Nature Colour Treasure Hunt

An activity by Glen Eira City Council

What you will need

Empty egg carton

Water

Paint and brush

Scissors

Marker

What to do

Cut egg carton in half. You could also set a real challenge and use all 12 cups.

Decorate the outside of your treasure box with paint — any design you want.

Paint each internal cup a different colour. Leave to dry.

Go on a hunt. Look for colours in nature that match the colours in your treasure box.

I wonder what you will find?

Share your adventures with us!
