Jan 07 17 11:35:24 am	It's got heaps of the services I need such as banking, chemists and the train
	station right in the middle. I can usually always get a car park so it's really to get around. It's big compared to surrounding strips, but still has a bit of a small town feel in the middle of melbourne. It's a very unpretentious shopping strip, and starting to get some good cafes.

	disruption and construction workers. The shops are OK but the atmosphere
	is not pleasant or calm for shoppers any more. It has become noisy,
	congested and sad.

Date	Survey Response Bentleigh
Dec 02 16 03:05:51 am	We desperately need some trendy cafes, restaurants, bar, wine bar to open of an evening. Good options are almost non-existent here.
Dec 02 16 11:08:47 am	The paving of the footpaths is awful: black (it makes the shopping less lively, and the dirt shows easily) and with a rough surface (difficult to clean, harsh on the skin of whoever falls on it). Trees have been planted in the

	street instead that on the footpaths, which decreases the available spots for parking. The self-cleaning public toilets are always wet and look disgusting. Not a great variety of stores. The only florist is gone, as well as the pet shop. No Medicare office (it was extremely convenient. Many eateries, but few restaurants. Dead during the evening.
Dec 02 16 03:02:31 pm	Rotunda is not friendly, green it up, have bands music every saturday
Dec 02 16 06:54:07 pm	It is very ugly! The trees that are there are hardly noticeable. Needs to have a lot more greenery; trees with canopies, planters (have a look at Church St Brighton for eg, this is great - green and inviting).  The rotunda area is underutilised - perfect place for outdoor eating.  Over the years there seems to have been a lot of money spent repaving etc and this seems to have been a complete waste - it's never looked worse.
Dec 02 16 10:13:44 pm	The quality of several stores leaves a lot to be desired (cheap two dollar shops) and their overall street presentation is poor, including their decaying second stories. The tatoo parlour adjacent to the station cheapens a nicely redeveloped area. Some of the high rise apartments are also a concern (corner of Rose St and Centre Rd) as well as the proposed development on the site of the former Broadbents landscaping. They are not in keeping with the look of the area, dwarfing nearby homes and amenities.
Dec 03 16 04:20:27 am	No more crappy cheap \$2.00 shops, it brings the area down. Need classy boutiques like church st.
Dec 03 16 01:02:46 pm	The ugliness of the new Bentleigh station (from the platform) - can't they render and/or paint those ugly rusting girders???? Can be difficult finding parking at busy times.
Dec 03 16 02:39:43 pm	For a start, this year's Christmas decorations - or lack of - are pathetic. Has anyone bothered to have a look at Bayside's local shopping strip decorations? They're impressive. This time last year I was in the USA. Big cities and small towns alike had twinkle lights or garlands in the trees and along the streets, creating a magical atmosphere. The one and only 'decoration', in the form of a flimsy piece of cardboard around a few trees with a shallow Christmas greeting written on it, are embarrassing. Quite frankly, nothing would have been better than that. Lift your game Glen Eira Council.
	As for Bentleigh in particular, the strip is looking very 'tired' at the moment. Instead of being known for its Continental delis and bakeries, good places to eat and buy food, it's developed a reputation for having trashy clothing stores and far too many \$2 shops. There are a few decent shops of course, but they're being overtaken by discount stores and charity shops. No more, please.
	The rotunda and surrounding area is a wasted opportunity. I've lived in Bentleigh for 19 years. I've seen plans come and go for the revitalisation of this space, and years later it remains an empty shell, occupied only by pigeons and graffiti vandals. I'd love to see it used as an area for outdoor dining. The wind tunnel excuse doesn't hold.
	Please give us a reason to want to visit Bentleigh shops. Don't blame nearby Southland and Chadstone. The traders in Church St, Brighton and Hampton St, Hampton seem to cope with this competition. The neighbourhood has changed. House prices have increased. Don't assume all local residents are happy with thrift stores and substandard cafes. Encourage the area to be more upmarket. If you don't, residents like me will cross the Nepean Highway and shop in Bayside.
Dec 04 16 06:36:04 pm	We need to get rid of some cheap \$2 shops. There are way too many shops selling junky stuff. You need one or two but it is now looking like a

	second hand shopping centre. We need to get more middle of the road shops like Susan not cheap clothing everywhere. The restaurants are great, especially a new Italian one, Cucina'a'lsola opposite Aldi. However they need to advertise better as the food and service is great and we need a good Italian restaurant in Bentleigh.
Dec 04 16 09:55:54 pm	Higher quality retail and food outlets. Centre road is also calling out for nice pub or bar.
Dec 05 16 10:41:15 am	Dirty and dreary looking. Still some empty stores and undesirable spots. The street needs better signage and during xmas it needs street decorations.
Dec 06 16 10:10:43 am	More 4 hour + OR all day parking for the station. Surrounding streets (around Bentleigh and Patterson stations) are being swamped with cars making it difficult to navigate the streets or even find a spot to travel into the city by train.
Dec 06 16 01:26:10 pm	Traffic
Dec 06 16 09:59:29 pm	Much less residential development
Dec 06 16 10:11:13 pm	Over the time I've lived in the area a few businesses have moved way to the big shopping malls, that's not been good and these days I count it as a victory when we're able to keep the outlets we have. I'm also not pleased by the size and amount of apartment development in the area it's getting to be too much, and too out of character.
Dec 07 16 07:08:35 am	Hate the unhygenic filthy CK foodstore. Dirty,unfriendly, and always smells. THAT NEEDS TO GO!
Dec 07 16 12:51:54 pm	That there is so many second hand shops and nail places. We need more Variety!!
Dec 07 16 01:44:39 pm	Parking, traffic congestion, looks a bit dingy in areas
Dec 07 16 02:12:21 pm	Too many \$2.00 stores. Not need
Dec 08 16 10:30:12 am	Please engage traders or your maintenance crew to pick up litter. My pride fades when there is rubbish floating around on the strip and in the gutter. 'Your shoes don't need to be new just polished and in good repair to walk tall'
Dec 08 16 11:47:02 am	too many variety shops (2 dollar shops) and nail salons. More trees and better cafes.
Dec 09 16 04:55:05 pm	Too many junk shops, nail salons and lack of quality restaurants and variety shops
Dec 09 16 10:06:48 pm	More car parking. Removal of trees blocking shopfronts and taking up precious car parks.
Dec 10 16 12:33:29 pm	I like the palm trees. Don't remove them
Dec 10 16 05:05:30 pm	Less traffic and congestion. Less \$ shops and more funky shops like ING.
Dec 11 16 10:24:28 pm	I don't like the big number of opshops and two dollar shops. Area is changing and the buyers of the new houses are not interested in that.
Dec 12 16 01:46:03 pm	Would love some dinner/bars places to open up. Parkdale has done well with a wine bar and burger lab. We don't really have anywhere nice to go it with friends in Bentleigh.
Dec 12 16 05:05:03 pm	Too many cafes and not enough retail variety - would like more art/craft/gallery shops more unusual shops
Dec 12 16 08:22:54 pm	The quality of many of the stores are quite average. There really needs to be some higher end / better quality fashion stores that appeal to the areas younger demographic. Most of the clothing caters for elderly people only. Also the street front / presentation of many stores is poor. The top story of many two floor dwellings are decaying and are in need of painting.

	Mary ages and along up ages of the ages that are those a Dublic tailets
Dec 13 16 07:02:58 am	More cafes, and clean up some of the ones that are there. Public toilets. Cleaner streets.
Dec 13 16 10:21:20 pm	Less \$2 shops. Asian shops that open for only a short period of time. Less
	op shops.
	More night life. Resturants, bars, The rotunda. Under-utilised! Turn it into a mini oakleigh
	Over development of the suburb!! Enough!
	Cver development of the Suburb: Erlough:
Dec 14 16 02:42:55 am	More trees. Green leafy- not necessarily natives!
Dec 14 16 01:05:44 pm	More high rise apartments
Dec 14 16 04:16:40 pm	Less high rise please. The place will be a disaster zone in 5 years!
Dec 14 16 09:00:36 pm	The awful developments going up. The development we know is coming on
	the site of Broadbents gardening supplies looms as a disaster. I am all for
	progress and improvement but the council is allowing ugly, impractical and
	unsympathic development take place in the area at a rapid rate. This needs to stop. The lack of respect shown by council for the rate paying members
	of the Bentleigh community is breathtaking.
Dec 16 16 06:20:22 pm	More trees some open spaces and more higher end retail shops like
Dec 10 10 00.20.22 pm	Witchery. We have to go to Church St to buy clothes and shoes! Too many
	two dollar shops and cheap outlets - Bentleigh is now a wealthy
	neighbourhood! Needs a classier strip!
Dec 16 16 06:28:34 pm	Too many junk \$2 shops and cheap clothes shops. Not enough cafes and
Doc 10 10 04:11:40 mm	restaurants too many daggy coffee shops.  Better accessibility
Dec 18 16 04:11:49 pm	N/A
Dec 19 16 11:32:16 am	
Dec 19 16 08:33:13 pm	The rotunda needs a face lift
Dec 20 16 10:00:00 pm	No high rise developments units
Dec 21 16 09:21:29 pm	There are too many discount stores and Nail Salons. I also feel the Rotunda
	area is run down and dirty.  It would be great to see Bentleigh Shopping Strip become more of a food
	precinct to celebrate all of the multi cultural residents living here. There are
	not alot of family dining options or nice eateries and wine bars.
	I would like to see the Rotunda area become the Bentleigh Meeting Place -
	a vibrant hub of food, coffee, wine and entertainment for people to gather in
D 00 (0.07.07.77	a safe, clean, friendly environment.
Dec 22 16 05:33:08 pm	it's boring and stale, it needs an uplift and injection of something modern.  Perhaps use the ridiculous amount you charge for rates to upgrade the area
Dec 22 16 08:52:09 pm	I would like to see a bit of colour in the planter boxes. Some plants which
D 00 (0 00 (5 5 5	have
Dec 23 16 08:16:26 pm	Too many \$2 shops and op shops
Dec 24 16 07:46:36 pm	\$2 shops, cheap nail barsand the gray dull street walk
Dec 28 16 02:08:27 pm	I absolutely hate walking past smokers out the front of cafes. I'll avoid going there because of it. Smoking needs to be banned completely!!
Dec 30 16 10:21:14 pm	More outdoor cafe sections like area where the pavilion is near Medicare .
F	Some live music to create ambience and flavour when people are sipping
	their latte .
Jan 02 17 09:36:32 pm	Less Development.
Jan 02 17 11:21:13 pm	Would be good to expand the rest square to make it family friendly maybe
	with Fountains or other interesting things so the strip would become friends meeting place as well
Jan 03 17 02:22:45 pm	l'd love to see shops with an emphasis on sustainability encouraged eg a
Juli 05 17 02.22.45 pill	bulk store, yarn shop, repair shops. Also would like on street parking

	removed or at least limited to any side. A weekly atract market calling freeh
	removed or at least limited to one side. A weekly street market selling fresh
	produce? Or on summer evenings local bands and food vans in the area
	where the market operates? Some greenery there would be pleasant too, a
	little area with rentable veg plots maybe?
Jan 04 17 10:03:02 am	the shopping strip becomes 'dead' of a late afternoon and has no soul in the
	evening. Only a few of the eating establishments open at night and there is
	no decent bar/pub - the RSL just doesn't cut it! It is a vibrant area, as
	proved during the day each day, and locals are forced to go to neighbouring
	suburbs for the evening entertainment.
Jan 04 17 05:38:59 pm	Way too much overdevelopment has created an absolute nightmare for
	those in bentleigh. Traffic is absolutely insane, car spots are rare, people
	jaywalking because of the ridiculous 40kmph limit. Side streets are littered
	with cars, with locals having to put in their side mirrors because they see
	what happens if they don't
Jan 06 17 10:14:02 am	would love to see more modern architecture through bentleigh and
	shopping strips
Jan 06 17 02:56:18 pm	Need more up to date healthy funky cafes, salad bars, late night wine bars,
12.1. 00 17 02.00.10 pm	better restaurants (like chin chin etc all inner city suburbs have much better
	food restaurants e.g. Asian fusion, vegetarian restaurants, good burger
	bars), needs to be more like Mordialloc with places to go and have a drink
	and sit outside like Main Street has, the rotunda next to the old Medicare
	would be perfect to open up to tables/bare etc as wasted space.
Jan 07 17 11:35:24 am	the streetscape works in some locations are a bit lacklustre and the street
Jan 07 17 11.55.24 am	trees have always been quite pathetic, which are now practically non
	existent since the new station was built (please please don't replace them
	with the same type of trees! They were too bushy and blocked sightlines for
	pedestrians and drivers and look cheap and shabby). The public square on
	the south side of centre road looks quite tired, dated and under used, I think
	something more modern and functional could be done here to bring it into
	the current century.
lan 00 17 01:22:21 nm	Crummy old shops that look crap, no parking, terrible clothes shops, no
Jan 09 17 01:22:21 pm	vibe, get better night time restaurants too.

lon 12 17 07:52:16 mm	More bars/pub
Jan 12 17 07:53:16 pm	•
Jan 12 17 09:22:32 pm	I would like the Methadone supplier / chemist on corner of jasper and centre
	road to be closed - I feel this brings in a lot of drug /alcohol fuelled people
	into the bentleigh area.
	An example is seeing people passed out on the street early morning
Jan 14 17 07:13:10 pm	Remove one of the pedestrian lights near the train station
	There are 3 in a row and banks traffic
	Get rid of the Asian cheap \$2 shops as it cheapens the area and does not
	encourage the retail market to increase
	And get rid of the meth clinic as at 3 pm all the druggies come out and
	hangout at Woolworths and the back streets giving the strip a druggy feel
	People will not invest in the area with this
	And there are too many salvos and st bunnies stores in one area well it is
	not unique
Jan 14 17 10:52:19 pm	The street can get rather dirty. Too many \$2 shops. It lacks good quality
	restaurants for the evening and premium retail outlets. It Is dead after 6pm
Jan 17 17 10:45:40 am	I'm a Coles shopper, and parking can be ridiculous, it's a big turn off coming
	to Bentleigh just to do coles shopping. I like Sussan store so more retail
	outlets like Sussan's.
Jan 17 17 03:41:19 pm	Rotunda area dull, needs a make over

Jan 17 17 08:11:56 pm	More cleaning of public areas
Jan 19 17 11:01:40 am	Needs more greening. The landscaping at the moment is quite pathetic. I
3dii 13 17 11:01:40 diii	would like to see healthy shrubs and trees in the existing landscaped areas
	which are currently neglected.
Jan 19 17 11:20:53 am	More Parking
Jan 19 17 04:59:46 pm	Traffic is awful. Stop right hand turns from Centre Road, get rid of trees to
	allow more parking. The inappropriate over development that has already
	got approval. The lack of direction allowing developers to have a field day
	with several high rise buildings in council at present.
Jan 20 17 08:35:32 pm	I would like to see more truthful information about the planned changes to be given to locals and less spin about how we should love about what is
	happening to the area, the shopping centre and the changes going on
	without being told what they are and what the end result are going to be.
	The information is perhaps available but well hidden and obscure. Such a
	shame.
Jan 22 17 02:05:25 pm	More parking
Jan 23 17 05:09:41 pm	More congestiondeveloping is starting to strangle the area and is starting to turn me away - ie I now sometime go to Southland
Jan 24 17 04:03:34 pm	Parkingall traders should have a permit to park close to their shops.
Jan 25 17 01:15:16 pm	needs a bar/ more night life options. le like Hawker Bar in Highett
Jan 25 17 11:14:50 pm	Cheap dollar shops; rubbish, graffiti, lack of cleanliness of the rotunda
5011 25 17 1111 1150 pm	Would like to see quality shops to keep Bentleigh a safe and harmonious
	shopping precinct.
Jan 26 17 06:53:41 pm	Less \$2 shops
	More "name" retailers
	Less empty shops
Jan 27 17 12:46:38 pm	I don't like seeing drug users which seems to be more and more frequent. I think some of the shops need a quality facelift/refit/renovation to make them
	more enticing to visit. I do not enjoy the competition for pharmacies in such
	close proximity. There needs to be a balance or greater cross-section of
	what is offered rather than too much of a few things. The rotunda area could
	be updated too - unfortunately there are often empty alcohol bottles there
	and the smell of urine.
Jan 30 17 03:00:47 pm	Lots of shops closing down, it would be great if there was a better selection
	of retail and clothing shops  The public space post to the old medicare could do with a face lift. It looks
	The public space next to the old medicare could do with a face lift. It looks very old, worn out and unappealing
Jan 31 17 03:21:47 pm	1. I don't like the shop owners putting their stalls outside on the footpath.
	When it was one or two it did not matter that much, but now they are
	growing in numbers and size(!), practically blocking the walking area.
	Please limit and enforce the max width of footpath they can take. That
	<ul><li>applies to cafes and shops.</li><li>2. Please set up minimum standards for shop front appearance. Some of</li></ul>
	the 'cheap' shops look like rubbish stores, particularly if they display that
	unnecessarily also on the footpath.
Jan 31 17 05:11:39 pm	All the shop stuff on the footpaths and all the cafe tables on the footpath.
	Hard to move past quite often. I know this will not be changed as they pay
	the council to have use of the footpaths. The cafes are the worst as they
	take up a lot of room and sometimes people sit on the seats well out into
In a 24 47 07 50 50	the walking path of pedestrians.
Jan 31 17 07:58:58 pm	Needs more public toilets.
Jan 31 17 08:39:11 pm	Improved parking, better flow of traffic in 40km zone
Jan 31 17 11:05:34 pm	everything. not enough parking and too many shops the same. Do we really need 7 op shops
	Treaty treed it up attupa

Feb 01 17 05:24:15 pm	we have enough coffee shops. enough discount stores. enough massage places.
	we need more restaurants a wine bar, a good pizza shop.very sad when the yellow donkey closed.
Feb 02 17 12:08:34 pm	Nothing really
Feb 02 17 01:35:49 pm	The 40 Km/Hr speed limits.
	The new Level Crossing Traffic Light, at the new Train Station.
Feb 02 17 02:00:36 pm	There are too many cafes. They are an eyesore and encourage 'hanging out'. Also less apartment blocks.
Feb 02 17 02:15:43 pm	The continual dumping of rubbish/donations outside the Salvos Op Shop. It is a dreadful eyesore and nothing is ever done about it. Can this shop please be made accountable for this?
Feb 02 17 02:41:20 pm	No more apartments
	No more safe or drug houses
	No methadone Clinic
	No Junky Asian Stores
	A nice clean Environment
Feb 02 17 02:45:57 pm	Too many shops that appear abandoned, occupied by Asian businesses where you never see people in the shop front. The takeover of shops by
	property displays. The "over modernisation" of shops. Modernity (gloss) is
	coming at the expense of soul.
Feb 02 17 04:40:01 pm	Get rid of the stupid trees which take up parking spaces
Feb 02 17 04:59:57 pm	Grey ugly dirty streetscape. Not enough trees. The whole length of centre
Teb 02 17 04.55.57 pm	road is unappealing visually. Footpaths covered in pigeon droppings which the shop keepers do not seem to care about. Not the mixture of shops as years ago, too many 2 dollars shops. Clean up the area around the shops and car parks would help. Also far too many large high rise buildings to be built along Centre Road which will turn it into a wind tunnel. If they are anything like the Aldi building which is ver ugly. No more than four stories
	should be built with setbacks and something attractive.
Feb 02 17 05:48:19 pm	Cleanliness of the streets, especially around Coles supermarket where there are heaps of cigarette butts.  Control over the building development sites that use the carparking all day and never seem to be fined!  More variety in the restaurants in the area - little more upmarket maybe - like Fabulous Fine Food
Feb 02 17 05:59:27 pm	Commercialisation, lack of community spirit, alienated shopping strip No high rise structures (two to three stories should be a limit)
Feb 02 17 07:01:00 pm	Way too many op shops, cheap discount shops, tired and dated shops. I would like to see more restaurants that are good, nicer gift/clothing shops. Make it a destination not just somewhere for locals. I suggest council use Koornang rd, Carnegie as an example. 10 years ago, Koornang Rd was very similar.
Feb 02 17 07:24:48 pm	Lots of local businesses and not many chains
Feb 02 17 07:57:01 pm	Shops are pretty daggy. With new developments/apartments in the area, I am hoping that with the younger people coming in, more current stores will open.
Feb 02 17 08:02:19 pm	Too many massage, hair & beauty, two-dollar shops, empty shops. Lack of diversity. Too few good restaurant options
Feb 02 17 08:06:43 pm	I would like more organic/paleo/health focused Cafes like Organik lane. And like the types you find in Elwood. I would like an Officeworks. Sometimes I hear teens being rowdy on the street in weekend evenings, the sound carries a lot to my apartment.

