Statement of significance:

This tree fulfils the criteria of:

- Unique Location or Context
- Outstanding Size (girth height spread)
- Aesthetic Value
- Outstanding Habitat and Biodiversity Value

This mature Spotted Gum is unique in being one of the largest trees in Glen Eira and the wider region. It is particularly tall and iconic for street tree on a main suburban road that is highly visible making it a recognised landmark within the community.

The tree provides significant canopy coverage for the area, making a substantial contribution to the local landscape and neighbourhood character. It attracts a range of native wildlife, in particular cockatoos which use the tree for feeding, roosting and possibly nesting.
