Art on your doorstep

Looking for something to do during the summer break? Download our free self-guided walking app and take a tour of the creative artworks which have transformed 44 signal boxes in and around the City of Glen Eira.

As part of the tour, you can explore the artworks designed and painted by local artists. You can also listen to their stories, which highlight the inspiration behind the art and what living in the City of Glen means to them.

The signal boxes are located all over the City, so take the time to look up the locations as there might just be one right near you!

You can download the app from the App Store or get it on Google Play by searching 'Glen Eira Walking Tours.' You don't need wi-fi to download the app, but you should check your phone's mobile data allowance before you download it. Free wi-fi is available at all Glen Eira Libraries.
