

WHAT GOES IN EACH BIN

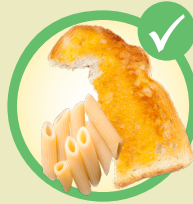

Food and garden waste

Fruit and vegetable scraps

Meat scraps and bones (including seafood)

Bread, pasta, cereal and rice

Dairy leftovers and egg shells

Coffee grounds and loose leaf tea

Used paper towel and tissues

Weeds, flowers, grass, leaves and garden prunings

NO PLASTIC BAGS

Our green waste processing facility doesn't accept any plastic bags — including compostable and biodegradable. They do not break down in the in-vessel composting system and contaminate the compost.

Recycling

Cardboard, paper, newspaper and envelopes

Plastic cutlery, paper plates and coffee cup lids

Hard plastic items

Empty glass bottles and jars (with lids separated), cans and aerosols

Plastic bottles and containers (empty and lids separated)

Plastic pots (less than 10cm in diameter)

Cartons

Plastic bags

Food scraps

Fabric

Batteries

Garbage

Ceramics, crockery and glassware

Nappies (wrapped)

All coffee cups (lids can be recycled)

Tea bags

No hazardous materials or liquids, soil, ash, building materials, medical waste or e-waste.

Small e-waste items are accepted at Glen Eira Libraries' collection stations. Items larger than a DVD player can be taken to a waste transfer station or you can book a hard rubbish collection by contacting Council's Service Centre on 9524 3333.

**Recycle soft plastics at a nearby Coles or Woolworths supermarket.
Do the crunch test — if it can be crunched into a ball, it's a soft plastic.**
