments is needed.
Feb 07 17 04:57:23 pm	Since the introduction of the new residential zones Carnegie has been destroyed.. a blitz of over sized inadequately built .. poorly designed unsustainable apartment blocks have been dumped on residents. I am sure the rate revenue looks good.. and I am just enjoying the car clogged streets
Feb 07 17 05:08:22 pm	Keep large apartments and businesses to a minimum.
Feb 07 17 11:19:05 pm	Limit apartments
Feb 08 17 01:26:30 pm	has had enough development re flats & should stop!!! Now!!!
Feb 08 17 02:03:01 pm	HIGHER RISE DEVELOPMENTS
Feb 08 17 04:05:54 pm	Less apartments approved as streets schools and parking cannot cope
Feb 08 17 05:03:53 pm	Stop developments and new apartment buildings!!
Feb 08 17 05:49:41 pm	Let restaurants have more outdoor seating. This would encourage more alfresco dining.
Feb 08 17 10:41:08 pm	Stop allowing developers to knock down houses and build apartments. More townhouses and houses. between the railway crossing removal and all the apartment development we can barely move around.
Feb 08 17 10:49:39 pm	There is just too much development occurring in Carnegie. There are far too many apartments. Building size should be limited to 3 storeys and 4 storeys closest to train and shopping strip and 3 stores elsewhere where apartments are being built.
Feb 10 17 09:31:59 am	Improve of the style and quality of development. Could some of the developments not offer open spaces / more greenery? Rather than just a concrete jungle.
Feb 10 17 10:34:06 am	too many new apartment building now. should be some for like town house?
Feb 10 17 11:01:20 am	Too many apartment blocks changing the landscape
Feb 10 17 01:36:52 pm	No more private development around the shopping strip. The area is getting too congested with all the development of apartments.
Feb 10 17 02:00:18 pm	Not really much room for any new developments
Feb 10 17 02:20:59 pm	to much
Feb 10 17 06:00:56 pm	Be strict with all regulations for new multilevel dwellings. Do not relax the laws at all ESPECIALLY with requests for parking reductions.

Feb 11 17 11:05:31 am	Too many units going up. Washing on balconies and clutter should be banned as in hotel resorts. Feels as though we are in Hong Kong
Feb 11 17 06:45:24 pm	Limit unreasonable development as we don't need it turning into a rental transient suburb.
Feb 11 17 06:53:53 pm	No more apartment complexes. The area has become overdeveloped and losing its character. Not enough public parking available around Koornang Rd anymore.
Feb 11 17 06:54:18 pm	Very little in the way of town houses with gardens being built. Too many apartment buildings. Families need space for children.
Feb 12 17 02:01:05 pm	A small cinema? With the same boutique feel of the Classic in Elsternwick. The increased dense residential developments mean traffic and parking in the evening is difficult, as is dumped rubbish, trollies etc.
Feb 12 17 05:59:20 pm	Limit multi story apartment buildings around the strip
Feb 13 17 11:02:12 am	Council should limit the height of any developments to 5 storeys to ensure that no apartment is level with or higher than Skyrail. Council must also stop its foolish practice of allowing car parking dispensations to developers of apartment blocks. These dispensation always end up ripping off the community of public car parking. Private vehicles are here to stay, and students do own and drive cars too. In the unlikely event, unused car spaces within buildings can always be successfully converted by tenants into storage spaces on a temporary basis.
Feb 13 17 11:28:53 am	Limit over development in small residential streets. If it is not called a "road" then it is too small for 3 and 4 storey developments.
Feb 13 17 05:14:39 pm	There are too many apartment blocks which is over populating the area
Feb 13 17 05:47:00 pm	Crazy amount of multi storey development is ruining our suburb. Cheap buildings with limited parking will destroy the streets and any future success of the area. It will eventually lower the value of the area as the quality of buildings is very average.
Feb 13 17 07:11:00 pm	I don't know how apartment development will be contained, as it seems like so many are going up all the time. The beauty of Carnegie is still in its leafy streets where kids still play cricket in the street and neighbours talk to each other. We don't want to lose that feeling. Also, just make sure there are enough car parks for all the apartments because otherwise street parking will become difficult.
Feb 14 17 12:50:53 pm	Stop the apartments. There are so many many apartments going up on Neerim road, that I am very worried about the congestion - for parking and public transport. It doesn't seem like the infrastructure of Carnegie is growing at the same rate as apartment developments.
Feb 15 17 07:38:33 pm	no more flats!! non - green rubbish flats built - how many are 3 bedroom?? the one on Neerim / Belsize is empty?? too many are just 1/2 bedroom & there's not enough parking.
Feb 16 17 03:39:55 pm	Intensity of development should be at its core rather than at fringes into low rise residential areas
Feb 16 17 04:06:54 pm	No more multi storey apartment buildings. Preserve the older architecture style homes that give Carnegie its character. Put heritage overlays on older buildings.
Feb 16 17 05:34:53 pm	No more massive developments...
Feb 17 17 12:21:13 pm	I have no issue with development and the apartments/units being built but the area is becoming congested so it needs to be planned properly with lots of parking, more public transport services and the like.
Feb 18 17 05:27:15 pm	Don't allow too much development esp. multilevel development to intrude

	on the surrounds, esp. when we have beautiful old character houses, which tie in with the surrounds, disappearing. These new developments not only overcrowd the area, but strip the area of any character. In compensating for the trees we are losing with the new station planting more trees on nature strips, more tree lined streets
Feb 19 17 04:52:17 pm	Less multistorey apartment buildings
Feb 20 17 08:36:02 am	No high rise developments
Feb 20 17 05:06:32 pm	Too much High Rise development in suburban streets has ruined Carnegie. They would have been better restricted to the Dandenong Road.
Feb 20 17 07:29:49 pm	High volume of over development. Need to keep it in check to maintain the community feel of the area.

Date	Survey Response Carnegie Other
Nov 29 16 06:29:16 am	With the over development and increase of people, there needs to be more parking. There also needs to be more monitoring of illegal parking. Double parking in main streets near the station and shops is extremely frustrating to the locals doing the right thing.
Nov 29 16 09:48:36 am	Need way more parking!! Pedestrian crossing near Nandos.
Nov 29 16 05:17:36 pm	Car parking is a bloody nightmare. Double edged sword, I love the liveliness of koornang but am annoyed when I can't Park to grocery shop b/c too many punters at the restaurants. Better access and parking for bikes would help this
Nov 30 16 02:43:46 pm	Perhaps a council that can actually make a significant difference to any of the above. Last I checked Glen Eira can't and don't have any say on what retail / shops are in the strip.
Dec 01 16 11:47:50 am	some days a clean up of lanes would be nice
Dec 01 16 01:15:20 pm	more car parking and short duration spots for quick turn around shopping - pick up food orders, milk and grocery shopping, etc
Dec 01 16 01:38:06 pm	No comments
Dec 01 16 02:34:30 pm	Traffic conditions along Koornang Rd, Neerim Rd and Murrumbeena Rd should reflect the real conditions of over development. Perhaps the traffic should be one way on one road and more restrict conditions same as the Glen Waverley shopping strip.
Dec 01 16 09:12:23 pm	Carnegie could take advantage of the current interest in beer to have a brewpub or even an urban winery. Would certainly draw people to the area. My husband will travel to find a brewpub like Bad Shepherd in Cheltenham or Two Brothers in Moorabbin.
Dec 01 16 11:26:22 pm	Car parking - we need ease of parking. Consider developing the car park near the library - Make that multi storey
Dec 03 16 11:28:22 am	we need permit parking restrictions on both sides of Chestnut St Carnegie now.
Dec 03 16 01:11:04 pm	Even greater diversity of restaurants
Dec 03 16 02:34:16 pm	Due to so many apartments being built Carnegie is losing that unique feeling of a close community.
Dec 03 16 06:31:54 pm	The planning in the area is a significant issue. There have been so many flats/new dwellings erected but zero assessment on impact to the shopping precinct or parking. Council should be ashamed about the changing character of the neighbourhood. Cheaply constructed dwellings replacing weatherboard Edwardians and California bungalows. Disgraceful!!
Dec 04 16 08:37:17 am	Swimming pool open all year round...
Dec 04 16 07:17:49 pm	I would like to keep the community feel. Glen Eira news paper stand

	and notice board. Courts for tennis, basket ball. Grass and Nature.
Dec 05 16 05:44:03 pm	The strip could use a bit of 'jazzing up' perhaps with some re-paints and plants along the road.
Dec 06 16 12:05:57 am	Higher Maintenance of the buildings or smaller streets to avoid the feel of "old and dirty"
Dec 06 16 08:40:08 am	Thank you.
Dec 06 16 12:38:36 pm	An increased pride of some of the retailers to tidy up their shops/better presentation/appropriate (professional looking) signage. In particular at night when there are so many people wandering the shopping strip after dinner, attractive window displays would certainly improve the look and also hopefully provide interest for people to visit not only for dinner but make use of the other retailers
Dec 06 16 02:49:34 pm	Better bike linkages along the entire Koornang Road strip.
Dec 06 16 07:36:32 pm	I'm not sure who owns the car park out the back street with the old Woolworths supermarket but it is an absolute disgrace - needs a big tidy up
Dec 07 16 08:44:26 pm	an enclosed off dog leash area where we can take dogs and train them without opportunities for them to run out of park and onto road please
Dec 08 16 11:15:46 am	Nothing I can add
Dec 08 16 11:25:22 am	CCTV everywhere around shops and parking areas
Dec 08 16 11:58:15 pm	Bike racks Water fountains More seating Activities to get community members engaging with one another. All spaces, transport, retail stores and cafes/restaurants to be accessible for people with disabilities.
Dec 09 16 03:15:33 pm	The amount of garbage left lying around is just revolting. Can you not learn from other councils that do not have this problem. I go to Brighton and do not see piles of rubbish left for weeks and weeks. The system of ringing in to get your garbage picked up is not working. Most people just dump it and leave it. In fact we have a woman in our street that regularly puts her rubbish (she is a hoarder) on other people's nature strips as she does it so often that she has had warnings. It goes on deaf ears. The same out of back of the shops it is filthy!
Dec 09 16 03:31:00 pm	Greater heritage preservation. Gary Peer offices on Koornang are used to have beautiful lead light windows which were ripped out to modernise the office. Lovely old homes ripped down for non-descript apartments. Things like that are preventable. Carnegie will look very bland and ugly if heritage is not maintained.
Dec 09 16 10:07:30 pm	Beer garden.
Dec 11 16 01:55:48 pm	Trees, Greenery
Dec 11 16 05:58:28 pm	More trees. Upgrade Koornang Rd street furniture. This year's Christmas decorations have hit a new low.
Dec 11 16 06:14:48 pm	greenery , cleanliness, seating lighting , refer to previous answers
Dec 12 16 04:28:28 pm	Nothing
Dec 15 16 12:59:07 pm	Save our beautiful mature Gum trees on the north and south of the station.
Dec 15 16 08:59:06 pm	Drone racing area
Dec 16 16 12:06:19 pm	better parking once the train line goes in
Dec 17 16 07:35:05 am	Better Christmas decorations
Dec 17 16 09:00:42 am	Farmers markets
Dec 17 16 09:36:01 am	The councils street planting are an opportunity to improve the appearance of the area but I do not support the councils policy of planting indigenous trees as this results in ugly slow growing non shady trees. Select trees such as we see in Stonnington or Boroondara which greatly

