

If you change vehicles, you will need to update your ePermit. You can update your vehicle registration via the PayStay app or via a browser.

Updating your vehicle registration via the PayStay app

1. Open the PayStay app and click on the 'Permits' tab, then click the pencil symbol on your permit to modify the vehicle registration.

2. Click the 'Edit' button.

ePermits: Updating your vehicle registration

3. Change the registration as required and then click 'Update'.
