A feathery friend!

Materials: cardboard, scissors, glue, pencil and paint.

Cut out the duck, beak and stands and trace shapes on to cardboard using a pencil. Make sure the middle of the beak is on a fold line so that it can bend. Cut the cardboard shapes out. Glue on the beak and paint your duck.

Time to quack!

An Activity created by Glen Eira City Council and Anna Walker

Feathery friends!

Materials

Cardboard (perfect chance to recycle!)

Glue

Scissors

Pencil

Paint and brush

Step 1

Cut out the duck, beak and stands.

Make sure the middle of the beak is on a fold

line so that it can bend.

Step 2

Glue beak on.

Slot stands into body of duck.

Step 3

Paint duck.

Begin with lightest colours first.

Let paint dry between each colour.

Step 4

Make your duck quack!