	add to the beauty of their suburbs
Dec 17 16 02:40:19 pm	People collecting for charities are pushy and intrusive meaning you can't relax near the library if they are there Need parenting rooms for nappy changes and feeding
Dec 18 16 01:09:39 pm	Less apartment blocks - stop overdeveloping
Dec 19 16 11:54:38 am	allow people to do more on the outside of the shop so its more attractive
Dec 20 16 03:50:39 pm	More carparking. Carnegie has become a 'destination' for people from other suburbs. Whilst this is great, carparking has become difficult.
Dec 22 16 12:00:50 am	parking arrangements - there is not enough. the speed limit on Koornang road needs to be reduced to 30km/hr, permanently, any time of day. To have illuminated signs displaying '60' is a joke and very dangerous. it does not fit with the current volume of traffic, pedestrian and cars.
Dec 22 16 11:52:44 am	Change the dodgy asfalt and red brick pavement on the strip and surrounding streets. It makes the place cheap and dismal. Pave it with sandstone brick, they did this in mornington it makes a huge difference the the look and feel of the street.
Dec 23 16 01:44:26 pm	More parking should be provided near the station so that it doesn't spill onto nearby streets (e.g. down Blackwood St).
Dec 25 16 12:28:25 am	Gym, strength training, dance therapy as well as dance classes..
Dec 29 16 09:36:45 am	Nice street landscaping and artwork. And TREES
Dec 30 16 01:24:59 am	Like Creperie, Lizzy's, JJs, Huff, Chemist Warehouse (although it is very cramped on southern side of railway). Aldo's Butchery was good too...
Jan 01 17 10:43:11 pm	Streets and car parks could be much, much cleaner!
Jan 02 17 06:41:15 pm	Would really love the strip to get a tiny make over so it looks fresh and less outdated. The cheap stores bring down the look, so it would be great to get some new modern small shops or cafes/restaurants.
Jan 03 17 05:38:54 pm	keeping the facades and buildings well maintained. Clean footpaths and sitting areas. Pavement life.
Jan 04 17 11:40:31 pm	No skyrail
Jan 08 17 01:02:53 pm	Please preserve the historic feel of this strip - that's a key reason it works. The encroachment of huge lumps of modern apartments isn't great.
Jan 14 17 06:04:44 pm	Regular gutter and footpath cleaning, cleaning of rubbish bins would eliminate bad smells and grubby appearance.
Jan 17 17 09:42:20 pm	Something that we could really use is access to a walking/ bike trail. Too many large roads around us to make walking and bike riding safe. PLEASE MAKE AN EXTENDED WALKING/BIKE TRAIL UNDER THE SKYRAIL . Please please please. With lots of greenery.
Jan 18 17 10:33:13 pm	community gardens, match schools with aged care facilities to help create community.
Jan 19 17 09:27:26 am	Some restaurants other than dumpling places would be nice!!
Jan 19 17 10:23:05 am	Take ownership of the management of the land freed up by the LXRA to make it a high quality public space for a range of community uses.
Jan 19 17 04:19:18 pm	I'd also like a requirement that all shops have their name in English as some businesses only have a foreign language. Foreign languages are fine but there should be English versions at all premises as well. Finally, I'd like all premises to display street numbers.
Jan 20 17 12:03:42 pm	Glen Eira council overall does a pretty good job, can't please all the people all the time, but thanks for trying.
Jan 21 17 06:35:30 am	More trees and flower beds
Feb 05 17 04:10:15 pm	Killing the goose that laid the golden egg with overcrowding overdevelopment and poor quality. Will soon look like China town spingvale with little or no monitoring of developments
Feb 06 17 11:50:14 am	More graffiti type art work. Include young people and draw young people

	into the space. Skate park nearby would be great - maybe under sky rail. use green space to encourage community and interaction. this is important when we have more people living in apartments. Social connection is a huge indicator of wellbeing and increased longevity.
Feb 06 17 12:46:33 pm	I haven't seen a "vision" for how Carnegie will function in 10, 20, 30 years from now with all the development. It appears to be a recipe for disaster since traffic will only get worse, and people don't have open space in safe convenient walking distance, and only 1- and 2-bedroom apartments are being built, all targeted at a narrow segment of the population.
Feb 06 17 05:43:58 pm	Smoking ban in street. More design elements such as Rita's mosaics
Feb 06 17 05:53:41 pm	Discourage smoking Discourage advertising in Chinese only More rest areas and seating
Feb 06 17 06:11:41 pm	Carnegie has lost itself. Was once a lovely place to live, now I tend to stay at home and go else where to do my shopping. No heart anymore.
Feb 06 17 07:20:51 pm	Please reopen Carnegie Theatre, its a great shame to see it closed and unused.
Feb 06 17 08:46:31 pm	clean up the alley ways and carpark rubbish tips
Feb 06 17 09:41:45 pm	Make sure there are plenty of seats. The area in front of the library which leads to Koornang rd could be improved; invite artists to create things here. Allow musicians to perform there. Have a Hawker's Stall night market there in summer, or even in the Library car park.
Feb 07 17 12:02:21 am	More ways for people to cross the street - make the "fake" crossing a real crossing, remove ugly brick barriers. Make the place feel like people are prioritised instead of cars.
Feb 07 17 03:43:47 am	Don't know
Feb 07 17 10:31:34 am	All in all, I really love Carnegie and hope our town can become an area people love to visit not only for the cheap eats but for leisure, shopping, and more
Feb 07 17 02:22:12 pm	THE PROXIMITY TO THE LIBRARY/STATION/WW IS BENEFICIAL TO ME WITH A DISABILITY BUT THERE IS SO MUCH IMPROVEMENT
Feb 07 17 03:53:36 pm	Need to determine why many shops in the strip do not last.
Feb 07 17 04:57:23 pm	Carnegie was a quiet efficient middle suburb... well serviced by public transport and with an excellent shopping centre... it is hollow leftover now as house after house is knocked over and shop after shop becomes a cafe... it is unliveable and ugly
Feb 07 17 05:08:22 pm	Do not replace small businesses with large retail chains. Do not get rid of the large number of cafes, restaurants and small food stores. Another delicatessen would be great.
Feb 08 17 04:05:54 pm	Shops must display English. Some are showing Chinese writing only. Not ok!!
Feb 10 17 02:20:59 pm	more car parking
Feb 11 17 11:05:31 am	Priority needs to be the cleanliness of the environment to create a good atmosphere. Ensure paths are hosed down and cleaned on a regular basis. Trees to beautify the landscape.
Feb 11 17 06:45:24 pm	Keep the roads clean, the nature strips mowed, the kerbs maintained free of weeds. Show Carnegie some love, care more about the astetic facade of the suburb. Thank you!
Feb 13 17 11:02:12 am	Thanks for this opportunity to have a say. I just hope that this is not another window-dressing exercise as we experienced with Sky Rail.
Feb 13 17 11:28:53 am	What is happening next to Carnegie Pool? I thought they were putting in new multi use courts? It just looks like a car park.

Feb 14 17 03:19:09 pm	Car park, car park, car park
Feb 15 17 10:19:11 am	No particular issues
Feb 15 17 07:38:33 pm	knocking down Carnegie & Murrumbeena stations was criminal vandalism. protect our lovely suburb.
Feb 16 17 04:06:54 pm	Just to add emphasis - Put heritage overlays on older buildings, do not allow old buildings and houses to be demolished and replaced with inappropriate buildings. - Carnegie's future is in your hands - please protect the village character.
Feb 16 17 05:34:53 pm	Stop appartments!! To many renters that do not care for our community
Feb 18 17 05:27:15 pm	Not allowing charities to hound passers by into signing up to monthly donations please allow the Pigeons and other animals to stay, it adds character and some people especially the children enjoy the animals
Feb 19 17 02:38:29 pm	Koornang road gets very busy, difficult to drive through Improved safety at night
Feb 20 17 05:06:32 pm	Overall, I feel that the heart has been ripped out of Carnegie to cater for students and overseas developers at the expense of Carnegie's long term residents who have been enjoying a quiet family community suburb.

Jan 28 17 11:13:55 am	Get rid of the railway line Improve the parking Get rid of the "shops" that are really export businesses
Jan 28 17 04:02:36 pm	1.Traffic: 30km/h 24/7 speed limit enforced with speed cameras. In order to increase safety, make the street more relaxing and enjoyable for its users and increase the permeability across the street which increase economic activity for business. 2. Car parking: No minimum car parking requirements for private developments. No more council subsidized car parking. Car parking is not a public good and cars are not economic activity, they are just are means of getting somewhere and a very expensive one. I am a local business owner and 95% of my customers arrive by walking, cycling or public transport yet so much public money is spent on car infrastructure. Why? 3. Develop cycling infrastructure. People in the area actually enjoy cycling, but it is to dangerous or inconvenient. The Victorian standards for cycling infrastructure are not adequate and reflect in the low cycling rates. The council should look overseas, especially The Netherlands where they have made all the mistakes and have very good infrastructure and high cycling rates. There is no need to reinvent the wheel.

Feb 06 17 11:50:14 am	1. Redevelop the Woolworths and carpark with increased car parking, well designed apartments and green space as well as new supermarket and even a fresh food market. Feb 07 17 02:22:12 pm	MAKE THE ROADWAY DOWN THE MIDDLE (KOORNANG) A MALL CREATE A CIRCULAR ROUTE AROUND SHOPPING CENTRE SO AS TO CREATE MALL YOU HAVE SO MUCH DEVELOPING GOING ON YOU COULD AT LEAST PUT A MULTI-STORY CAR PARK IN PARK.... you have high multi-Story residences flanking both car parking venues think of the public..... how many extra people will you have in the area when ALL THE DEVELOPMENTS ARE FINISHED..... Feb 07 17 04:03:58 pm	1. Pedestrian footpath on both sides of Koornang Rd to be redone and possibly made larger. There would be less parking space but there is plenty of parking in the nearby parking lots. One of parking lot can be transformed in a multi-level one. 2. Good public art is missing. I personally like mosaics. One local example is available here: http://www.mosaicrepublic.com.au/windsor

	<p>3. The Market Arcade must be redone. It will transform the Carnegie shopping strip experience.</p> <p>(4). Well, this is a fantasy more than anything else but I would like to see the section between Neerim and Rosstown Roads close to traffic. I am not sure if this is an option but in an ideal world that would be fantastic!</p>
Feb 07 17 04:13:51 pm	<p>1. Get rid of on street parking (and make the pedestrian footpath wider) and make the car park next to Woolworth multi-level.</p> <p>2. A better variety of shops.</p> <p>3. Security cameras and better lighting at night.</p>

Feb 13 17 11:28:53 am	It needs to look tidier. Compare it to our wealthier neighbours like Church street, Brighton. Carnegie could be even better if it looked cleaner and people cared about presentation. We choose to live in Carnegie (and not Brighton) because we love the cultural diversity but its disappointing that more effort is not put into presentation.

Dec 01 16 11:47:50 am	camberwell
Dec 01 16 12:51:45 pm	Although we have more food options in Carnegie which is really great, the shopping strip on Centre rd in Bentleigh offers more competitive retail stores which makes the shopping experience more complete. With a discount department store (Target) as well as supermarkets on the same shopping strip, shopping for residents of Bentleigh is a lot more convenient because they have access to such stores in the vicinity.
Dec 01 16 01:15:20 pm	Glenhuntly Rd, Elsternwick - variety of shops
Dec 01 16 01:38:06 pm	Oakleigh Eaton Mall: fantastic atmosphere, great food, family friendly and it is the heart of the city

Dec 01 16 09:12:23 pm	I'd like to see it more like Windsor or perhaps Balaclava (which is a bit more limited for various reasons), a diverse destination for dining and shopping, that retains its appeal to locals.
Dec 01 16 11:26:22 pm	Oh goodness the situation with the boom gates is so bad at carnegie I can never leave - how do I get to experience other shopping strips?

Dec 02 16 12:10:10 pm	Centre Road Bentleigh, High St Ashburton
Dec 02 16 01:05:49 pm	High street malvern or Glenferrie Rd hawthorn
Dec 02 16 02:23:16 pm	No, Carnegie is great for its own good. Copying another strip does nothing.
Dec 02 16 03:25:11 pm	When I consider all the lovely shopping strips I know such as Rathdowne st in Carlton or Ormond rd in Elwood, my next thought is that even though they are great, they lack the grittiness of Carnegie which is what gives it appeal. So the answer is none
Dec 02 16 05:06:34 pm	Hampton Street - great clothes shops there and restaurant choices - but no space in our strip for that and that's ok
Dec 02 16 07:20:13 pm	Acland st. Because it's vibrant and fresh
Dec 02 16 08:10:48 pm	Centre Rd Bentleigh.....a greater range of shops. Far greater parking facilities
Dec 02 16 09:39:36 pm	Ormond rd elsterwick.
Dec 03 16 11:28:22 am	Glenferrie Rd, Malvern it's very cool over there

