Reduce, reuse, recycle — circular economy style

Our individual actions add up to make a big difference.

It's always best to avoid waste, reuse what we can and then recycle or dispose correctly.

Tips to reduce waste

There's a range of small changes you can make to help reduce the amount of waste you create. This includes things like:

- Writing a shopping list before you go food shopping and sticking to it.
- Choosing good quality products that are made to last.
- Collecting food scraps in a kitchen caddy and placing them in the green bin to create compost, not landfill.
- Rehoming things in good condition.
- Repairing items before replacing.

For further information, visit www.gleneira.vic.gov.au/low-waste

Recycling is available at Glen Eira Libraries and Moorleigh Community Village in Bentleigh East for:

- small devices and their accessories
- batteries and light globes
- CDs, DVDs, video tapes and casettes

Hard rubbish, bulk cardboard and bundled branch collections

Every year, residential households can book three hard rubbish, bundled branch and bulk cardboard collections.

Please check your items for collection meet our guidelines before booking.

Batteries or items with built-in batteries are not accepted in hard rubbish.

www.gleneira.vic.gov.au/booked-collection

Other waste disposal options

Recycling and waste transfer stations

 Recycling and waste transfer stations accept a range of materials for recycling and disposal.
 Check current guidelines and fees before visiting.

Household chemicals

• Detox Your Home events are held around Victoria to safely dispose of household chemicals.

Sharps and syringes

 Dispose of containers of sharps for free at our Service Centre.

Vapes

 Take vapes to our collection box at Caulfield Library.
