Non-Council Early Learning Centres in the City of Glen Eira

Choosing an education and care service

The following education and care options are available in our municipality:

- Long day care (early learning centres/childcare)
- Kindergarten
- Family day care
- Occasional care

Families have different childcare needs based on factors such as the hours of care required and the environment that best suits the individual child.

To help you make the right decision for your family, we encourage you to contact the centres and arrange tours of the centres you are interested in. This will allow you to see it for yourself and ask questions, and make sure you feel comfortable in the decision you make.

For more information, visit
www.gleneira.vic.gov.au/find-childcare

The ratings outlined are correct as of 12 December 2023. Please check with each service for their up to date rating.

The Early Learning Centre Rating?

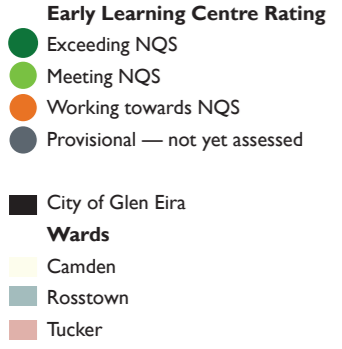

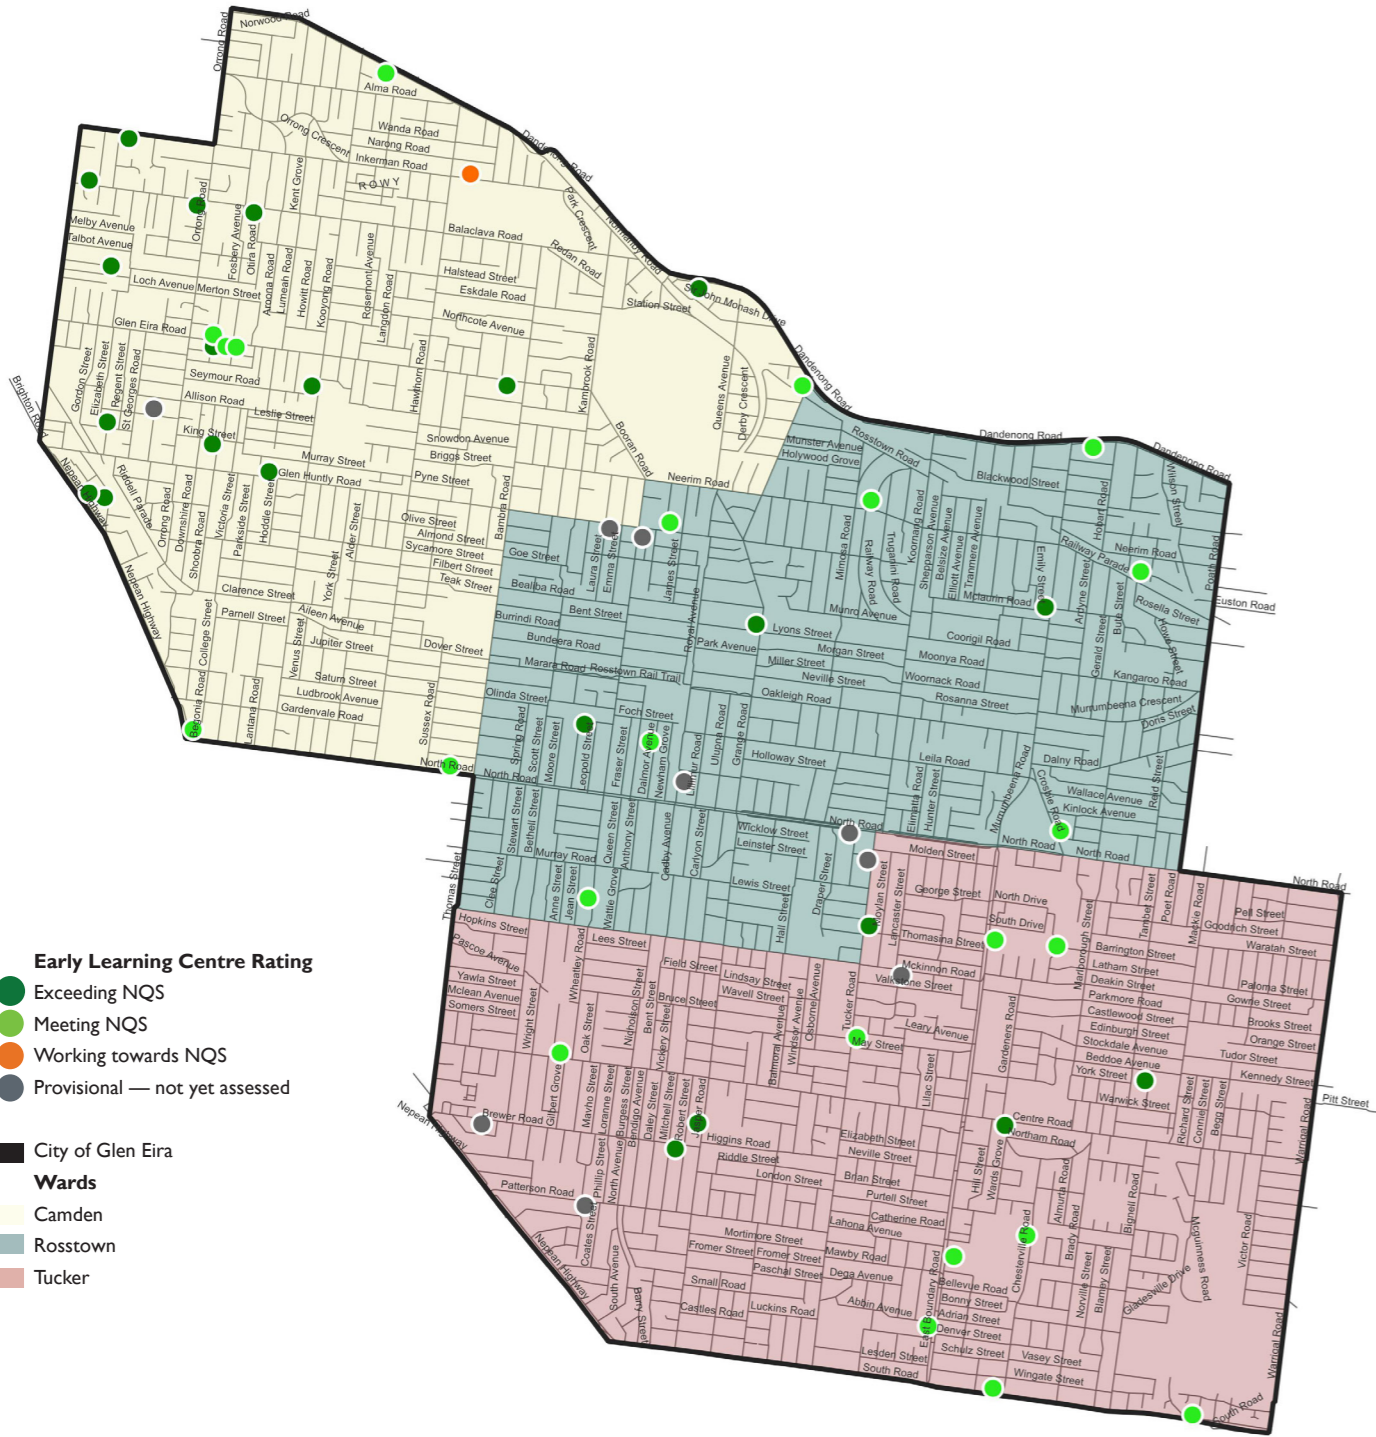

The National Quality Framework is used to assess and rate early childhood education and care services against the National Quality Standard (NQS).

The NQS sets a high national benchmark for early childhood education and care and outside school hours care services in Australia. It includes seven quality areas that are important outcomes for children.

Services are assessed and rated by their regulatory authority against the NQS, and given a rating for each of the seven quality areas and an overall rating based on these results.

Services are allocated one of six potential ratings:

1. Excellent
2. Exceeding National Quality Standard
3. Meeting National Quality Standard
4. Working Towards National Quality Standard
5. Significant Improvement Required
6. Provisional — Not Yet Assessed
