Statement of significance:

This tree fulfils the criteria of:

- Aesthetic value

This large, healthy and mature English Oak is located within a private courtyard, directly alongside Boyd Park in Murrumbeena. The tree has a high visual presence from the public realm and makes a major aesthetic contribution to the park and surrounding landscape.

Located within a small area of Glen Eira that has an overlay which recognises the value mature trees provide and the contribution they make to the neighbourhood character, removal of this tree would represent a substantial loss of amenity to the wider community.