Feb 02 17 08:12:25 pm	Too many second hand shops = i think there are 8 along the strip, what
	message is this giving about our community?? we are not a upwardly
	mobile community.
	Too many two dollar shops, cheapens the area.
	Too many bogus shops = people who are not interested in providing a
	service, rather the landlords are only too happy to rent their overpriced tiny
	shops to unsuspecting foreigners.
Feb 02 17 08:56:29 pm	Stop dispensing methadone and bringing filthy unemployed junkies into our
	beautiful suburb!!
Feb 02 17 09:10:06 pm	needs more focus on 'on trend' stuff.
	wine bars are starting to appear which is great. i hope they survive.
	no decent fashions brands
	traffic build up for turning traffic can be frustrating
	currently a lot of cheap \$2 stores
	street has no real 'feel' like say church st or sandringham village
	waste of space with the rotunda - great it connects to the back street and
	parking, but no atmosphere/dead space
Feb 02 17 09:44:20 pm	The strip is ugly. It looks old, dated and unclean. The only nice shop that I
	have walked into in recent times is a new shop, which you have used for
	photographs of the strip, clearly the only retail shop worth showing off. I use
	the supermarket for convenience, even though it's not very good, the pet
	shop for dog food, the dry cleaner and occasionally the bank. For nice
	bread, a good health food shop, cafes, restaurants, bars, retail, homewares
	and all other needs besides the basics, I shop elsewhere. Even McKinnon
	Rd has a couple of great restaurants. There is not one decent clothing
	shop!
	One of the only ways to turn right into Centre Rd when leaving Coles was to
	wait for the ever frequent boom gates to go down, now I often need to wait
	for the pedestrian lights, so I think the congested traffic is an issue and
	parking not always easy. I don't like shopping centres, most of the time I'm
	strip shopping and dining/socialising at Hampton, Brighton, Elwood,
	Ripponlea and St.Kilda, almost all Bentleigh's surrounding suburbs, but not
	Bentleigh! This is crazy as Bentleigh is where I live and I'm close enough to
	walk everywhere if I want to. For all these reasons I have mentioned I will
	move away from the area when my daughter finishes school after this year,
	which is a shame as I've lived here many years. I kept hoping over the
	years things might improve/change but I'm sick of waiting and catching cabs
	to other areas every time I go out to socialise. The Bentleigh market is also
	full of junk and all it does is make it hard to go to the supermaket as there's
F   02 47 02 02 17	no parking.
Feb 03 17 08:29:17 am	1. I do not like the introduction of apartments over 4 storeys high.
	2. Parking could be improved. I suggest an upper (single) level car park
	over the existing east car park adjacent to the railway station. It would also
	allow for the successful Sunday Market to operate in poor weather. The
	upper level could provide all day parking for train commuters and Centre Rd
	shop employees.
Feb 03 17 08:50:51 am	more car parking sopaces
Feb 03 17 01:17:47 pm	Traffic is a disaster - the benefit of removing the level crossing is
·	significantly reduced by the delays arising from right hand turns off Centre
	Rd, and parking on Centre Road. Reduce parking on Centre Rd to allow
	right hand turnoff lane near Godfrey, Vickery, Bent and Nicholson Streets,
	where people go to park.
	Too many pedestrian/traffic lights. The total strip now has 5 sets of lights
	over a distance of less than 1km.
	No more 3+ storey apartment blocks above the shops. They are an eyesore
	and contribute to the increased traffic problems.
L	

	The shopping strip is looking tired - the buildings and streetscape need an update. More greenery
Feb 03 17 02:07:56 pm	Too many \$2 dollar shops, not enough specialty shops. Foot paths always look dirty, dark concrete looks cheap and nasty it was much nicer before with brick pavement.
	Trees need replacing. Need some greenery opposite station too much concrete.
	Christmas decorations are an embarrassment, cardboard wrapped around a bin!
	Focus on Christmas decorations to a couple of areas and do it properly ie rotunda,
	beginning and end of strip.  Bentleigh shopping strip looks tired and dated.
5   02 47 02 22 52	
Feb 03 17 02:32:52 pm	The street scape/furniture have become tired or badly maintained
	Need more healthy greenery along the strip
	Make the footpaths wider, move more parking off of Centre Rd The external shop displays that sit towards the kerb, take up pedestrian
	space, making it sometimes congested to pass groups of people.
	Maintain street lights, many not working.
	Fix the Rotunda area, it is a waste of valuable space.
Feb 03 17 03:08:54 pm	I don't like the excessive amount of apartment buildings and the ensuing
1 Eb 03 17 03.06.34 pm	amount of traffic along centre Road and its side streets.
	Parking has become impossible so any progress on that front would be a
	great improvement.
Feb 03 17 03:23:56 pm	npyhhing
Feb 03 17 04:37:19 pm	More bars and good quality food dinner places. There is options but they
100 03 17 04.37.13 pm	are under whelming. New places like the one near the end of Oak Street
	are great. Need to create more 'funky' places with all the younger and
	trendy crowds coming in.
Feb 03 17 04:54:31 pm	We do not like a TAB being located in Bentleigh shopping strip, it should be
·	forced out.
Feb 03 17 05:39:07 pm	TREES IN THE MAIN STREET REDUCING PARKING SPACES. SENSIBLE RESTRICTIONS ON PROPERTY DEVELOPMENT
Feb 03 17 06:06:19 pm	I do not like the new apartments/townhouses being built. They change the character of the suburb.
Feb 03 17 07:04:12 pm	High rise buildings!
Feb 03 17 07:41:14 pm	Too many liquor stores,. There should be a limit.
	, , , , , , , , , , , , , , , ,
	My husband rides to Footscray and the Centre road shopping is the most
	dangerous part of his whole ride.
	Our family would like to ride our bikes but it is too dangerous for us. I keep
	trying but am discouraged. Too many cars and they are the priority. Speed
	zones should be lowered even further, and more barriers to discourage cars
	and incentives to encourage walking and cycling.
Feb 03 17 08:57:54 pm	Like to see far more care taken of foostpaths, trees and grasses. Look very
	tired and in cared for.
	With all the development the footpaths are often dug up and rarely repaired
	well.
	I have lived in the area for 23 years and it still never ceases to amaze me
	the traders who don't care for their shop and shop front - be it cigarette buts,
	paper rubbish, fruit. Why don't they demonstrate pride and respect.
	More recently overflowing rubbish bins as trades and residents of some
	apartments use the steet bins for their rubbish.
	I would appreciate the graffiti being removed asap

Feb 03 17 10:06:39 pm	Not enough places open in evening for meals with the kids.
	A good quality cafe with kids area.
Feb 03 17 10:49:03 pm	Insufficient public toilets
	Pigeons and Pigeon poo
	Graffiti and tagging
	Encroachment of traders onto footpaths
	Rotunda area neglected
	Abandoned shopping trolleys (a product of increasing apartment
	developments)
Feb 03 17 11:04:27 pm	1.Update to Target store
1 Cb 03 17 11:04:27 pm	2. More trendy clothing stores
	3. Nice deli
Feb 04 17 12:47:27 pm	The power lines buried
reb 04 17 12.47.27 pm	Shop sighs improved and tidied up
Tob 04 17 03:16:05 pm	I detest the landscaping in Bentleigh. The money that was spent on this
Feb 04 17 03:16:05 pm	some years ago - what a waste of money. I could not see the value and why
	it cost us so much money.
	Why can't it look like Patterson Rd and McKinnon Rd strips - their
	streetscapes are really lovely using carpet roses and there is colour!.
	Carpet roses are tough plants once established. The trees in Centre Rd are
	not that nice - crepe myrtle trees look great in shopping strips - they don't
	grow too high and look good all year round.
Fob 04 17 04:46:20 pm	traffic
Feb 04 17 04:46:20 pm	would be nice if there was less traffic - so hard to cross the road
Feb 04 17 04:47:30 pm	
Feb 04 17 05:09:50 pm	The use of "too much" pedestrian space for outdoor eating at cafes and
	displays at the discount stores. While I enjoy the outdoor eating spaces, as
	it contributes to the "vibe" of the shopping strips, there are times where it
	takes up too much of the width of the pedestrian strip and makes it hard to
	navigate around. Having said that, I especially do not like the display
	shelves from the many discount stores on the pedestrian strip - it is
	unnecessary, ugly and blocks pedestrian flow.
Feb 04 17 06:58:46 pm	There are too many op shops and dodgy massage parlours.
	I'm so pleased to see the new restaurant that is opening next to the rotunda.
	That area should be used by bars and cafes, but not takeaway food. Many
	Bentleigh people go to Brighton, Hampton and Elwood to go to lively places
	to eat and drink, there's a market in Bentleigh for this customer.
Feb 04 17 08:01:47 pm	More lights to cross centre rd
	Want more of a Nightlife precinct
Feb 04 17 11:33:01 pm	There are too many tacky \$2 shops, these need to be upgraded to suit the
·	new demographic and more contemporary landscape.
	The fruit shop presentation is poor and is dirty and odorous.
Feb 05 17 06:13:46 am	No more op shops.
	A small play / open area like they have at Carnegie library
Feb 05 17 08:12:19 am	For our family, would be nice to see some finer dining places like what
	Hampton has. Bentleigh has few nice cafes which we go for
	breakfast/brunch. But we do travel to Carnegie/Hampton for dinners.
F-1-05 47 00 50 44	Potundo could be better used a moube use least entertainers or artists as
Feb 05 17 08:50:41 am	Rotunda could be better usedmaybe use local entertainers or artists on weekends.
Feb 05 17 09:45:28 am	Do not like how the side streets are parked out and you cannot see to
1 CD U3 17 U3.43.20 dffl	drive car out of your own driveway. Do NOT like the over development
	especially in the side streets, do not like all the huge Apartment blocks
	copositing in the side streets, do not like all the nuge Apartment blocks

	which has about additional Doublaint from the major to with Mandal work
	which has changed the look of Bentleigh from charming to ugly. Would want to see no more over development in residential streets there needs to be a
	stop on pulling charming and character houses down and putting up 3-4
	story developments which are ugly and wherr are the houses for people to
	buy who do not want to live in an apartment box!!
Feb 05 17 10:44:44 am	Not enough quality dress shops
	traffic congestion on saturday morning. I choose not to go on this day. I
	miss the medicare store.
Feb 05 17 01:49:56 pm	would like better quality shops, nicer dress shops, more resturants, more
	places that accommodate dogs sitting outside. the footpath needs to be
	cleaned and made to look better. What I hate - the faded shops with faded signs. Too many cheap looking nail bars (how many nail bars do you
	need?) The cheap chinese bargain shops that are full of tat. You can also
	tell what an area is like by the amount of dollar stores and charity shops.
	The traffic congestion is just awful and will only get worse by the amount of
	units being built around the area. The ALDI car park is just dreadful to get
	in and out of. The car park near the train station is great - but you can
	hardly use that when you do your grocery shopping and NOBODY parks in
	it?????  Occasionally there are some vagrants who aren't locals and they pose a
	security threats to women and the elderly. I was asked for money on a few
	occasions so there should be more police and PSO patrols. Some streets
	are over-developed so parking will be a problem.
Feb 05 17 05:16:53 pm	Would like a right turning arrow on corner of Jasper and Centre
	The 40 km speed limit is a mixed result as pedistrians just cross he road
	randomly now without regard for cars, overall the rail crossing removal
	though is great.
	Footpaths are stained and look shabby. Traffic. There are not enough good restaurants. At night is dark, lonely and depressing. Lots of opshops.
	Would like to see a kids clothes store (one had closed a while ago) and a
	deli.
	Would be nice to have more greenery, and something to make the area
	around the rotunda more vibrant. I find it interesting that Bentleigh shopping
	strip is much quieter than Carnegie in the evenings & I'm not sure why,
	Carnegie is "alive" in the evenings. I do notice that some shops that open up in Bentleigh don't survive for too many years which is a pity, I feel the
	shopping strip struggles to survive so it would be great to help bring back
	the shoppers to the strip.
	\$2 shops and the Salvation Army / Vinnies shops all removed.
	They make Bentleigh look cheap and don't bring in the shoppers that like to
	spend.  It's not very attractive. Too many \$2 shops. Some of the cafes' tables
	narrow the footpath too much.

	parking - why is Bentleigh different // spots for shoppers are taken up by train commuters // local traders have theit own parking - make all streets both sides and all the way up and down that go off the shops 2 hour parking ONLY
Feb 06 17 09:28:33 am	who smart idea was it to turn Bentleigh into an expanded all day parking lot
Feb 06 17 09:29:17 am	I absolutely hate that there are so many cheap \$2 type stores. These bring the value of the strip down and are so unappealing visually.
	I'd love to see use of the rotunda. It could be such a brilliant focal point of the strip but why it's left to just gather bird faeces is beyond me.
Feb 06 17 09:35:55 am	Some beautification would go well. Better use of the rotunda area e.g community stalls, music.
Feb 06 17 09:37:22 am	I have noticed an increase of what seems to be drug affected people in the shopping strip. Not sure if it has anything to do with the methadone program at one of the chemists. Some of their behaviour is questionable.  As it is an ever-changing landscape of shops the same type shops are not grouped together. I.e some fashion shops are scattered. Because of lack of convenience I tend not to walk to the other side of the train line even tough there are some nice fashion shops there.  The car parks are still an issue. I avoid the Coles car park- it is crazy- a better and clearly signed layout may assist.
Feb 06 17 09:55:44 am	Don't like the number of "junk shops", op shops, this type of business.  I know there is a need for them, but there are TOO MANY!  Need a Bendigo Bank Branch here!!!  I HATE the parking changes being made towards Jasper Rd end - the concrete between the parking areas in the Street - less parking chances for outside the shops directly.
Feb 06 17 10:11:34 am	Rotunda area is a disgrace Empty shops are disappointing
Feb 06 17 10:13:49 am	Multiple dwellings cause more cars on-street parking. This makes for slow and careful negotiation - especially when confronted by a bus!
Feb 06 17 10:15:21 am	Additional off street car parking- perhaps a multi story
Feb 06 17 10:21:50 am	be great to have a few more night time restaurants
Feb 06 17 10:22:15 am	At times the footpath can be congested with table/chairs and display stands. The dreadful eye sore that is always outside the Salvos Op shop, particularly weekends. The dumping and spreading of donations/ rubbish on the footpath is terrible. I sincerely hope that something is finally done about it.
Feb 06 17 10:29:54 am	Even with the railway overpass, traffic is still incredibly slow and chaotic down the main strip.
Feb 06 17 10:53:56 am	Improved parking and access to Woolworths and better traffic flow through the area. Perhaps, more parking (FREE) behind the stores and less parking on the street to help improve traffic flow through the area. Alternatively, consider walkways over or under the road to help improve traffic flow.
Feb 06 17 10:55:02 am	It would be good to have a decent sized hardware shop like Bunnings for convenience and quick drop ins.
Feb 06 17 11:05:17 am	Last years Christmas decorations were appalling. It didn't feel like Christmas at all. Please spend rate payers money on decent decorations and get over the happy holidays crap It's CHRISTMAS!!
Feb 06 17 11:09:30 am	The quality of some shops along the strip. Too many opp shops and cheap, retail outlet type shops
Feb 06 17 11:11:38 am	Too many two dollsr shops.

Feb 06 17 11:15:35 am	The concrete slabs in the parking places along Centre Road to go. Too hard
100 00 17 11.13.33 4111	to get in & out.
	Have seen a number of cars get their front bumper caught in slabs.
Feb 06 17 11:16:17 am	Too many "cheap" rag/ clothing stores & too many '\$2' cheap outlets
Feb 06 17 11:21:46 am	I like the mall in Oakleigh and the cafe feel. Not sure if we can have something smiliar where the rotunda is.
Feb 06 17 11:27:40 am	<u> </u>
Feb 06 17 11:32:37 am	I am all for medium density housing but think restrictions to four or five
	stories makes sense. Need to take care we don't create a cold, overshadowed canyon
Feb 06 17 11:45:56 am	I don't want it to change at all. We need these sort of strips to remain.
Feb 06 17 11:56:26 am	Do not like proliferation of junkie shops or arrival of Thai massage parlours
Feb 06 17 01:07:00 pm	Change - The drive down Centre Rd - need to provide turning arrows for all four RH turns at Jasper Rd, plant trees (since ones that were removed during rail Xing removal (but make sure that they are right size - avoid dreadful Y-shaped trees etc from pruning), add more trees and shrubs around south side of rail station area (to provide shade and greenery) in addition to iconic palm trees that don't provide any amenity besides looking photogenic! Fewer \$2 shops please, as this makes the strip go very down market.
Feb 06 17 01:39:05 pm	All in all happy as it is however the road is uneven and a little safe for cyclists.
Feb 06 17 01:41:44 pm	Lless multi-storey buildings and more parking spaces
Feb 06 17 01:49:30 pm	Some of the parking areas have been taken up by concrete structures which do not appear to serve any purpose. centre
Feb 06 17 02:00:46 pm	All good with Bentleigh shopping Centre
Feb 06 17 03:14:27 pm	Have clearly public toilets near the railway station or along the main strip somewhere e.g near the rotunda.
Feb 06 17 03:39:51 pm	Dodgy hairdressers ie at Envogue
Feb 06 17 03:51:23 pm	Would love to see a full sized Target store.
Feb 06 17 04:00:47 pm	Too many discount stores.
Feb 06 17 04:44:50 pm	Don't like to see empty shops. Would like more shaded outdoor seating/eating areas. More local community events in precinct. Would like attractive kerbside plantings.
Feb 06 17 04:52:02 pm	improved maintenance and more cared for vegitation
Feb 06 17 05:57:59 pm	Dislike the overdevelopment in side streets near Bentleigh station. It looks ugly and makes getting to the shops much more difficult and unpleasant. Thinking about moving because of the changes in the area.
Feb 06 17 06:43:40 pm	There is no hardware store. Mitre Ten was the last one, ages ago
Feb 06 17 06:45:29 pm	More cafes opened later. Hard to get a coffee after 5pm. Better quality retail clothes shops. Not so many 2dollar shops. Someone like Koko black.
Feb 06 17 06:59:46 pm	Access to some areas are a bit tricky and I also believe it is important to raise further awareness on bike riders, car drivers are not always considerate enough.  Perhaps some opening hours could be extended and new types of shops opened.
Feb 06 17 06:59:49 pm	The parking for Woolworths is barely adequate at busy times. There is parking near the library, but if you go into Woolworths first, it is difficult to get across Jasper Rd.      The public toilets near Woolworths are often in a poor condition. I have

	rung the Council twice about there being no water to wash your hands, but I still seem to catch them without water for the handbasin. The public toilets near Coles seem to be maintained in a much better condition.
Feb 06 17 07:47:27 pm	Too many tacky 2 dollar shops. More trees needed. More high end shops.
Feb 06 17 07:48:54 pm	Parking is difficult and hard to shop or go to a cafe as timed parking sometimes tight.
Feb 06 17 09:01:58 pm	Parking in main shopping strip
Feb 06 17 09:38:18 pm	Over development which will lead to congestion.
Feb 06 17 10:14:44 pm	Too many shops take up too much of the footpath with their wares, Chemist Warehouse products out the front makes the strip look cheap, would like to see the chemist on the corner or Centre Road and Jasper Road stop offering the drug/meth program
Feb 06 17 10:40:11 pm	Cheap \$2 shops should be moved along in favour of higher quality shops like Camberwell Junction
Feb 07 17 07:03:00 am	you used to have parking available - but since its basically all day - you cant find spots
Feb 07 17 09:05:59 am	Access & parking for Aldi via Bleazby & Oak Streets is poorly designed & needs redevelopment - its dark, daytime driving is too fast/ careless on Bleazby & Nicholson Sts, regular stopping & parking in No Standing zones causing difficulty for residents access. Parking on Nicholson & Bleazby Sts at intersection of Bleazby St makes hard for safe entry-access due to poor visibilty, road narrowed causing drivers to cut corners & cut off driver coming out of Bleazby St (pls put in an island & reduce parking spots in vicinity on this intersection!). Increase the Keep Clear western set back at intersection of Centre Rd & Nicholson St to improve west-facing visibilty for safe right hand turningat present the parked cars + footpath advertising boards on left & right corners obscure driver vision & combined with east-bound drivers frequently ignoring Keep Clear & blocking intersectionperhaps provide a turning traffic light on Nicholson similar to the one installed directly opposite. Also provide regular pedestrian access through arcade which is sometimes still locked at 9am.
Feb 07 17 09:12:49 am	Too many cheap shops and too many cafes. Like to see more diversity. Need a good Gift shop and another wine bar. Community area to sit. Rotunda area needs a revamp and get rid of pidgeons.
Feb 07 17 09:30:27 am	not enough cafes / food places or restaurants - like to see more parking is hard
Feb 07 17 09:36:14 am	The traffic flow is better since the rail removal but still seems quite congested.
Feb 07 17 09:45:54 am	A lot of the shops look tired on the outside and need a lick of paint
Feb 07 17 11:18:16 am	not enough chairs to sit and not enough rubbish bins
Feb 07 17 11:50:22 am	Please hire a good architect to replan the shopping strip and then present it for discussion. Currently the shopping strip is ugly, tiring for shoppers and not attractive enough to want to spend a longer time than necessary for shopping and get away; top floors of the shops are ugly and in disrepair; shop fronts are ugly; there are no side areas where people can be away from travelling and parked cars; foot paths are obstructed and clogged by café tables and chairs and by shop shelving showing their merchandise; cafes and restaurants should not be on the main strip but rather in the side alleys where people can rest preferably with some trees and green vegetation away from the traffic; too much noise and smell from the traffic; too many ugly 2dollar shops; there should be a limit on the number of the same kind of shops, enough to meet the demand and keep the shops

