Business Mentor Partners Program

Are you a business owner or manager? Our business community wants to help you.

Run in partnership with Kingston Council, Glen Eira City Council's *Business Mentor Partners Program* taps into our business community and links business owners and managers looking for a helping hand, with a mentor.

Mentors offer businesses the opportunity to check in, share problems and work on solutions. Once you join the *Program*, we link you in with a mentor and help you connect — whether that's online or face-to-face.

The *Program* can span up to six months, with a weekly or fortnightly catch-up depending on your needs. It is an incredible way to learn from those who may have been in business and have wisdom to share.

Glen Eira Mayor Cr Margaret Esakoff said the *Program* has a wonderful group of experienced business owners who have put up their hands to be mentors.

"Their skills and backgrounds range from marketing and retail, to strategy, franchising, sales, digital and accounting," she said.

"Our mentors lean on each other, so you'll have access to a wide pool of experiences to help you build your business and meet your goals."

Interested in applying? We'd love to hear from you. Applications can be made online anytime at www.gleneira.vic.gov.au/services/business-support/supporting-your-business/mentor-partners-program