Dec 03 16 12:07:43 pm	Glenferrie rd malvern - feels nicer
Dec 03 16 01:07:24 pm	Acland Street, St Kilda which looks less dilapidated, is lighter and brighter, has a holiday ambience and a variety of street entertainment
Dec 03 16 01:11:04 pm	Oakleigh with the outdoor cafes and malls
Dec 03 16 01:39:39 pm	It is unique and doesn't have to be the same as anything.
Dec 03 16 02:34:16 pm	Any small strip that has better parking and a larger variety of shops
Dec 03 16 04:58:50 pm	It doesn't need to be like others
Dec 03 16 05:25:18 pm	Why can't Koornang be it's own thing?
Dec 03 16 06:02:26 pm	Bridport st in Albert park. Peaceful.
Dec 03 16 08:24:38 pm	Malvern end of Glenferrie Rd. Has such a great mix of stores. Different food, books, retail etc
Dec 03 16 08:24:48 pm	Rathdown St Village Carlton. Yarraville Village. - It's simply greener. An enthusiastic planting approach decades ago is now evident and being enjoyed by future generations. - They respect the heritage of Carlton, architecturally and culturally. If developers and Asian Vitamin stores were allowed to do what they wanted, Rathdown Street wouldn't be what it is today. We have something special happening right now in Carnegie, let encourage it, not let it slip away. - They encourage a quality of life and focus on the neighbourhood and village lifestyle, hence a lack of corporate take over.
Dec 04 16 08:37:17 am	Yarraville - their pop up park became a permanent space and it means the kids have a safe place to play Love the village atmosphere- people know one another and talk It feels secluded and private - Carnegie used to feel like that and now it doesn't because of all the apartments and associated traffic
Dec 04 16 02:47:08 pm	Chapel st- more fashion, more bars
Dec 04 16 04:41:54 pm	Acland street, has something for everyone although it's missing all the Asian restaurants
Dec 04 16 05:19:29 pm	Main street Mornington. It is more. Beautiful, cleaner, has ample parking and less traffic issues even though it attracts large numbers of tourists.
Dec 04 16 07:17:49 pm	I was very impressed by the forecourt area outside Eastlands shopping centre. Opposite Ringwood station. There are quaint little eateries. Fed square has a great forecourt with large TV for events.
Dec 05 16 05:44:03 pm	Church St, Brighton - Great shops/cafes - Close to transport - Close to parks - Very clean/well-maintained
Dec 06 16 12:05:57 am	Centre road bentleigh for its variety of stores, quality of food offering and the feel that it is more accessibility.
Dec 06 16 02:13:56 am	Shouldn't have to look like something else. It should have it's own character.
Dec 06 16 08:40:08 am	Malvern or Toorak It has much more of an International appeal
Dec 06 16 12:14:30 pm	Centre Road in Bentleigh. Better selection of retail stores (clothing, Target, book store).
Dec 06 16 12:38:36 pm	Glenferrie Road Malvern has a great variety of retail and restaurants so it would be good to have the range of shops and most a very well presented (however I still think Carnegie is unique and feels far more relaxed than Malvern so I wouldn't want to lose this aspect)
Dec 06 16 01:42:00 pm	bay st brighton. a bit quirky.
Dec 06 16 02:49:34 pm	Let it be itself, but with some good ideas from elsewhere. Integrate with the station (eg Armadale), consider extending the strip along Neerim Road, other spur roads and further south along Koornang Road to bring a greater

	critical mass (eg Glenferrie Road south of High Street), an entertainment anchor tenant and links to open space (eg Elsternwick).
Dec 06 16 07:21:30 pm	I don't think I need to become like any other strip in Melbourne. It's beauty is that it's unique...
Dec 06 16 07:36:32 pm	Crows nest in Sydney. Fantastic vibe with a real family feel.
Dec 06 16 08:01:02 pm	Let it stay unique.
Dec 07 16 01:30:53 pm	It's hard to compare. I like the feel it has now
Dec 07 16 03:46:25 pm	Kensington.
Dec 07 16 03:46:55 pm	Cleanliness of Glenferrie road, Malvern Variety of Balaclava shopping strip
Dec 07 16 09:56:41 pm	Armadale, Camberwell, etc The residents appear to respect their strip, the street planting and road rules(no U turn in main street!!!) The shop owners keep their shop fronts clean, even when the shops close it doesn't take on a filthy look as Carnegie's can at times.
Dec 08 16 11:15:46 am	Carnegie shopping strip is unique and special.
Dec 08 16 11:25:22 am	Murrumbeena needs more improvements than Carnegie which may occur after skyrail and new station and more high rise apartments.
Dec 08 16 11:58:15 pm	High Street, Westgarth/Northcote - because of shops like Terra Madre, venues like Bar 303 and Open Studio, and the Westgarth cinema.
Dec 09 16 03:15:33 pm	Bay Steet Brighton Glenferrie rd Malvern Mailing Rd Canterbury
Dec 09 16 03:31:00 pm	Parts of Lygon St, Brunswick St too. These areas have a great mix of quirky and quality retail, cafes and bars
Dec 09 16 04:02:32 pm	Mailing Road Canterbury. Better quality shops and more variety in the retail section. Mailing Road is not just a lot of places to eat Asian style food.
Dec 09 16 04:55:51 pm	Oakleigh, great atmosphere
Dec 09 16 04:57:31 pm	I don't think it needs to become like another shopping strip
Dec 09 16 10:07:30 pm	Chapel Street, to some extents. A few bars would be nice. More retail isn't necessary, it is an extremely successful food strip, with essential retail stores such as Chemist Warehouse/Aldi etc.
Dec 10 16 12:10:10 pm	Camberwell
Dec 10 16 01:15:25 pm	Hampton Street
Dec 10 16 03:53:39 pm	I think already we have been voted number 1 shopping strip in City of Port Philip. While some others have been good in the past, many suffer from gentrification, whereas Carnegie is unique in having a large university international student population, which keeps a vibrant young population, making it a university suburb and university shopping strip, melded with a mixed local population. This ensures it remains vital and youthful.
Dec 11 16 09:29:29 am	Ashburton and Bentleigh. Both have more variety of shops and both have better parking facilities.
Dec 11 16 01:55:48 pm	Brighton.. For large trees and Greenery
Dec 11 16 05:58:28 pm	Church St, Brighton. I know, different demographic. And Koornang Rd is narrow. It's open, wide pavements good for cafes. Great variety of traders. Also entertainment venues.
Dec 11 16 06:14:48 pm	centre rd bentleigh clean and easy to get to...and drive through
Dec 12 16 02:20:12 pm	Mount Martha village- quality shops and cafes, friendly, village feel Hawkesburn village- quality shops and variety
Dec 12 16 04:28:28 pm	No other
Dec 14 16 09:37:51 pm	Camberwell, for the size, variety and vibrancy. They have a cinema. I would love to see a cinema in Carnegie, but it would be near impossible to compete with Chadstone, except as a niche theatre, think Nova, Lido,

	Place, etc.
Dec 15 16 12:59:07 pm	Glen Eira Rd Rippon Lea Stylish options, lovely sense of community, great example of multicultural harmony
Dec 16 16 12:06:19 pm	glenhuntly rd, elsternwick - more variety
Dec 16 16 02:07:53 pm	Chapel Street. A better selection of cafes and shops. But please no nightclubs - just some cool bars.
Dec 17 16 07:35:05 am	Elsternwick for its diversity especially food-wise
Dec 17 16 09:00:42 am	High st Northcote - good variety of shops, coffee shops and restaurants
Dec 17 16 09:36:01 am	Mailing street in Canterbury it has a lovely relaxed feel which draws people to want to go there. The have a mix of parking with great landscaping to soften and enhance the appearance. The heritage appeal of the buildings is a drawcard for me as this is different which makes it an appealing destination. Koonang Road is currently just lots of ugly buildings just like so many shopping strips but by adding mosics or adopting a theme it would be more of a destination that would spark peoples interest
Dec 17 16 10:26:51 am	Brunswick Street: mix of culture, nightlife, shopping, community, food, art. Something for any occasion and buzzing at any time of day.
Dec 17 16 02:40:19 pm	Oakleigh - car free strip of shops and lots of parking
Dec 17 16 06:10:26 pm	It's unique the way it is
Dec 18 16 01:09:39 pm	Ripponlea - great mix of shops / retail
Dec 18 16 10:23:31 pm	Bentleigh east. Train underground. Great mix of retailers. No residential development.
Dec 19 16 09:03:13 am	Camberwell Burke rd Has shopping for shoes and clothes and market
Dec 19 16 12:04:25 pm	bentleigh
Dec 19 16 12:12:19 pm	glen ferrie road
Dec 19 16 12:26:59 pm	Bentleigh
Dec 19 16 12:31:26 pm	springvale
Dec 19 16 12:47:03 pm	elwood and st kilda
Dec 19 16 01:09:43 pm	flinders lane
Dec 19 16 01:12:58 pm	Bentleigh, fitzroy
Dec 19 16 01:21:26 pm	st kilda
Dec 19 16 01:35:37 pm	bentleigh
Dec 19 16 01:49:12 pm	not sure lived in Carnegie for 15 years
Dec 20 16 08:58:27 pm	Glenferrie Rd, Malvern. Great mix of shops/ restaurants/ services.
Dec 21 16 07:38:15 pm	Bridge road in richmond
Dec 21 16 11:20:20 pm	Chapel St Windsor/Prarahn markets. The area is always bustling and there are hundreds of interesting places to eat and meet people. The area itself attracts attention as opposed to a single restaurant.
Dec 22 16 12:00:50 am	See previous question - a pedestrian mall with plenty of outdoor eating places and a variety of shops.
Dec 22 16 11:52:44 am	Morington, Its not in the center of Melbourne but it looks great.
Dec 22 16 02:22:40 pm	Eaton Mall - Oakleigh Acland St - St Kilda More pedestrian friendly with more on street space. There are many other town squares in over seas locations that could be used for inspiration
Dec 22 16 08:48:44 pm	Nothing to compare. It should set a standard.
Dec 23 16 01:44:26 pm	Acland st - it has a very social and vibrant atmosphere, but is safe and clean, and has a very distinct feel to it.
Dec 23 16 10:35:02 pm	Chaddy is very clean

Dec 24 16 09:58:08 pm	Chadstone, all in one spot
Dec 25 16 12:28:25 am	Glenferrie RD Malvern. Great book shops, clothes, still a viable shoe shop, Malvern Central within radius. Harold Holt pool within driving distance. Optus, Telstra stores. So much more.....
Dec 25 16 10:47:31 am	South Ybarra, chapel strip Great atmosphere n so many things to do
Dec 25 16 06:15:10 pm	Carslile st balaclava, They have a good mix of shops, food, supermarkets/fruit and vege, gyms, medical etc as well as a few small bars with live music etc.
Dec 25 16 06:48:49 pm	Uniqueness has its own virtue. As long it's quality.
Dec 26 16 04:28:51 pm	More restaurants like on Glenferrie Rd
Dec 26 16 07:01:09 pm	Oakleigh
Dec 27 16 09:45:59 am	It is already second to none.
Dec 27 16 08:11:33 pm	Glen ferrie road
Dec 29 16 09:36:45 am	Glenferrie Rd Hawthorn Great shops with diversity. Book shops, clothing, Attractive decorations in street. Arthouse cinema Good bars, pubs, Cheap restaurants as well as up market.
Dec 30 16 01:24:59 am	The esplanade in Elwood, The concourse in Beaumaris and even Centre Rd in Bentleigh have a better feel and greater sense of community, as the traders all have a sense of pride and purpose. I think the "cheap" shops bring a cheap feel unfortunately. Carnegie is not a cheap area to live - it has quite good schools and is close to the beach and the pools and Chaddy and the city. However it has been thrown to the wolves by council in allowing all the rapid changes to housing development. Many high-rise blocks will not look very nice in a few years time and that detracts greatly from the appeal of the area - which does have good bones.
Dec 30 16 11:59:56 pm	Bentleigh is more diverse and more range of shops, better landscaping of the street.
Dec 31 16 09:49:09 am	Glenferrie road, glenhuntly road elsternwick,
Jan 01 17 11:49:13 pm	Church st Brighton, cause it has a great vibe with great retail stores and great restaurants
Jan 02 17 06:41:15 pm	Elwood. There are more places to visit for a nice dinner or drinks with friends.
Jan 02 17 10:48:36 pm	Why would you want to do that? If you wanted it to be another place you would go to that place. It used to be a lot more Korean. If anything I would want it more like Box Hill.
Jan 03 17 11:58:15 am	I don't really shop anywhere else, sorry.
Jan 03 17 05:38:54 pm	Elsternwick - there is something for everyone. Love the gift stores, classic cinema, restaurants, cafes, op shops, a bit different retro styles and retail, clean... and no tram in carnegie strip, which is good.. feels less hectic
Jan 04 17 01:44:07 pm	Chapel street because it's viberant and stuff is always happening
Jan 04 17 04:19:58 pm	A bit difficult as each place has it's own mix. However the culture/social mix we have now hasn't grown but has been imposed very rapidly. So many people no longer shop here but drive to North Road, Malvern, Elsternwick etc. More variety.
Jan 04 17 08:52:40 pm	None, it is good as is. Keep it accessible for all and local!
Jan 04 17 11:40:31 pm	Glenferrie road minus the elevated rail. Cafes and food options
Jan 05 17 08:03:07 am	Malvern road Hawksburn, it has boutiques, general grocery shopping of high quality, such as Peter Bouchier butcher and Toscanas fruit and veg store. As well as a variety of cafes and restaurants

Jan 05 17 11:41:31 am	Tough one - the shopping strip is almost too short to support a good mix of cafe, food and retails stores.
Jan 08 17 01:02:53 pm	High Street, Armadale - every shop is a pleasure to see; every shop makes you want to spend money; and it's relaxing and invigorating to visit. Even the little clipped trees are pleasant. (Wish there was more cultural diversity, though!).
Jan 08 17 02:41:07 pm	Maling Rd, Canterbury. Trees, village feel, slow pace.
Jan 09 17 01:40:52 pm	Ackland street in St Kilda as it is vibrant and traffic is slower.