	profitable
Feb 07 17 12:49:03 pm	Rotunda area is a useless eyesore. Empty shops; the old Pharmacy next to our business empty for months, dirty and unkept, pidgeon mess on the footpath. Public waste bins overflow regularly, not helped by shop owners filling them up. Perhaps a flyer distributed to shop owners would clarify that bins are for public use, not shop waste.
Feb 07 17 01:07:02 pm	I would like to see a decent restaurant.  lack of security /// empty shops or dead areas ie the rotunda area Daley
Fab 07 17 01:10:57 :::::	Street A good traditional lunch shop to start up.
Feb 07 17 01:19:57 pm	A good traditional function shop to start up.
Feb 07 17 01:31:24 pm	
Feb 07 17 01:32:52 pm	used to find parking easy but not now
Feb 07 17 04:24:58 pm	The planting of trees near Jasper Rd is ridiculous. We need more parking spaces not less, especially with all the apartments being built. In addition, the trees make it hard to see oncoming traffic when pulling out of the streets so they are a hazard as well.
Feb 07 17 04:54:44 pm	Too many 'cheap' \$2 shops
Feb 07 17 05:50:18 pm	needs more stylish shops/fashion
Feb 07 17 09:38:40 pm	Too many discount store type outlets.
Feb 07 17 11:53:03 pm	<ol> <li>no high rise units more than 4 storeys.</li> <li>more parking</li> <li>more good restaurants</li> </ol>
Feb 08 17 12:44:35 am	Smelly over flowing bins in the back area of the shops where you have to park or pass through as a thourafare to get to shops. The council needs to rethink the bin allowance allocated to each business.
Feb 08 17 07:46:15 am	Permanently parked cars in the streets - you should only have 2 -3 hour parking all day and night -in all the streets around the shops especially near the station.
	THERE IS NO NEED FOR ALL DAY PARKING IN THE SIDE STREETS CLOSE TO THE STATION - NOOOOO REASON AT ALL
Feb 08 17 08:14:19 am	I live in Mavho St - newly arrived in an apartment, I dont have a car but am sick of friends not able to visit foir a couple of hours cause of no parking either in Mavho or Loranne.
	Why did you ever make it all day parking? Most of these spots are taken up by apartment dwelleres - I know ive seen them and talked to them.
	Change the parking in these two streets to 2 hours only all the way on both sides of the street all day and night.  This will allow people to visit or go to the shops - its not logical what you have done.
Feb 08 17 08:46:07 am	It would be nice to have some more clothing stores
Feb 08 17 09:58:15 am	not an appealing pleasant strip visually - but main issue is parking, you need molre two spots why do you need full day parking ????
	Here is an idea for you - make Burgess St Angle Parking along the railway line in between the pineapple trees
	Idea number 2 - have Multi stoprey parking in Niucholson street either the railway parking or build another - this will concetrate parking

	Idea 3 -increase parking at Coles this could also be multi storey
	Idea 4 remove all day parking in streest make it 2 hours or 3 hand then you can patrol and increase revenue as well as getting the streets clear of cars just being parked all the time
	Idea 5 make sure apartment residents dont get parking permits but dont let them park by giving them all day parking spots
Feb 08 17 10:52:11 am	the Rotunda - this is a disgrace
Feb 08 17 11:19:42 am	Would be great if you could not park on Centre Road. This would help with traffic flow and allow clearer views of the shops and make it look a lot nicer.
Feb 08 17 12:22:45 pm	Far too many op shops and \$2 shops. Overkill in the strip. Just far too many of them. Bring the shops & area down.
Feb 08 17 12:24:15 pm	Too many apartment, difficulty finding parking during weekends and peak periods
	More quality cafes, restaurants and bars
Feb 08 17 12:33:43 pm	Christmas decorations are a disappointment. Not enough 4 hour spots which can be frustrating when you are at the hairdressers and wish to pick up groceries as well.
F. b. 00 47 42 27 20	No smoking I have young children and I sometimes I choose to go to
Feb 08 17 12:37:30 pm	Southland instead of Bentleigh shops
Feb 08 17 12:38:09 pm	Only available toilets are in Coles car park and they're AWFUL.
Feb 08 17 12:44:43 pm	The traffic lights installed at the railway line. Seriously why was this implemented. Also it is always crowded with no enough parking.
Feb 08 17 12:45:33 pm	We would love to see some more restaurants. Proper restaurants that are open at night and are better than a tex mex, would love a brasserie or something like that.  We would also love a decent fruit and veg shop. The existing ones are terrible  I would like to see less empty shops. There have been a lot for lease recently.  We don't want to see any more dodgy looking massage parlours, they are lowering the tone of the place.  I would like to see the junction at lilac and centre road improved. It's very
	hard to turn into centre road, especially going right.
	I would like to see the flow of traffic at centre and east boundary road improved drastically. It's very very bad at peak times and weekends.
Feb 08 17 12:46:33 pm	Street sales people
Feb 08 17 12:48:22 pm	To many junk shops and empty shops . To much traffic even now that the train is under ground

Feb 08 17 01:42:27 pm	to go to Southland.  The new station is great would be nice to see a bit of art/colour around that area too, or some plants/ garden beads all that cement over the train line and black metal bridge barrier is all a bit boring.
	May be some awesome mural/graffiti work on the black bit over the bridge opposite the station. Given how much character and value the mosaics added to Patterson station, a bit of art is NOT to be underestimated. You do have to get it right though.
Feb 08 17 01:43:05 pm	The main road is atrocious and dangerous when crossing especially with a pram and children.
Feb 08 17 01:44:38 pm	More retail outlets providing more diversity Focus on quality products accessible to families
Feb 08 17 02:01:53 pm	That horrible public toilet block near the library. Its disgusting. I decided I should try it out the other day. Got my hands all soaped up with the strongest smelling detergent I've ever encountered, then waved my hands around trying to trigger some water. No water. None. Tried the next cubicle. No water there either. I may as well have been paralysed. Could not touch anything. Had to go into the Brothershop Shop and ask if I could wash my hands there. Never again.
Feb 08 17 02:03:23 pm	There is one particular café near Jasper road end that attracts motorbikers on a Sunday morning. They park their bike on the footpath and then stand around on the footpath drinking their coffee and block the pedestrian traffic. Why do they park their bikes on the footpath? If they want to stand out the front and block the pathway, maybe the café needs to give up their 'table' space? Also, ban parking on centre rd.
Feb 08 17 02:04:57 pm	Railway crossing pedestrian lights
Feb 08 17 02:25:00 pm	I don't like all the empty shops at the moment. I don't like the druggies who frequent the chemist on the corner, or the doctors surgery just up from lng.
Feb 08 17 03:04:15 pm	More fashion shops.
Feb 08 17 03:07:31 pm	I do not like seeing the dodgy people on drugs, who frequent the Bentleigh Corner Pharmacy. I am not happy that we have this chemist as a methadone chemist in Bentleigh.
	I also do not like the public area between 438-440 Centre Road, Bentleigh. It seems very dirty and old and for this reason, it does not seem to be used. I would love to see this updated.
Fab 00 17 02:22:57	There are also too many cheap Chinese variety shops.  Larger parking spaces and more parking.
Feb 08 17 03:23:57 pm	
Feb 08 17 03:25:29 pm	I don't want a lot more big retailers, smaller shops are good
Feb 08 17 03:26:41 pm	I do not like the many OPPORTUNITY SHOPS that are now scattered along Centre Road strip. These type of shops DEVALUE the area especially when their products are displayed outside in the footpath.
	I would like to see these SHOPS reduced to just two and to prevent the products scattered on the footpath.
Feb 08 17 03:46:02 pm	Unisex toilets, drug use/ dealing in Centre Road, which results in aggression along the strip in front of children and shoppers, also the misuse of public unisex toilets by the drug users and the resulting collapse of them in those facilities. (Witnessed first hand unfortunately.) The dirty laneway behind the shops between Bendigo Avenue and Jasper Road on the South side. Too many cafes with footpath tables cluttering the walkway. The footpath tables outside shops, selling their out of date, past season products making the place like a mini Asian market.
Feb 08 17 04:01:09 pm	To many junk/rubbish shops. Too many of the same thing (nail shops???)

	To a serve construction of
	Too many empty shops
	So many fruit/veg shops but still struggle to get fresh produce. I persisted for years but I've given up and now buy it online. Sorry.
Feb 08 17 04:14:11 pm	Hope there will be a cap on Asian grocery and \$2 stores, there are many
1 Eb 06 17 04.14.11 pili	and some of them look really junky and cheap and nasty. It brings down the
	look, feel and quality of the area. Also a cap on opportunity shops, there are
	4 large ones already dominating one end of centre rd. This doesn't allow for
	new competitors to enter the market and bring something new.
	Any Asian or foreign stores must display menus or store information in English. Otherwise I find this discriminatory against Australians.
	The 2016 Christmas decorations were pathetic waste of money wonky and
	wrapped around sapling trees. When we first moved to Bentleigh many years ago we loved the festooning overhead decorations. Surely there can
	be a way of incorporating these away from overhead electricity wire.
	Regarding OHS we can employ tradies to put them up. Nothing else
	compares. You still see country towns doing them.
Feb 08 17 04:17:43 pm	Smoking in outdoor cafes
Feb 08 17 04:21:03 pm	Lots of empty shops at present.
	Post office isn't in the main part of the shops.
	Could do with a better variety of shop.
Feb 08 17 04:33:11 pm	Many old-fashioned shops, especially clothing

Feb 08 17 05:23:15 pm	Less traffic, more parking.
Feb 08 17 05:23:26 pm	i dont like all the \$2 shops and the massage parlours
Feb 08 17 05:54:49 pm	Parking!! There is not enough. The worst time is a Sunday morning when
	you need to go to Coles. The Bentleigh market is on and the car park is
	always full. It really makes me frustrated as I am a customer of Coles going

Feb 08 17 06:02:40 pm	Concrete strip in parking space in centre road to be removed.
Feb 08 17 06:11:39 pm	All the multi level apartment blocks. I hate them, it changes the vibe of the area. Now instead of a community hub its just a transit centre.
Feb 08 17 06:18:12 pm	I can't think of anything I would like to see change.
Feb 08 17 06:48:02 pm	The old shops that have been there forever that don't offer quality value.
	They tarnish the strip and any value.
	I also disting the analytications the freetrant well should be 1900 between
	I also dislike the architecture - its just not well designed and its dated.
	Provide outdoor ammenities as well as indoor - a system for cafes and
	restaurants to take advantage and provide a vibe to the place.
	The same to take same and provide a rise to the place.
	I would add trees or plant life to make it more real and inviting
Feb 08 17 07:35:59 pm	I don't like that the shops I liked before closed in the last 1.5 year and the
·	ones opened instead don't provide me with what I was used to find on

	Centre Rd. Same with Medicate/Centrelink, but there is nothing anyone can

Feb 08 17 11:10:00 pm	More places, activities for young people. Bentleigh shopping centre is quite conservative during the day hours and around dinner time.
	Second, make it safer. Because Bentleigh station is on the Frankston line,
	we can see often some weird people hanging around, just today we passed
	the station at 9.30pm, there were three police cars and an ambulance at the
	station and it's not a single occasion
Feb 09 17 12:46:48 am	Empty shops
Feb 09 17 06:27:11 am	I'd like to see street parking gone and that turned into a bike lane/track with
	bike racks. Id love to ride to the shops but I feel it is unsafe and there is no
	alternative street to easily ride down parallel to Centre Rd. I'd also like to
	see areas to tie up dogs safely and doggie bags, there is always dog mess
	all over the footpath.
	I'd also like to see the rotunda area used for something else like a small
	park, splash pad, it is such a waste of space.
	It was also so great to have Medicare and family services on Centre Rd so
Feb 09 17 07:58:03 am	that was disappointing when it closed  Enough \$2 shops
Feb 09 17 07:38:03 am	Run down looks of the street scape and shop fronts.

	A fresh food market.
Feb 09 17 10:55:59 am	I would like to see a bank on the west end of Centre Road to avoid having
	to go right down the street to get funds.
	I don't like all the op/charity shops that keep popping up - although I
	recognise they provide a needy community service, they do 'lower the tone'
Feb 09 17 11:54:39 am	The number of outdoor tables for the cafes. They restrict the footpath. The
. 55 55 17 11.54.55 dill	waitstaff treat the footpath area outside the cafes as part of the cafe and
	charge out laden with

Feb 09 17 02:12:04 pm	Be great if there was a better, more defined bike lane. Centre rd street

	laries.
	The rotunda has never worked as a central meeting place. It always looks
	dirty and not inviting. It would be so great if there was a revitalised piazza or
	some kind of central meeting spot for entertainers, & families to just sit and
	relax. Like what they have created near the library in carnegie. There is no
	heart in the street. It needs one.

	referring to Aldi car park entrance in my street - Oak St. the other end of my
	street is a bottle neck allowing only one car through at at time just like near
	the center road side. it needs to change. too many close calls, too many not
	caring about blocking the road, waiting too long, sometimes there are lines
	on center road trying to turn into my street, residents in the street have had
	enough. not to mention on some days, especially Saturdays and Sundays there is no parking in the street because people park there to do their
	shopping.
Feb 09 17 03:54:12 pm	druggies
Feb 09 17 03:55:58 pm	The shop signage is pretty tacky - it would be great a bit more uniformity of

	feel of the shopping strip. To be honest, I prefer shopping on Church Street
Feb 09 17 04:37:16 pm	in Brighton as it has a much nicer feel and more diversity of shops.  Would like to see more closed off outdoor eating areas which are not on the
reb 09 17 04.57.16 pili	centre road - such as the one way system near Yoga place is not needed
	and could be blocked off for outdoor eating. Development of the rotunda
	area as it is a wasted space with dirty pigeons.
	Nicer restaurants / bars to hang out with friends.
	It is very old fashioned - need more fashion shops.
	Too many cheap \$2 shops / chinese cheap stuff Too many Opportunity shops - I understand the need for some but there are
	over 10 on the strip!!
	Fresh fish / seafood shop would be good.
Feb 09 17 08:16:21 pm	Please remove concrete barriers in parking lanes: very dangerous for
	cyclists and pedestrians in the mornings and late afternoon/evenings;
	reduces car spaces for shoppers supporting the local economy; & many
	cars have been damaged and stuck as a result of driving over the barriers.  Close the Sunday market.
	Close the methadone clinic.
	Remove all gum trees.
	Create a shopping strip environment where high quality restaurants will

	There is excessive traffic running through Centre Road - while that is important for trade I would suggest that the speed limit should permanently be 40km/hour, not 60 km/hr from 7pm-7am
	I want to see speed limits in all side streets running off Centre Rd between Jasper Rd and Sunnyside Grove reduced to 40 km/hour permanently
	I want to see the speed limit on Jasper Rd permanently reduced to 50 km/hour, especially around the Centre Road intersection - I was witness to a pedestrian being struck on Jasper Road in May 2015 - a library employee - as she walked across Jasper Road to Safeway/Woolworths. Vehicle speed to too high, and the traffic volume is too high around this busy intersection
	Clear signage that makes it clear to car drivers to give way to pedestrians crossing side streets along centre road - many drivers turn into/in front of pedestrians
	I want to see the intersection of Brewer Road, Higgins Rd and Jasper Road become a controlled intersection - it is dangerous, and the mixture of vehicles, cyclists and pedestrians is a recipe for fatalities
	I want to see increased cycle facilities - places to lock bicycles on centre road - I always end up locking my bike to sign posts - not sure if thats legal?
	People with addictive and behavioral problems begging on the street as they walk from Bentleigh Station to/from the Pharmacy on the corner of Jasper and Centre Roads to access the methadone programme run from there
	Better street lighting at night in streets running off centre road to make walking home from the station safer
Feb 12 17 03:26:09 pm	parking along centre road is mad, too many cars, the increase in high rise apartment blocks completely spoils the village atmosphere and leads to increase in congestion with cars and pedestrians

Therefor this is completey unneccasry, and to cut down on the amount of table and chairs outside cafes and eateries as well.

Feb 13 17 09:59:03 pm	There are 2 things/spots on Centre Road that are really annoying and
·	causing inconvenience and sometimes even hazardous situation for people
	walking on the pathway of the street.
	1.Pedestrian crossing, walking towards Alfresco/Clicks shops-there is no
	room for people to continue to walk and smoothly leave the crossing due to too many tables of these 2 shops outside and too much space taken from
	the sidewalk, Alfresco even has a permanent fence that it prevents
	pedestrians to make any 'short cuts' when leaving the street and
	approaching the other side. It creates situation that when is overcrowded,
	people do not have room to walk across; they tend to continue walking on
	the street to the left to avoid the tables and crowd. It seems that people
	must compromise.
	2. On the come side of Centre Bond, Demine nines they need and side their
	2. On the same side of Centre Road, Domino pizza, they park and ride their

It should be 2 hours at all times or no parking and monitored 24 hours  Dont forget people can and do park 2 hours before the expiry of the times for parking and then stay longer  it seems tired and dirty the buildings and the footpath / some verandahs

Feb 14 17 04:13:44 pm	I am disturbed at the poor quality and lack of planning shown in the apartment buildings arising around the rail transport hubs. Melbourne's public transport system is inadequate and a car is a necessity. It is not good enough to only insist on one off-street parking place for each apartment. In the past few months, I have found it increasingly difficult to travel in suburban streets and, despite our lovely new stations, peak hour traffic still moves at snail's pace in Centre Rd. Parking is becoming hard, particularly around Coles, near the appalling Bent St developments, surely the slums of the future. I was informed at a planning public meeting a couple of years ago by the then mayor that if the additional cars from such developments requiring street parking proved a problem, roads would first need to be made one-day and, if that did not solve things, streets would need to be

Feb 15 17 07:21:04 am Feb 15 17 07:59:10 am	closed to through traffic. What sort of planner would knowingly allow for this to happen? I am not averse to high rise or change, but good design and planning costs no more. Council needs to take on the State Government and insist on improved outcomes. What was a delightful leafy area in which to live is being rapidly changed for the worse. I would like to see much more planting of trees generally and the Bentleigh shopping strip is in sore need of an area where children can play and friends can sit for a chat. The bandstand area does not seem to get much use. Maybe a children's playground could be constructed there. The ideal thing, of course, would be for a cafe to open at that point enabling parents to have a coffee while watching their children play.  you name it - its old and yucky not modern - too many small dingy shops its becoming a ghetto some traders dont even speak english does the council ever check any of the shops for health and safety  The council needs to change. Not sure if i should write it here but I will.  I live in Loranne Street , I used to live in Mavho but have lived locally all my life.
	Every day I collect rubbish from the nature strip mainly beer or alchol bottles. Cras are always parked in the street and never move - i dont remeber the last time a street cleaner was able to clean this side. Their is no parking in front of the new development so its clean but I wonder why for the rest of us.
	I have no issues at all with devlopments as I can see thats the future - people need to live somewhere and being close to the trains is a good idea and i think you should encourage this but you need to clean up the car parking. My neighourbs and I agree that 2 hours is more than enough to visit or do shopping, why do you need to have All Day parking in the streets and make it dangerous for people driving or for street cleaners or garbage collection very difficult?

