

# INTERNATIONAL WOMEN'S DAY 2020

A celebration of women in our community

To commemorate the achievements of local women, we invite community members to submit photos of women and young women of Glen Eira that:

**You admire, that may inspire you, make you smile or add colour and meaning to your life!**

Photographers of all abilities and backgrounds are invited to submit photos that capture a special woman in their life. These photos will be used to form part of a community photographic exhibition at Glen Eira City Council's Gallery.\*

We ask that each photo is accompanied by a short story or description about the woman featured in the photo.

Entries open: Monday 16 September 2019  
 Entries close: Tuesday 31 December 2019  
 Launch of Photographic Exhibition: Sunday 8 March 2020