Jan 11 17 04:45:00 pm	Toorak Rd, SY
Jan 12 17 06:39:14 pm	Oakleigh - walking street with full of food places
Jan 13 17 12:06:37 pm	
Jan 14 17 05:47:35 pm	Bentleigh as it has a few larger stores with small fronts and a subtle under road train line and station. Also lots of smaller businesses that are not just Asian noodle or hairdressers.
Jan 14 17 06:04:44 pm	Oakleigh. It has a relaxing, village atmosphere.
Jan 16 17 01:33:04 am	No. Just get this one a bit more appealing. I like it.
Jan 16 17 05:02:49 am	High St, Northcote. A perfect example of diversity, coolness, lots of cafes and food etc.
Jan 17 17 02:01:54 pm	Why does it have to be 'like another spot in Melbourne'?? This seems absurd - build on the strengths that is currently has and work to make the place attractive, accessible and useful for more residents.
Jan 17 17 09:42:20 pm	Church rd. Brighton. The shops are lovely, the footpaths are pleasant and green and it's a pleasure to walk around there.
Jan 18 17 07:06:17 am	Fitzroy--- not totally like it but more vibrant and beautiful
Jan 18 17 10:33:13 pm	Bay Street Brighton
Jan 19 17 09:27:26 am	Oakleigh's lovely wide piazza with all the outdoor seating for restaurants is lovely
Jan 19 17 10:23:05 am	Acland st St Kilda - for the gardens and parks around the shopping strip. Springvale Shopping Centre - for the pedestrian malls
Jan 19 17 02:54:53 pm	Victoria Ave Albert Park or Glenferrie Road Hawthorn for class & diversity
Jan 19 17 04:19:18 pm	Not sure
Jan 19 17 11:23:52 pm	Glenferrie Road Malvern - much wider range of shops,.
Jan 20 17 12:03:42 pm	None come to mind, keep it uniquely Carnegie.
Jan 24 17 01:56:15 pm	oakleigh.. great walking, people watching, european feel could blend with the asian feel
Jan 24 17 02:58:41 pm	Glenferrie Rd, Malvern. It has a good mix of shops, services restaurants and cafes.
Jan 26 17 12:17:14 am	elsternwick, glenferrie rd.
Jan 26 17 12:02:14 pm	Mornington. Heaps of life during day and night. High quality cafes and restaurants and numerous bars for evening outings.
Jan 27 17 03:28:37 pm	Albert park shopping strip. Designed for the people. Large sidewalks, trees, open village feel. Encourages long stays and allows people to connect.
Jan 28 17 09:10:58 am	Chapel St South Yarra. It's a like being in a shopping centre.

Jan 28 17 11:13:55 am	High street Ashburton because it has an excellent range of useful shops
Jan 29 17 09:26:45 am	I think Koornang is almost perfect - I like aspects of other places but prefer Koornang
Feb 01 17 08:58:54 pm	Glen ferry Rd - ppl go there for its vibrancy
Feb 01 17 09:51:04 pm	Happy the way it is
Feb 03 17 01:54:17 pm	Maling Rd Canterbury. It has appeal and is friendly.
Feb 03 17 10:13:18 pm	Glen Huntly Rd Elsternwick Glenferrie Rd Hawthorn Variety of nice shops and restraints
Feb 04 17 01:30:30 pm	Gertrude Street, Fitzroy.
Feb 05 17 12:07:39 am	none that are a valid comparison- even though there are places with much more variety (bookshops and clothes would be great) Carnegie has the advantage of being so compact and easy to cover the whole strip quickly.
Feb 05 17 09:04:43 am	it rates pretty well when compared to other shopping strips in Melbourne.
Feb 05 17 04:10:15 pm	Elsternwick more cosmopolitan better mix of shops bookstores clothes coffee etc not just cheap Asian eats.
Feb 06 17 11:50:14 am	Glenferrie Rd Malvern has a great diversity of shops and is always busy during the day, though lacks open space and has some other issues.
Feb 06 17 12:46:33 pm	Glen Huntly has trams and soon to have public open space, and generally a more human scale building envelope.
Feb 06 17 01:12:32 pm	Sydney Road, there's lots going on and its racially inclusive
Feb 06 17 02:26:13 pm	Carlisle Street East St Kilda. This has a great range of shops and seems to keep up with the moving demographic. It has the right amount of hairdressers, chemist, supermarkets, fruit and veg as well as a good selection of eateries and clothing stores.
Feb 06 17 03:52:10 pm	Carnegie is quite unique and I'm not sure I can nominate another strip shopping centre that would bring in the diverse cultural needs that this area calls for.
Feb 06 17 05:06:15 pm	Glenferrie Rd Malvern, because it has good bookstores, clothing shops, cafes.
Feb 06 17 05:43:58 pm	Church St Brighton because of trees. Glenferrie Rd for quality of shops Brunswick St Fitzroy for buzz
Feb 06 17 05:53:41 pm	Church St Brighton for shade Brunswick St for buzz Glenferrie for retail
Feb 06 17 06:11:41 pm	Mailing Rd Canterbury. Really nice atmosphere, lovely shop people, quirkly little shops. Just nice.
Feb 06 17 06:28:50 pm	South Melbourne for the diversity, markets and pubs
Feb 06 17 06:41:44 pm	Bourke street
Feb 06 17 06:57:40 pm	I like that Carnegie is unique so not really.
Feb 06 17 07:20:51 pm	Greville st in prahran, feels modern but enclosed and uncrowded
Feb 06 17 08:44:55 pm	Acland St
Feb 06 17 08:46:31 pm	Glenferrie Rd, Malvern Clarendon St, South Melbourne
Feb 06 17 08:47:30 pm	Would prefer it to keep its own identity
Feb 06 17 09:41:45 pm	I love Oakleigh because it retains an authentic, democratic, unique feel to it. Also I love Collingwood/ Brunswick/ Fitzroy for their creativity and blend of sophistication while being equally comfortable with grunge.
Feb 06 17 11:26:35 pm	Theres no where like Carnegie.

Feb 07 17 12:54:13 pm	Chadstone
Feb 07 17 12:55:13 pm	Glenferrie Road, Malvern or Glenferrie Road, Hawthorn Both these are busy areas yet always feel clean and have huge variety of retailers and food
Feb 07 17 01:20:27 pm	None, Lets be unique.
Feb 07 17 02:22:12 pm	Sorry don't know other centres much
Feb 07 17 02:48:16 pm	Centre Rd in Bentleigh has a lot better Retail options, however I prefer how close Koornang Rd feels. Centre Rd is a bit more hectic and spread out, which means I don't ever want to park at one end and walk - this is why I prefer Koornang Currently. I like the rotunder on Centre Rd and the area where they have events and bands playing.
Feb 07 17 03:21:51 pm	Brunswick street
Feb 07 17 03:53:36 pm	Glenferrie Road, Malvern Has everything that Carnegie has without the railway crossing. Ambience is more "upmarket" Appears cleaner.
Feb 07 17 04:03:58 pm	Glenferrie Rd, Malvern. Because it offers the right balance of cafes, restaurants and shops in general. They all tend to be of high quality and well maintained. It invites you to go back and back again. Shabby shops are just off-putting.
Feb 07 17 04:13:51 pm	Bentleigh (Cantre Road) - the whole strip seems cleaner, and has much better and well known shops (Target, Susan, Priceline, etc.) It has great Japanese restaurants for sushi on the go and a lot more parking options.
Feb 07 17 04:57:23 pm	look at Brighton ..trees... street furniture.. pedestrianisation ...
Feb 07 17 05:08:22 pm	Carnegie is unique - there is no other street I can think of that has the diversity in people and food as well as the relaxed welcoming feeling
Feb 07 17 09:00:05 pm	Glen Waverley
Feb 07 17 10:35:41 pm	glenferrie rd. more choices
Feb 08 17 01:26:30 pm	Degraves St city LOL it is interesting , varied (but toooooo busy)
Feb 08 17 04:05:54 pm	Hampton GlenferrievRd or Brighton has the variety mix right.
Feb 08 17 05:49:41 pm	Church st Brighton. It has a great community feel and is a very pleasing st to walk down therefore encourages shoppers to use it. Also has a great mix of very good businesses.
Feb 08 17 10:41:08 pm	centre road bentleigh
Feb 08 17 10:49:39 pm	Centre Road Bentleigh as there is a greater variety of businesses, and the place has a nice feel about it

Feb 10 17 01:36:52 pm	unsure

Feb 10 17 02:38:19 pm	Maybe Mordialloc as again there is plenty of parking spaces with extended parking times during the day.
Feb 10 17 04:09:57 pm	South Yarra
Feb 10 17 06:00:56 pm	Chapel street - variety of food outlets (by this I mean type of cuisines) and variety of retail shops. We have lost many retail shops due to Chadstone, however new shops that open lately always seems to be some type of "discounted" retail outlet, giving the district a feel of being in the lower socio-economic area, which it isn't if we take a look at the average council rates :-)
Feb 11 17 11:05:31 am	We love Chadstone. All the beautiful coloured trees and plants and the cleanliness of the place.
Feb 11 17 06:45:24 pm	Elwood, Bentleigh, Bay st Port Melb, Church st Brighton
Feb 11 17 06:53:53 pm	High St Armadale - diversification of quality bars, restaurants, cafes, clothing stores, lifestyle stores. Provides a more complete shopping experience. Need to leave Carnegie if you want shopping diversity at the moment.
Feb 11 17 06:54:18 pm	I'd like it to retain its essential multi cultural feeling but with more variety. Not quite so many Asian restaurants. Middle Eastern, Russian, Greek, Italian, Mexican, Aboriginal and African. Maybe Chapel Street has the most variety. Parking is crucial.
Feb 12 17 02:01:05 pm	Ripponlea or Brighton for the village feel.
Feb 13 17 11:02:12 am	- Fed Square: a very successful public open space next to a main station with easy access to green spaces. - Glenferrie Rd Malvern and Burke St Camberwell for the variety of shopping outlets - Maling St (Hartwell I think) for its nice small treed parc which could be reproduced at various locations at the back of the shopping strip
Feb 13 17 11:28:53 am	Church street Brighton for aesthetic reasons but also Oakleigh because of its pedestrian areas and European feel. If we could somehow encourage less traffic up/down Koornang Rd (direct more up Grange once the Sky rail is finished).
Feb 13 17 12:46:35 pm	Queen Victoria Market Obviously, not that big, but it has good grocery shopping choices for people who want to avoid supermarkets and support local food artisans and healthy, fresh, organic groceries!
Feb 13 17 05:14:39 pm	Whitehorse Road, Balwyn It is more inclusive for everyone in the community
Feb 13 17 05:47:00 pm	Carlisle Street - great variety of shops, bars and restaurants
Feb 13 17 07:11:00 pm	I think Koornang road is the best. Elsternwick is pretty cool because they have a cinema too! Imagine! We would never have to go to chadstone for anything if we had a cinema. Movies in the park? Twilight movies? Do any other suburbs do that?
Feb 14 17 12:50:53 pm	A cross between South Yarra and Brunswick. It's important to keep the diversity, and a bit of the "grunge" - but we need a few more options other than restaurants.
Feb 14 17 01:56:09 pm	
Feb 14 17 03:19:09 pm	Koornang Road is already well rated but we can try to be as: - Elsternwick / GlenHuntly rd - Bentleigh / Center rd We have enough restaurant but need to had shops, car parking and open space. With the sky rail we should be even better
Feb 15 17 12:08:50 am	Bay Street Brighton and Canterbury
Feb 15 17 10:19:11 am	No knowledge

Feb 15 17 07:38:33 pm	Kensington, personal and has community spirit
Feb 16 17 03:39:55 pm	Should have its own style/atmosphere But like: Oakleigh: functionality with personality, and destinations Glenferrie Road, Malvern: great diversity
Feb 16 17 04:06:54 pm	Smith street Fitzroy minus the graffiti.
Feb 16 17 05:21:55 pm	I want it to remain its unique self
Feb 16 17 05:34:53 pm	Glenferrie rd. variety of food shops, clothing, book shops and restaurants. (Not all cheap Asian shops)
Feb 17 17 12:21:13 pm	Glenferrie Road in Hawthorn - it's got a lot more atmosphere than Carnegie and a mix of upmarket, mid-market and cheap options.
Feb 18 17 01:52:15 am	I like that it has some unique features but am quite fond of Brunswick St when I travel further
Feb 18 17 05:27:15 pm	Mailing Road - full of character and heritage reflecting the suburb (not big large same looking development, which echos a packed city) flowers and trees and real greenery soften the area and there is a vast array of shops selling different boutique wares. Green spaces and parks close by give it a family friendly vibe
Feb 19 17 02:38:29 pm	Smith street for the food, grocery shopping
Feb 19 17 03:22:04 pm	Bentleigh. This seems to have a good balance between retail outlets, eateries and op-shops.
Feb 19 17 04:52:17 pm	Centre Road, Bentleigh Expands out a bit plus has much more variety of shops & restaurants
Feb 20 17 08:36:02 am	none Carnegie is unique.
Feb 20 17 05:06:32 pm	Bentleigh East as it has a great variety of all types of shopping plus Restaurants and Cafe's. This is now my preferred shopping precinct.