Feb 17 17 03:10:18 pm  I don't like the neglected, half dead plantings in the main road and side streets just off the main Rd. eg the area outside NAB, opposite the post office and others where things have died and been replaced with concrete. The plantings in Bendigo ave near the car park are constantly being run over by trucks, surely guards can be put up or the area redisigned, poor drainage in the planting areas cause the tan arm to wash away each time it rains. Often there are weeds under all the Centre of trees. I also don't like cars speeding through the car parks in the evening and early morning. The speed humps in only the middle of the car parks seem to encourage cars and trucks to speed around the edges  Feb 17 17 03:53:29 pm  Less 2 Dollar shops More Men's clothing shops  Feb 19 17 06:51:47 pm  The Rotunda is an outdated structure  Some of the stores look a bit old and dated. 	What makes Bentleigh shopping strip unique and
Date	special?
Dec 02 16 11:08:47 am	Nothing
Dec 02 16 03:02:31 pm	has anchor and specialty shops
Dec 02 16 06:54:07 pm	while the shops are generally good, there are is nothing to make this place stand out.
Dec 02 16 10:13:44 pm	The fact that there are local traders pricing service to local residents.
Dec 03 16 04:20:27 am	The cafes
Dec 03 16 01:02:46 pm	Terrific range of shops - several different fruit & veg shops.
Dec 03 16 02:39:43 pm	Strip shopping in general is special, and one of the things I love about living in Melbourne. But the traders need to keep giving us reasons to visit their shops. And the council needs to ensure the strip is aesthetically pleasing, offers something different from the malls, are easily accessible and have atmosphere.
Dec 04 16 06:36:04 pm	Very friendly and has a nice atmosphere with all the shops in the one street. You can walk down one side and up the other. Also the parking availability is great, lots of it and you can always find a space somewhere.
Dec 05 16 10:41:15 am	Nothing at the moment
Dec 06 16 10:10:43 am	Good quality cafes and higher end shops such as Sussan, Target etc. Also the abundance of op shops.
Dec 06 16 09:59:29 pm	Variety of options
Dec 07 16 07:08:35 am	I grew up here. Its where i have shopped for over 40 years
Dec 07 16 12:51:54 pm	Has better shops than some of the other shopping strips
Dec 07 16 02:12:21 pm	It still feels local and has a good village feel
Dec 08 16 10:30:12 am	specialty shops and increasing vibrancy and the diminishing Smoking - eventually it will be smoke free and then my friends with young children will join me for coffee until then young families stay away
Dec 09 16 04:55:05 pm	Great local traders
Dec 09 16 10:06:48 pm	A great mix of small business and not to many mulinationals
Dec 10 16 12:33:29 pm	It's conviennent
Dec 10 16 05:05:30 pm	Proximity to my house
Dec 12 16 05:05:03 pm	not much
Dec 12 16 08:22:54 pm	Convenience and sense of community.
Dec 13 16 07:02:58 am	Reliable shops.
Dec 13 16 10:21:20 pm	Variety
Dec 14 16 02:42:55 am	Diverse
Dec 14 16 01:05:44 pm	Everything
Dec 14 16 09:00:36 pm	Its convenience. The new station is a prized asset for the area.

Dec 16 16 06:20:22 pm	Good food shopping, cafes are getting better!
Dec 16 16 06:28:34 pm	A great selection whilst retaining a community feel
Dec 19 16 11:32:16 am	the outlook, beautiful manicured tree and lawn etc.
Dec 19 16 08:33:13 pm	Village atmosphere
Dec 21 16 09:21:29 pm	The people. The sense of community. It feels safe.
Dec 22 16 05:33:08 pm	it's not unique and it's not special and you are kidding yourself if you think it
·	is - it's no different from any other strip in the area
Dec 23 16 08:16:26 pm	Great local community feel
Dec 28 16 02:08:27 pm	It's easy to park and close to home. Can get most things I need there.
Dec 30 16 10:21:14 pm	Nothing really . It needs something . Maybe a handicrafts market? Home made candles, unique clothing stall etc
Jan 02 17 09:36:32 pm	You can do all shopping from grocery to clothing and gifts.
Jan 03 17 02:22:45 pm	The apartment bonanza down there will mean many, many more people in the area living in small spaces. There is an opportunity to create a vibrant and colourful strip with an emphasis on community and life outside of homethe biggest difficulty will be dealing with cars. The congestion is ridiculous now and will make the shopping strip unattractive if allowed to worsen.
Jan 04 17 10:03:02 am	strong community support.
Jan 04 17 05:38:59 pm	Nothing
Jan 06 17 02:56:18 pm	Just very handy for us but very dated, starting to improve but needs some
p	big chef names to open some restaurants/cafes
Jan 09 17 01:22:21 pm	Not much at the minute!
Jan 09 17 06:56:55 pm	The op shop in the area are incredible
Jan 12 17 09:22:32 pm	Having lived here for nearly 6 years I love how the area is developing and cafes and restaurants are popping up
Jan 14 17 07:13:10 pm	Well it is not unique band special at the moments
Jan 14 17 10:52:19 pm	Too be honest it's really not that special
Jan 17 17 03:41:19 pm	the locals
Jan 17 17 08:11:56 pm	Variety of shops available
Jan 19 17 11:01:40 am	Range and diversity. The amount and variety of 2nd hand stores and charity stores seems to be quite unique and is something that could be marketed more.
Jan 19 17 11:20:53 am	Variety of shops
Jan 19 17 04:59:46 pm	It is quickly going to be converted into an over populated area with car parking and issues around low cost housing. It has been a great, vibrant urban village until recently.
Jan 20 17 08:35:32 pm	It used to be very nice.
Jan 22 17 02:05:25 pm	Mixture
Jan 23 17 05:09:41 pm	The diversity of shops etc and the fact that it has not yet been totally spoiled by over development - although several parts now around Bentleigh and Mckinnon stations are heading that way ith traffic congestion/parking in particular.
Jan 24 17 04:03:34 pm	It's diversity of shops and people
Jan 25 17 01:15:16 pm	Substantial Shopping strip. Friendly retailers, good vibe.
Jan 25 17 11:14:50 pm	Good food retailers; consistency of staff in shops creating a friendly shopping experience
Jan 26 17 06:53:41 pm	A bit of everything Great place to meet friends Always bump into someone you know
Jan 27 17 12:46:38 pm	I do love the boutique shops being run by locals but honestly I don't feel a lot of joy when I go there, more stress really and much sadness for traders

	who have been adversely effected by the rail areasing removal and who
	who have been adversely affected by the rail crossing removal and who have received no compensation.
	Wish it were more like Church Street Brighton for my personal shopping needs.
lon 21 17 02:21:47 nm	Unfortunately it becomes unique in negative sense. I am very disappointed
Jan 31 17 03:21:47 pm	with aesthetic aspects of the strip and quality of shops going down.
	Particularly when I compare that with a tremendous improvement of the tiny
	shopping in Patterson Rd station area.
Jan 31 17 05:11:39 pm	Variety of shops and especially for food purchases. I guess the Station and
Jan 31 17 03.11.39 pm	buses 701 and 703 helps as people from other areas, who do not have a car,
	can come and shop and maybe have a coffee or meal.
lon 21 17 07:50:50 nm	It's familiarity
Jan 31 17 07:58:58 pm	,
Jan 31 17 08:39:11 pm	It's opportunity for better restaurants and cafes in the future as it continues to gentrify
Feb 01 17 05:24:15 pm	its been there a long time, friendly shop keepers, they know you by name
Feb 02 17 12:08:34 pm	Versatility
Feb 02 17 02:00:36 pm	There are several nearby parks that are nice, and a good library. Also the new railroad station is much nicer as pedestrians can walk by and the train is less noisy.
Feb 02 17 02:41:20 pm	At the moment it is not unique or special
	It needs to come into 2017
	It has the major facilities we need
	Transport, Supermarkets , Banks Doctors
	We need the street to look applealling
	And not have junkies hanging out near the carparks
Feb 02 17 02:45:57 pm	The variety of shops, cafes, personalities. Unfortunately this seems to be fading with the gentrification of the area (said by someone in their early 30s).
Feb 02 17 04:40:01 pm	NOTHING
Feb 02 17 04:59:57 pm	It has the potential to be like it was years ago, a community shopping strip
1 eb 02 17 04.33.37 pm	with a good mixture of shops. It has most things needed for day to day living without going to somewhere like Southland.
Feb 02 17 05:48:19 pm	It isn't unique or particularly special, but it needs to be saved so that local
	strip shopping is still available to local residents.
Feb 02 17 05:59:27 pm	Closeeness, proximity, no high rise building
. 35 52 27 551551 <b>2</b> 7 <b>p</b> 111	Feeling of neighbourhood village
Feb 02 17 07:01:00 pm	It's unique because of the sheer number of op shops and cheap junk shops.
	This is not special
Feb 02 17 07:24:48 pm	Hustle and bustle
Feb 02 17 07:57:01 pm	I love that effort is always made, for example, the decorations at Christmas
1 CO 02 17 07.37.01 PIII	and the Saturday fun days.
Feb 02 17 08:02:19 pm	Owner operated shops
Feb 02 17 08:06:43 pm	It's a great shopping strip from a convenience point of view, compared to
1 CD 02 1/ 00.00.43 pm	lots of other suburbs. It's got pretty much everything condensed into the one
	place. I feel lucky to live along here.
Feb 02 17 08:12:25 pm	Nothing!! if you drive down the strip after 6 pm, you will not find a soul. The

Feb 03 17 01:17:47 pm	Range of shops
Feb 03 17 02:07:56 pm	I don't think it's unique. There is room for improvement.
Feb 03 17 02:32:52 pm	It is still a Strip.
	Tenancy rates are high, so no empty shops
	Plenty of diverse options
	The older shop fronts that remain have great character.

Feb 03 17 11:04:27 pm	Localness
Feb 04 17 10:54:08 am	nothing
Feb 04 17 03:16:05 pm	I like the casual atmosphere and the fact that I can walk to the shops. It
	pretty much has eveything I need. I rarely need to go elsewhere. Some of
	the shops I regularly visit I chat to the owners/staff and that's really nice.
Feb 04 17 04:46:20 pm	it's not a shopping centre and closed off from the world
Feb 04 17 04:47:30 pm	it is a couple of minutes walk from my home
Feb 04 17 05:09:50 pm	The understated village vibe of the strip. It is not pretentious but still has many great local cafes and restaurants to eat at.
Feb 04 17 06:58:46 pm	Unfortunately it is probably known for op shops, Aldi, CK, \$2 shops, cheap
	pedicure and manicure shops, and dodgy massage parlours. However, if
	you look at property prices and the cars parked at local schools, it's obvious
Fob 04 17 00:01:47	that these aren't catering to locals.  Nothing samec as a lot of others
Feb 04 17 08:01:47 pm	The diversity, it is a one stop shopping villagewe bought near centre rd so
Feb 04 17 11:33:01 pm	that everything that we needed was close by and we did not have to use the
	car. Love that there are three major supermarkets, new chemist warehouse,
	Library and a large variety of shops.
	The old arcades (Star studios arcade) need to be preserved and
	incorporated into the modern streetscape.
Feb 05 17 08:12:19 am	With a good mix of different shops and also medical centres. This made our

Feb 05 17 08:50:41 am	Been here 36 years so know many store owners. Very friendly & warm environment to shop in. Great parking behind shops & great selection of

Feb 05 17 09:45:28 am	I do not call Centre road special, it is good that the strip is a straight road
1 20 00 27 031 13120 0111	and easy to get around but what I do call special is somewhere like Church
	Street Brighton, that is a great shopping strip and I would like to see
	Centre Road go more down that way. There are plenty of young people
	with children in the area as well as the more mature and I really think they
Fob OF 47 40:44 44 -	need to try and cater to these people, with plenty of great choices.  Plenty of cafes

Feb 05 17 01:49:56 pm	nothing special about it - its great to get the train to brighton or hampton though!
Feb 05 17 04:19:37 pm	Variety of shops, for example Chinese and Polish groceries, Jewish cakes, all kinds of restaurants and coffee shops, and in the middle is the new train station.

Feb 05 17 08:42:26 pm	There's a variety of stores and great cafes/restaurants.
Feb 05 17 08:44:52 pm	I don't see anything unique or special, just handy to have on your door step.

Feb 06 17 10:13:49 am	Variety of traders. It is a long strip though not as long as some.
Feb 06 17 10:15:21 am	It's diversity and variety of stores - from book shops to cafes and supermarkets.
Feb 06 17 10:29:54 am	Over the last few years a mix of better quality cafes and shops has really
	made it a place you can go not just for basics but also as an alternative to
	Southland. Having a proper bookshop, toy shop, Target and an ALDI further up the Road is fantastic.
Feb 06 17 10:53:56 am	The variety of stores and food options.
Feb 06 17 10:55:02 am	That it's much more personal than Southland, and easier to park.

Dec 02 16 11:08:47 am	Improve the footpath paving (make it light-coloured, with a smooth, easy-to-clean surface). Remove trees from the street and place them on the
	footpaths, so there are more parking places. Provide more clean public
	toilets (the self-cleaning toilets are disgusting). Place more plants with
	flowers.
Dec 02 16 03:02:31 pm	green up and use the rotunda
Dec 02 16 06:54:07 pm	beautification required, there is no community meeting place comfortable bench seats with backs required
Dec 02 16 10:13:44 pm	Greenery. The strip desperately needs more trees and plantations to
·	brighten up what call be a dull area. Better and more modern lighting and
	better presented shop fronts. The second stories of many shops are
	decaying and look terrible. They should be freshly painted (like what
	McGrath Real Estate has just done).
Dec 03 16 04:20:27 am	Clean up the crappy cheap shops. No more nail shops as far too many.
2 15 22 22 12	More restaurants, a bar. No more Chinese shops.
Dec 03 16 02:39:43 pm	More outdoor dining would really add to the strip, particularly by the rotunda. In its current form that area is a wasted opportunity and a wasted
	space.
Dec 04 16 06:36:04 pm	More decent clothes shops and less very cheap outlets
Dec 04 16 09:55:54 pm	Not attractive places to sit, the trees are not mature or offer much aesthetic.

Dec 06 16 10:11:13 pm	Now the railway gates are finally gone it'd be good to make sure we keep

3011 27 17 12.40.30 pm	Rotunda is a dead void when there is no entertainment being performed

Feb 06 17 07:47:27 pm	Too. The current rotunida is usciess and a wasted space. The strip fleed

	more trees.
Feb 06 17 09:01:58 pm	Less parking in centre rd
Feb 06 17 09:38:18 pm	More greenery
Feb 06 17 10:14:44 pm	More open seating areas

Feb 07 17 09:05:59 am	Greenery/landscaping
Feb 07 17 09:12:49 am	Yes outdoor areas to sit to have lunch. More garden/ greenery that's sustainable. More recycling.
Feb 07 17 09:30:27 am	has lots of green for the area but maybe some flower boxes in the street / footpaths
Feb 07 17 09:45:54 am	car parking is a nuisance. Not enough and time restrictions are too short if you want to spend a full day there. eg. shopping with a friend, stop for lunch, more shopping, stop for coffee and cake and then do the grocery shopping before going home.  It truly has a one stop shop potential but I need to move my car a few times in order not to get a ticket. It can be frustrating and push me to only stay for
	half time.
Feb 07 17 11:18:16 am	more chairs for elderly
Feb 07 17 11:50:22 am	one big attractive open space in the centre with a main Bentleigh unique feature e.g. water fountain and 4 to 6 side open spaces (with some attractions for children and senior citizens) away from the traffic and parked cars
Feb 07 17 12:49:03 pm	The rotunda area needs an overhaul  More public seating, great for office/shop owners to sit on and eat lunch  More rubbish bins.
Feb 07 17 01:32:52 pm	has lots of parks
Feb 07 17 04:24:58 pm	There is a rotunda opposite Target, this could be made more green and user friendly. It is quite dated. This would be a good place for trees, instead of taking away parking spaces.
Feb 07 17 04:54:44 pm	Where is the green space?
Feb 07 17 05:50:18 pm	think that's ok
Feb 07 17 09:38:40 pm	Needs more. The gazebo area at Daley st is a missed opportunity for some active landscape and breakout space. Current design is poor, all hard paving and not highly useable.
Feb 08 17 12:44:35 am	The crepe myrtle trees along the strip are beautiful. Increase the plantings of other seasonal flowering trees to increase the continuity and celebration of the seasonal changes. Update the rotunda areas to be more attractiveencourage community exhibitions, festivals and charity stalls to draw people into this area. Hi
Feb 08 17 07:46:15 am	more parking availability
Feb 08 17 08:14:19 am	Ive seen the parks there are enough in the area you dont need more
Feb 08 17 08:46:07 am	The current open spaces and park lands are great for my family needs
Feb 08 17 09:58:15 am	more facilietes in parks
Feb 08 17 10:52:11 am	more amenties at the parks we have
Feb 08 17 11:19:42 am	More places for pedestrians to cross safely.
Feb 08 17 12:22:45 pm	More greenery/trees needed badly. Lacking and made worse with railway works as trees removed.
Feb 08 17 12:24:15 pm	No open green space at all
Feb 08 17 12:33:43 pm	All good

Feb 08 17 12:37:30 pm	No smoking and a few more children's outlet stores
Feb 08 17 12:38:09 pm	The outdoor pace near Wills Batch is great more of these would be good.
Feb 08 17 12:44:43 pm	
Feb 08 17 12:45:33 pm	I don't know why the bandstand isn't redeveloped or actually used. It's a
	central spot that could be utilised much better
Feb 08 17 12:46:33 pm	More open space where possible - Less clutter though
Feb 08 17 12:48:22 pm	Some specialty shops . Or chain shops to drag the people in
Feb 08 17 12:53:25 pm	more trees, native plants
	Rotuna could be prettier
Feb 08 17 12:55:32 pm	n/a
Feb 08 17 01:20:42 pm	update the rotunda. Make it a nicer place to sit and eat or relax
Feb 08 17 01:43:05 pm	Less nail & beauty shops!
Feb 08 17 01:49:39 pm	The green space of a park is adequate. Can it be improved or enlarged?
Feb 08 17 02:01:53 pm	I'm a bit of a greeny - I'd love to see some grass somewhere, or at least more shrubs/plants
Feb 08 17 02:03:23 pm	no comment
Feb 08 17 02:04:57 pm	Perhaps
Feb 08 17 03:07:31 pm	The area between 438-440 Centre Road. It would be lovely to see a nice grassy area, with some flowers and seats to sit on.
Feb 08 17 03:23:57 pm	Parking or grass area for children
Feb 08 17 03:25:29 pm	The rotunda is a nice space but is rarely used
Feb 08 17 03:26:41 pm	Open space where people can sit and enjoy the traffic or have a rest without having to occupy a chair in a café and the need to spend money.
Feb 08 17 03:46:02 pm	The Rotunda space is very shabby and needs a refurbishment, graffiti removed, pidgeons contained, pavement levelled, weeds removed, structural conponents need attention. Planter boxes maintained, a damn good clean up. This would allow it to be more family friendly and may deter the abusers who seem to think it is wholly theirs for personal use.  We do appeciate the great parks and gardens around Patterson Road and Wheatley Road
Feb 08 17 04:01:09 pm	Nil. I don't go to the shops for open space
Feb 08 17 04:14:11 pm	Maybe plant out the rotunda area to stop graffiti and restore some charm
reb 06 17 04.14.11 pili	and colour for somewhere pleasant to sit in between shopping.
Feb 08 17 04:17:43 pm	Drink fountains, entertainment
Feb 08 17 04:33:11 pm	Don't know
Feb 08 17 05:11:02 pm	need more where community can meet and mingle the rotunda area is vastly underused and needs development. Maybe open it up for retail access with open air dining.
Feb 08 17 05:18:32 pm	Yes need to make use of the rotunda in Centre Rd shopping strip
Feb 08 17 05:23:15 pm	Open spaces are always valued, especially if there's some greenery.
Feb 08 17 05:23:26 pm	The rotunda area is disgustingly filthy and could be made over with some greenery
Feb 08 17 05:54:49 pm	Don't really see the need for open space at all. It's a vibrant shopping strip. If there are to be open spaces it should include some cafes around it and create an el fresco feel like in Oakleigh, in the mall off Atherton Roadthat would make centre Rd the best!
Feb 08 17 06:02:40 pm	Good space for parking, need more shade.
Feb 08 17 06:11:39 pm	More places to sit down
Feb 08 17 06:18:12 pm	More open space and greenery would make the strip more attractive.
Feb 08 17 06:48:02 pm	Outdoor sitting areas that are well designed and inviting, plus trees.

