Statement of significance:

This tree fulfils the criteria of:

- Outstanding Size (girth height spread)
- Aesthetic Value
- An Outstanding Example of the Species

This healthy mature oak has a significant trunk girth and wide spreading, rounded canopy making it the largest tree visible in the local area.

The well-formed canopy is entire, with good foliage density providing significant coverage and makes a substantial contribution to the local neighbourhood character. As such, it is an outstanding example of an English Oak in the southern half of Glen Eira City Council.