Nov 30 16 01:37:26 pm	Improvements as mentioned previously

Nov 30 16 10:49:43 pm	Mainly the same
Nov 30 16 11:43:52 pm	Leafy and accessible

Dec 01 16 11:47:50 am	clean & tidy
Dec 01 16 12:51:45 pm	Similar to what it is now but with more retail outlets.
Dec 01 16 01:15:20 pm	restaurant and local grocery hub
Dec 01 16 01:38:06 pm	No comments
Dec 01 16 02:34:30 pm	I hope to see this shopping strip to provide necessary space and shops for families and all to enjoy. Clean and safe, inviting and prosperous for all to have.
Dec 01 16 09:00:46 pm	More on from a small, quaint shopping strip to one that supports the growing surrounding population better.
Dec 01 16 09:01:07 pm	A good mix of cafes, butchers, fruit shops
Dec 01 16 09:12:23 pm	I would like to see that it is still a place for locals and visitors alike.
Dec 01 16 11:26:22 pm	A mix of shops - not derelict , not all restaurants, certainly not all export to China shops
Dec 02 16 12:05:18 am	Stylish destination, international, family friendly, vibrant
Dec 02 16 12:12:05 am	A place where the hustle and bustle goes away for a while.
Dec 02 16 02:55:35 am	Cafes and restaurants, some that stand the test of time, kids spaces. Things for kids to do so they don't just turn to technology.
Dec 02 16 07:44:25 am	A place where people can meet each other and relax at any time of the day. I'd like it to be clean, with more grass. A safe place to walk and cycle
Dec 02 16 09:09:01 am	A small business and shopping hub outside the CBD.
Dec 02 16 10:02:16 am	Similar to now, making sure it maintains its community feeling.
Dec 02 16 12:10:10 pm	I can't give a realistic answer to that question
Dec 02 16 12:38:18 pm	i don't want the area overdeveloped i would want it to remain a friendly local shopping area perhaps with more open space for people to meet up sit and enjoy out the out doors as well as the cafes and restaurants
Dec 02 16 01:05:49 pm	Community focussed, less development & less Asian shops!
Dec 02 16 02:23:16 pm	Continous improvements and expand along koornang road.
Dec 02 16 03:25:11 pm	As it is...with the suggestions made previously. I think open outdoor space will be a necessary addition in such a highly populated area
Dec 02 16 05:06:34 pm	still have the essentials like butcher, fruit and veg, chicken shop, bakery
Dec 02 16 07:20:13 pm	Safe and clean
Dec 02 16 08:10:48 pm	A small shopping strip with many fresh fruit/ butcher shops, and places to buy daily essentials eg milk, newspapers(if still around) and cafes to enjoy a coffee and a catch up with friends. Also a library .
Dec 02 16 09:39:36 pm	Unique shops with character as a contrast to chadstone with shops you can find in any big shopping cente
Dec 03 16 11:28:22 am	modern, clean & freshly painted, with proper paving and road surfaces - not run down, dilapidated and abandoned
Dec 03 16 01:07:24 pm	I hope it will retain its village atmosphere
Dec 03 16 01:11:04 pm	Less through traffic - perhaps a shopping mall with outdoor restaurants
Dec 03 16 01:39:39 pm	Serving the same role for the local community it does now.
Dec 03 16 01:48:27 pm	No more congested than it is today.
Dec 03 16 02:34:16 pm	More verity of shops Better parking More of a community
Dec 03 16 04:42:15 pm	more different shops and more police to feel safe.
Dec 03 16 04:58:50 pm	Not just one long dumpling shop. Bring back fresh food and more gifts/clothing
Dec 03 16 05:25:18 pm	You actually believe any of us will be around in 30 years?
Dec 03 16 06:31:54 pm	Cool thriving less focused on thrift shops great outdoor spaces and servicing families well

Dec 03 16 08:24:38 pm	Green, open, uniquely Carnegie
Dec 03 16 08:24:48 pm	I think i've touched on this with previous answers. (Greener. Still multicultural. And local shops that are run by the community for the community.)
Dec 04 16 08:37:17 am	A village - keep it unique and keep it multicultural
Dec 04 16 10:13:11 am	Not sure
Dec 04 16 02:47:08 pm	Similar to what it is now, maybe with a bar or two
Dec 04 16 03:50:48 pm	have mORE freindly parks and sporting clubs to join
Dec 04 16 04:41:54 pm	Friendly and vibrant
Dec 04 16 05:19:29 pm	Beautiful. Welcoming. Open.
Dec 04 16 07:17:49 pm	A great social community hub.
Dec 05 16 11:47:03 am	See above!
Dec 05 16 05:44:03 pm	Maintained in good condition and keeping with the times
Dec 05 16 06:44:44 pm	Bay st Brighton
Dec 06 16 02:13:56 am	A lively, environmentally-friendly, congestion-free, great transport service and infrastructure, safe and desirable.
Dec 06 16 07:53:47 am	Not too overcrowded
Dec 06 16 08:40:08 am	Modern clean bright clean designs with changing plans for the environment and users
Dec 06 16 12:14:30 pm	Clean, a large variety of shops, family friendly
Dec 06 16 12:38:36 pm	Clean, activated, lots of public art. That the open space planned for the sky rail project is successful and provides a range of opportunities for community events and attractive to visit.
Dec 06 16 01:42:00 pm	multi cultural. not lopsided asian!!!! equal cafe choices chiinese/korean/italian/greek. a few indian..and others. quirky and fun..treed..beautifully paved with quiet reflection areas. great artisan food stores.
Dec 06 16 01:44:42 pm	inviting for all kinds of people, not too much focus on Korean/Asian
Dec 06 16 02:49:34 pm	A genuine destination for people beyond Carnegie, while still being a local focal point. Carnegie is getting denser; I would expect the strip to grow along with the increasing population and cater to the need for the increasing number of apartment dwellers to "get out" on a regular basis.
Dec 06 16 07:21:30 pm	To continue to celebrate the multiculturalism of the people who live in the area
Dec 06 16 07:36:32 pm	Hopefully maintain it's cafe and restaurant culture. Love the new hairdressers & nail place in the area. I hope the Asian courier stores don't keep multiplying and that Asian writing on stores is supported with English as well.
Dec 07 16 08:38:49 am	The same balance between facilities (banks, post office, library, hardware store, greengrocers etc), cafes/restaurants and gift shops as it is now. Not to degenerate into a strip of all cheapie shops or adult shops and entertainment or something like that. It is currently suitable for all ages and backgrounds and should stay that way.
Dec 07 16 03:46:25 pm	Not sure as it would need to be changed as times change.
Dec 07 16 03:46:55 pm	same as Q9
Dec 07 16 08:44:26 pm	friendly, safe & clean
Dec 07 16 09:56:41 pm	Well the way it is going with the open slather development fueled by Glen Eira Council I don't think it will be a place to be. We certainly won't be in the area for much longer.

Dec 08 16 11:15:46 am	To upgrade individual properties, to keep the population in the general area sustainable and to keep it safe and secure.
Dec 08 16 11:25:22 am	Not just be full of cafes but retain a diverse shopping experience. More high rise around station and shops.
Dec 08 16 08:01:30 pm	Still lots of fruit and veg shops and Asian groceries. Less traffic
Dec 08 16 11:58:15 pm	A place where everyone feels included and welcome. A place where people with disabilities can easily access all commercial and community spaces and facilities. A place where people come to socialise and connect. A place where the environment is cared for through the commitment of visitors, community members, council, store holders and business owners.
Dec 09 16 03:15:33 pm	A lot better than it is now. My gosh it is 2016 and we have lost all our basic amenities. The last good thing that happened was when the new library was built and since then it has gone down hill fast. You are turning Carnegie into a hi-rise concrete jungle and cutting every old growth tree in sight. We loved the old fashioned quaintness of the suburb with its lazy feel. Well forget about that you are demolishing every old home and heritage building you can get your hands on and it seems every park you want to turn into a car park. Progress is not always progress. Lastly what has happened to decent Christmas decorations they too have deteriorated over the years to a few piddly stars.
Dec 09 16 03:31:00 pm	Clean, green, happy place to dine, shop and hang out with friends and family.
Dec 09 16 04:02:32 pm	Full of greenery and a place where most people walk to.
Dec 09 16 04:55:51 pm	nil
Dec 09 16 04:57:31 pm	Probably a tram going through it
Dec 09 16 10:07:30 pm	Clean, still safe, a bustling day and night life, celebrating food/coffee/drinks.
Dec 10 16 10:04:18 am	
Dec 10 16 12:10:10 pm	Similar to now but naturally evolving
Dec 10 16 01:15:25 pm	I'd like it continue with the great mixture of cultures. To be a place with a great mixture of retail and restaurants for families.
Dec 10 16 03:53:39 pm	It is critical that Monash university remains close by and sufficient rental appartments to attract tertiary international students who study in the CBD. This maintains our broad asian restaurants and ensures that the suburb remains vibrant. It is critical that it doesn't become completely Asian, as we need to ensure cafes are maintained as this brings traffic during the day. More expressions of art with constant renewal are key to attract an innovative and interesting educated inner-city mindset to the suburb, that it currently attracts.
Dec 11 16 09:29:29 am	It should have more variety in businesses
Dec 11 16 05:58:28 pm	Retain the variety of shops and services, despite the proximity to Chadstone. The small Woolworths should have the car park underground or above the building and open plaza/cafes/ greenery at ground level.
Dec 11 16 06:14:48 pm	Gee well accessable, fun, entertaining, affordable, ATTRACTIVE, green and beautiful. I would like to see a water feature somewhere. Carnegie, Koornang rd is already on the map. But it needs to be developed into the NOW It is old and decayed.
Dec 12 16 02:20:12 pm	To have more of a community feel and inclusive of all cultures
Dec 12 16 04:28:28 pm	The same with no Sky Rail which would degrade its appearance
Dec 14 16 03:36:48 pm	Similar to the way it is now (variety of small shops and restaurants plus community spaces) but with the improvements suggested previously around traffic management and safety.
Dec 14 16 09:37:51 pm	Greener!
Dec 15 16 12:59:07 pm	I hope they're not embarrassed by skyrail

Dec 15 16 08:59:06 pm	Multicultural Friendly
Dec 16 16 12:06:19 pm	-bigger - it should continue further down over neerim rd and the retail stretch onto side streets -more parking somehow - more retail
Dec 16 16 02:04:25 pm	a place for all ages a safe inclusive a place with a feel of community
Dec 16 16 02:07:53 pm	A place to go and meet people at awesome food spots and bars whilst doing a little shopping
Dec 17 16 07:35:05 am	A taste of the world, a place to learn things about different cultures
Dec 17 16 09:00:42 am	Like High St Northcote
Dec 17 16 09:36:01 am	Retaining 2 storey buildings with mature trees to make it shady, funky artworks and opportunity to sit in a pleasant environment with fun cultural events and activities for the community which would entice others to want to travel to our precinct by train or active transport. Not cars. Rail under the road. No domination of multi storey high rises such as is happening in Box Hill which is a dirty windy place as a result
Dec 17 16 10:26:51 am	A better version of what it is today - everything you need in one place, accessible at any time and something for everyone. More variety.
Dec 17 16 02:40:19 pm	A local hub w lots of restaurants, cafes and fresh produce plus community services
Dec 17 16 06:10:26 pm	N/a
Dec 18 16 01:09:39 pm	Perfect mix of food and retail and green space
Dec 18 16 10:23:31 pm	Sustainable, clean, safe, open, welcoming.
Dec 19 16 11:27:41 am	keep the heritage shops
Dec 19 16 11:41:09 am	bustling
Dec 19 16 12:04:25 pm	keep its originality
Dec 19 16 12:12:19 pm	parking and accessibility. different range of food places
Dec 19 16 12:22:42 pm	don't change it
Dec 19 16 12:26:59 pm	keep it as it is
Dec 19 16 12:31:26 pm	Not to lose its character but encourage more small businesses to come in the area
Dec 19 16 12:37:53 pm	don't change the heritage
Dec 19 16 12:47:03 pm	like how they have changed library front court. more friendly for residents. build more areas where residents can relax.
Dec 19 16 01:09:43 pm	more food joints
Dec 19 16 01:12:58 pm	same
Dec 19 16 01:40:30 pm	similar
Dec 19 16 01:49:12 pm	maintain the history for future generations
Dec 20 16 03:50:39 pm	Lots of local businesses
Dec 20 16 08:58:27 pm	Easy to access and supports the needs of the community.
Dec 21 16 11:20:20 pm	The street should be a playground both for families but also for working professionals and students. Presently there is very little to entertain millennials
Dec 22 16 12:00:50 am	To still have butchers, fruit and veg, bakery, banks, newsagent. all the daily essentials
Dec 22 16 11:52:44 am	Fresh open aired and vibrant
Dec 22 16 02:22:40 pm	A place that the whole family could come and feel happy and safe. Could