Feb 08 17 10:59:38 pm	Coles car park.
Feb 08 17 11:10:00 pm	A bit more fun, more art, music
Feb 09 17 12:46:48 am	Too much traffic due to too much housing
Feb 09 17 06:27:11 am	A play space for children
Feb 09 17 07:58:03 am	Maybe some Sunday music
Feb 09 17 08:42:42 am	Less trafic
	Fill the empty shops
	Get rid of the massage shops where dirty men go.  Have a festival like St Kilda do
	No more \$2.00 shops
Feb 09 17 10:55:59 am	I believe we have enough open space in the rotunda area but unfortunately
	this is not used to its full potential. Perhaps turn the old Medibank premises
	into a cafe that can overflow into that area, making it an great al fresco area to eat and meet.
Feb 09 17 11:54:39 am	More space for pedestrians to walk on the footpaths.
Feb 09 17 12:36:42 pm	I don't think the strip needs any open space

Feb 10 17 10:51:45 am	more bins but parks and open space is good - sometimes i think too much
Feb 10 17 11:06:04 am	and not being utisled lots places to walk

Feb 10 17 02:42:39 pm	Lots of open space - you could put more cars in or create a new shopping precient ie food only or entertainment precient
Feb 10 17 02:55:11 pm	A 'square' (like the old city square) or something similar to the area in front of Carnegie library on Koornang Road, - with seats, trees, etc would be great
Feb 10 17 03:00:03 pm	How about open air bareqbeques
Feb 10 17 03:20:16 pm	Greenery. Seating that's not right next to traffic
Feb 10 17 03:49:15 pm	Areas for gardens.

reb 10 17 04.51.25 pm	gazebo area to make it more inviting to sit and eat?
Feb 10 17 04:55:29 pm	The roads and street parking flowed much better on Centre Rd before all the ridiculous tree concrete blocks were added back.
Feb 10 17 07:00:40 pm	Rotunda area needs to be improved.
Feb 11 17 08:51:59 am	Can do with more open space.

Feb 12 17 05:07:57 pm	Currently sufficient.
Feb 12 17 05:24:20 pm	Village square and seating, green space, living wall, Astro turf open area to encourage community to buy a coffee, read paper and enjoy the area
Feb 12 17 05:42:31 pm	I am afraid the area with the rotunda is a complete was of a valuable area. If it was Enclosed along the southern end, and had a larger covered area, people would gather there. but as it is you get blown away with the winds that come from the south, and as for shelter from the sun or the rain the Rotunda is useless. Also a small play area for children could be included.
Feb 13 17 07:00:23 am	get rid of the rotundra and put toilets there or a water fountain
Feb 13 17 07:20:51 am	The rotunda space could be improved.
Feb 13 17 07:28:27 am	have plenty
Feb 13 17 07:49:44 am	need more people not more vacant sites
Feb 13 17 08:25:34 am	you have opne spaces but you dont use them ie the local parks local migrant paries ie like a greek or italian or chines festival in the parks - Oakleigh and Hughesdale have them St Kilda just had a festival but not the Street party you used to have that was always a shambles
Feb 13 17 09:39:06 am	The rotunda area is a little dirty looking. It needs an upgrade. Perhaps a something to stop the bird mess that is constantly left there on the seats that people just are no longer sitting on.
Feb 13 17 11:07:32 am	for a shopping centre you have lots of wide footpaths etc we have arpks around
Feb 13 17 05:15:52 pm	(More) benches along Centre Rd, maybe even in first block of side streets - Chaddy became more 'bearable' for non-shoppers to accompany their loved ones when they started to provide proper seating.  Other open spaces are probably difficult on Centre Rd
Feb 13 17 09:59:03 pm	Unfortunately there is enough parking spaces in some busy hours, in addition it has been reduced in a few spots of Centre Road by building number of 'islands' along the kerb.

Feb 13 17 11:10:46 pm	More greener needed. The street feels like a big slab of concrete.

Feb 17 17 03:10:18 pm	better maintained trees, better maintained plants. More seating for the elderly. The last shopping centre design was never finished, eg the rotunder paving belongs to the previous design. I'd like that area to be refurbished and redesigned with some decent landscaping.

Feb 20 17 08:14:53 am	There are parks nearby so I think it's ok. If cafes had space to put chairs on the pavement (European style) it would be even better. The pavement can get crowded. Make it all pedestrian only and there'd be much more space!

Date	Types of shops/retail outlets
Dec 02 16 03:05:51 am	Bars,cafes,restaurants etc open of an evening.
Dec 02 16 11:08:47 am	Too many op-shops and few restaurants. No florists. Pet shop gone. We need these shops. We would need our Medicare office back. Also a printing shop.
Dec 02 16 03:02:31 pm	People will say have less op-shops but they don't realise it now brings in destination customers from outside the local area, instead promote the opshops don't be ashamed of them
Dec 02 16 10:13:44 pm	There's far too many cheap, two dollar shops. This cheapens the area. The area really needs some contemporary, higher brand fashion stores for men and women that cater for the younger demographic that has moved into the area e.g Witchery, Seed, Just Jeans etc. They really need to be brands, not just local businesses.
Dec 03 16 04:20:27 am	Something with abit of class. Homewares, smart fashion. High end.
Dec 03 16 02:39:43 pm	The area needs more upmarket stores and eating establishments.

Dec 14 16 01:05:44 pm	More shops
Dec 14 16 09:00:36 pm	The retail outlets in the strip basically appeal to elderly customers. There
Dec 11 10 03:00:30 pm	needs to be clothing and retail stores for the younger demographic that now occupies the area otherwise people will always head to the big shopping centres like Southland and Chadstone. Give people a reason to shop locally.
Dec 16 16 06:20:22 pm	Need improvement as outlined
Dec 16 16 06:28:34 pm	Too many junk \$2 shops and cheap clothes shops

Jan 02 17 11:21:13 pm	Japanese takeaway,
Jan 03 17 02:22:45 pm	I'd like to see a bulk store (plastic free) repair stores, more secondhand/ charity stores.
Jan 04 17 05:38:59 pm	More cafes
Jan 06 17 02:56:18 pm	As mentioned earlier, need more healthy up to date options for food, more cocktail bars and tapas/Asian fusion from some good chefs. Need more clothing stores for kids /adults like Brighton has e.g. cotton on for kids and adults, witchery, cue review etc or better department store e.g. Bigger target or Kmart bug w would be great!!
Jan 07 17 11:35:24 am	I'm still annoyed there's no medicare outlet anymore. Access to the banks is really handy and I'd love to have a few better restaurants and bars
Jan 09 17 01:22:21 pm	Needs night time restaurants, live music venues, pub (WITH NO POKIES), more new cafes and better fashion and lifestyle shopping.

Jan 17 17 03:41:19 pm	Has changed over the years, we are losing variety.
Jan 19 17 11:01:40 am	I like it the way it is.
Jan 19 17 11:20:53 am	Please limit number of alcohol outlets, drunks in the street is not a family
	good look. Also the number of \$2 dollar shops and hairdresser's.

Jan 19 17 04:59:46 pm	Too many 'two dollar' shops. We need more reasonable retail shopping opportunities.
Jan 20 17 08:35:32 pm	No preference.
Jan 23 17 05:09:41 pm	good mix is already there
Jan 24 17 04:03:34 pm	Happy with the mix of shops
Jan 25 17 11:14:50 pm	Quality restaurants and retail shops as there is strong competition in

Jan 26 17 06:53:41 pm	More name shops
	Less \$2 shops
	Less real estate agents
Jan 27 17 12:46:38 pm	More quality stores and less shops selling poor quality goods/cheaply imported junk.
Jan 30 17 03:00:47 pm	clothing stores, or general retail outlets that you find at a shopping complex
Jan 30 17 03.00.47 pm	would mean I don't have to go to Southland or Chadstone
Jan 31 17 03:21:47 pm	The Council can use its licencing strategy to influence quality and type of

	How many cheap shoes shops we need, or 'variety shops' selling the same
	cheap rubbish.
	We need more good quality food outlets but not Domino's Pizza type or Asian take-away.
Jan 31 17 05:11:39 pm	Quality shops would be good, but the rent would cripple them too close to
•	Southland and Chadstone. Enough cafes already.
Jan 31 17 07:58:58 pm	Shops are ok
Jan 31 17 08:39:11 pm	Less stores geared towards the elderly

Feb 02 17 02:00:36 pm	A tech shop would be nice.
Feb 02 17 02:41:20 pm	Nice boutique stores mixed with the retail already there
·	Less OP Shops and Asian Variety Stores
Feb 02 17 02:45:57 pm	I love the variety currently. I don't think anything is missing, unless older
	retailers continue to get priced out of the strip.
Feb 02 17 04:40:01 pm	??
Feb 02 17 04:59:57 pm	A couple of nice restaurants . Maybe a K Mart.

Feb 02 17 07:57:01 pm	I used to live in Moonee Ponds where Puckle Street seems to have been a

	Sportsgirl, Portland, etc. It is like a destination shopping strip but on a
	smaller scale. I noticed Swish left. If there were a few other similar types of
Fob 02 17 00:02:10	shops, more people would come to the area.  Quality restaurants open in the evenings, more up-market clothing
Feb 02 17 08:02:19 pm	Organic/health based cafes.
Feb 02 17 08:06:43 pm	Officeworks
	Fashion that's hip and cool
	Maybe more fitness/yoga/Pilates
Feb 02 17 08:12:25 pm	more cafes and restaurants

Feb 08 17 02:25:00 pm	More fashion shops would be good.
Feb 08 17 03:04:15 pm	Fashion. High street retailers and independent boutiques. Also an Optus shop would be great.
Feb 08 17 03:07:31 pm	Some nice clothing shops would be great. I love having Sussan there.
1 CD 00 17 03.07.31 PIII	There are too many Chinese variety shops.

Feb 08 17 03:23:57 pm	Organic food and grocery
Feb 08 17 03:25:29 pm	A greater selection of restaurants would be good and a bit more variety. There are so many \$2 shops
Feb 08 17 03:26:41 pm	Shops 1)Fruit and vegetable shops with good quality products. 2) Continental grocery shops 3) Fish mongers

Feb 08 17 03:46:02 pm	A few less cafes, that create clutter and debris on the footpath, creating trip hazards.
Feb 08 17 04:01:09 pm	No chain stores. How are the chemists surviving since chemist wharehouse
	opened. I think it is disgusting to let them open near businesses that have served the community well for many years
Feb 08 17 04:14:11 pm	This area is teaming with families with kids. Most kids are into variety of
1 CD 00 17 04.14.11 pill	sports.
	A sports shop is desperately needed, always needs to replace runners,
	mouthguards, balls, clothing etc Or a music shop like JB Hifi which also
	provides the local schools with IT needs ie; McKinnon SC students order
	their laptops from them. My teens complain the Bentleigh shops are for oldies. There is only Peaches and Cream clothing store for girls and sushi
	shops that interest the kids. Shops like; Portmans, Forever New, Surfy
	brand stores or bathers shop, Cotton on clothing, Jay Jays, Boost juice,
	Typo, Dotti, Bonds. This would also be great to give our teens casual
	employment in stores they like and not have to travel to Southland.
	I would particularly like to see House or similar, as we don't have any
	homewares store on Centre rd, Jacqui E, Portmans, some shoe stores, we
	only have 1 Italian shoe importer but they are very expensive at approx
	\$200 on average per pair.

Feb 08 17 05:18:32 pm	Less \$2 and chunky shops. It cheapens the shopping strip and there are

Feb 08 17 06:18:12 pm	I think the shops/retail outlets cater for everyone.
Feb 08 17 06:48:02 pm	The old style shops, like Yarraville: Cafes, restaurants, bakeries, butchers, florist, restaurants - but not the chains like Pizza Hut, newsagent, book
	store. Would like some bars like the new Wine bar that has opened.
Feb 08 17 07:35:59 pm	I would like more of: baby shops, more specialty food shops, household

Feb 09 17 07:58:03 am	There is already a good range
Feb 09 17 08:37:11 am	More banks. Also Asian (Japanese /Korean grocers), better selection of restaurants.
Feb 09 17 08:42:42 am	Footwear, restaurants, up market retail. Fix up the rotunda, plant some fake grass, bring it into the 21st Century add some greenery, Make it a park like atmosphere.
Feb 09 17 10:55:59 am	There is a varied collection of shops to suit most people but with the growing craft addiction, a small spotlight-type shop would be good.
	Shame the old Hyatt cinema is no longer around!

Feb 10 17 11:06:04 am	more trendy shops and places to eat at night - should encorage eateries around the psot office area as this is a dead area
Feb 10 17 12:45:58 pm	Cafes that dont have loudish music in the background that detracts form meeting with people and having conversations.
Feb 10 17 01:03:33 pm	places to meet people or be seen to interact -more cafes / bars or a club - regulated
Feb 10 17 01:17:06 pm	There is plenty. Get rid of the crappy shops. How can some of them even afford to stay open??
Feb 10 17 01:20:52 pm	bigger variety of shops more jewlellery places // fun places lunch time Bars (night time you get too many louts and drunks on the streets)

Feb 10 17 02:09:28 pm	mor delicatessens or patiserries or souvlaki style cafe bars
Feb 10 17 02:17:39 pm	If the Target ever goes (as it almost did a few years back) I would be devastated. I really hate being forced to go to a Shopping Centre for anything, so a "department" type chain store is important to me.

we used to have a hardware but nothing now  Mix of shops is probably, unfortunately, determined by landlord's preferences and rent levels; like any shopping strip or centre, we have a few not so nice looking shops (both visual and in the selection of their products on display) and quite a few attractive ones. Once key challenge is the vacant shops that give any shopping area a rather negative feel, if not a negative image (see media reports on Bridge Rd, Richmond, and Chapel St, South Yarra).  Restaurants, as in eating places with lunch and dinner service, bring recognition and use the carparks after hours; I think the public noticed the posters put up by Cutler & Co  Feb 13 17 11:10:46 pm More different varieties of cuisine. Feb 02 17 08:06:43 pm	I think the bus/train service is good
Feb 02 17 08:56:29 pm	The new train station is amazing - such a shame that this is so brilliant but
	the drug addicts in the street ruin it for everyone
Feb 02 17 09:10:06 pm	I think the new bus stops outside Noisette and neighbouring shops was a
	big mistake. could have planned the train bridge better to include a bus stop. the bridge over the trains is so cold and useless and the buses block
	the connection from these shops.
Feb 02 17 09:44:20 pm	My daughter walks to McKinnon Secondary College, with her heavy bag it
1 CD 02 17 05.44.20 pm	takes 30-40 minutes. The bus stop is actually outside our house but she
	won't use it as the bus is so unreliable, always late.
Feb 03 17 08:29:17 am	The tram on Hawthorn Rd should continue along the median strip on
	Nepean Hwy to Moorabbin Junction as was planned. It would take
	commuters past Centre and Patterson Rd shopping strips and connect
5 L 00 47 00 50 54	directly to Moorabbin station.
Feb 03 17 08:50:51 am	all available and now with the new railway lines all is good
Feb 03 17 01:17:47 pm	Station is good, but traffic benefit of level crossing removal is not being exploited.
	Creation of alternatives traffic routes for through traffic (reducing traffic in
	the shopping strip)
Feb 03 17 02:07:56 pm	Good public transport. Bentleigh station is an improvement.
Feb 03 17 03:23:56 pm	Train is great now
Feb 03 17 04:37:19 pm	I think it's great.

Feb 03 17 08:57:54 pm	I live locally and walk most of the time but car parking needs to remain
	priority with areas cared for.
Feb 03 17 10:06:39 pm	Bicycles for hire on street.
F. b. 02 47 40 40 02	More bike parking All good

Fab 0F 17 00:F0:41 am	be nice. Currently have to go all the way to city to catch train to box hill.  Great transport
Feb 05 17 08:50:41 am	The new Bentleigh station seems great, more car parks perhaps needed.

Feb 05 17 07:53:06 pm	Ok
Feb 05 17 08:17:11 pm	Open an entry to the station on the south side of centre road so people do not have to cross the street, also helps with traffic
Feb 05 17 10:50:30 pm	More buses to places Chadstone, city, South Gate

Feb 06 17 11:32:37 am	Transport is great
Feb 06 17 11:45:56 am	Fine but I get there on foot or by car. The new train station is excellent!
Feb 06 17 01:07:00 pm	Much better since railX removal. We should improve access for vehicles to
1 Eb 00 17 01.07.00 pm	turn off Centre Rd to side streets (left and right hand turns).
Feb 06 17 01:39:05 pm	good

Feb 06 17 04:52:02 pm	ok
Feb 06 17 06:45:29 pm	Fine
Feb 06 17 06:59:46 pm	Bus times need to be updated, either on PTV or the bus stops.
	There is too much delay or large time differences, which makes it stressful
	and confusing when trying to commute. Also, some streets are very hard to access due to people parking there for
	the whole day (probably workers); something needs to be done. Thank you.
Feb 06 17 06:59:49 pm	Good
Feb 06 17 07:47:27 pm	The bentleigh station area needs more mature trees.
Feb 06 17 09:01:58 pm	Good

Feb 07 17 04:54:44 pm	Close centre rd from jasper rd to pass station from cars, only allow buses.
Feb 07 17 05:50:18 pm	fine
Feb 08 17 12:44:35 am	The train station pedestrian crossing needs to be an overpass or
	underground as it holds up traffic every time a single person presses the
	button to cross the road. Almost as bad as having the old level crossing
Fab 00 17 12:22:45	there! Good
Feb 08 17 12:22:45 pm	All good
Feb 08 17 12:24:15 pm Feb 08 17 12:38:09 pm	Not applicable to me
· ·	The flow of traffic along centre road needs serious improvement. The
Feb 08 17 12:45:33 pm	junction of east boundary and centre is horrible, particularly at the weekend.
Feb 08 17 12:48:22 pm	Transport is good
Feb 08 17 12:53:25 pm	Bicycle parking points
Feb 08 17 01:49:39 pm	Adequate Train service. Bus transport during the day is good.
Feb 08 17 02:01:53 pm	The train station is very handy to the shops. Buses come and go. Seems
	fine to me.

