### Statement of significance:

This tree fulfils the criteria of:

- Outstanding Size (girth height spread)
- Aesthetic Value

This mature Monterey Cypress is the last specimen remaining from an original row of Cypress trees planted in the Lord Reserve.

It is a large and healthy example of the species for the local area and is a particularly large tree within the reserve compared to most of the other trees around.

It is a prominent canopy tree that makes a major contribution to the amenity of the local landscape.