	come and eat and spend the evening together with friends
Dec 22 16 08:48:44 pm	A user friendly, open space with variety, access and improved footpath access.
Dec 23 16 01:44:26 pm	Easily accessible from the city, full of independent retailers, nice cafes, local entertainment, and a very artistic space.
Dec 23 16 10:35:02 pm	Clean and safe
Dec 24 16 10:17:31 am	Fully pedestrianised, a walkable mall with trees in the middle, meeting places, a piazza and entertainment (theatre). Our current way of life and thinking assumes the car we'll always be there. It will not, and we should start planning for that eventually (peak oil).
Dec 25 16 12:28:25 am	Organic food stores, child minding facility run by council. Adult drop in centre. Community Food Garden
Dec 25 16 10:47:31 am	Like south yarra
Dec 25 16 06:15:10 pm	A place that people of all ages would be happy to go to for one reason or another but that everyone feels safe , despite things like small bars/tappas bars etc
Dec 25 16 06:48:49 pm	The same mix of old and young. The mix of cultures is great. Want to keep that but with poorly designed high rise that may all disappear
Dec 27 16 09:45:59 am	Car free. A monorail to Chadstone
Dec 27 16 08:11:33 pm	Full of different types of food and retail shops
Dec 29 16 09:36:45 am	A hub to meet and enjoy eating, listening to music and appreciating attractive surroundings. I would like somehow more quiet.
Dec 30 16 01:24:59 am	A real sense of community - an attractive and inviting precinct to go to relax or get shopping/run errands.
Dec 30 16 04:13:09 pm	Butchers / grocers / deli / fish monger plus speciality shops and cafes during the day. Restaraunts by night.
Dec 30 16 11:59:56 pm	Much the same as long as the sense of community remains in the area but unfortunately because of the developments it has changed and will continue to change and not for the betterment of the area.
Dec 31 16 09:49:09 am	A shopping strip where you can eat and drink at night and also a shopping centre for all ages offering a variety of shops to keep people coming and not having to travel to chadstone.
Jan 01 17 08:00:46 pm	Great food places, a cinema and retail clothes stores.
Jan 02 17 06:41:15 pm	I would hope the strip still exists and people suppprt their local retailers. I hope it's not too crowded with huge apartment buildings. Lots of green and colour would be great!
Jan 02 17 10:48:36 pm	Not torn down and replaced by more roads at least. Who knows what it will be like then?
Jan 03 17 11:58:15 am	I would like it to be still providing locals with the opportunity to buy their groceries locally (although I'm not sure how many people will actually be cooking their own meals in 30 years!)
Jan 03 17 05:38:54 pm	well maintained, more dwellings, even more diversity
Jan 04 17 01:44:07 pm	A one stop strip
Jan 04 17 04:19:58 pm	Reflecting the needs of the people of all ages, not imposing on them..
Jan 04 17 08:52:40 pm	Yes, 100%.
Jan 04 17 11:40:31 pm	Minus the skyrail
Jan 05 17 07:58:49 am	Similar with a few more pubs
Jan 05 17 08:03:07 am	A place to spend your weekend
Jan 05 17 11:41:31 am	A buzzing hive of activity, particularly at night. This should be possible with the number of apartments going up adjacent the railway station.

Jan 08 17 01:02:53 pm	Trees, green, vibrant, diverse, upmarket, inviting, full of enticing shops including speciality food suppliers and quality delicatessens; even a local cinema would be wonderful.
Jan 08 17 02:41:07 pm	Retain village feel, trees get bigger, open spaces as peripheral properties are bought up.
Jan 09 17 01:40:52 pm	A nice place to meet with friends. A destination rather than a thoroughfare.
Jan 09 17 01:51:18 pm	Full service day to day living
Jan 11 17 03:11:49 pm	Not an urban slum choked by traffic congestion and overshadowed by an ugly elevated rail line.
Jan 11 17 04:45:00 pm	An attractive, safe, peaceful but vibrant place to hang out or meet others for a coffee or a meal - where you can also get your basic daily needs.
Jan 12 17 06:39:14 pm	Clean and tidy as it is now
Jan 14 17 05:47:35 pm	Varied with both services and retail. Less traffic.
Jan 14 17 06:04:44 pm	It needs provision for lower-rent premises so that there can be a greater diversity of retail shops. There needs to be a community meeting place other than the library. The old shop fronts look ver attractive and should be retained.
Jan 16 17 01:33:04 am	Still doing what it does now - providing value and variety and a good range of services.
Jan 16 17 05:02:49 am	Green, eco-friendly area with lots of community offerings.
Jan 17 17 02:01:54 pm	In 30 years time - activated, beautiful/green, accessible and functional. I would imagine that Koornang road stopped at neerim road and the rest was for foot (push bike) traffic only and that there are vibrant, bustling restaurants and public art and activities.
Jan 17 17 09:42:20 pm	It must supply all the community needs.... If all the new apartments are inhabited, without pleasant open spaces and all needed facilities it will become an ugly slum.
Jan 18 17 07:06:17 am	Gorgeous, interesting, easily accessible to non-cars, useful for my every day life and casual places to go at night.
Jan 18 17 10:33:13 pm	Safe, Hip, a place to meet with friends in the open air. And a place to shop for fruit and veg, if possible a farmers market each week.
Jan 19 17 09:27:26 am	Similar to what it is now - lots of small businesses offering a wide range of products, services and food
Jan 19 17 10:23:05 am	A real community centre with a range of services, retail and public for the local residents.
Jan 19 17 02:54:53 pm	without a skyrail & plenty of trees & greenery.
Jan 19 17 04:19:18 pm	See my earlier comments
Jan 19 17 11:23:52 pm	To be like an urban village. Shops and cafes would be on the ground floor of three or four story buildings with apartments above. Residents may not need cars as they will be close to shops and public transport. While cafes would continue, shops should concentrate of supply of fresh food, so that people have options other than going to the major supermarkets. Examples hot bread shop, fruit and vegetable, chicken, meat fish etc.
Jan 20 17 12:03:42 pm	A vibrant local centre tat is used and appreciated by all concerned.
Jan 24 17 01:56:15 pm	kept tidy, diverse, bit of paint and signage above shops repaired, love old facades well looked after
Jan 24 17 02:58:41 pm	I'd like it to keep the mix of shops, services and restaurants and be accessible to everyone with a friendly village atmosphere.
Jan 26 17 12:17:14 am	community focused
Jan 27 17 03:28:37 pm	A unique destination designed around people of al ages.
Jan 28 17 09:10:58 am	Clean, accessible, affordable
Jan 28 17 11:13:55 am	Unique attractive and useful with a variety of quality businesses and plenty of parking -

Jan 28 17 04:02:36 pm	A place to go for everyday activities. You can walk, catch public transport and ride a bike there. Inclusive for all age groups, economic wealth and social backgrounds.
Jan 29 17 09:26:45 am	Safe, healthy, interesting and affordable
Feb 01 17 01:36:19 pm	I've been a resident for 18 years and it was pretty quiet and a bit run down when I first came here. It has improved 100+% and I would love to see it remain a vibrant place for people/families to shop, meet for a coffee, have dinner. A place where people can go that meets all their needs.
Feb 01 17 08:58:54 pm	Similar to today's - not overrun by development or apartments
Feb 01 17 09:51:04 pm	Maintain community feel and small shops.
Feb 03 17 10:13:18 pm	Better than now!
Feb 04 17 01:30:30 pm	Still diverse in cuisine, a few more variety local hand made stores.
Feb 05 17 12:07:39 am	not too different....
Feb 05 17 09:04:43 am	hard question to answer
Feb 05 17 04:10:15 pm	It will be closed or a slum by then as everyone one will move out due to unpleasant congestion to many small flats being build with no amenity or space around them. Not suitable for families. Who will live there when the students go and the uni is sold off for more flats.
Feb 06 17 11:50:14 am	a community of different ages and ethnicities enjoying and using the space. Not people hidden away in little dog boxes with no social connection.
Feb 06 17 12:46:33 pm	Pedestrian friendly, with no cars, safe to ride bicycles around, places to park bikes without competing with commercial hoarding pressed against them, buildings that don't tower over people, trees, greenery, a better balance/diversity of goods and services [ie not just food]
Feb 06 17 01:12:32 pm	Friendly, affordable and a great place to socialise
Feb 06 17 02:26:13 pm	A place where you truly "shop local" and not have to go to Chadstone.
Feb 06 17 03:52:10 pm	Perhaps a younger person might be better able to think that far ahead. I don't think I can answer this one
Feb 06 17 05:06:15 pm	Less cars, more bikes, less traffic Classy shops, clean streets
Feb 06 17 05:43:58 pm	Safe and clean. Healthy with variety. No rubbish or smoking Have a vibrant buzz
Feb 06 17 05:53:41 pm	More local and handmade goods Safe clean and healthy Buzzing
Feb 06 17 06:11:41 pm	Who knows. The changes over the past 5 or 6 years have been majorly disappointing.
Feb 06 17 06:28:50 pm	Bigger with more bars and social events
Feb 06 17 06:41:44 pm	
Feb 06 17 06:57:40 pm	A friendly place where people go to shop, dine and enjoy their spare time. I love that there aren't any nightclubs or roudy pubs nearby and the streets are quiet after 10pm
Feb 06 17 08:44:55 pm	Reenergised like Acland St, St Kilda.
Feb 06 17 08:46:31 pm	It won't compete with the big retail centres like Chadstone so it needs to find its niche. A place with charm and character with boutique retail and a good selection of quality dining option both during the day and at night with some bars and pubs (without pokies)
Feb 06 17 08:47:30 pm	More open space and trees
Feb 06 17 09:41:45 pm	A welcoming place for all ages, races and types of people. I hope there is a great range of venues, but that the small shops don't get pushed out by high

	rents or big competitors. I hope it retains it's character and doesn't get snobby.
Feb 06 17 11:26:35 pm	To be honest, if it can stay as it is now that would be great! If it can somehow deal with the inevitable rise in population but still keep its atmosphere & not become over developed.
Feb 07 17 12:02:21 am	Full of life, beauty, a place that feels like a town centre.
Feb 07 17 07:37:46 am	A pedestrian only area.
Feb 07 17 09:22:32 am	Upgraded but not unlike today
Feb 07 17 09:32:02 am	a destination strip
Feb 07 17 10:31:34 am	It is hard to predict what is going to be happen in 30 years but it would be nice to see the traffic infrastructure to be re-designed to meet the needs for increasing population.
Feb 07 17 11:37:55 am	More of the same
Feb 07 17 12:54:13 pm	Same as it is now
Feb 07 17 12:55:13 pm	As per previous question
Feb 07 17 01:20:27 pm	Fun, Community, Historic.
Feb 07 17 02:22:12 pm	AFTER THE RAIL IS FINISHED DO THE REDEVELOPMENT INCLUDING THE SHOPPING STRIP..... Make a plan from Dandenong Road to Neerim including Carnegie Central with a Mall down the centre underneath the SkyRail
Feb 07 17 03:21:51 pm	a pedestrian mall
Feb 07 17 03:53:36 pm	Less cars. Woolworths in Kokkaribb demolished and used as a green area with some car parking. Long term shops, seems to be a high turnover. Too many eating places to the detriment of other shops, ie clothing
Feb 07 17 04:03:58 pm	No cars allowed on the Rosstown and Neerim Rds section of Koornang Rd. High quality shops. High quality development.
Feb 07 17 04:13:51 pm	Safe and clean.
Feb 07 17 04:57:23 pm	Koornang road closed between Neerim and Dandenong ... vastly more trees for shade.... and a diverse range of shops
Feb 07 17 05:08:22 pm	Similar with better transport and more facilities and parks for children
Feb 07 17 08:42:27 pm	Maintain it's history. Family orientated, diverse collection of shops and restaurants. More walking zones, less car. A community hub accessible and welcoming to all people from different cultures and those with disabilities.
Feb 07 17 09:25:41 pm	same as is
Feb 07 17 10:35:41 pm	more variety
Feb 07 17 11:19:05 pm	Still a mix. Not too many vacancies.
Feb 08 17 01:26:30 pm	clean streets & shopfronts, competitively priced, variety of food outlets of different ethnic origins
Feb 08 17 04:05:54 pm	Variety cater for everyone's basic needs and tastes safe and ability to get ther quickly to shop (parking)
Feb 08 17 05:03:53 pm	the same
Feb 08 17 05:49:41 pm	A pleasant place to shop at with a good mix of successful businesses.
Feb 08 17 10:49:39 pm	A great place for community shopping and gathering
Feb 09 17 12:04:18 pm	Will be all eateries if at all.
Feb 10 17 09:31:59 am	Trendy New York style living. Safe, inviting with lots to do.
Feb 10 17 01:36:52 pm	Much the same with upgrades of footpaths, greenery and cleanliness
Feb 10 17 02:00:18 pm	Local for local people . Keeping a large variety of everyday businesses such as banks, post office, library and a large variety of shops and cafes catering to many different needs.
Feb 10 17 02:20:59 pm	a destination