Feb 08 17 02:04:57 pm	Don't use
Feb 08 17 03:25:29 pm	good
Feb 08 17 03:26:41 pm	More direct Bus routes from A to B

Feb 08 17 03:46:02 pm	Transport appears to be adequate. Could use a bus service (as in the olden days) up and down Patterson Road from the station in a westerly direction and then heading around to Bentleigh Station. It is a long walk for the elderly to either station from the west Bentleigh area.
Feb 08 17 04:01:09 pm	Does not affect me
Feb 08 17 04:14:11 pm	All good on that front. Though Bentleigh used to be a premier station that the express train used to stop at (only).
Feb 08 17 04:33:11 pm	Never use public transport
Feb 08 17 05:11:02 pm	good bus and train access
Feb 08 17 05:18:32 pm	Great because its close and new but not enough parking and trains regularly cancelled or late
Feb 08 17 05:23:15 pm	I drive or ride there and there's a train station.
Feb 08 17 06:02:40 pm	Buses good
Feb 08 17 06:18:12 pm	Train and bus service sufficient.
Feb 08 17 07:35:59 pm	good enough for me, especially with renovated railway stations

Feb 08 17 08:47:21 pm	SUFFICIENT
Feb 08 17 10:59:38 pm	Train is done
Feb 09 17 08:42:42 am	Less traffic please, more car parks
Feb 09 17 10:55:59 am	The new train station is brilliant and the continual communication during its construction was really appreciated. I don't use the buses but if necessary I can walk to the station and the tram so the world is easily accessible to me.
Feb 09 17 12:39:50 pm	Drop off zone for train station
Feb 09 17 01:47:11 pm	No issues here
Feb 09 17 02:52:47 pm	Tram
Feb 09 17 04:37:16 pm	More buses - the 626 bus finishes at 9.30pm and only runs every 30 mins in the evening!
Feb 09 17 09:00:38 pm	No
Feb 10 17 07:14:07 am	nothing you can do here // maybe put some angle parking in on the street and reduce the width of the footpaths
Feb 10 17 08:13:08 am	excellent
Feb 10 17 10:51:45 am	is good
Feb 10 17 01:03:33 pm	has all i need
Feb 10 17 01:17:06 pm	Stupid pedestrian crossing out front of the station. Three pedestrian crossings in about 200m.
Feb 10 17 01:33:21 pm	How come you walk down or up the ramp at the trains in the rain and they are not covered over - my brother is a roofer and said it was easy and cheap to cover the ramps
Feb 10 17 02:42:39 pm	more trains - if one is cancelled its agess for the next one ie 40 mins since they are only every 20 mins
Feb 10 17 03:00:03 pm	parking for transport
Feb 10 17 03:49:15 pm	Wheelchair taxi pick-up/put-down.
Feb 10 17 04:55:29 pm	Too many trucks, cranes, materials, etc
Feb 10 17 07:00:40 pm	Adequate
Feb 11 17 12:38:48 pm	good i think - don't use it much
Feb 11 17 04:01:21 pm	public transport good
Feb 11 17 07:25:03 pm	transport is ok now the rail is under ground
Feb 11 17 09:09:02 pm	Perfect
Feb 12 17 07:02:01 am	Pretty good. Buses are in short supply on a Sunday
Feb 12 17 09:52:57 am	Better access to disabled parking - there are no disabled parking spaces in the main street. This means the elderly or disabled have to walk from one

	street back at all location
5   42 47 04 5C 47	
Feb 12 17 01:56:47 pm	better bus route information along centre road and jasper road - with clear maps of where the routes actually go
Feb 12 17 03:26:09 pm	great, we have train and bus
1 eb 12 17 03.20.03 pm	Way too congested with cars though
Feb 12 17 05:07:57 pm	Future two storey car parking off Centre road for increased traffic.
Feb 12 17 05:24:20 pm	More efficient bus service to beach areas
Feb 12 17 05:42:31 pm	Good
Feb 13 17 07:00:23 am	trams
Feb 13 17 07:20:51 am	Stay the same. Bentleigh station improvements are great!
Feb 13 17 07:28:27 am	Clay are carrier 2 or morgin channels in providing and great
	Cover the walkwyas going up and down the platforms
Feb 13 17 07:49:44 am	more regular trainstops and buses
Feb 13 17 08:25:34 am	
Feb 13 17 09:39:06 am	The new station has been great. But some landscaping around the area would be nice. Perhaps a little greenery rather than just concrete.
Feb 13 17 11:07:32 am	a tram line would be good
Feb 13 17 05:15:52 pm	Transport is good.
Feb 13 17 09:59:03 pm	The bus stop was moved close to Noisette coffee shop, possible it is most convenient, however, the bus drivers do not turn off the engine it creates noice and pollutions
Feb 13 17 11:10:46 pm	More car parking needed for train station.
Feb 14 17 07:18:10 am	he have a bus and train - you cant fit a tram
Feb 14 17 10:07:51 am	a tram
Feb 14 17 11:07:30 am	Greatbut I only use the train occasionally
Feb 14 17 12:55:11 pm	it has buses / trains
	Build on the station as well - otherwise its a waste
Feb 14 17 04:13:44 pm	Needs to be concentrated on improving suburban rail. We need more lines

Feb 15 17 07:59:10 am	we have the trains but they need to be more regular - and you get wet walkking down the ramps when it rains -why dont you cover them?  Elsterniwck has and they doing it for Caulfield

Feb 15 17 01:04:18 pm	Don't use public transport very often, therefore can't comment. I must say
	the removal of level crossing has greatly improved traffic flow on Centre
Fob 1E 17 02:17:52	Road. what about it?
Feb 15 17 02:17:53 pm	train station is new but its all ready old - no covering on the ramps to the
Feb 16 17 07:45:27 am	platforms
	why dont you build on the station more shops ?
	multi level parking over the car parking?
Feb 16 17 09:55:43 am	train station has been fixed - except disappointed in design and how come

	so people dont get wet
Feb 16 17 12:42:45 pm	Perfect.
Feb 16 17 03:06:29 pm	need high density on the station but also shops or a car park but dont waste
	the space
Feb 16 17 03:19:49 pm	more trains and cover the station ramps and over the street
Feb 16 17 03:29:14 pm	that the Council refuses to fix the car parking by making it 2 hours only in
	every street on a 24 x7
Feb 16 17 03:42:36 pm	The 1 hour parking is a joke! I can't meet a friend for coffee and a browse.

Feb 21 17 10:14:38 pm	LXR is great

Date	Private development
Dec 02 16 11:08:47 am	Could see more flats on single-storey properties. But flats must have their own car spaces. No more than four stories (the last stories recessed from street and adjoining houses).
Dec 02 16 06:54:07 pm	too much over development flat balconies looking like laundries - aren't there any regulations on this?
Dec 02 16 10:13:44 pm	The enormous apartments being built (corner of Rose St and Centre Rd) and the proposed development on the old Broadbents Landscaping site are of serious concern. They dwarf the area and are completely out of character with the neighbourhood. The area also doesn't have the infrastructure to cope with so many news residences.
Dec 03 16 04:20:27 am	Too much happening. Far too many units in the one block.
Dec 03 16 01:02:46 pm	Overdevelopment of adjoining streets not good
Dec 04 16 06:36:04 pm	Needs to be kept to a minimum. Already there are big changes being made which detract from the village atmosphere which makes Bentleigh so nice to shop in.
Dec 05 16 10:41:15 am	NO to more housing. Enough already.
	Yes if it means sprucing up the street - lighting, bins (more please) and seating
Dec 06 16 10:10:43 am	No more large developments and apartment blocks.
Dec 06 16 01:26:10 pm	Adequate.
Dec 06 16 09:59:29 pm	There is too much now and the infrastucture won't support. Local schools

	are at capacity especially McKinnon Secondary
Dec 06 16 10:11:13 pm	Please put some kind of cap on the appartments. Too many too quickly is a bad idea. There are concerns about their suitability, character etc of course, but the major difficulty is going to be that they're making a large commitment to a business proposition that may not last, so in a few years' time there's a good chance we'll be left with low rent dumps that nobody
D = 07.46.07.00.25 =	wants. None
Dec 07 16 07:08:35 am	too many multi story around and on center rd. Traffic is so congested !! in
Dec 07 16 12:51:54 pm	morning and late afternoon
Dec 08 16 10:30:12 am	apartments are good but state government needs to instill a community feel to final design and not let them build with short term exterior products that fail in 2 years  The apartment entry points lobbies need to be enviable and not just SEPTED errors and late night urinals
Dec 09 16 10:06:48 pm	Too much, and too big and not enough parking allocate for each
•	development. Should be at least 2 car parks per apartment.
Dec 10 16 12:33:29 pm	Apartments
Dec 10 16 05:05:30 pm	Freshen up shop signs to have a modern, classy feel.
Dec 12 16 05:05:03 pm	Keep the profile low - don't allow to much overdevelopment
Dec 12 16 08:22:54 pm	The apartments in the area are out of control. The development on the corner of Centre Rd and Rose St dwarfs the surrounding homes. Equally the apartments directly opposite are giant and aren't at all in keeping with the neighbourhood. It is hard to know how council has approved these developments let alone the proposed monstrosity on the site of the old Broadbents landscaping yard. As rate payers the council must level with us about its plans for the area because it appears blind to the concerns of its residents.
Dec 13 16 10:21:20 pm	It needs to stop.
Dec 14 16 01:05:44 pm	More apartments
Dec 14 16 09:00:36 pm	Please stop these ugly high rises. The area is getting ruined. Council must begin listening to the residents of the area on this issue.
Dec 19 16 08:33:13 pm	Too many apartments high-rise going up
Dec 22 16 05:33:08 pm	too much multi story development adding to congestion
Jan 02 17 09:36:32 pm	Less Appartments. A gym would be great.
Jan 03 17 02:22:45 pm	5 storey cap
Jan 04 17 10:03:02 am	the suburb is being inundated with multi-dwelling developments
Jan 04 17 05:38:59 pm	Stop giving out permits like it's candy
Jan 06 17 10:14:02 am	definitely
Jan 12 17 09:22:32 pm	N/a
Jan 14 17 07:13:10 pm	No more apartments It is now a joke
Jan 14 17 10:52:19 pm	Perhaps improved modernised stores and apartments.
Jan 17 17 03:41:19 pm	Too much and too high, Bentleigh is losing its charm with too much apartment development
Jan 19 17 11:01:40 am	Keep the multi story developments (Stella developments etc) away from Bentleigh all together
Jan 19 17 11:20:53 am	Nothing you can do as you failed to put mandatory height limits in Centre road.Shame on you
Jan 19 17 04:59:46 pm	Thanks to years of doing nothing, Centre Road is a target for private developers who get a very easy ride through their approvals.
Jan 20 17 08:35:32 pm	Hmmh.

Jan 22 17 02:05:25 pm	Better quality unit development
Jan 23 17 05:09:41 pm	TOO MUCH PRIVATE DEVELOPMENT - almost appears unchecked.
	Clearly there is a need for development, but understanding the ethos is
	important - there appears to be no clear plan. I feel that the character of the
	neighborhood - Bentleigh/Mckinnon area has been irreparably damaged by
	the ridiculous level of development over the past 24 months.
Jan 24 17 04:03:34 pm	Don't want too much apartment development in the stripwill change
	everything too much, pushing the small traders out of Bentleigh.
Jan 25 17 11:14:50 pm	Too many small apartments in high rise buildings. This is a disaster for the
	once regarded suburb called 'boutique Bentleigh ' with gorgeous
	Californican bungalows. Shame on the council for allowing this to happen.
Jan 26 17 06:53:41 pm	Less high rise!!!!!!
Jan 27 17 12:46:38 pm	The influx of highrise apartments are a disgrace and there is not the
	infrastructure to support the new residents coming ie car parking, check
	outs at supermarkets
Jan 30 17 03:00:47 pm	N/A
Jan 31 17 03:21:47 pm	So many high density housing developments in vicinity of Center Rd will be
'	detrimental to the area traffic and car parking.
Jan 31 17 05:11:39 pm	Good heavens this is a nightmare in Bentleigh, McKinnon and Ormond
	where I walk regularly. Constantly have to cross the road because of
	roadworks or building of those awful housing complexes going up. Hate it
	and no longer enjoy walking in the area. I see in Centre road that more are
	coming pity the poor shop owners still recovering from the level crossing
	works which were necessary though.
Jan 31 17 07:58:58 pm	Less flats
Jan 31 17 11:05:34 pm	no many units/townhouses
Feb 02 17 02:41:20 pm	No more apartments
	It is ridiculous
	The train crossings were removed to decrease traffic however with all the
	apartments it is ridiculous
Feb 02 17 04:40:01 pm	??
Feb 02 17 04:59:57 pm	Area is becoming grossly overdeveloped with high rise house and
	apartment buildings. Centre road will be a wind tunnel if you continue to
	allow developments over 4 stories to be built. Developments that have been
	built already are ugly with no setbacks and no landscaping. Development in
	surrounding streets is also changing the whole community feel of the area.
	This puts a strain on parking which is getting increasingly more difficult with
	traffic in the residential streets also becoming challenging. This will only
	increase with more development which has an impact on the the
	infrastructure,drains etc. Parts of Bentleigh are in a flood prone area so stormwater and sewerage may become an issue in the not too distant
	future. The more development makes for increased water runoff and
	therefore potential flooding of existing homes.

Feb 04 17 03:16:05 pm	Given Melbourne's population grwoth I understand that we need to build

	recent times I'm not really impresses with. I dont think we should be building apartment blocks move than 3-4 storeys high with storey 3 and 4 set back.
	These apartment blocks should not be built in the middle of a suburban
	street. We have some streets (Mavho St) where you have single houses

	and half way down the street this large complex.
	My other bug bear is we are not building a diversity of medium density housing. We don't all want to live in apartments. We need developers to

Feb 06 17 11:32:37 am	There should be medium density housing but height restrictions to four or five stories.
Feb 06 17 11:45:56 am	Now that's a problem. The trashing of beautiful period homes in the side streets is a disgrace. Has no-one got any regard for heritage values? Ugly apartment blocks going up left right and centre. It also is making parking a real problem. Nice flats over the top of the shops is not a problem IF they provide some sort of parking.
Feb 06 17 11:56:26 am	Unimpressed with high rise and proliferation of apartments along/adjacent to Centre Road
Feb 06 17 01:07:00 pm	Too many apartments being planned and built, but economic reports indicate that there is a glut in the Melbourne (not just CBD). Will lead to problems of vacancies, reduced amenity of the area. Council needs to monitor design and building quality (beware jerry-built housing). The inspection regime is not working and is vulnerable to corruption and lack of compliance - overall in Bentleigh, Glen Eira.

Feb 07 17 09:45:54 am	No more multi story residential buildings with not enough of their own car parking!
	I am not interested in a shopping complex in Centre Road. I go to Chadstone or Southland for that. But perhaps a cinema like the Classic in Elsternwick would be very handy and give another dimension to the village atmosphere.
Feb 07 17 11:18:16 am	Difficult to answer Struggling suburban shopping strips are being saved by the arrival of new apartment dwellers who tend to shop, eat and gather on streets near their homes
	But you are not fixing the parking issues - you need to have restricted parking around the strip between Centre Rd and Brewer Rd - ie 2 hour parking only -
Feb 07 17 12:49:03 pm	Bentleigh is becoming so built up, so development is not a priority for me
Feb 07 17 01:07:02 pm	growth in apartment living has been shown to increase cafes and restaurants and hence the other shops in the areas.

	therefore the more apartments in the local streets the corresponding increase will be reflected in the strip
Feb 07 17 01:19:57 pm	Layer new buildings back from the street so each level has a balcony, even if you have to go higher.
Feb 07 17 01:32:52 pm	hearing people dont like developments but i am for them - in East Bentleigh its becoming apartments but its increased number of people and its a happier cheery place - Bentleigh has been cold enviornment
Feb 07 17 04:24:58 pm	Less apartments!! There are too many high rise developments and there is not enough infrastructure to support them. It is so hard to get a parking space or event to exit your street. I find it hard to pull out of my driveway because there are cars parked everywhere so I have to do a 10-point turn to get out.  Apartment buildings should not be more than 3 stories tall and should not

Feb 08 17 08:14:19 am	Increase the number of apartments on the strip and side streets to attract the young people who will help the strip to survive.  Suggestion: Make MAVHO and LORANNE and Burgess streets - full development areas ie the full streets both sides and only allow developments similiar or even allow them to exceed the restrictions you now have to this corridor - that way you can still have more people without laregly impacting the rest of the streets.  The more people you can concetrate in a smaller area close to the stations

	The way they early of he incorrect - development has not occured in the

	You should say to people we need development but will restrict it to close to the stations / railway line eg Campbell street doesnt qualify but the others closer to the station should be devloped ie restrict development to idnetified streets - but dont say half the street - you make it the full street both sides that way you have your growth and people can be sure of what they getting.

Feb 08 17 01:30:02 pm	Limit developments of apartments. We will lose parking spaces and the.m no one will come to shop there. It happened in Elwood when I lived there and again on Martin and Bay st in Brighton. No parks, no shoppers.
Feb 08 17 01:49:39 pm	Multi storey development should be limited to two storeys, and car-parking should cater for everyone in the building with provision for visitors.
Feb 08 17 02:01:53 pm	OMG this subject gives me heart palpitations! The development - all the new town houses and apartment blocks going up are out of control. Its devastating to see beautiful old period homes being demolished, really, just for profit and money-making. The worst thing is that it brings more cars with it because everyone wants a car whether they live near shops and transport or not. The roads are so unbelievably congested its ridiculous.

Feb 09 17 10:55:59 am	Hate to see all the apartments being built in our 'village'! Down Centre Road itself I don't mind, but there is so much development in the side streets that takes away the original ambiance and removes a lot of the next door neighbour/over the fence friendly communication. It also increases the number of cars in the streets, which is a nightmare. I worry about the children not being able to play out in their gardens because they haven't got one. I can't imagine how my grandchildren would have survived without swinging round on the Hills hoist and playing cricket down the garden path!

Feb 09 17 02:52:47 pm	need more younger people / younger people will liven place up and use the resturamts and cafes // having more people means more money is spent for the traders.
	to have more younger generation people you need accommodation ie apratemnts - to have apartments you need private development.
	So we need private development on the strip and on the side streets especially near the station Loranne and Mavho on the one side are perfect for this make the whole streets apartments and have people going to the shops.
	Also encourage more devlopmenet on the strips but make sure can have more shops or bigger to accomoddate cafes / restaurants
Feb 09 17 03:21:41 pm	too much high rise developments now!
Feb 09 17 09:00:38 pm	No
Feb 10 17 07:14:07 am	State Govenrment will prevent that with land tax and then Council will grab it via rates.

	we need devlopment but its so hard - reduce those costs and we can then devlop shops and land and then you have more places to levy so you wont loose out. But eveyone gains
	Need more apartments in the strip and surrounding streets to encourage more people into the area.
	Without people and with land tax and rates the strip will see more closed shops or shops that dont attract people
Feb 10 17 09:58:34 am	more devlopments are needed - i noticed I also got more patronage since apartments started but we need more but also to fix the parking issues.
	Why did you ever make parking all day for ? Give residents of houses permits but make the parking 2 hour only -its not hard decision to do and for all the streets near the shops but bith sides of the streets and all the way
	If you do this it will disperse the main issue people have - traders / customers and residents will be happy as there will be more spots for people to park and shop and then move on
	Also you can increase REVENUE by making sure inspectors do their jobs.
Feb 10 17 10:51:45 am	You can also have parking in Burgess st - angle parking against the railway bewteen the trees and enlarge Nicholson St parking  I studied econmics so I know what im talking about. For shops to survive
	they need lower rates and they need more people to visit them and spend money.
	If people cannot find parking they will go somewhere esle simple as that. So if people from outside cant park well you need more local people -local people need accommodations hence Units being popular and especially near stations.
	So you need devlopment to help the shops survive - ideally it should be encouraged on the shopping strips (Bentelgih / Elsterniwck / patterson etc) but also on the couple of streets near the station in Bentleigh. This has the effect of increasing the population density where it is required and reducing the need for Units needing or parking on the streets. These spaces should be reserved for the House residents ie with parking permits and for shoppers coming to the area for a couple of hours.
Feb 10 17 11:06:04 am	more development -means more people to meet and who can then shop locally or spend time in the cafes / food places
	can you build on the station ? can you build on Safeway thats really run down

Feb 14 17 02:10:00 pm	ohh for goodness sakedont you realise yet - you need to develope the street and surrounding streets for the shopping center to grow and thrive
	Othre subrubs are booming because of there encouragement for developemnets
	but Bentleigh is going backwards - because of self centered narrow minded residnets around developments and Councillors pretending they care and doing nothing
	Council stop saying we have to balance the needs of everyone -you cannot do that.
	If you develop then you have more people more people means more shoppers more shoppers more movement in the area
Feb 14 17 04:13:44 pm	Insist on improved quality of developments so they will stand the test of
	time. We need large balconies, little play areas on site for children, and larger apartments (four bedrooms) to suit those who wish to downsize from
	a full suburban block. All developments should have to set aside space for
	the planting of trees to improve air quality and to help keep buildings cool.  And there needs to be a percentage component of second car spaces to
	serve apartments where a couple/family might have two cars or more.
Feb 15 17 07:21:04 am	where you have new developments you have more people and better shops
	suggest you encoiurage that and you may be able to revive the street otherwise just close it down complelty.
Feb 15 17 07:59:10 am	Okay this is hard - i like the old shops but they are not suitable for this day and age.
	Allow newer and brighter and safe shops to be developed - allow 4 plus
	storey developments in all the shopping centres over shops dont hinder
	them. You want more people to congregate in the shopping streets or even close by like my Loranne street and Mavho.
	Without shoppers the shops will die - you need to encourgae buidlings - ive seen them and they all look nice.
	You cannot afford to have a house on a full block of land with one person
	living in it or 2. The area needs more people to make it viable and exciting. Ive been around a while and can see things have to change - i dont have
	closed eyes or say "but it used to be better" or "things were better in my
	time" even then we wanted more people and a growing and evloving area
Feb 15 17 09:12:16 am	otherwise people just moved away to more excitingplaces  Brings new people and new shops - like here in East bentleigh
Feb 15 17 09:54:49 am	simple - new developmenst = new people = new shops = new money
	without developments (u tell us) how do you expect to attract people to the
	area
	1. to shop or have coffee or eat 2. to live

