Domestic Animal Management Plan 2022-2026

Are you a dog or cat owner, pet sitter, dog walker or maybe an all-round animal enthusiast? We need your help in shaping our *Domestic Animal Management Plan (DAMP)* to ensure the cats and dogs of Glen Eira are looked after.

The *DAMP*, which is completed by all Victorian councils every four years, outlines our approach to management of domestic animals, which includes

- encouraging the registration of dogs and cats;
- promoting responsible pet ownership;
- minimising the potential for domestic animals to create a nuisance;
- minimising the risk of dog attacks on people and animals;
- managing dangerous, menacing and restricted breed dogs; and
- monitoring and tackling overpopulation and euthanasia rates.

We want to hear your thoughts and ideas and invite you to participate in a quick survey at www.haveyoursaygleneira.com.au/damp-2022-2026

The survey is open until Tuesday 31 August 2021.
