Statement of significance:

This tree fulfils the criteria of:

- Aesthetic value
- Outstanding size (girth height spread)

This mature and well-formed Silky Oak is located within the rear yard of a private property. It is of outstanding size for its height and as a particularly tall tree for the surrounding area, it is highly visible from the public realm.

The tree has good health and structure, and it is striking in the landscape, making a major contribution to the neighbourhood character. As a tall flowering, native tree, it provides substantial amenity to the wider community.
