## Social Distancing Support Program

If you're between the ages of 10 and 25 and live, study or work in Glen Eira, you are eligible for our new *Social Distancing Support Program*.

In response to the COVID-19 pandemic, the *Program* aims to support young people through a climate that requires isolation as a means of community safety.

The *Program* will focus on one-on-one support, (whilst social distancing), achievable goal setting and referrals.

Each young person will be assigned to a youth development worker who will make multiple contacts with the young person throughout the week, helping them set and achieve productive goals, keeping the young person motivated and connected during this time.

For further information and to register your interest, contact Youth Services on 9524 3676, email [youthservices@gleneira.vic.gov.au](mailto:youthservices@gleneira.vic.gov.au) or visit [www.gleneira.vic.gov.au/services/youth/programs-for-youth/social-distancing-support-program](http://www.gleneira.vic.gov.au/services/youth/programs-for-youth/social-distancing-support-program)
