# MEDIA RELEASE

## Now is the time to discover your Glen Eira

Businesses play a big role in our community. Not only do they deliver goods, services and jobs for locals, but they also contribute to the culture and feel of our activity centres and make our shopping strips friendly and attractive places to be.

It's been a tough year, and while it's not business as usual, Glen Eira is getting back to business, and with the busy end-of-year season just around the corner, our businesses need our support.

*#DiscoverYourGlenEira* is Council's campaign to encourage our community to get behind local businesses, whether that's online or out and about in one of our many activity centres. In the coming weeks, you'll see signs up and about, bringing some celebratory colour and life to our shopping strips and spreading a message of support for local businesses.

Whether it's taking advantage of online shopping from the comfort of home or safely getting down to your local shops, there has never been a better time to discover what your local businesses have to offer.