Feb 10 17 02:38:19 pm	I think Versatile, always moving with the times as well as celebrating events in the calendar each up coming year. EG Chinese lunar week.
Feb 10 17 04:09:57 pm	Easy, busy, fun and vibrant
Feb 10 17 06:00:56 pm	Lots of small-medium businesses to open up in the area, to be more multi-cultural, not just Asian cuisines and more boutique stores that people from around the city come to for shopping.
Feb 10 17 10:53:48 pm	
Feb 11 17 11:05:31 am	A pleasant local meeting place and a safe environment for all. More lighting especially of trees as in St Kilda Road.
Feb 11 17 06:45:24 pm	I feel it needs to reflect the growth in the area and the convenient location being only 11 kms to the CBD, such a gem and opportunity for further growth
Feb 11 17 06:53:53 pm	Brighton - more of a local, community feel with a quality retail experience.
Feb 11 17 06:54:18 pm	All the things I've already mentioned.
Feb 12 17 05:59:20 pm	No idea
Feb 12 17 07:02:25 pm	More trees? I think this should be a key consideration when designing the new post-sky rail open spaces.
Feb 13 17 11:02:12 am	A place where people can source most of their domestic requirements and meet others in a variety of contexts. A place where people can sit under trees and where kids can run and play A place where buildings are in a human scale, not exceeding 5-6 storeys in height
Feb 13 17 11:28:53 am	Maintain a family community feel. I am concerned that with all the appartments being built that we are encouraging short term rentals for students and couples and pushing families out. We need to keep and gain as much green space as possible, encourage people to walk and ride to shops and amenities and hence limit traffic congestion.
Feb 13 17 12:46:35 pm	A place to purchase local groceries where individuals are directly supported to grow and produce healthy sustainable food.
Feb 13 17 05:14:39 pm	
Feb 13 17 05:47:00 pm	Accessible, clean, balanced, interesting, eclectic, catering for all demographics, cultures and tastes. Do not give in to cheap options with a short term aspect - plan for the future.
Feb 13 17 07:11:00 pm	I would like it still to have a community feel and people who recognise each other down the street. I would like festivals to happen and people to be welcoming of people from all cultures and backgrounds. I would like the koornang road shopping strip to be the place where you can go to try out all kinds of different foods and meet great people.
Feb 14 17 12:50:53 pm	I really don't know I know what I don't want it to be - gridlocked by apartment complexes and full of chinese vitamin dispensing shop fronts
Feb 14 17 03:19:09 pm	Nice walking (car free zone) area were we can do shopping, take coffee, go to restaurants in very good atmosphere. I see the Shopping Strip very easily accessible by car with a lot of small car park all around. A place were community meet.
Feb 15 17 12:08:50 am	More pedestrian friendly
Feb 15 17 10:19:11 am	Good community based strip
Feb 15 17 07:38:33 pm	not looking like Hong Kong with skyscraper flats
Feb 16 17 03:39:55 pm	Lively community village atmosphere with a cosmopolitan atmosphere with great diversity Diversity is both in terms of cultures but mix of experiences (retail, banks, post office, dining, services)
Feb 16 17 04:06:54 pm	Cleaned up and with no more high rise developments
Feb 16 17 05:21:55 pm	A green, eco-friendly environment where power is sourced from renewable energy and smart design is incorporated into the area

Feb 16 17 05:34:53 pm	Modern, trendy, clean and green. No cheap Asian shops and express post shops exporting our Australia baby formula
Feb 17 17 12:21:13 pm	Much the same.
Feb 18 17 01:52:15 am	A pleasant environment to be in with choice maintained
Feb 18 17 08:13:09 am	
Feb 18 17 11:51:03 am	Similar but not as tired looking.
Feb 18 17 05:27:15 pm	To be a place where future generations can be reminded and exposed to culture, heritage and character that are being lost in so many areas as developments lead to uniform shopping strips
Feb 19 17 02:38:29 pm	Great food hub
Feb 19 17 03:22:04 pm	Who knows ????? What will anything be like in 30 years time. Will we even shop ???
Feb 19 17 04:52:17 pm	A hub that has everything needed with little need to visit shopping centres
Feb 20 17 08:36:02 am	I would like it to be safe, accessible and still have variety
Feb 20 17 05:06:32 pm	I wont be here in 30 years time. This question is a bit silly as no matter what we say now, future governments will have other ideas over this time.

Date	Any other comments?
Nov 29 16 06:29:16 am	Just a hope that our voice will be heard as it has not been in recent years.
Nov 29 16 05:17:36 pm	More community engagement like this please. I've seen koornang change over 20 years, lots of good has happened but some mistakes were foreseeable.
Nov 30 16 01:37:26 pm	Councillors need to engage with the local community
Dec 01 16 11:47:50 am	no
Dec 01 16 01:15:20 pm	more car parking - if you didn't get that message already
Dec 01 16 01:38:06 pm	Nope
Dec 01 16 02:34:30 pm	After living here for only 2 months, I can see Carnegie area now is going through a rejuvenation process. Development of new apartments is ok but over development is not. I am worried that when all these apartments are built and occupied, there won't be enough road to cope with the load of cars using this area. I appreciate the opportunity I have been give to voice my concern. I would like to see Carnegie area, clean, safe, vibrant and prosperous. Lets hope our local council will put in place measures that will ensure all that. All the best. Ziguras
Dec 01 16 09:01:07 pm	No more high rise apartments !
Dec 01 16 09:12:23 pm	Its convenience. I can get most of the day to day items that I need there easily.
Dec 01 16 11:26:22 pm	No - I love carnegie
Dec 02 16 12:05:18 am	Pls Remove all these loud store signs (aldi, spotlight..) and create style regulation for shops. A skatepark under the skyrail would be great as well as Tennis courts Protective bike lanes
Dec 02 16 09:21:33 am	No
Dec 02 16 12:10:10 pm	No further comments
Dec 02 16 01:05:49 pm	Thanks for the opportunity to give feedback. Listen to the feedback from all but more importantly, action it!
Dec 02 16 05:06:34 pm	Stop the over development of Carnegie so there aren't any more people trying to use already stretched resources like parking in the strip.

Dec 02 16 09:39:36 pm	Range of food from malaysia china France Korea Italy etc
Dec 03 16 11:28:22 am	keep an eye out for an put a lid on chuggers and beggars on Koornang Rd out front of the Library
Dec 03 16 02:34:16 pm	Carnegie has lost the village feel that it had 20 years ago. It is also losing too much of its history and period buildings. It is becoming a concrete jungle and I am afraid that it will become a place that more homeless people will come to and more graffiti vandals will appear.
Dec 03 16 05:25:18 pm	What's the point. you will do what you do.
Dec 03 16 08:24:38 pm	It's a pity that the strip seems to end at Neerim Rd. It would be nice if there were more retail options further up Koornang Rd towards Left Field cafe
Dec 03 16 08:24:48 pm	Sad to see Carnegie Deli close. Happy to see William Murray open it's hours as a bar. Happy to see The Rosstown redesign its space to be more welcoming to families and the community. I didnt go there for 10 years. But have have 5 times in the last year for family lunches. Carnegie Central needs some serious love. The content is fine, but who is managing this space? Paint the walls, put some plants in there, do something!
Dec 04 16 08:37:17 am	Great communication about the crossings - only wish we didn't have to house all the equipment at our station, and Murrumbena. There are so many trucks moving up and down our road - I worry about the kids
Dec 04 16 10:13:11 am	No
Dec 04 16 05:19:29 pm	Please do not plant high allergen trees such as plane trees. They cause terrible problems for 25% of the population. I would love to see native plants, a native plant/bush food shop. A market day once a month would be awesome. There is a lack of parking. There is a severe lack of entertainment. Cafes which serve wine /cheese and open late would be a welcome addition. Shop fronts are currently crowded, ugly, and unkept. Stronger council guidelines may ve needed to make the area more aesthetic/less dilapidated. Some historic arttactions could improve the area.
Dec 05 16 11:47:03 am	No.
Dec 05 16 06:44:44 pm	no
Dec 06 16 12:05:57 am	For a shopping centre, Malvern central also has great feel about it, being family friendly although the shops inclined to be on the higher end.
Dec 06 16 08:40:08 am	No thank you
Dec 06 16 12:14:30 pm	It would be great if there was a post box close to the Woolworths on the corner of Princess Hwy.
Dec 06 16 12:38:36 pm	Many thanks for the opportunity to comment
Dec 06 16 01:42:00 pm	nope.
Dec 07 16 08:38:49 am	It's a great strip that suit my family's needs very well. With a few tweaks it could be even better.
Dec 07 16 01:30:53 pm	
Dec 07 16 03:46:25 pm	To make the area friendly and make it so visitors and residents will patronise it - it has to be clean and the station will need alot of attention against graffiti
Dec 07 16 08:44:26 pm	apartment developments and those house sold off but not demolished or demolished - who is making sure that nature strips are mowed or trees aren't overhanging - weeds galore. Is council doing anything to keep on top of these beginning development to look after their residents or just happy with their extra \$\$ received.
Dec 07 16 09:56:41 pm	Get rid of sky rail and stand up for the residents that are affected Try and sort the parking out. Stop fining people for ridiculous parking situations that the council has

	actually put in place(of course this is done to fine people, a pathetic money grab)
Dec 08 16 11:15:46 am	No I have nothing to add.
Dec 08 16 11:25:22 am	Carnegie Central should have had some extra floors for residential apartments (at least 4-5) as perfectly located for this, but was not allowed! Wasted opportunity to build for the future!
Dec 08 16 08:01:30 pm	
Dec 08 16 11:58:15 pm	Please consider the environment in your plans. There is a lot of work to be done to try to prevent damage and waste, and it can start with small, everyday actions - we can engage with the whole community to do this. What a great opportunity!!
Dec 09 16 03:15:33 pm	Do you really want to get me started. Its a bit late to put a survey out when a lot of the damage has been done. I am an Interior Designer and you can merge old and new and create something beautiful but sadly your mindsets seem to be "lets remove any trace of the old" and build big ugly not thought out hi rises. Let me tell you these building will not stand the test of time like the beautiful Federation, Victorian, Californian Bungalows and Italianate s of our past. Our suburb will be the slums of tomorrow unless you wake up to yourselves
Dec 09 16 03:31:00 pm	Is there any way of making Koornang Rd look cleaner? Better Christmas decorations would be good too
Dec 09 16 04:02:32 pm	Please do something about the parking in the evenings at the supermarket.
Dec 09 16 04:02:34 pm	Yes, if this brochure I received in my mail box is the only result of the letter that I sent to the Mayor then I am deeply disappointed as I am concerned about the current distress caused by the railway developments. Wat it is like coming home finding three B-doubles parked in the street blocking off driveways, over half. Trucks, up and down the street, cars using the street as a shortcut to jump the queue waiting to turn into Dandenong, trucks up and down the streets constantly, and at least one truck that decided to turn by using our driveway, and squashing the nature strip, and further damaging the kerb and possibly damage to the storm drain which was directly under where the tires went.
Dec 09 16 04:55:51 pm	no
Dec 10 16 12:10:10 pm	It's a great strip but need some better variety.
Dec 10 16 03:53:39 pm	I've lived here since 1986 and Carnegie has never been more vibrant and a better place to live than it is now. It has evolved from a suburb that looked tired, where you couldn't buy a decent coffee for love nor money, to a diverse, vibrant, community, underpinned by constant vibrancy from our international student guests, many who gain residency and stay on.
Dec 11 16 06:14:48 pm	Booran rd park is being developed into a monster of a park with lots of twenty first century ideas. Lets take some of these ideas and transfer them on to Koornang rd. So much effort and design into one park and that is fine. But the shopping strip which everybody uses so much more, every day, over and over, constantly, needs some of this 21st century DESIGN which is being used for this park. Thank you for offering the public to give their feedback.
Dec 12 16 02:20:12 pm	Over development has ruined the suburb! Amenities, services and shops need to be improved for the increasing population. Local families need to be looked after not just the international investors and student population
Dec 12 16 04:28:28 pm	No
Dec 14 16 03:36:48 pm	Carnegie has become very popular because of its variety of restaurants and local retailers. However, there has also been a negative impact on residents around the area (i.e. reduced off street parking, traffic congestion, noise from patrons at night etc.) and improvements to fix these issues should be a priority.

