5 Items for Discussion:

5.1 Variation 2022-2023 Community Grant

5.1.1 Murrumbeena Village Traders Association CGP 2223 - 0078

Council provided a community grant of \$9,920 to the Murrumbeena Village Traders Association to deliver A Starry Night in Murrumbeena Village. This supports local traders and residents by running a festive event where people come together to celebrate the year and connect with each other.

A Starry Night in Murrumbeena includes the annual lighting of the palm tree outside the Murrumbeena Train Station. The original budget included \$3,000 to hire a cherry picker to fix the lights, which was then not required.

The Association requests a variation to extend the grant to 31 December 2023 to use unspent funds of \$3,000 to improve the streetscape by painting some of the roller doors of shops and putting in planter boxes to be maintained by a team of local residents who want to create a community herb garden. These improvements will be in consultation with Council's City Futures Department. The improvement to the streetscape would align with Council's aim to beautify the Murrumbeena Village Activity Centre.

Recommendation: **The Committee recommends that Council approves a variation to the Murrumbeena Village Traders Association to expend \$3,000 of grant funds towards improvements to the streetscape of the Murrumbeena Village Activity Centre to 31 December 2023.**

5.1.2 Australian Friends of Rambam CGP 2223 - 0078

Council provided a community grant of \$2,500 to Australian Friends of Rambam to deliver a Meet the Experts program where medical hospital experts from Israel and Australia met and shared knowledge and information in medical and health areas that benefit the community. Four seminars were planned.

The group requests a variation to extend the grant to 30 November 2023 to host the remainder of the seminars and to decrease the number of seminars to three as they have incurred an additional cost by broadcasting this event as well as running it on a face-to-face basis. This hybrid format increases the cost of each event.

Recommendation: **The Committee recommends that Council approves a variation to the Australian Friends of Rambam to extend the project end date to 30 November 2023 and to expend \$1,670 of grant funds on the remaining seminars.**

This event aligns with the aims of the Small Grants program to encourage community connectedness. Part-funding is recommended for \$750 for project materials (i.e. plants and art materials). Funding is not recommended for facility hire (\$250) as the venue is based outside of Glen Eira in Hughesdale.