	Var have no idea of the natestial var have in Doublaigh to make it a place
	You have no idea of the potential you have in Bentleigh to make it a place where people want to go to or come too
	Your narrow sighted ideas are stifling the shops
	You need to encorgae developmenst ie medium to high density especially in the street and in the streets surround the station and rail way lines - 2-3 side streets each side would suffice for the local streets (but all the way)
	and also for the Center Rd beween the railway and up to and including
	Fresh Cut - the other side you can do Coles / target safeway and the library as well as all the little shops as well.
	make the parking restricted or 2 hours only 24 x 7 and you will have the necessary people to help drive a shoppers paradise
Feb 15 17 10:32:57 am	N/A oops sorry you need to make Bentleigh as a whole sustainable - to do this you need an influx of new buildings and poeple and new shops. I notice that places that do this are thriving
	Do you have an aversion to bringing new people into the area ? ie with the parking rules and developent restrictions
Feb 15 17 10:46:11 am	Yes please - will bring some life into the old lady - need new and exciting stores and more people.  More people means more excitment and new people to meet
Feb 15 17 11:10:36 am	dvelopements required to bring in more people and new and more shops without this the area will find it very difficult to continue
Feb 15 17 11:22:35 am	Annual and an out the interior of annual and an out-
Feb 15 17 12:51:43 pm	you want development but not prepared to do anything about it except a slip slop haphazard attempt.
	Listen coucnil / traders if you want to go into the future accept the fact you need developments. You need people and you need safe modern stores. You need to embrace apartment accommodation on Centre Rd and across all of GlenEira shops. You need to encourage developmenst around the railways and Station
	especially Bentleigh and Patterson or the shops will die.
	Im not sure if further questuions ask if we shope elsewhere - I can say I do. I go to Safeway in Middle Brighton because its cleaner and easier to park. Coles at Bay Street same thing. Target I go to Southland.
	Do you get the picture I have no need to buy locally and you are not doing anything to encourage it
Feb 15 17 01:04:18 pm	Double storey houses and multi level units to have frosted windows as they are too close (nowadays new builds are from fence to fence line) with no much privacy. New builds to be more aesthetic friendly. The brown and cream square town houses are ugly. Parking restrictions on street where residents have garage and driveway to park their cars but to lazy and park on the street restricting flow through.
Feb 15 17 02:17:53 pm	you know you need it and you have so many things you can do and encourgae this but all you do is talk and in the meantime shops decline and shppers go elsewhere
	encourage shop and apartment developments as this improves the shops and brings people and foot traffic

dvelopment is good especially on station and nearby streets - i notice street around post office is dead not much happening there at all - if you developed street and the station and the streets off centre rd you have more people. More people means more foot congestion and more people going to shops.
you need to appraoch with opne mind. "progress is impossible without change". You need to change Benteligh to make it progress and prosperour.
1.Build over the station - medium to high density - shops / apartments / market     2. More parking in Nichol;son and Burgess st
3. encourage developments of all the shops in Centre rd especially near the station
4.Renovate and invogorate Coles / Safeway / Library - multi level 5. Concentrate and encourgae aprtaments in Loranne and Mavho streets all the way both sides so you have concnetration of people in and around the station. Not in the other streets. You then have a Hub of density as well as people being close to the shops without impacting.
6. Fix the parking - 2 hours max 24 hours a day -especially in the Hub streets - this will allow for people to park and shop in the new shops .  7. encourage new developments - other suburbs have enteratinment precinets
I love the look and feel of the new aprtment blocks going up (yeah I know some people hate them) but you have to have them and even more if you want an are to keep growing.
If you dont grow you will not have shops or businesses. People need more people and more people means more people to shop locally
Build more nice new buildings - why is the Shopping center so devoid of life and run down - you need to make it exciting modern
No way more "development" (greater density)!
build an aquarium over the station with shops
you need to develop the shops in the street especially near the Post office as that is a very quiet zone - except for Aldi hardly anyone goes there
you need more apartments
same as above dvelope the shops / strip dont tie them up in knots - you need new buildings and hence new shops - the future in the street is medium to high density and that includes adjoing side streets near the station.
You want to improve the shopping strip do this and get new shops and better food and cafes and things that attract people
no developements you have to rethink this the economy lives on developments - you need to encourage developments not hinder
that the Council refuses to fix the car parking by making it 2 hours only in every street on a 24 x7
TOO MANY APARTMENTS!!! We are considering leaving the area we have lived in for 22 years. It used to be lovely. Now its getting too crowded with multistory dwellings. Today I saw a sign for another new development of 9 stories!!! and 72 more apartments. Seriously?!  This used to be a lovely area of California Bungalows and similar houses - what is the use of our Significant Heritage listing that was foisted upon us - so we can't put up a garage - but yet there are all these extremely modern

	houses and apartments going up. So not fair to the residents who have
	lived here for a long time. I'm very disappointed.
Feb 17 17 11:21:51 am	Stop the overdevelopment. The traffic congestion is awful and we n fact we

Dec 02 16 11:08:47 am	A car accessory store would be convenient (we used to have an Auto Barn!). The shopping strip has been declining over the years (we had Auto Barn, RACV, Medicare, BBC harware houseall gonefewer incentives to shop at Bentleigh)
Dec 02 16 06:54:07 pm	I feel the council has been completely unprepared - it has encouraged development with no regard to the amount of traffic congestion created, the behaviour of developers in de treeing our streets and blocks. Who wants high rises? Go to some European cities where development is limited to 3-4 stories, developers have to pay regard to what already exists, streets are treed, cyclists have separate paths, cars just can't go wherever etc. The style of development encouraged by this council should follow the European concept (eg Netherlands) and take into account how people want to live in communities. Our infrastructure is over stretched. The council should be trying to make up for the poor decisions that have been made in the past few years. It is interesting that Port Phillip Council does not seem to be making the same errors but is trying to make that area more liveable not less.
Dec 03 16 02:39:43 pm	Christmas decorations are definitely missing this year. Don't underestimate how significant they are in creating atmosphere and a reason for people to visit the strip - and spend money!
Dec 06 16 10:11:13 pm	I don't know if this is going to be a permanent issue, but I don't see the railway station parking areas coping at the moment. There's too many people cluttering up back streets all day, which I don't mind in the short term, but I really don't want to have to go to permit areas and stressful stuff like that as the apartments start to fill up either.
Dec 09 16 10:06:48 pm	Shops that are offices and employs a lot of staff should have enough car parking on site for staff instead of using public car parking.
Dec 12 16 05:05:03 pm	The market on Sunday's is great. It would be nice if there were some music events or similar festivals organised for the main strip - use the gazebo as a band space. Also parking areas need maintenance and rubbish at back of shops needs collection more often before it ends up blowing around the streets.

Feb 03 17 08:29:17 am	Parking could be improved/increased. I suggest an upper (single) level car

Feb 06 17 02:00:46 pm	I would not put up any more apartments in streets that run into Centre Road. The road is congested (Bent St) in particular, cars come along this road from McKinnon Road and it is impossible at present to drive because of all the buildings that are been developed.

Feb 06 17 06:59:49 pm	Maybe a brochure could be produced and available in the shops, with a list of what you might want to buy, and the possible shops that sell this (see comment on buying thread above). This would only be useful if it were updated fairly often, and covered all shops, not just those that wanted to chip in/advertise. Maybe this could be maintained on a website, with some brochures printed off periodically. Of course this could include advertising, and such a list may encourage shoppers to venture to the 'other' side of the shopping centre from where they live.

Feb 08 17 12:44:35 am	Do not take away any parking areas. Easy parking is a key feature to the on going appeal of the shopping strip. We lost too many parking spots along centre Rd in the last "update" about 6 years ago when the council put in all those areas of synthetic surface and trees surrounded by concrete blocks. Those concrete blocks make parking difficult. Go and take a looklots of tyre marks and chipped edges from frustrated drivers.

Feb 10 17 10:51:45 am	Train commuters have parking at the station you could increase this easily

Why did they take away 2 hour car spots? and give them to commuters and the inhabitants of the developments (who are not allowed to parking permist - correctly) but who have now been given half of the streets parking - isnt this hyproctical?

Feb 14 17 11:53:30 am	Struggling suburban shopping strips are being saved by the arrival of new apartment dwellers who tend to shop, eat and gather on streets near their homes Rapidly rising property prices in inner and middle ring suburbs and developer-friendly policies encouraging higher density projects on suburban retail strips have resulted in a population boom in suburban shopping streets across Melbourne.
	"Adding to the popularity of these strips are the new four to five-level medium-density residences, which are more prevalent in these suburbs," one of a number of inner and middle-ring suburbs benefiting from apartment development, which brings with it rising resident populations and, often, a younger, more affluent local consumer
Feb 15 17 07:21:04 am	Only issue do not allow shops to develope past Fresh Cut market - you can let them develop or the old spot light store but not further away
	Further in tworads the raiway station yes - encourage devlopments - all the suburbs do especially in the streets around the stations and railway lines - only this Council seems lost and adverse to improving the lot of traders
	They even prevent shoppers parking in the streets by turning them into all day parking for commuters which means less parking for shoopers which means less money for traders which you are doing this survery

	Which means Council will not do anything
Feb 15 17 07:59:10 am	Listen to someone who knows - encorgae devlopments on the shopping street / encourgae parking in Burgess and Nicholsn street.  Encourgae developments in Loranne and Mavo all the way up and then you can have all the people you need in the closness of the station and railway lines.
	But restrict the parking dont leave it at all day parking - it doesnt make sense. I have friends in other surbubs and they dont have this or other issues

Feb 16 17 03:29:14 pm	that the Council refuses to fix the car parking by making it 2 hours only in every street on a 24 x7
Feb 17 17 11:21:51 am	Stop overdeveloping. It's awful. There won't be any family homes with gardens left. You clear a whole block of trees to put two townhouses up, with not enough room so then everyone uses the garage to store things and has to park their car on the street!! The greenery in the suburb is coming from people's gardens! There is no infrastructure to support all these flats in the streets with traffic. Doing this in the city is expected - in the suburbs it's terrible. Yan nick from Metrope 'the guru of development' says we all have to get used to more population density. I wonder when he's moving into his 250sqm townhouse!

	The price of a home in Bentleigh is very high so the surroundings should match

Feb 02 17 02:45:57 pm	I like the strip for the reasons previously stated. I'd rather it not become

	priced and lacking plant life.

Feb 04 17 12:47:27 pm	Chapel St
Feb 04 17 05:09:50 pm	Church St. Brighton. Nicer restaurants for going out at night. There doesn't

	We like the restaurants in Carnegie and Hampton. We love nice cafes for

	breakfasts too.

Feb 06 17 09:55:44 am	I like it as is, but Glenhuntly Rd Elsternwick is another great area.
Feb 06 17 10:11:34 am	Church St Brighton in terms of aesthetics. Trees, shade and seating make it a more relaxing experience
Feb 06 17 10:13:49 am	Oakleigh - built around the 'square' of streets which has a variety of 'ethnic' shops. Specialist grocers, cafe's etc.
Feb 06 17 10:15:21 am	Bay Street Brighton Where there are cafes/ restaurants with outdoor seating. There is a Coles supermarket with 2 levels of underground parking, and a few dedicated Seniors car parks

Feb 06 17 01:41:44 pm	Church St, Brighton - local entertainment (cinema & restaurants)
Feb 06 17 02:00:46 pm	Other shoppingcentres would envy Bentleigh
Feb 06 17 03:51:23 pm	I love Church St Brighton, but don't think Bentleigh can become like that. It should develop its own character.
Feb 06 17 04:00:47 pm	Carnegie with a great choice of restaurants.

Feb 07 17 07:03:00 am	Church Street Brighton -its vibrant parking is good / envioronment is friendly
Feb 07 17 09:05:59 am	Vibrancy of Malvern would be nice but not essentialie to become a destination shopping strip in addition to local. Might need more famous delis, cafes, restaurant chefs, etcEuropean style shopping.
Feb 07 17 09:12:49 am	Create our own sustainable and future ready hub. Perhaps a community hot desk area as well as library. Lead with technology.
Feb 07 17 09:30:27 am	Chapel Street -vibrant / up market and lots of people
Feb 07 17 09:36:14 am	I like Glenferrie Rd Malvern shopping strip. I'm not exactly sure why but the shops have a different feel about them and the cafes have food that doesn't seem to be easily found on Centre Rd.

Feb 10 17 02:55:11 pm	Don't want it to become like another shopping strip - it already has its own character.
Feb 10 17 03:00:03 pm	each place has something special but Benteligh cant think of anything
Feb 10 17 03:18:58 pm	Hampton - shops being developed esepcially near the station allows for new shops and more people its vibrant
Feb 10 17 03:20:16 pm	Church st Brighton has wide pavements where it's possible to walk. Angle parking means that cars exhaust is not next to footpath, pedestrians and cafe tables
Feb 10 17 03:30:36 pm	Hampton its developing becoming more alive after stagnating for years like Bentliehgh is now - development has made a difference
Feb 10 17 03:49:15 pm	Keep it the way it is.
Feb 10 17 04:51:25 pm	Church Street Brighton is a great example of a larger quality suburban strip, it has a village feel, trees and most importantly quality shops.

Outdoor places to heat with nice furniture. Wide footpaths the list goes on. No huge developments going on around it! Trucks not going through the Main Street when you are eating dinner!!!!

Feb 20 17 08:14:53 am	I think Centre Road has the potential to be better than all the rest. But maybe Chapel Street or the Glenferrie Road as they have plenty of shops. I would say Bridge Road Richmond but it feels too crowded.

Date	What would you like Bentleigh shopping strip to be like for future generations in 30 years time?
Dec 02 16 11:08:47 am	A bright, colourful shopping strip, with clean toilets and a variety of stores and public services.
Dec 02 16 03:02:31 pm	no vacant shops
Dec 02 16 10:13:44 pm	Modern, contemporary, clean and practical.
Dec 03 16 04:20:27 am	I'm pretty sure it will look like Clayton or springvale. Crap
Dec 03 16 02:39:43 pm	The malls will service clothing and homewares, as will online shopping.  Bentleigh should offer everyday items, a variety of fresh food and a selection of quality restaurants. Malls will never offer these as well.
Dec 04 16 06:36:04 pm	Still to maintain the village feel with trees and maybe some flower tubs here and there.
Dec 04 16 09:55:54 pm	Quality retails, food
Dec 05 16 10:41:15 am	A go to destination which i am proud to promote
Dec 06 16 10:10:43 am	Easily accessible and preferable over major shopping centres.
Dec 06 16 01:26:10 pm	A big village/mall.
Dec 06 16 09:59:29 pm	Clean, diverse and with sufficient parking
Dec 06 16 10:11:13 pm	Not too different, about the same population density, with all the benefits of

	progress and none of the negatives of social engineering missteps. A few
	more and better shops always helps and what they need to be will
	constantly change to keep up with resident's needs.
Dec 07 16 07:08:35 am	Not sure
Dec 07 16 02:12:21 pm	I would like it to move with the times and not go stale and cater to the
Dec 07 10 02:12:21 piii	demographic
Dec 08 16 10:30:12 am	car free
Dec 09 16 10:06:48 pm	Keep it a mix of small business, it keeps in with the community spirit.
Dec 10 16 12:33:29 pm	More gentrified
Dec 12 16 01:46:03 pm	Somewhere with a good community feel. So you don't need to go to
	chadstone or Southland.
Dec 12 16 05:05:03 pm	Would like it to become a favourite destination that offers an alternative to
	the major Westfield and Chadstone type shopping centres. Would like to
D - 42 46 00 22 54	know that people knew their shop keepers and vice versa.
Dec 12 16 08:22:54 pm	Contemporary, clean and able to meet the needs of the community.
Dec 13 16 07:02:58 am	Not much different. Just more choice in dining
Dec 14 16 01:05:44 pm	Have more high rise apartments
Dec 14 16 04:16:40 pm	
Dec 14 16 09:00:36 pm	Clean, contemporary, practical and appealing.
Dec 16 16 06:20:22 pm	Family friendly great for popping in to get food cafes, a nice wine bar and a
D 40.46.00.22.42	good restaurant. Good unique specialty shops!
Dec 19 16 08:33:13 pm	Still retaining village and friendly atmosphere

Feb 08 17 01:49:39 pm Like the present, only more of it.
Feb 08 17 02:01:53 pm A fabulous alternative to the Chadstone and Southland complexes which
are exhausting and unhealthy. Maintain the diversity of shops, ensure all the basics/essentials can be obtained, and encourage the boutiquey/specialty places for that extra enticement to browse and linger.
Add some greenery for aesthetics, health and well-being

Feb 08 17 02:04:57 pm Probably unchanged
Feb 08 17 03:04:15 pm Very similar to what it is now.
Feb 08 17 03:23:57 pm Less cheap \$2 like shops. More healthy eating and lifestyle stores.
Feb 08 17 03:26:41 pm To be easily accessible and to offer the needs of the residents of the day
Feb 08 17 03:46:02 pm Safe, practical, affordable and accessable for the all. And attractive with trees
Feb 08 17 04:01:09 pm A place that locals feel embraced and welcome that you choose to go to first for ease and convenience. If you have good shopping you will then attract visitors
Feb 08 17 04:14:11 pm More big brand stores. Capped to a very small amount \$2 shops or Asian stores with Australian/English signwriting and menus. There's plenty of the in Clayton, Springvale, Footscray to name a few.
We are different, providing an intimate stylish and quality shopping strip. I know residents from Bayside that enjoy shopping at Bentleigh because of this.
Feb 08 17 04:17:43 pm Serviced allowing for increased population - keep as many independent traders to allow the community a large range of choice
Feb 08 17 04:21:03 pm  I hope it retains it friendliness, has shops that supply all the essentials and doesn't become overrun with high rise apartments over the shops.
Feb 08 17 04:33:11 pm Safety first maintain adequate carparking good bus service
Feb 08 17 05:11:02 pm maybe road closure and walking space with parking at strategic points - access from behind shops
Feb 08 17 05:18:32 pm More modern and less trashy and cheap looking

Feb 10 17 01:20:52 pm	combination of sothland / pharan /camberwell but alive and hip and not stagnant and dingy
Feb 10 17 01:33:21 pm	full of people and a modshopping centrte - not just a strip of shops but a whole shopping centre with developments etc
Feb 10 17 02:09:28 pm	Oakleigh styl but with a mixture of different cultures not a stagnant strip of boxes called shops
	Build on the station increase people // make a muit level car park in nicholson street ? over the exisiting car park and further down // more parking at Burgess street - angle parking for the train commuters as well // make the other streets 2 hour parking and then you will have more people moving in and around
Feb 10 17 02:17:39 pm	?
Feb 10 17 02:25:08 pm	an alive place a safe place a place you can let kids go to the shops wiothout fear
Feb 10 17 02:42:39 pm	Not just a strip of shops but a place people can also enjoy theslevs and also shop and eat and drink
Feb 10 17 02:55:11 pm	Modern, open, a mix of small shops (no big department stores).
Feb 10 17 03:00:03 pm	entertainment area filled with people shopping / catching the train or easy quick parking
	You should encourage buildings in the precinet not outside - i have friends in Loranne street they rent their but if they could buy an apartment there they would be happy. You could make this and Mavho streets just apartments - they are close to the shops and dont impact on the houses further out like Cambell street - you could still have the old homes but you would have a a new area close by which would bring new people who would shop and coffee etc and be close to the trains. You then have more
	people to spend more money.  East Bentleigh is going the correct way - encourage development of shops dont put rules in their way
Feb 10 17 03:18:58 pm	have a busy hub - make the hub the station - develop the station develop Mavho / loranne and burgess / encourage people to use transport / reduce street parking except for shoppers these streets do not impact on the character of Bentleigh thats why they are defined as development - dont waste the opprotunty again and again
Feb 10 17 03:20:16 pm	Still here

	More interaction with shop keepers who offer excellent quality, affordable
	goods (eg. L+L Butchers are a fantastic business - the guys are incredibly
	good at making the effort to get to know customers) many shop
	owners/retailers along the strip might benefit from lessons in customer
	service - actually learning how to interact with customers might improve
	their sales and customer loyalty

Feb 13 17 11:07:32 am	like Brighton
Feb 13 17 05:15:52 pm	People will need food and want to sip their coffee in a nice and familiar
	setting (e.g. cafe), despite Nespresso and online shopping. This part is
	likely to still exist in 30 years. We will need a greener environment to
	survive, so maybe a bit of planting now to achieve a boulevard (tree-lined street) type of environment - most shop houses are 2 stories only and are
	not rented upstairs for the view, so this could be doable
Feb 13 17 08:02:10 pm	Safe, community oriented & friendly for all ages
Feb 13 17 11:10:46 pm	Maintain the community shopping strip feeling. Avoid becoming a Box Hill.