Dec 15 16 12:59:07 pm	Our strip would be much better for a rail under road solution
Dec 16 16 12:06:19 pm	the council should not allow any more non-fitted out tenancies to dispatch vitamins and formula, they are eyesores
Dec 17 16 07:35:05 am	Thankyou
Dec 17 16 09:36:01 am	The sky rail will have a huge impact on the peace of the area so trying to reduce noise will be important. Council consider the potential for local streets to be filled with travellers using our area as car park for the train rather than a destination to come and enjoy. Raising train tracks will create the opportunity for people to use all our currently quiet minor streets as cut throughs which will destroy our local peace and amenity
Dec 18 16 10:23:31 pm	If you are going to ask for the feedback, please listen and act upon it. The residents of Carnegie are clearly sick of the over development (too many large scale developments). Protect the character of the area and stop permitting short sighted, poorly constructed 4 storey developments that are detracting from the character of the area, and are not sustainable due to insufficient infrastructure. Don't be so short sighted, think long term and make decisions accordingly.
Dec 19 16 01:36:53 pm	feedback the survey has too many questions
Dec 22 16 12:00:50 am	Limit the speed limit for cars/trucks. Limit the volume of traffic, reduce the use of Koornang Rd for trucks - at >60km/hr, it is a disaster waiting to happen. Close the road, make it a pedestrian mall, and with the road underground, you don't need to build a Skyrail. Make better choices for vegetation - trees: introduce a variety, and consider the local vegetation.
Dec 22 16 11:52:44 am	One more time change the pavement to a quality finish
Dec 22 16 02:22:40 pm	Less car dependency and more pedestrian friendly - this has been shown to revitalise shopping strips and squares all over the world.
Dec 22 16 08:48:44 pm	I hope this is not just a waste of time that is dictated by money and developers, but benefits the community. After 25 years I have lived here, Carnegie is changing for the worse over the past few years.
Dec 23 16 01:21:05 pm	Slow down the current rampant development and dissuade people from driving by means of parking restrictions. Cars are already spilling over from all the high rise developments.
Dec 23 16 01:44:26 pm	No more chain stores!
Dec 23 16 10:35:02 pm	It's great :)
Dec 24 16 06:19:24 am	Some shops need facelifts but it's come a long way in a short amount of time
Dec 25 16 12:28:25 am	It is such a shame that Carnegie looks and feels neglected.
Dec 25 16 06:48:49 pm	Generally we are happy with the way Carnegie has developed since we moved here 20-odd years ago - the updating of shops and restaurants; the establishment of a cafe culture. But we are worried about the rapid inappropriate development that will almost certainly create a transient population with no stake in Carnegie's 'well-being'
Dec 29 16 09:36:45 am	Carnegie is a great place and council needs to be mindful that although higher density inevitable and can even be positive there must be thought into open spaces and trees and greenery.
Dec 30 16 01:24:59 am	It needs help - it needs a big overhaul and hopefully it can be better than ever. (Forgot to add - the PO is good too btw - but we need more posting boxes as they are 1km+ apart and all on the western side of Koornang Rd).
Dec 30 16 04:13:09 pm	No more chain stores. No more dumplings. More things to bring people to the street by day - the balance is shifting towards a night time street. Maybe the council rules could be adjusted to allow for a sharing of the street trading space - day venues could use night venues footpath space

	during the day and at night vice versa? Keep the Art Deco facades.
Dec 31 16 09:49:09 am	No I'm repeating myself already!
Jan 01 17 08:00:46 pm	Streets could be greener and cleaner. Particularly the station underpass which often smells.
Jan 02 17 06:41:15 pm	Maybe a mural or mosaic completed by the local primary school students to put some colour in the forecourt in front of library (next to Grillo). Also some artwork in the pavement (again, local schools or artists with mosaic etc).
Jan 02 17 10:48:36 pm	No
Jan 03 17 11:58:15 am	No, thanks.
Jan 04 17 04:19:58 pm	Wish I had more positive things to build on, but I still like having it nearby. Maybe more traffic police to supervise the appalling non use of indicators, causing frequent road rage at the Neerim Road, Koornang Road centre, when you get behind a car and after the lights change they use their indicator. Is this a sociality of the area, it happens all the time and everybody complains about it.
Jan 04 17 08:52:40 pm	Please do not ruin it as Stonnington did to Greville St (ugly & ill thought-out with a massive reduction in parking)
Jan 04 17 11:40:31 pm	No skyrail. Killed the suburb
Jan 08 17 01:02:53 pm	Wish the strip could be closed more than once a year for community festivals. Wish development was better controlled to fit historic ambience of area. Wish we could maintain and extend our diversity. Wish for more trees!
Jan 09 17 01:40:52 pm	We are very fortunate to have the variety of eating spaces within walking distance to home.
Jan 11 17 03:11:49 pm	City of Glen Eira Council's consultation and planning has been disgraceful in recent years and many long term residents of Carnegie are now moving out.
Jan 11 17 04:45:00 pm	Another Koornang Rd fair or something similar would be good for locals
Jan 14 17 05:47:35 pm	Don't make the place too fancy or expensive for locals.
Jan 14 17 06:04:44 pm	the commercial rubbish bins at the rear of shops really stink because they do not get cleaned. There needs to be a requirement for keeping them clean. To prevent germs and smells.
Jan 16 17 05:02:49 am	Please focus on eco-friendly developments and recycling opportunities.
Jan 17 17 02:01:54 pm	thank you for the opportunity to comment, i just hope someone is indeed reading this...
Jan 17 17 09:42:20 pm	Please add a walking trail, some greenery/beauty, and limit the number of cheap Asian outlet stores.
Jan 18 17 07:06:17 am	Overall I like it!
Jan 18 17 10:33:13 pm	Don't follow other councils. Think community.
Jan 19 17 09:27:26 am	Thank you for asking for my opinion!
Jan 19 17 10:23:05 am	The population growth is putting stress on the local environment. There must be compensation for loss of vegetation and open space. There is a real risk of the neighbourhood around the shopping strip becoming an unwelcoming concrete jungle. People like to shop in Carnegie because of the convenience and small size and ease of getting around.
Jan 19 17 02:54:53 pm	who is paying for the upkeep of the skyrail surrounding areas for the next 20 years
Jan 19 17 04:19:18 pm	No
Jan 19 17 11:23:52 pm	Continuation of the bus routes (625/6, 623,624 through the shopping centre) would be beneficial.
Jan 20 17 12:03:42 pm	Lived in the Carnegie for nearly 40 years (at a couple of different places). love the area, wouldn't live anywhere else..
Jan 24 17 01:56:15 pm	thank you

Jan 24 17 02:58:41 pm	no.
Jan 26 17 12:17:14 am	nah
Feb 03 17 10:13:18 pm	Carnegie Central also needs an uplift
Feb 04 17 01:30:30 pm	Carnegie strip lacks a lot of Australian goods eg. Clothing.
Feb 06 17 11:50:14 am	good initiative. Council - please follow through on this process and implement ideas to improve community wellbeing.
Feb 06 17 12:46:33 pm	Planning Scheme is ancient, woefully out of date, and has been abused to impose inappropriate development upon the residents while not managing the amenity impacts. Council doesn't have a vision for the area, but is determined not to allow the public to have any meaningful influence over future development.
Feb 06 17 02:26:13 pm	So many of the shops along Koornang road look cheap and tired. It would be nice to see some shops/frontage try to evolve and change this perception rather than leave windows looking like something from 4 decades ago.. Take the key cutting place in the arcade for example. Everything about that place screams.. don't come in as i cant be bothered making my business look welcoming to you.
Feb 06 17 03:52:10 pm	All done
Feb 06 17 05:06:15 pm	I have nothing against dumplings or Asian restaurants, in fact I love Chinese, Korean, Japanese and Thai. I just think there doesn't need to be any more dumpling restaurants.
Feb 06 17 05:43:58 pm	Encourage diversity Discourage shops advertising in Chinese
Feb 06 17 05:53:41 pm	Better lighting at night especially after nee rim rd as the shopping a street is extending
Feb 06 17 06:11:41 pm	No
Feb 06 17 06:57:40 pm	Perhaps with renewed footpaths it would be nice to have a few plants / trees lining the streets and maybe a funky statue or two.
Feb 06 17 07:20:51 pm	please please open carnegie theatre
Feb 06 17 08:47:30 pm	More open space and trees
Feb 06 17 09:41:45 pm	Maybe once a month the road could be blocked off to cars between Neerim and the traffic lights south of the railway crossing, with cars being diverted behind the supermarket. The shopping strip could become a mall with tables and chairs for all the cafes, or Hawker's market, or other activities. Above all it needs to stay feeling like a local shopping centre as an alternative to Chadstone, where locals greet each other and enjoy shopping or eating.
Feb 06 17 11:26:35 pm	Dont change Carnegie- it is perfect as it is! Just because you are a council, doesnt mean you have to change everything. If its not broken, dont fix it! Concentrate on improving other shopping strips that lack character & amenity, like Glenhuntly! Or Gardenvale.
Feb 07 17 12:02:21 am	Great that you're getting ideas from people.
Feb 07 17 09:32:02 am	desperately need more car parking
Feb 07 17 11:37:55 am	No I love it here
Feb 07 17 12:54:13 pm	No
Feb 07 17 02:22:12 pm	PLEASE DONT MAKE IT SEEM YOU ARE WANTING PUBLIC FEEDBACK AND THEN IGNORE IT ALLmake it a COMMUNITY HUB FOR EVERYONE rich and poor:
Feb 07 17 03:21:51 pm	no
Feb 07 17 03:53:36 pm	Convenient public transport. Most banks represented. Food availability

Feb 07 17 04:03:58 pm	Thank you for taking this initiative. It's an exciting time for Carnegie. I think Carnegie needs a character. less suburbia, more cosmopolitan. A bold vision and forward thinking are badly needed.
Feb 07 17 04:13:51 pm	
Feb 07 17 04:57:23 pm	Planning has failed Carnegie... a victim of the ResGrowthZones and a rush of speculative devt foisted on residents without any consultation...
Feb 07 17 09:25:41 pm	no
Feb 08 17 01:26:30 pm	Good work to survey community members!
Feb 08 17 02:03:01 pm	IT'S COMPACTNESS
Feb 08 17 04:05:54 pm	Don't wait 5. Years like train survey to do something
Feb 08 17 05:49:41 pm	Too many very low end businesses do not encourage shopping. Need to encourage very good operators that take pride in running successful businesses. This will help make Carnegie shops more pleasant for shopping.
Feb 08 17 10:41:08 pm	stop so much apartment development, control shops relating to customer parking and stock delivery.
Feb 09 17 12:04:18 pm	I have lived in Carnegie and do not like the way it is headed. The high rise apartment blocks on all corners, the shops closing ,and Asian eateries opening everywhere, parking is a problem even at 9.30 am, the overall ambience of the community is changing. We will not be here in 3 years time .
Feb 10 17 09:31:59 am	Opportunity to make "good" a very disappointing decision by the state government to do the sky rail in our community.
Feb 10 17 02:20:59 pm	please put more car parks in both sides of koornang rd sky rail
Feb 10 17 06:00:56 pm	Widen the footpath, by removing the street carparking, this will allow the traffic to run smother through the strip. It goes without saying that we should have carparking in excess.
Feb 10 17 10:53:48 pm	Please stop congesting our shopping strip with over land of residential apartments. Bringing a "rushed" type of person through the streets
Feb 11 17 11:05:31 am	Love the area. However priority should be given to a healthy clean environment.
Feb 11 17 06:45:24 pm	No thanks
Feb 11 17 06:54:18 pm	The nature strip beside Woolworths in Kokaribb Road is not maintained by either Woolworths or the Council. It is a disgrace. The synthetic grass outside Woolworths and the plantings are much better that what is currently there. The paperbark trees common in the streets of Carnegie are awful. Any cars parking under them get very dirty. They are trees for the country not for streets. Constantly falling branches and bark create a messy environment. The trees planted outside Woolworths are far better for the future. Shade trees in the car parks would be wonderful.
Feb 13 17 11:02:12 am	I wish that Council takes the lead on development and focuses on the common good. Please do not allow private developers to hijack the project and wreck the place as they do everywhere else.
Feb 13 17 11:28:53 am	Please encorage variety. As said previously we love our Asian restaurnants but we would like to see a variety of stores and restaurants. I would like all shops advertising only in Chinese to have complosory signage in english. There are many shop fronts where as a non chinese person I have no idea what business thay are in. This creates segregation not integration.
Feb 13 17 12:46:35 pm	Support sustainable living!!
Feb 13 17 05:47:00 pm	Manage the developers before these places destroy Carnegie. Of course there should be apartments, but the atmosphere of the area is being gradually diiminished. We watched it flourish since we moved here 20 years ago, but the last couple of years has seen the area be consumed by

	development, parking issues, traffic congestion and buildings that are given approval without much consideration for the future or the local overlay.
Feb 15 17 12:08:50 am	Nome
Feb 15 17 10:19:11 am	No
Feb 15 17 07:38:33 pm	look after long term businesses
Feb 16 17 03:39:55 pm	Utilise mainly because of convenience and needs to more destinations to draw me in more
Feb 16 17 04:06:54 pm	We love Carnegie shopping strip and don't want to see the charm slowly destroyed by a modern facelift. It is great that you are doing this survey - areas can be changed so quickly and good careful planning is important. I am hoping the other residents are in accord with our views too.
Feb 16 17 05:34:53 pm	Keep streets and bins clean. More bike stands. lolliepop person needed on intersection Nerrim and kornang roads, to keep school kids safe
Feb 18 17 01:52:15 am	I have answered for Carnegie as I prefer it, Glenhuntly is closer, but though there are some good places there it is, on the whole, comparatively dingy with a lack of the environment and vibrancy that makes Koornang Rd so good. I would love to see it improved too
Feb 18 17 05:27:15 pm	Modernising Carnegie shopping strip may take away from the character and accessibility, which make it special and popular. Unlike Chadstone it is relaxed, selling different things, not another shopping area filled with chain shops. Birds add to the area
Feb 19 17 02:38:29 pm	None
Feb 19 17 03:22:04 pm	I think Council must think carefully as to what type of businesses will be allowed in the future. Carnegie cannot be one whole strip of restaurants and cafes. It needs diversity as it used to have, to encourage people to visit at all times.
Feb 19 17 04:52:17 pm	
Feb 20 17 08:36:02 am	none
Feb 20 17 05:06:32 pm	I would like to see a more balanced planning agenda from the Carnegie Traders Association. I think they are the ones who control the type of shops that come into this area.