Feb 15 17 11:22:35 am	As above with great transport and community facilities
Feb 15 17 12:51:43 pm	something that has everything i have mentioned - you inists on keeping the shops and houses low storey thats like having your head in the bucket instead of reaching for the sky.  Not talking skysrapers but if you want the stores to survive you need to give people a reason to shop there
	Not some of these dark / dirty shops - you also need regular inspections
Feb 15 17 01:04:18 pm	Less apartments, particularly over shops. Pockets of open spaces where residents can sit and meet.
Feb 15 17 01:39:27 pm	To not have high rise buildings. Keep it at two storeys only. To have a large variety of small shops. Also, easy to walk along the shops.
Feb 15 17 02:17:53 pm	its a matter of where narrow minded people will take it - by rights it should be devloped into a high end shopping center new / active electrifying and where people can feel safe and happy and hold heads high
Feb 16 17 07:06:25 am	like Box Hill - full of people
Feb 16 17 07:45:27 am	a mini city with its Hub in and around the Station

Feb 16 17 12:42:45 pm	Keeping it the way it is!
Feb 16 17 12:52:17 pm	a vibrant small city - with various shops and more people - dont look back look foward. Build on your station Build on Centre Rd Build in the streets around the Post office - cocnetrate people in there
Feb 16 17 03:06:29 pm	can it be a small city instead of a group of shops on a street
Feb 16 17 03:19:49 pm	full of people instead of half empty
Feb 16 17 03:29:14 pm	my vision is that the Council r fix the car parking by making it 2 hours only in every street on a 24 x7
	Coiuncil vision is a car park with no Bentleigh shops but a wide plain for parking
Feb 16 17 03:42:36 pm	As a heritage to this area and it's origin.
Feb 17 17 11:21:51 am	It's going to be an absolute nightmare in 30 years. All the apartments will be built so traffic will be a huge problem.
Feb 17 17 03:10:18 pm	A classy, interesting mix of retail shops, cafes, amid a beautiful and interesting landscape
Feb 17 17 03:53:29 pm	?
Feb 20 17 08:14:53 am	A hub of local activity. Bustling. Business meetings in cafes. No cars. Plenty of trees and green.
Feb 20 17 10:04:24 am	Completely car free, inclusive, multicultural, fun, friendly. Have coworking, makerspaces, entire strip should be energy independent running on 100% renewables; water harvesting. A biophilic suburban strip. Need way more trees for shade and birds!

Feb 21 17 06:46:24 pm	Retain current ambiance
	Community small business feel
Feb 21 17 06:51:09 pm	More open community including traders, more market like.
Feb 21 17 07:02:54 pm	Big and thriving
Feb 21 17 07:07:07 pm	More food variety
	Different cultures
Feb 21 17 07:12:38 pm	Still as clean as now
	Not too crowded
Feb 21 17 07:23:04 pm	Less cars/ trucks driving through
Feb 21 17 07:32:25 pm	Not too many high rises
	Not too much traffic
Feb 21 17 07:39:55 pm	Don't develop too much height not to dense in population
Feb 21 17 07:44:11 pm	Leave it alone don't develop it too much.
	Eg. Frankston was once quiet now not good
Feb 21 17 08:12:56 pm	More trees
Feb 21 17 08:17:29 pm	More lively at night
Feb 21 17 08:21:34 pm	That it is still here and hasn't been overwhelmed by greedy developers
Feb 21 17 08:25:21 pm	Less commercial more small businesses
Feb 21 17 08:29:41 pm	More area for kids less developments too many apartments
Feb 21 17 08:34:23 pm	About the same
Feb 21 17 08:45:27 pm	Maintain strip feel
	Not mega mall
Feb 21 17 10:14:38 pm	Looks good now. Small scale local

Date	Any other comments?
Dec 02 16 11:08:47 am	Please, renovate the shopping strip. It looks dull, dirty and ugly
Dec 03 16 01:02:46 pm	I quite like it as it is!
Dec 03 16 02:39:43 pm	As I said earlier, the neighbourhood demographics are changing. Bentleigh is no longer a poor bayside suburb, and the shopping strip needs to reflect this fact.
	As a last comment - please, please can you put up decent Christmas decorations?
Dec 06 16 10:11:13 pm	The keynote of a shopping strip like ours to me would be serving the residents of the area and meeting their needs. I don't think we've the space or location to become a hub for passers through or tourists. It's a domestic suburb and always has been. We neither want to overdevelop it or fall behind the pace of progress.
Dec 07 16 07:08:35 am	Safe and friendly
Dec 08 16 10:30:12 am	keep going with supporting strip shops
Dec 09 16 10:06:48 pm	I love Bentleigh and how a lot of the shops are run by the owners. A much more friendly atmosphere.
Dec 14 16 01:05:44 pm	N/A
Dec 30 16 10:21:14 pm	Love the fact we have 4 op shops in Walking distance from each other . Fabulous! Don't lose this asset .
Jan 09 17 01:22:21 pm	You could also get a cinema, I much prefer to go to a local cinema than look for a car park at Chadstone or Southland.
Jan 14 17 07:13:10 pm	Get rid of the crappy \$2 shops and salvos and meth clinic

Jan 20 17 08:35:32 pm	It is a pity that the community were not kept better informed of the plans that had been made for it. Just being asked to love the shops during changes told us nothing. This is just spin and cover up about what really is happening.
Jan 24 17 04:03:34 pm	once again I would like to stress the need for a parking permit for traders. I need to be able to park close to work for loading and unloading. Also sometimes you can't get out of your shop due to staff issues or just being busy, which is what we all want to be.
Jan 31 17 05:11:39 pm	If we could only stop the vandals things would be better.
Feb 02 17 02:41:20 pm	I used to shop at centre rd However with all the rubbish shops, with the exception of a few and Extra Fresh, I now spend my money in Bayside. I can go to Church street and Bay Street which have everything that Centre Road has, minus the the homelessness and also junkies, And have a coffee with friends and shop and bank. With Centre Road there are a few stores now popping up but the community will not support completely if there are also junkie houses and homeless and \$2 shops.
	Thus Glen Eira is missing out on my \$ and I am not the only one.
Feb 02 17 04:59:57 pm	There is too much development which is truly unnecessary.  Better mix of shops perhaps. Cleaner streetscape and have a height restriction on buildings in Centre Road. It
Feb 02 17 05:59:27 pm	N/A
Feb 02 17 07:57:01 pm	Just a comment about the concerts that were held at the rotunda a few years ago (Jade McCrae, etc.). We went and it was a very disappointing turnout. The reason for this was that the acts were no one that anyone who goes to the shops at Centre Road would like. These acts should have attracted younger people, but without the cool shopping to make the young people want to come, no one came to the concerts. Concerts could have been more kid-friendly or older acts, until the types of shops are more fashion-forward.
Feb 03 17 08:50:51 am	no
Feb 03 17 02:07:56 pm	Whilst Benleigh offers plenty of coffe shops for during the day there is little incentive to eat out there at night.
Feb 03 17 02:32:52 pm	The patching of pavements by utilities (Gas and Water) after repairs new pipes have been run to shops does not return the paths to their original condition.
- L 00 47 00 00 76	And do something more festive and brighter for Xmas decorations.
Feb 03 17 03:23:56 pm	None  Yes, we want edible gardens throughout that the community cabin share
Feb 03 17 07:41:14 pm	and edible plants on the nature strips.
Feb 04 17 05:09:50 pm	I have lived here all my life so I love the Bentleigh shopping strip anyway. It has evolved into a great place with more variety cafes/restaurants. There is still lacking good contemporary retail shops - Bentleigh is still dominated by discounts stores and outlets for the "older" generation". Shops that appeal to younger markets would make the Bentleigh strip a great place to shop.
Feb 04 17 11:33:01 pm	Love the area!
Feb 05 17 08:50:41 am	Needs more restaurants opened later. Can't get a late night meal or coffee after cinema. Need something like Dendy Deli.
Feb 05 17 01:49:56 pm	Start planting more trees. The thing is with overdevelopment is that they take down all the well established trees in the area and replace with shrubs. Unless the council plants decent (not palms) trees in the areas. Most places that are better are tree lined, otherwise there are lots of trees in the surrounding houses. you've let a multitude of apartments be built and

_i	
	therefore no trees left. Sure you'll have more money with the amount of council tax being charged but you'll attract a different geographic of people.
Feb 05 17 08:17:11 pm	How about closing Center Rd to cars at specific times?
Feb 05 17 10:50:30 pm	The \$2 shops and Salvation stores are an eye-soar.
reb 03 17 10.30.30 μm	Friends that come to Bentleigh first notices how we have "ALOT OF \$2 and OP SHOPS".
	Not a very nice first impression of the suburb.
Feb 06 17 09:21:38 am	stop the methodon chemist - leads to more crime
Feb 06 17 10:13:49 am	Removal of the level crossing makes it much more pleasant when one has to drive through.
Feb 06 17 11:09:30 am	Cut down on Asian owned retail shops.
Feb 06 17 11:27:40 am	I mentioned entertainment, but watch out for unsolicited buskers and especially professional beggars.
Feb 06 17 11:56:26 am	LOVE the fresh produce shops and small retail businesses
Feb 06 17 01:07:00 pm	Don't allow half baked ideas from state or local bureaucrats or overpaid consultants to be implemented without doing appropriate checks with affected parties.
Feb 06 17 01:39:05 pm	no
Feb 06 17 04:52:02 pm	no
Feb 06 17 06:43:40 pm	I do not drive so whatever helps is good
Feb 06 17 07:48:54 pm	Lots of through traffic makes them lose their character together with a proliferation of op shops and 2 dollar shops. Too many cafes also makes a shopping strip anodyne.
Feb 07 17 07:03:00 am	enourage devlopment in the full (whole of the ) streets for loranne st / cambell streets then restrict in the streets further away from the lines. Doing a 1/2 appraoch is not benefical -make it the whole street both sides and this will reduce people appealing permits and also allow for a concetration of services
	These streets are closer to shops and therefore are suitable for developments not like further streets alot away from the station and strips this will restrict developments but place it them where they are required close to the station.  Make parking 2 hour only and monitor
Feb 07 17 09:30:27 am	increase accommodation availablity
Feb 07 17 09:45:54 am	I love Centre Road and its now even better with the train underground. Its safer for all AND no more lengthy delays waiting for the train to pass.
	Please factor in car parking for residence as well as locals. The new multi story developments only have 1 car space when these days most households have at least 2 cars. Not very fair for visitors OR locals.
Feb 07 17 11:50:22 am	As I said before, please hire a good architect and do not rely on the ignorant local residents too scared to accept changes
Feb 07 17 01:07:02 pm	chase the supermarkets to check streets daily for trolleys left in local streets
Fab 07 17 01:22:52 pm	increase parking inspectors  You want people then tell them they cant park in streets -either make them
Feb 07 17 01:32:52 pm	2 hour or stop asking for how to improve the strip.
	No parking means no people - no people means no shops.
	Traders have own parking Commuters have own parking

	Residents of houses have (ive seen) permits so why not 2 or 3 hour parking - what is Councils problem??????????
Feb 08 17 12:44:35 am	Encourage the younger/school communities to stay connected to the area through festivals and events. How about an evening youth or family festival in the Coles carpark encouraging the local food traders to have food carts and other traders with showbags with vouchers and novelties.
Feb 08 17 08:14:19 am	Please listen
Feb 08 17 10:52:11 am	please listen to reason and not people who just scream and rave - they like the dollars they get for their houses though
Feb 08 17 11:19:42 am	I like shopping as I am local and I like to keep our local businesses going. If the strip was full of chain stores and not Owner-Run stores I wouldn't feel strongly about shopping on Centre Road.
Feb 08 17 12:37:30 pm	You could improve this strip largely by removing the smoking
Feb 08 17 01:34:31 pm	forgot to mention the nut shop in earlier comments (I like that type of store)
Feb 08 17 01:42:27 pm	Improve Rotunda area its so ugly and people do use it and would use it more if it were better.  May consider removing parallel parking some where on the strip where there are many cafes, so the sitting out side area is more hospitable.
Feb 08 17 01:49:39 pm	Keep up the good work.
Feb 08 17 02:03:23 pm	no
Feb 08 17 03:26:41 pm	I would like the footpaths to be FOOTPATHS for the use of pedestrians and not to be blocked by traders advertising their products.
Feb 08 17 03:46:02 pm	Centre Road surface has become very damaged it has deep ripples where the heavy vehicles have caused it to move. Those ripples are trip hazards when crossing the road in a north/south direction. Some of the ashphalt bulges at the gutter edges, again causing people to trip when stepping out of parked cars
Feb 08 17 04:14:11 pm	No high rise construction above 3 stories. It would tower over our little charming shopping strip and close it in and congest it with traffic and overpopulation, also straining local resources and parking.
Feb 08 17 04:33:11 pm	No
Feb 08 17 05:18:32 pm	No
Feb 08 17 08:17:39 pm	Wider roads
Feb 08 17 08:18:35 pm	I love Bentleigh shopping centre
Feb 08 17 08:47:21 pm	MAYBE POLICE PRESENCE
Feb 08 17 10:59:38 pm	Promote Bentleigh within the community FB hub.
Feb 09 17 03:21:41 pm	Please do something about the parking and entrance/exit and traffic in my street that has grown over the years due to Aldi and that the shops in that building.  I don't have a solution, but you as the leaders definitely should! I mean someone has the genius idea (not) of having once car enter and exit at any one point at BOTH ends of my street. also look at parking permit in the first hald of our street - and resident will not pay for these permits either. We shouldnt considering the inconvenience we suffer due to the current traffic caused by the shops being in that location and Glen Eira not doing anything to control traffic.
Feb 09 17 03:55:58 pm	The eateries are great on the shopping strip but the retailers could definitely be improved.
Feb 10 17 07:14:07 am	yes - please presure the State Government and the Council - we are dying here
Feb 10 17 11:06:04 am	Any reason you cant have more apartment living in the street or in the side streets? and if in a side street can they have a lttle coffee shop underneath?

	T. C.
	I live in Loranne st apartments and love it,  - I think you should make the street more apartments as that encourages young people and  - also they would all be close to the station  - we dont need car parking on the streets  - you can then encourgae more people ie shoppers  - make it two hours like the other side this also leads to cars moving and the street cleaners being able to clean.  Ps how come our Unit block doesnt allow parking in the front? have always
	wondered ? are we special ? :) (thats a smiley icon -hope it works)
Feb 10 17 01:20:52 pm	Fix your car parking issues // and i suggest if you want the area to thrive not just survive you encourage development around and on the shops as well.
	Your Council doesnt seem to understand that you need people and people need to live some where so build for them and make the shops attractive and the people will stay and shop. and then traders will be happy
	YOU CANNOT HAVE ONE WITHOUT THE OTHER
Feb 10 17 02:09:28 pm	You need more development and you need the people to live there - dont chase them away or discourage them -make it so people want to come there.  Safeway is run down / Coles area is underutuisled same for Safeway /// train station not utilised at all.
	COUNCIL AND TRADERS STOP BEING SHORT SIGHTED - dont trust the engineers they only look at thier own job and not at the overall picture.  BUILD AND THEY WILL COME  PROCLAIM THAT BENTLEIGH IS OPEN FOR BUSINESS AND  DEVELOPMENT AND NEW SHOPS and a Centre to enterain people
	Do it you know you can do ittttttt
Feb 10 17 02:25:08 pm	Make KF Fruit store / Coles / Aldi / Safeway / - responsible to every day at least a couple of times to check each street for trolleys
	they want money but dont want to collect trolleys until they are phoned by people who cant park cars or neighbours sick of them being dumped
Feb 10 17 02:42:39 pm	You will find you will be left behind and it will be too late to revive the area if you restrict innovations and devlopment now. Stop being short sighted.
	Close your eyes and see the picture - shops over the train station / cars moving on after 2 hours and new shoppers arriving for a couple of hours - Units and apartamnets in the 3 streets around the staion that is your HUB . You want the centre to survive do this
Feb 10 17 03:18:58 pm	Make Bentleigh sing
Feb 10 17 03:30:36 pm	you wont do anything but listen to wigning neighbours about your wrecking houses - thats not true look at it from the traders - no people no shops
Feb 11 17 11:27:05 am	As locals we understand and can see that the suburb is changing rapidly, the changes to the strip should be community driven (not developer/profit driven).
Feb 11 17 04:01:21 pm	Thank you for the opportunity t input
Feb 11 17 07:25:03 pm	music on saturdays
Feb 12 17 09:52:57 am	Thanks for the opportunity to have a say.
Feb 12 17 05:07:57 pm	Three storey height limit on Centre Rd for winter sun penetration.
Feb 12 17 05:24:20 pm	The shopping strip at times can feel unsafe please ensure this is factored

	into the planning.
Feb 13 17 07:00:23 am	Fix the parking and allow people to come and shop - Im amazed that this is
reb 13 17 07.00.23 dili	not being down - what is the problem ? not enough handouts ?
Feb 13 17 07:20:51 am	No
Feb 13 17 07:28:27 am	read and get council to do something -
	ps Cinema complex would be fantastic - more people nad developments
Feb 13 17 07:49:44 am	nothing will be done by the council and you will not even pass on these
	comments
Feb 13 17 08:25:34 am	allow more devlopments in the street and also the streets closest to all the
	train tracks this would concetrate congestion and allow for the extra people you need in the area to shop.
	you need in the area to shop.
	as said maybe let the developments have a cafe dont just have the shops
	on the street think side streets as well that would expand the area
Feb 13 17 11:07:32 am	The council and traders need a good shake up and appear on the streets to
	see what is happening not just read it here.
	You both seem scared
Feb 13 17 05:15:52 pm	Thank you for the chance to participate.
Feb 14 17 07:18:10 am	Council will not do anything
Feb 14 17 07:18:10 am	why did you get rid of Medicare ?
reb 14 17 09.51.04 aiii	you need something like that or even an Optus prescence
Feb 14 17 10:07:51 am	fix pedestrains
Feb 14 17 11:07:30 am	No. Despite it's shortcomings, I still enjoy walking down there most days
	and always meeting someone I know.
Feb 14 17 11:53:30 am	read the comments - move forward check the hip places if you dont want to
	be left behind
Feb 14 17 12:55:11 pm	please help the traders
Feb 14 17 01:19:50 pm	mavho and loranne streets are good for this high density - encourage developments into these streets both sides all the way up not this haly
	attempt and then you can releive pressure on other streets. its simple logic
	and economically better
	Also increase and encourage shops to be developed
5 L 45 47 07 24 04	thats your answer and change your building and traffic engineers  you going to print these results or sanitise them so council or the people
Feb 15 17 07:21:04 am	cant see the truth
Feb 15 17 07:59:10 am	As a minimum change the parking signs in the streets near the stations and

Feb 15 17 01:04:18 pm	Stop the higgledy-piggledy developments wherever is an open space no matter how big or small it is.
Feb 15 17 02:17:53 pm	parking disater due to Council - refusing to change the signs and make
	streets 2 hour parking 24 hours aday
	is this the same council you are asking to help fix the shopping center?
	GODD LUCK youll need it with them
Feb 16 17 07:45:27 am	You will all talk and argue and then nothing will be done except some cheap
	paper streamers and tthat will be it till the next survey
Feb 16 17 09:55:43 am	Keep older houses but further away ie on other side of Brewer rd - streets
	close to the Center rd and the Station and Centre Rd shops need to be
	developed and growing otherwise you will have a samll country town and

	you can see that they are in big trouble
Feb 16 17 12:52:17 pm	You will not be profitable if you do not have growth and you need peopl
Feb 16 17 03:29:14 pm	Hope this is published and results made known on the web site or in the
	newspaper and not hidden by Council or Traders
Feb 16 17 03:42:36 pm	Think I've said enough. Just no more apartments PLEASE.
Feb 17 17 11:21:51 am	Always supported Bentleigh - can't wait to move. Too scared to stay any longer invade developers pull down the houses around us and let someone build a McMansion looking into our garden and house. Streets starting to be lined with cars make Ng it difficult to drive down them.
Feb 17 17 03:10:18 pm	I'd like the quality of the landscaping and the cleaning of the streets to be checked by someone who cares and can improve it from time to time
Feb 19 17 06:51:47 pm	Bentleigh is a good place to live but somehow seems to lack an identity and perhaps needs an eliment of sophistication without becoming expensive.
Feb 20 17 08:14:53 am	Please do allow the shooing strip to develop and guide it. The area is gentrifying fast and the shopping strip needs to keep up.
